LEE HARVEY OSWALD

In connection with the book entitled "The Sinners" written by Wolodymyr Nemyliwskyj, a copy of which was forwarded to the FBI in an envelope bearing the return address Wolodymyr Nemyliwskyj, 71 Elm Grove Ave., Toronto 3, Ontario, Canada, a confidential source abroad advised that WOLODYMYR NEMYLIWSKYJ, 71 Elm Grove Avenue, Toronto, has come to its attention on numerous occasions in the past. The source said NEMYLIWSKYJ, who is also known as NEMYLIWSKY, has been the author of several letters to the source during the period between 1956 and 1964, and described NEMYLIWSKYJ as a self-styled detective and undercover investigator. The source advised that on receipt of the first letter from this individual, he had been interviewed at his residence and had been found to be mentally disturbed and suffering from a persecution complex. (c)

(The source cited several instances of material received from NEMYLIWSKYJ to substantiate the above information and said it was felt that any undertaking to have him interviewed concerning comments set forth in his book concerning LEE HARVEY OSWALD would prove fruitless and would only serve in provoking his mental disturbance further. (c)

The source advised further that on March 23, 1964, NEMYLIWSKYJ appeared in police court in Toronto, Ontario, charged with unlawfully being in a dwelling house and impersonating a police officer. Charges were withdrawn on the charge of unlawfully being in a dwelling house; however, he was convicted and sentenced to 15 days on the charge of impersonating a police officer. (c)

SUMMARY FROM UKRAINIAN

The author and publisher of this book, entitled "The Sinners," is Walter (Wolodymyr) Nemyliwsky (Nemyliwskyj), 71 Elm Grove Avenue, Toronto 3, Ontario, Canada.

In his introduction, W. Nemyliwsky states:

"I am dedicating this book to our Hetman Bohdan Khmelnytsky and Symon Petlura, Commander in Chief of the Ukrainian Armed Forces, whom the Jews lampoon and impudently criticize in the local Canadian publications and include among their enemies.... I am taking the liberty of protesting against these Jewish lies because we used to defend these parasites against the Nazis and now they are beginning to 'fight' us here. Their communists have murdered S. Petlura and E. Konovalts; and General Taras Chuprynka, L. Rebet and S. Bandera have died at their hands.... The glorious memory of S. Petlura does not deserve such rot and, therefore, we have to defend his honor in all parts of the world. In order to avoid my persecution by the Jews for some of the terminology here, I have objectively used all our publications, foreign language encyclopedias, 'The Canadian Intelligence Service,' (Flesherton, Ontario), 'The Ottawa Anti-Communist Report,' 'News Behind the News,' etc. We all are citizens of this country and, therefore, we should strive toward the common national good of all its citizens and not employ propaganda against other nationalities of our Canada. Hetman Bohdan Khmelnytsky and Symon Petlura were not 'Plato's wolves' for the Jews of various races and color, therefore the Jews should not lampoon them as it can be seen on the cover page of this publication."

In Chapters 1, 2 and 3, the writer explains the "Biblical history of the Old Testament," trial of Jesus Christ and his crucifixion, and the sins committed by the Jewish people for which God is punishing them to this day.

Chapter 4, entitled "Philosophy and Communism," identifies leading Jewish philosophers who are listed in the "World's Philosophies." Among those mentioned, the writer includes Karl Marx and Friedrich Engels, who founded the theory of dialectical and historical materialism and atheism, and V. Lenin, who put their theory into practice.

In Chapter 5, the writer proves with "facts" that the upper echelon of the Russian Communist Party were Jews, including Lenin and Stalin. Their successor, N. Khrushchev, continues the conspiracy of Moscow-Jewish communism to enslave the free world. To prove this point, the writer points out the fact that the U. S. and Canadian Communist Parties are run by Jews and that the overwhelming majority of the Moscow spies in Canada and the United States have been and are Jews (Harry Gold, Mr. & Mrs. Julius Rosenberg, David Greenglass, Dr. Sidney Weinbaum, Miriam Moskovic, Jacob Golos, Morton Sobell, Abraham Bortman, Fred Rose, Sam Carr, David Sugar, G. S. Gerson, S. S. Burman, Gerhardt Eisler).

Chapter 6 is devoted to the question of Ukrainian-Jewish relations in the Ukraine.

Chapter 7 deals with the Ukrainian traitors and the KGB agents of the "red butchers" from Moscow. One of them is Lee Harvey Oswald, "who could not find a place for himself in his own country -- the United States. A man who did not finish his secondary education; he served in the Navy which discharged him for undesirable conduct. At the age of 15 he came under the influence of the Reds who trained him for the subversive work of the communist adherents. In 1959 he went to the Soviet Union where he stayed for three years and got married. Next, he asked the American Embassy in Moscow for permission to return to the United States. He came back to the United States in 1962, after concluding his training, and started to shadow President J. F. Kennedy in order to carry out Moscow's plan, which he executed on November 22, 1963. Americans have put our Christians and nationalists through 'screening' and even delivered some of them into the jaws of bloodthirsty Stalin, however, the FBI has failed to investigate its own citizens who delivered national secrets to Red Moscow and finally murdered their own Catholic President who stood in the way of the Bolshevik-Stakhanov shock-troops in the United States. The Jewish communes in the United States are the vermin who carry out the Marxist plans of the Moscow Comintern and their aristocrats care only about their bellies and pockets full of dollars.

"Victor Rizel (sic) -- American journalist -- is better oriented about this murder than the FBI because he rejects any suggestion that L. H. Oswald and Ruby are mental cases and states that killer L. H. Oswald is connected with Moscow. Oswald stayed in the Soviet Union from 1959 to 1962, and gave the Soviets the secret codes of the U. S. Marines in which he served. He could freely travel in the Soviet Union -- a privilege not accorded

regular visitors from abroad. He was Trotskyite (according to the Soviet press) and an American spy, and yet he was allowed to return to the United States and marry a Soviet citizen who is a communist spy.... Moscow never lets its citizens go abroad unless they are trained agents from Moscow or Leningrad.

"Because of such statesmen on this continent, we also have to suffer here, both morally and materially, from communist henchmen, tyrants and agents who killed S. Petlura, E. Konovalts, L. Rebet, S. Bandera and, finally, the President of the United States, John F. Kennedy."

The remaining Chapters deal with the history of the Ukrainian liberation struggle against Poland and Tsarist and communist Russia.
