CONFIDENTIAL

MEMORANDUM FOR THE DIRECTOR, FEDERAL BUREAU OF INVESTIGATION
ATTN: Mr. Arthur Kerns, Intelligence Division

SUBJECT: Request for Information

1. Attached is correspondence which Lt Col Paul T. Fisher, Chief, Security Police, U.S. Air Force Security Service, has requested this Agency to bring to the attention of the Federal Bureau of Investigation. The materials consist of a letter written by one David Christensen, a former U.S. Air Force Security Service member, to a former colleague of Mr. Christensen's who passed it on to the Air Force Security Service. Also enclosed is Lt Col Fisher's cover letter to Mr. James Leer of this Agency. Finally, since the photocopy of Mr. Christensen's handwritten letter is difficult to read, a typewritten copy has been prepared for your convenience.

2. The classification markings on the handwritten letter were applied by the Air Force Security Service. The typewritten version has been classified CONFIDENTIAL HVCCO, the highest level affixed to the handwritten letter.

3. Should you feel it appropriate to disseminate the enclosed materials to any Committee of the Congress, I would ask that you do so only to members or to staffers who have appropriate SI clearances. The information contained in Mr. Christensen's letter that the Air Force Security Service was intercepting international commercial communications at Kirknewton, Scotland during 1963 is correct, as is the assertion that that station monitored communications links between Lisbon and other parts of the world.
