Alex is a top hoodlum in the Chicago area and together with his girl friend, Suzanne Fueger, has visited Switzerland on winter vacations for the past several years. Some indication has been received that he may have handled financial transactions in Switzerland for the Chicago underworld. U.S.

Legat, Bern has established appropriate coverage of Alex's activities in past years through cooperation of Swiss authorities. Following the last visit of Alex during the winter of 1964-65, Swiss authorities on their initiative issued a prohibition against his re-entry into that country on the basis that he was an undesirable.

Alex has made efforts to have the ban lifted and Swiss authorities have requested the Bureau, through Legat at Bern, to furnish pertinent information to verify Alex's identity. Background information and photographs have been already forwarded to the Legat for the information of Swiss authorities.

## RECOMMENDATION

That the enclosed handwriting specimens, numbered 1 - 19, all purporting to be those of Alex and which have been obtained from sources in this country and Switzerland, be forwarded to the Document Section of the Laboratory for comparison in order that the results of such comparison can be made available to Legat, Bern for possible assistance of the Swiss authorities. It is requested that the desired examination be given expeditious handling, and the results furnished to the Criminal Intelligence and Organized Crime Section.
