

DEED OF GIFT
FOR THE HISTORICAL MATERIALS OF
DAVID LIFTON

1. In accordance with the provisions of chapter 21 of title 44, United States Code, and subject to the terms, conditions, and restrictions set forth in this instrument, David Lifton (the "Donor") gives, donates, and conveys to the United States of America, for deposit in the President John F. Kennedy Assassination Records Collection (the "JFK Collection") at the National Archives and Records Administration (NARA), the following historical materials (hereinafter referred to as "the Donated Materials"):
 - a. Film stock containing a 35 mm copy of the film taken of the assassination of President John F. Kennedy by Abraham Zapruder on November 22, 1963, and
 - b. Compact disk copies of interviews he conducted with medical witnesses from both Parkland Hospital in Dallas and Bethesda National Naval Medical Center.
2. The Donor warrants that, at the time of the execution of this Deed of Gift, he possessed title to, and all rights and interest in, the film stock free and clear of all liens, claims, charges, or encumbrances.
3. Title to the Donated Materials shall pass to the United States either upon delivery of the Donated Materials, or upon the execution of this Deed of Gift by the Donor and the authorized representative of the JFK Assassination Records Review Board or NARA.
4. Once title to the Donated Materials has passed to the United States, the Donor will make the Donated Materials available to the Assassination Records Review Board or NARA.
5. The Donor gives, donates, and assigns to the United States all intellectual property interest that he now possesses in the Donated Materials, except that, during the Donor's lifetime, the Donor retains to himself all copyrights in his writings in all papers and other historical materials donated to the United States of America under the terms of this instrument or which may be included in other collections of papers or historical materials deposited in the national archival system. Upon the Donor's death, all said rights shall pass to the Government.
6. The JFK Assassination Records Review Board will instruct the Archivist of the United States (the "Archivist") to add the Donated Materials to the JFK Collection in accordance with the provisions of title 44, United States Code, section 2107.
7. Once title to the Donated Materials passes to the United States and the Donated Materials are included in the JFK Collection, the Donor may freely examine them during the working hours of the depository at which they are being maintained.
8. The Donor may, upon request and from time to time, obtain reproductions of any or all of the Donated Materials to the extent permitted by law. The Archivist, or his or her designee, shall determine at the time of each request whether reproductions are to be provided free of charge or, in the alternative, for a fee set in accordance with the provisions of chapter 21 of title 44, United States

Code. In addition, the JFK Assassination Records Review Board agrees to arrange for a single copy of the Donated Material to be made for the Donor at the time of the Donation.

9. (a) It is the Donor's wish that the Donated Materials be made available for use by the public as soon after and to the fullest extent possible following their inclusion in the JFK Collection. For this reason, the Donor places no restrictions on the use of the Donated Materials.
 - (b) The Archivist may, subject only to restrictions placed upon him by law or regulation, provide for the preservation, arrangement, repair and rehabilitation, duplication and reproduction, description, exhibition, display, and servicing of the Donated Materials as may be needful or appropriate.
10. The JFK Assassination Records Review Board agrees that once it receives possession of the Donated Materials, it will promptly ship the Donated Materials to the NARA for inclusion in the JFK Collection.
