Simultaneously, information was received from Mr. GEORGE FRANK, Area Director, Bureau of Labor Management Reports, U.S. Department of Labor, Santurce, Puerto Rico, that a thorough search of the files and records of that agency had disclosed that Teamsters Local 901, Santurce, Puerto Rico, had failed to file with that agency the annual financial report, form LM-2, for the fiscal and calendar year ending December 31, 1960, as required by Title II of the Labor Management Reporting and Disclosure Act of 1958.

1959 vsm 4/2-5/62

The above facts were discussed with United States Attorney, FRANCISCO A. GIL, Jr., San Juan, on February 16, 1962, at which time Mr. GIL advised he would immediately move to have the Teamsters records subpoenaed, at which time Mr. GIL stated that he desired the San Juan Office of this agency to investigate the possible violation of Local 901 in failing to file their financial report for the year 1960 at the same time that investigation was being conducted concerning possible embezzlement of Union funds. Mr. GIL advised that he expected to be able to have a special Federal Grand Jury convened by February 19, 1962 in order to have the necessary subpoena issued.

A special Federal Grand Jury was convened at San Juan at 9:00 A.M., February 19, 1962, and a subpoena duces tecum was issued for the

JFK Law 10(a)2

On March 1, 1962 information was received on a confidential basis that there was no record of any registered mail having been sent by Teamsters Local 901 to the International Brotherhood of Teamsters Office, Washington, D. C., during the period February 12 through 27, 1962, through the Fernandez Juncos, Santurce, and San Juan stations of the U.S. Post Office in Puerto Rico, which stations would have been the most logical stations utilized by Teamsters Local 901 in depositing mail. It was noted that registered mail was the only type of mail which might have been utilized by Local 901 wherein a permanent record of such mail would have been maintained by the U.S. Post Office Department.

On April 3, 1962 additional information was received to the effect that Local 901 of the Teamsters Union had recently filed a claim with the U.S. Post Office, San Juan, Puerto Rico, for three or four packages which allegedly had been mailed by the Teamsters Union to Washington, D.C., in February, 1962, allegedly containing books and records of Local 901. This claim by Local 901 indicated that these packages were sent by regular mail.

The above information was furnished to the United States Attorney, San Juan, on the same date.

The above confidential source, mentioned previously, advised on April 10, 1962, that the reason the books and records of the Teamsters Local 901 never arrived by mail in the Continental U.S., specifically at the Headquarters of the International Brotherhood of Teamsters, Washington, D. C., was due to the fact they were burned by LUIS E. PAGAN, Bookkeeper, Local 901, and LEOPOLDO RAMOS DUCOS, Local 901 organizer. This information was learned in conversation with LUIS E. PAGAN and when PAGAN was jokingly told that he had been photographed in the act of burning the Union's records, PAGAN stated that this was impossible, as pictures cannot be taken at night. The confidential source at that time was unable to supply additional details as to the place or
