Dear Mr. McGuire:

Thank you for your letter of February 10, 1995 regarding certain records which you believe the Assassination Records Review Board should review.

Please provide additional information about these records to assist us in determining whether or not these records should be considered "assassination records" under The President John F. Kennedy Assassination Records Collection Act of 1992. To assist you, I have enclosed a copy of the assassination record definition guidance which was published in the Federal Register on February 8, 1995.

Again, thank you for your continuing interest in the work of the

Review Board.

Sincerely,

*Thomas E. Samoluk, Esq.
Press and Public Affairs Officer*
