The NYO feels that the trip of RICHARD FRANK is most
significant because of its apparent urgency. It appears also
that the subject cannot get her passport in time to be in
England this Saturday, so her husband is going in her place.
It would appear, therefore, that he has an appointment to meet
someone in England.

(S) [redacted] The Bureau is requested, through liaison, to contact [redacted] and Legat, London, and have them attempt to discreetly determine RICHARD FRANK's contacts and activities in England and elsewhere. Discretion should be used so as RICHARD FRANK does not become aware of investigative interest in him.

A copy of this airtel is being designated for WFO because of their previous investigation in this matter.
