Bolita operation, had his banker fail to come up with \$4,000. Informant believes that RAYMOND MC CLENDON (the tire man) was SENTERFIT's banker. In this regard, MM 869-PC advised that NORMAN ROTHMAN has been banking the Bolita operation of ERWIN BRENNAN and possibly others. Informant does not believe that it is ROTHMAN's own money that is involved but that ROTHMAN is a front for the hoodlum element.

On April 15, 1971, NK 3106-C TE advised that he has met on several occasions during this past month NORMAN ROTHMAN in the afternoons at "Dino's" in Miami, Florida. He added that ROTHMAN has always been with PATSY ERRA. ROTHMAN and ERRA seemed to meet other people at this location and possibly gambling associates. He added that he had no specific information regarding these individuals' gambling operation and ROTHMAN stated that he is in the cigar business in the Miami, Florida area. He added that ROTHMAN and ERRA continue to frequent Mama Vi Vi's Restaurant with JOHN PELLEGRINO. He mentioned that he has had dinner with this group but they have never discussed their gambling operation with him. RELEASE IN PART

It is noted that the investigative period ~~TOTAL PERIOD~~ exceeds 90 days, however, it has been kept current through interoffice communications.

On January 17, 1970, MM 1401-C-TE advised that NORMAN ROTHMAN is very upset about the possibility of his being convicted in the CHESTER ZOCHOWSKI, aka, ET AL matter pending in New York, New York file number 87-54676. He was reported to be drinking heavily and being in a worried state of mind.

On January 22, 1970, Special Investigators GEORGE NOWICKI and WAYNE TUCCI, Alcohol, Tobacco and Firearms Division, United States Department of the Treasury, assigned to the Miami Strike Force, in conjunction with Special Agent DICK SCULLY, Florida Department of Law Enforcement, conducted a surveillance of ROTHMAN. At approximately 10:30 p.m., ROTHMAN's 1968 Pontiac sedan, black, bearing 1970 Florida license 1W12143, was observed parked at Dean Martin's Restaurant.

One of the three partners in this establishment is FRANCES ERRA, wife of PASQUALE MICHAEL ERRA, subject of Miami file number 92-648.

Two other vehicles were observed parked next to ROTHMAN's. The first was a 1969 Oldsmobile, four door sedan, black top and green bottom, bearing 1969 New Jersey license RAB 198, registered to WARREN RAYMOND LEHMAN, 427 Kaplan Avenue, Hackensack, New Jersey. The second vehicle was a 1970 Cadillac, four door hardtop, bearing 1969 New Jersey license MTO 817, registered to EMILIO DELIO, 247 Highland Avenue, Newark, New Jersey.

WARREN RAYMOND LEHMAN, date of birth September 21, 1921, is described as a white male, 5-7, 165 pounds, hazel eyes and brown hair. He was reportedly previously employed by Burdin's Drug Company, 138 Johnson Street, Hackensack, New Jersey. The files of the New Jersey State Police as reviewed by Agent SCULLY reflect no criminal arrest for LEHMAN and no intelligence information was located. Burgin's Drug Company is one of the largest pharmaceutical firms in the State of New Jersey.

EMILIO DELIO, date of birth December 22, 1913, Place of birth Teora, Italy, is also known as "The Count" or "Tony the Wop". He is described as a white male, 5'7" tall, 180 pounds, black hair, brown eyes, and heavy build. SCULLY advised that DELIO is reportedly a member of the VITO GENOVESE family operating in the direction of GERARDO CATENA. DELIO is alleged to be a boss of La Cosa Nostra activities in the Newark, New Jersey, area, primarily connected with gambling operations. He is also identified as being a close associate, or partner, of ANTHONY RUSSO.

247 Highland Ave, Newark, NJ

At approximately 11:20 p.m., ROTHMAN, accompanied by a female departed from Dean Martin's Restaurant driving his Pontiac. At the same time two unknown males and two unknown females departed in the LEHMAN and DELIO vehicles.

Detective GAMBLE advised that after the meeting at Dean Martin's Restaurant SALVATORE PIERI went to the Hohnina Hotel where he had room 336. Reportedly later in the evening of January 23, 1970, PIERI met with an unidentified group of persons at the Dream Lounge, located at the Hohnina Hotel.

On January 24, 1970, BU 502-C-TE advised that Buffalo La Cosa Nostra Chief SALVATORE J. PIERI arrived in Miami aboard United Airlines Flight 577 from Buffalo, arriving Miami 5:26 p.m., January 23, 1970.

Upon arrival, PIERI was driven by TONY ROMANO from Daytona Beach, Florida, from the airport to the Dean Martin Restaurant, Miami Beach, where a La Cosa Nostra meeting was held that evening.

According to the informant, ROMANO and PIERI reported that upon leaving Miami International Airport, they ascertained that they were being tailed by several cars. These cars followed them to various side streets and upon arrival at the Dean Martin's Restaurant, parked in the street across from the meeting place.

Informant further advised on January 27, 1970 that according to Miami La Cosa Nostra member PASQUALE ERRA, "A big, tall bald-headed guy from the Dade County Sheriff's Office came to ERRA and told him that the Sheriff's Office was the group who tailed PIERI and ROMANO to the restaurant."

