1. The following information concerning the Cuban

provided by a group of Cuban emigres trained in the techniques
of information collection which has provided useful reports
since 1961 (hereafter referred to as source):

Cuban

(1) ~~Irmina BOUZA Enrique~~ is also known as
"Mimi" and "Vitola" and lives at 963 N.W. 57th
Street, Apartment 3, in Miami. She works nights
at the Miami Herald and is, or was, the secretary
of Wendel ROLLASON. She owns a Pontiac automobile
with a light colored top (probably a convertible),
and she has transported C4 and documents for
Cuban Power. She guarded these explosives and

e. Among the persons residing in New York who are aware of the activities of Cuban Power is Armando ~~CORREA~~ Morales who was a member of the UIR in Cuba, N.Y.

f. According to source, Cuban Power in New York has planned to discreetly take action against a member of the Cuban delegation to the United Nations and to place bombs in Canada during the month of April 1968.

2. According to source, the following are individuals who would be interested in cooperating with the Federal Bureau of Investigation (FBI):

Cuba
FBI

a. Ovidio ~~KABA~~ Acosta is very well connected with the Miami Cell of Cuban Power. Although he is not active within the group, he attends the majority of the meetings held by Cuban Power and is aware of all of the activities of the Organization. Ovidio KABA is willing to cooperate with the FBI if he is handled in the proper clandestine manner and care is taken that he is not "burned". According to source, if the first contact with KABA is handled with tact and he is assured that he will be protected, it is possible that his cooperation will be obtained. Cuban Power has utilized KABA's automobile without his permission, and he suspects that it has been used in some of the publicized activities of Cuban Power.

* b. Manuel ~~PEREZ~~, also known as Manolo ~~PEREZ~~, does not belong to Cuban Power in New York but he is informed of all of the activities of this group and is disposed to give information to the FBI. He lives at 4005 Bergeline Avenue, Union City, New Jersey, M.C. Cuba and is a partner of the "Perez Travel Service."

3. Ovidio KABA Acosta is probably identical with Ovidio Edmundo Ramon ~~KABA~~ Acosta who was the subject of several FBI reports passed to this Office. Traces will be run on Manuel PEREZ when additional information is received.
