Dear Mr. McGuire:

Thank you your February 21, 1995 letter regarding the Review Board's definition guidance on an "assassination record." Unfortunately, your letter did not arrive at our offices until July 6th. We regret the delay in receiving the letter, but appreciate your time and interest in the Review Board's work. By this time, you should have received the final version of the definition guidance.

Again, thank you for your continuing interest in the Review Board.

Sincerely,
