- b) file number (S) 62-109060, 30

the enclosure to ref: makes it clear  
that the anonymous caller spoke  
only of a "Mario Garcia" and  
that Mr. Santoro assumed she  
might be referring to Sergio  
Archard Smith. This assumption  
seems unlikely because of the  
dissimilarity of names.

name to which unid'd call  
intended to refer may have been  
Manuel Garcia Gonzales.

Press reported that Garrison  
alleges that Garcia was one of  
JFK's assassins. However, another  
report from FBI N.O. 6/April 67  
quote Dean Adams Andrew  
as saying that Garcia doesn't  
exist & that Andrew identified the  
name. CIA has no other record  
of Garcia.
