

## MEMORANDUM

May 30, 2017

TO: Jill Gibbons  
Legislative Reference Division, OMB

FROM: Tracy J. Shycoff  
Associate Director for Administration

SUBJECT: Written Statement for Senate Appropriations

As we discussed, I have enclosed a copy of the written statement that we plan to submit to the Senate Appropriations Subcommittee on Treasury and General Government. The statement is mostly the same as what was previously submitted to you for approval for presentation to the House Subcommittee on National Security, International Affairs, and Criminal Justice of the Committee on Government Reform and Oversight.

I have also enclosed a copy of the request for the written statement from Senator Ben Nighthorse Campbell as well as our answers to his written questions. As you can see, the statement must be received by the Senator's office by Monday, June 30, 1997.

If you have any questions, please give me a call. Thank you.
