MOHAMED LAKMIRI

On October 16, 1964, HERBERTO SPIDOLA, Secretary to the Mexican Consul, San Antonio, Texas, advised the San Antonio Office of the Federal Bureau of Investigation that an unknown French male, listing his home as Morocco, had been trying for some time to make an appointment to speak with the Consul.

On the morning of October 16, 1964, this individual came to the Consulate and spoke with the librarian who made an appointment with this man to speak with the Consul at 11 a.m. This man, according to the librarian, said he had some information concerning LEE HARVEY OSWALD that he wanted to pass on to the Mexican Consul General.

According to the librarian, this man was dressed in a uniform, but she did not know what sort of uniform it was. The man had left his name written on a small note pad, but his writing was illegible and no one had been able to determine his identity.

On October 17, 1964, JOSE INES CANO, the Consul General, Mexican Consulate, 127 Navarro, San Antonio, Texas, advised a Special Agent of the Federal Bureau of Investigation that MOHAMED LAKMIRI was presently in his office and stated he wanted political asylum in Mexico because he feared to state any of his political views here in the United States.

Mr. CANO advised that he felt LAKMIRI was mentally sick and needed psychiatric attention.

Mr. CANO further advised that on two previous occasions he has received letters from LAKMIRI written in the French.

language. In the first letter, LAKMIRI mentions the name of OSWALD in a very nebulous way. In the second letter, LAKMIRI again mentions in his letter that he was destined to play a role like the OSWALD role. Mr. CANO further advised that both letters were rambling and made very little sense. While LAKMIRI was at the Mexican Consulate, CANO suggested to him that he talk to a representative of the U. S. Government. According to Mr. CANO, LAKMIRI refused to talk to any representative of the U. S. Government because he feels that everyone in the United States and everyone at Lackland Air Force Base (AFB) is against him.

On October 17, 1964, Mr. BILLY H. CUNNINGHAM, Special Agent, Office of Special Investigation, Lackland AFB, Texas, advised that records at Lackland AFB reflect that MOHAMED LAKMIRI is an Aviation Cadet with the Moroccan Air Force, Service Number 4070 MOR on Special Orders 152 at Lackland AFB dated August 31, 1964 to train for fifteen weeks in language training and fifty-five weeks in flight training. Mr. CUNNINGHAM furnished the following description which was obtained from the records at Lackland AFB:

Date of Birth:	1939 (no month or day shown)
Place of Birth:	(No place indicated)
Height:	5'8"
Weight:	154 pounds
Hair:	Brown
Eyes:	Brown

Medical records at Lackland AFB, Texas, according to Mr. CUNNINGHAM, reflect that on September 29, 1964, LAKMIRI went to Wilford Hall Hospital complaining of poor sleeping habits, pain in his throat, and difficulty in breathing. A note on these records indicates the patient himself said he would like to stay in the hospital for a few days ("because I don't sleep very well").

Mr. CUNNINGHAM advised that on October 12, 1964, Special Orders MC 745 were issued by the Secretary of

the Air Force and stated that LAKMIRI was invited to depart on October 18, 1964, from Lackland AFB, to New York City, reporting not later than 7:15 p.m., October 18, 1964, to the John F. Kennedy International Airport for departure to his homeland, Rabat, Morocco, departing at 9:15 p.m., October 18, 1964, aboard Pan American Airlines Flight 152.

On October 17, 1964, at 2:33 p.m., Mr. LUIS M. BENAVIDES, Agent in Charge, U. S. Secret Service, San Antonio, was furnished the above information.

On October 17, 1964, at 4:10 p.m., Mr. ERWIN MEURIN, Immigration and Naturalization Service, San Antonio, Texas, was furnished the above information.

Subsequently, on October 17, 1964, Mr. BILLY H. CUNNINGHAM, supra, advised LAKMIRI was admitted this date at Wilford Hall Hospital and is presently in the Psychiatric Ward and is being examined. He is under Air Police guard. Mr. CUNNINGHAM stated that LAKMIRI had become violent and was given a sedative.

Mr. CUNNINGHAM related that hospital authorities are now trying to make arrangements to have him evacuated by air to the East Coast and then to his home in Morocco. It is not known when these arrangements will be completed and when the examination will be finished. Mr. CUNNINGHAM stated that LAKMIRI was in no condition to be interviewed at this time.
