

MEMORANDUM

TO: Dr. Henry Graff

FROM: Tom Samoluk

RE: General Talking Points for Interviews

DATE: December 14, 1994

Per the request of the Board during our discussion on press policy, I am enclosing two memos I wrote for Jack prior to two recent interviews. I hope these general talking points are helpful to you. It was good to see you and the other members of the Board. Happy holidays to you and your family.
