FILE (80-10)

As shown in my memorandum of 12-13-77, the Bureau identified some of the materials in the KENNEDY investigation which were released on 12-7-77 as those which apparently attracted the attention of at least one reporter from a Mexican newspaper in Washington. Mr. ROBERT DUNN, the Ambassador's Assistant, was in Washington the following weekend and brought back with him three separate sections which had been furnished to him at the Bureau. These sections represent the 524 page report of former SA WARREN C. DE BRUEYS at Dallas on 12-8-63. One section, pages 315 - 359, relates to the Mexican travel of LEE HARVEY OSWALD. To date, there have been no articles of a sensational nature appearing in the Mexican press based on this material.

In addition, on 1-5-78, [redacted] ^(S) brought to this office a set of documents which had been forwarded by his Headquarters which appeared to represent raw Bureau file material pertaining to the Mexican aspects of the OSWALD investigation. At his suggestion, copies of these documents were made for temporary retention in the files of this office and the set furnished by [redacted] ^(S) was returned to him on 1-6-78.

For the time being, all of this material is being placed in a Bulky Exhibit Envelope of captioned file so that it will be available for reference if needed.
