Subject: Procurement of

Dorothy L. Hunt.

1. On 25 February 1963, I delivered to Mr. W. Loyal George, Chief, FI, thermo-fax copies of a memorandum and a letter of transmittal dated 18 and 20 February respectively. Both were prepared by Ambassador ~~Both were~~ Antonio Garrigues for Prince Stanislas Radziwill and taken to the latter in New York by Alfonso de Borbon, 2d Secretary of the Spanish Embassy in Washington.

2. The purport of the material was to enlist the aid of Radziwill in (a) persuading the President to visit Madrid during his next European trip, and (b) conveying to the President the views of

Ambassador Garrigues regarding U.S. - Latin American relations.

3. Mr. George regarded the material to sensitive to be handled by routine means, and decided to show it only to Mr. Helms.

4. On 27 February 1963, Mr. George telephoned me to say that he had just shown the material to Mr. Helms who speculated whether he ought not take it to the White House at once. Mr. George demurred, pointing out the sensitivity of the source (my wife), whereupon Mr. Helms indicated that nothing should be done with the material until Mr. George returned from a Far East trip and could consider the matter further.
