On May 9, 1968, and May 10, 1968, respectively, CHARLES WRIGHT and MOSES DAVIS were contacted by Special Agents of the Federal Bureau of Investigation at which time they identified themselves as organizers for the Florida Black Front.

On May 9, 1968, Mrs. JULIA WALKER BROWN, Owner, Walker Commercial College, a small private Negro institution teaching mainly typing and shorthand, 1832 North Myrtle Avenue, advised she had been approached by CHARLES WRIGHT who identified himself as Executive Secretary for the Southern Christian Leadership Conference (SCLC). Mr. WRIGHT was desirous of renting the auditorium at her school. She asked if there was any possibility there could be violence and he explained to her that his group was the same group that had previously been represented by Doctor MARTIN LUTHER KING and therefore she could be assured that his organization would not associate itself with anything connected with violence. Mrs. BROWN said CHARLES WRIGHT and MOSES DAVIS made a deposit of \$35 on May 8, 1968, for rental of this auditorium. The total rental fee quoted was \$75.

On May 14, 1968, Source One furnished the following information regarding the meeting held Friday, May 10, 1968, between the hours of 8 P.M. and 11:30 P.M., which was attended by less than 50 people:

Doctor J. DENIS JACKSON, Cultural Psychiatrist of Atlanta, Georgia, represented himself as the publisher of "Cultural Institute Press", Post Office Box 27157, Atlanta, Georgia, telephone 373-8294. Doctor JACKSON talked on Negro superiority over the white man, not as a theory but as a fact. He reported that for every white genius born there are at least 1000 Negro geniuses born. Had these 1000 black geniuses been given an opportunity to develop their wits, this country would have been much better off than it is today. That the Negroes would have been superior and are in fact superior. That in spite of this in this little short span of time and the oppression placed on the Negro by the white man, the Negroes have exceeded him in all areas of competition, and all areas of culture, sports, agriculture, entertainment, and in many cases education.
