MFR: SD 10721 is the former treasurer for "Alpha 66" and Second National Front of the Escambray (SNFE), on whom CI was established on 19 Nov 62 for Project AUTOCAT(C). He was initially contacted to establish a meeting with three frogmen of the SNFE who had been drawn (sucked up?) to the side of a Soviet ship which they were attempting to sabotage. Through SD 10721, C/C met MENCYA, leader of SNFE, who in turn arranged the meeting with the three frogmen. Subsequent to the debriefing of the frogmen, periodic contact was maintained with SD 10721, with the last contact taking place in the early part of 1963.
