visit on 4 October; copies shown to Ambassador; and one copy each of 2 photos given to Chief, FBI, in Mexico. A handwritten note indicates that 4 pictures from 1 Oct + 4 from 4 Oct were sent with this dispatch.

3. A letter from "Kim" to "J.C." Eldon Rudd took the letter to Dallas and mailed it from there.

"Reference is made to our conversation of 22 November in which I requested permission to give the Legal Attache copies of photographs of a certain person who is known to you." Attached to the letter are copies of the photos with the dates stamped on the backs. The Ambassador decided it was very important to get the photos to Dallas so the

The releasing officer was Thomas Karamesseres.

2. Mexi 7019, originated and released by Kim Scott, reports that they have pictures of the "unidentified American type who is possibly Oswald" going into the Cuban Embassy on 15 October. The cable also reports that they are checking the photos from other dates. (27-10)

4. Mexi 7021, originated, released and authenticated by [Allen White] reports that an FBI agent left Mexico at 8:00 pm with two copies of six photos of the man believed to be Oswald. Cable asks if they (HQ) still wants a staffer to bring the photos.
