Dear :

*The Assassination Records Review Board is an independent federal agency appointed by President Clinton to oversee the review and release of records related to the assassination of President John F. Kennedy. In 1995, the Review Board will begin making decisions on whether or not records that the FBI, the CIA, and other federal agencies want to keep secret should be made public, for the first time ever.*

*I have enclosed for your background information a three-page fact sheet on the Assassination Records Review Board. The fact sheet includes brief sections on: the Review Board members; the President John F. Kennedy Assassination Records Collection Act, the law which created the Board; the authority of the Board; and the background and need for the law.*

*If you are interested in having John R. Tunheim, Chair of the Review Board, as a guest on one of your programs, or if you have any questions, please contact me at (202) 724-0813.*

*Thank you for your time and attention to this matter. I look forward to hearing from you in the near future.*

*Sincerely,*

*Thomas E. Samoluk, Esq.  
Press and Public Affairs Officer*
