Wash Post news article indicates Ricardo Morales Venez. Intelligence official, reported to FBI that he had been told of a plot to kill Pascal (Luis Andres Pascal Allende - relative of Allende). Otero said he went to DINA officials and identified himself as a fugitive from the US. At DINA HQs said he was told the secret police support the Cuban exiles cause and would provide funds and arms for them in return for a "favor." The favor was to kill Pascal and Anne Marie Brussier -sic- Beausire - in Costa Rica before 2/22/76. Bosch to be back-up if Otero failed in the mission. According to Otero, he refused to do the favor, left Chile and told Morales. Returned to Santiago and arrested two weeks earlier.

Bosch arrested 2/19/ entering Costa Rica and charged with false passport and plotting to kill Secy of State Henry Kissinger, Pascal and Brussier. No trial, Bosch deported. Returned to Santiago and apparently remained there until going to Caribbean to organize CORU.

This info suppressed at 76 sept trila of Otero- Otero found innocent.

Otero had lived in FL until late December 1975 when he was told by FBI informant that FBI was preparing to have him indicted on bombing charges. Otero then went to Dom Rep where he was arrested and paroled. When Miami Fed Grand Jury returned indictmen against Otero, he flew to Caracas where stayed with Morales. Info in reports alleges that Otero was told that if Venez. authorities moved to arrest him, he could receive asylum with new Chilean ambassador. While in Cracas, Otero allegedly told Morales that he had committed the bombings in Miami ans Morales passed this information to the FBI.

Much of info on plot to kill Pascal and Brussier could have come from Morales -- in FBI report. Morales was source of numerous secret Service reports during Kissinger visit to Caracas 2/76 on reprted attempt to kill Kissinger.