In regard to the meeting on the night of January 23, 1970, informant said that the inner meeting itself was held between thirteen and fourteen individuals in a room located on the righthand side of the bar as one walks into the restaurant. This meeting involved various discussions including:

- (1) There is concern among the Miami La Cosa Nostra Faction that they are generally disorganized, which disorganization could prove disadvantageous in light of the growth of La Cosa Nostra activities in the area. It is felt that in light of this growth, without proper organization, fights over lines of demarcation could arise.
- (2) There is concern in regard to large amounts of money being placed through appropriate fronts by ANGELO BRUNO family from Philadelphia. The general feeling was that in light of these large investments, comprised mainly of large commercial lines, that BRUNO is "coming on strong" in Miami and is obviously attempting to greatly expand his influence.

Informant recognized the following individuals as having attended the above meeting:

- (1) SALVATORE J. PIERI, Buffalo La Cosa Nostra Chief.
- (2) TONY ROMANO, Daytona Beach, Florida.

- P -

- (3) NORMAN ROTHMAN, Surfside, Florida.
- (4) (FNU) TRISCARO, described as a short Italian who was a former fighter and who comes from Cleveland, Ohio. This individual was accompanied by another hoodlum who was described as his "body guard." (The Buffalo Office advised by communication dated February 5, 1970, that this individual was probably identical with LOUIS TRISCARO, aka "Babe," president of the Teamsters Local # 436, Cleveland, Ohio, who has known La Cosa Nostra connections)/
- (5) PASQUALE MICHAEL ERRA, Miami Beach, Florida.
- (6) DOMINIC MANTELL, Miami, Florida.
- (7) FRED GABOURIE, Informant has furnished previous information concerning GABOURIE, who is known as "FREDDIE" and "GABE," Fla. GABOURIE resides near Toronto, Canada, and has been described in the past as a connection between Toronto La Cosa Nostra members and various La Cosa Nostra factions in the United States. GABOURIE has also been reported to be close associate of SAM PIERI and PEANUTS TRONOLONE from Miami.

Informant advised that he did not recall specific names of other persons in attendance at this meeting, however he did state that JOSEPH INDELICATO was not at this meeting.

On January 28, 1970, MM 1401-C-TE advised that NORMAN ROTHMAN can be found almost every Friday night at Dean Martin's Restaurant in North Bay Village. During the daytime he is usually at home except for the frequent trips he makes to the Normandy Isle Club where he drinks heavily. Informant did not know whether ROTHMAN intends to open his movie house and book store. ROTHMAN told informant that because of his forthcoming prosecution, eh is not looking for any new deals and is staying out of any new action. Informant further advised although ROTHMAN is very friendly with PASQUALE ERRA he is closer to JIMMY DOYLE PLUMERI than anyone else.

On March 7, 1970, MM 1401-C-TE advised that there was a meeting scheduled that date for 1:00 p.m. at the Eden Roc Hotel, Miami Beach. The following were supposed to attend: MEYER LANSKY, NORMAN ROTHMAN, MORRIS LANSBURGH and FRANKIE FERRARA. There was also a meeting scheduled for March 10, 1970, of a larger group. Apparently, the meetings are to discuss FERRARA taking over the gambling junkets. There is also some question about handling of the Bahamas Casino, probably the Kings Inn.

On March 11, 1970, MM 1176-PC advised that NORMAN ROTHMAN came into the Eden Roc Hotel on February 3, 1970, with JOE E. LEWIS, the comedian, after having previously spent some time prior to this with LEWIS at the Fla

Fontainebleau Hotel, Miami Beach. He was told ROTHMAN, while at the Eden Roc, happened to meet an acquaintance and was overheard to tell this individual that if it were not for "the jam" he is in with the Federal Government, he would go into the building construction business because that is where the money is being made today.

On March 12, 1970, MM 725-C advised he heard that NORMAN ROTHMAN has been with PATTY ERRA and allegedly a new comer to the area called SAL (LNU), an Italian, allegedly of some status in the hoodlum empire, on a number of occasions the later part of January and early part of February at the Johnina Hotel.

On April 9, 1970, MM 1176-PC advised that he was informed that NORMAN ROTHMAN and his wife, in the company of FABIO DE CRESTOFARO and his alleged girl friend were in the Eden Roc Hotel for the Shecky Green Show on February 25, 1970. He was also observed in the Pompeli Room of the Eden Roc Hotel on March 13, 1970, with MAX LURIE, his attorney. Fla

On March 9, 1970, Detective GARY MINIMUM, Dade County Department of Public Safety, Intelligence Division, advised that ROTHMAN might have a new apartment on West Drive, North Bay Village, Florida.

A check of the Starlight House Apartments located on West Drive, North Bay Village, revealed that there was a ROTHMAN listed on the apartment index. Subsequent checks with informants indicated that subject did in fact have an apartment at that location in addition to his normal residence.

TOM ANDERSON, Justice Department Strike Force, Miami, advised that OLGA CHAVIANO is associated with ROTHMAN and that she is believed to be his mistress. A spot check of her residence at 2950 Southwest 78th Avenue, Miami, Fla revealed that this was a well kept residence in a upper middle class neighborhood. The house is situated on a corner lot with a large florida room and inclosed pool. She drives a 1969 Buick Riveria, Cream over Brown, bearing 1970 Florida license 1W75275. This is registered to OLGA CHAVIANO at the above address.
