6. Type of case involved: AR

7. Connection or status of subject in the case: ROCCO SCAFIDI has proven his membership in La Cosa Nostra. His membership has been verified through other sources, such as PH 591-C*, etc.

8. Specific information being sought: Information being sought is SCAFIDI's meetings with other La Cosa Nostra members.

9. Reasons for believing the specific information will be obtained by the technical surveillance:

SCAFIDI, a proven member of La Cosa Nostra, for one month has resided at 1531 S. Broad St., Phila. La Cosa Nostra member FRANK MONTE during period has visited this apartment on two occasions. Other La Cosa Nostra members will also visit this address to contact SCAFIDI. He has an appointment to meet Commission Member ANGELO BRUNO and La Cosa Nostra member FRANK NICOLETTI at this address during current week.

10. Importance of case and subject: Informant, a known member of La Cosa Nostra, will get other La Cosa Nostra members at this address. This will be means of checking on informant and his associates. Activities of La Cosa Nostra members in minute detail will be learned.

11. Possibilities of obtaining desired information by other means
(Explain in detail): Other sources and informants, including [redacted] furnish information re La Cosa Nostra. The day-to-day activities of lesser figures in La Cosa Nostra, such as FRANK MONTE, ERNEST PERRICONE and others has not been forthcoming from confidential sources. These individuals are close associates of [redacted] and will feel free to talk about previous and future La Cosa Nostra activities in which they are involved. La Cosa Nostra members [redacted] and [redacted] uncle and brother of [redacted] respectively will probably meet at this address. Sources have not previously furnished extensive information re these latter two individuals.

OTHER 4

12. Risks of detection involved:

There will be no risk of detection involved. Altered 404 or telephone "jacks" will be used. These afford less risk of detection than any other type installation.

13. Probable length of technical surveillance:
90 day trial period.

14. Request made for technical surveillance by any outside agency (name specific official, title and agency):
None.

15. Remarks:

The recommendation for this installation is based on the known fact that the coverage will be in a residence of a known La Cosa Nostra member. It is also contemplated that La Cosa Nostra will be the subject of conversation when associates of visit him at this address.
