Dear Mr. Mather:

In response to your request for videotapes of the Dallas and New Orleans public hearings and your recent voice mail message, I attempted to call you at (617) 648-7944. However, that number was not in service, so I am writing to you instead.

The total cost of videotapes for the Dallas and the New Orleans public hearings would be \$67.64. Each hearing is on two videotapes. The company where we would have them reproduced charges \$16.91 per tape. Despite my wishes, we do not have the capabilities to reproduce the videotapes internally. Please advise me if you would still like to order the videotapes from us at the above total cost.

Per your request, I have enclosed the transcript from the New Orleans

public hearing and the written statements received by the Board.

Thank you for your continuing interest in the work of the Review Board.

Sincerely,

*Thomas E. Samoluk, Esq.
Associate Director for Communications*
