Dorchester, MA 02124*

Dear Mr. Redmond:

Thank you for your letter of March 31, 1995 regarding the Review Board's work and recent visit to Boston.

The Review Board does not have additional hearings scheduled for the Boston area, although it is likely that there will be field hearings in other parts of the country. The President John F. Kennedy Assassination Records Collection Act requires the Board to file annual reports and a final report when it completes its work. I will put you on our mailing list to ensure that you are kept apprised of the Board's activities. For your information, I have enclosed an press kit which was distributed at our State House public meeting on March 24, 1995.

The Review Board has conducted public meetings and public hearings in Washington, Dallas, and Boston. Witnesses with a broad range of views

on the assassination have testified. In addition, the Board has communicated with many experts on the assassination, including Mr. Posner and Mr. Belin.

Again, thank you for your interest in the Review Board. We appreciate that you took the time to convey your thoughts.

Sincerely,

*Thomas E. Samoluk, Esq.
Press and Public Affairs Officer*
