Dear Mr. Pizzuto:

On behalf of the Kennedy Assassination Records Review Board, I would like to take this opportunity to thank you again for all of your help in getting the "Gavel to Gavel" coverage of the Board's public meeting on Friday, March 24, 1995. You made things work very smoothly for us and the Board was able to function in the open and accessible manner which the Congress clearly intended.

It was a pleasure working with you. I hope I can return the favor when the Board expires in a couple of years and I return to Boston.

Sincerely,

*Thomas E. Samoluk
