Dear Mr. Tyler:

Thank you again for testifying at our hearing in New Orleans. The Review Board found your testimony to be very interesting and insightful.

Per our conversation, I am enclosing (15) blank VHS cassette tapes for you to dub the outtakes from your documentary. If I recall correctly, you estimated that you had (50) hours of interviews. If recorded at "LP" speed [(4) hours per tape], you should have plenty of room to get everything onto these tapes. Thank you for agreeing to undertake this effort for the Review Board.

Please give me a call when you have a moment, to let me know that you received the tapes. The Review Board truly appreciates all of your cooperation. Your contributions will become a key part of the JFK Assassination Records Collection. It has been a pleasure dealing with you and I hope that you will stay in touch with us even after you have

completed the dubbing project.

Sincerely,

*Thomas E. Samoluk, Esq.
Associate Director*
