ADMINISTRATIVE DATA

This case has been carried in a pending inactive
 status pending action on subject's appeal of conviction in
 USDC, SDNY and due to the subject's limited activity during 1960.

The Bureau advised on 1/26/61 that on 1/23/61
 NY-3123-C* advised a "Commission" controls organized crime
 in Canada and the United States, that the underworld in
 Canada and the United States is operated in each state by a
 "boss" and "underboss" who answer to this "Commission".
 Informant named JOE CIVELLO as boss in Texas and stated that
 he presently answers to MICHELINO CLEMENTE, top hoodlum,
 New York Division, having previously answered to ALBERT
 ANASTASIA before he was murdered.

The Bureau pointed out CIVELLO as one of the top
 powers in an important segment of the criminal element.
 He apparently is in a position to arbitrate underworld
 disputes and assist in making and enforcing a policy
 involving important criminal matters. In view of this,
 it is apparent that continuous investigation should be
 conducted concerning CIVELLO's contacts, associates,
 finances and activity.
