Dear Joe:

I am enclosing two copies of the lease that, unfortunately, I have had in my briefcase for a few months. I hope that it is not a problem that I did not get these back to you right away. I kept one of the copies for my files. In addition, I have enclosed the "Request for Taxpayer I.D." form and the "Rent and Security Deposit Receipt" form. I have copies of both.

Sincerely,

Thomas E. Samoluk
