(10) Interview of [redacted] will not be covered as [redacted] is a Dallas PD informant and a request has been made by the Dallas PD not to contact [redacted] at this time.

(11) Reinterview of MARY GARRISON will not be covered as CHARLES THOMAS SCRIBNER admits in statements to FBI that she has no knowledge regarding captioned theft.

(12) Soil samples from HARRINGTON's farm in Plano, Texas, will not be obtained as subjects have already admitted that HARRINGTON's farm is where the televisions were stored, and therefore, soil samples are not needed to prove that HARRINGTON's farm was the location where trailer from captioned theft was unloaded and the televisions were stored there.

(13) Interview of BILLY TEE DYER will not be conducted as his attorney has been in contact with case Agent and stated he would not give permission to interview DYER.

(14) Attempts to locate and interview MIKE STROBLE will not be covered since DONALD EUGENE McGHEE admits he did not attempt to sell a television to STROBLE.

(15) Attempts to locate and interview VIRGINIA HOUSTON, aka Virginia Miller, will not be covered as HARRINGTON admits she did not purchase a television set from captioned theft from him.

(16) Contact with SO's, Henderson and Kaufman Counties will not be made at this time as statements by subjects HALLMAN, SCRIBNER and McGHEE show that none of the televisions from captioned theft were dispersed in those counties.
