Subject: JFK Board Action On Zapruder Film

## COMMENTS:

I wanted to keep you advised on a couple of matters below:

First, I am faxing a copy of the resolution on the Zapruder film that was passed by the Review Board at a public meeting today.

Please note that under the resolution:

No immediate action is taken on the film;

Congress will be consulted with regard to the disposition of the film; and

The film remains at the National Archives under optimal preservation conditions while the Board works with the Congress on the disposition of the film

Please give me a call if you have any questions or would like to discuss the Board's action.

Second, I have included the Administration's budget amendment for the Board's one year extension that went to the Hill yesterday.

Thanks for your time and attention.
