Informant advised that one FRANK DINO, a resident of St. Louis, Missouri and a cement mason by trade, had access to large quantities of football parlay cards during the 1968 season. DINO obtained his cards in St. Louis in large numbers. He has not been seen in Illinois this year but, presumably, would be dealing them again. DINO is a white male, about 56 years old, 6'6", built "like a gorilla", broken nose. Informant indicated that DINO had connections near or at the point of origin of the cards, which is supposedly in St. Louis.

Football parlay cards are available at a gasoline service station at 59th and Bunkum Road, East St. Louis or Washington Park address. There may be two stations at this location. However, only one of the two has the cards according to information circulating the area. (Informant will attempt to develop additional information relative to specific identity of distributor of parlay cards.

☒ Informant certified that he has furnished all information obtained by him since last contact.

ARTHUR JOSEPH BERNIE is reportedly an officer of the East St. Louis Steamfitters Local #439, AFL-CIO. In this capacity, he obviously would wield considerable power since the Business Agent determines "who works where". The Business Agent also appoints the steward on the job site. He does no work but supposedly checks on the various jobs from time to time. His salary is lucrative and is paid from the dues collected from the membership. It has been rumored that BERNIE is also a power in Laborers Local #100, AFL-CIO, in East St. Louis.

ABRAHAM KAUFFMAN is a long-time associate of ARTHUR BERNIE. He was close to the late BUSTER WORTHMAN and his syndicate. Actually, KAUFFMAN formerly operated the kitchen at WORTHMAN'S Paddock Club which was a gathering place for the hoodlum element from all over the East St. Louis area. KAUFFMAN was also a "bag man" for WORTHMAN before he died. Therefore, KAUFFMAN enjoys the complete confidence of BERNIE. KAUFFMAN is now in his sixties and in poor health. He is said to have cancer.

BERNIE is also known to be very close to the St. Louis hoodlum, LOUIS SHOULDERS.

Very little has been heard lately relative to the ROBINSON brothers, RICHARD and PAUL, in connection with prostitution activity along the Collinsville Road area bordering St. Clair and Madison Counties. They are occasionally seen in the Greater East St. Louis area, however, as is BOB CHAPMAN, an associate.

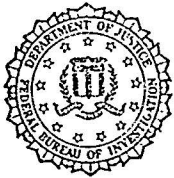

Since ROSS RANDOLPH took over the East St. Louis Police Department, very little is heard relative to police corruption. RANDOLPH, a one-time FBI Agent, has gained the confidence of most East St. Louis residents by cracking down and reshuffling some elements in the department. There is no question but that RANDOLPH has cleaned up the department.

The description of the bank robber at the Lebanon Trust and Savings Bank, Lebanon, Illinois, 10/31/69, would seem to closely resemble WILLIAM MC MERTREY (phonetic), Belleville area man who is known to the Alcohol and Tobacco Tax Unit of the Treasury Department.

FRANK KOCOT, owner, Frisco's Tavern, 13th and Natalie, East St. Louis, is still taking bets on horse racing. He often uses the "Chicago Tribune" newspaper as a racing form.

The following investigation was conducted by
SA HAROLD P. SETTLE:

AT ROANOKE, VIRGINIA

On November 5, 1969, FRANK G. HEGE, Manager, Eastern Airlines, Woodrum Field, stated the records of his office reflect one JERRY STAHL had booked passage by telephone, not leaving a telephone number at which he could be reached, for Flight Number 734 on November 1, 1969, one way. The flight was to leave Roanoke, Virginia, at 2:43 P.M., and arrive in Pittsburgh, Pennsylvania, at 3:40 P.M., and he was traveling first class. HEGE stated a check of the records of the company disclosed this ticket had been used, therefore, it was assumed the individual using the name of JERRY STAHL had actually made the flight to Pittsburgh, Pennsylvania. HEGE stated his employee, E. J. BENNETT, was on duty on November 1, 1969, and might recall STAHL.

On November 5, 1969, E. J. BENNETT, Eastern Airlines, Woodrum Field, informed he could not recall the individual flying from Roanoke, Virginia, to Pittsburgh, Pennsylvania, on November 1, 1969, on Flight Number 734, using the name of JERRY STAHL.

On November 5, 1969, BETTY WRIGHT, Agent, Air Travel Insurance, informed Policy Number 22899224 was written through the use of the machine at Woodrum Field. She informed a check of their copy of this policy disclosed it covered a flight from Roanoke, Virginia, to Pittsburgh, Pennsylvania, on November 1, 1969, and the name JERRY STAHL - WAYNE E. SINN. The policy was signed WAYNE E. SINN and the beneficiaries were designated as DEANNE JOE and CHRISTINE MARIE SINN, 221 East 5th Street, Marissa, Illinois. WRIGHT informed the individual had paid \$2.00 for this policy, which would grant him a \$60,000.00 policy. She stated there was no further information contained regarding this individual and her office would not be opened on November 1, 1969, therefore, she would not be the individual making the purchase.

Re Springfield report of SA JOSEPH P. BENSON,
11/28/69.

Enclosed for Springfield are two photographs of
WILLIAM EDWARD MOUREY, FBI #327 203C.

For the information of Springfield, MOUREY has recently come to the attention of the St. Louis Division through his close association with RUSSELL EUGENE BRIDDLE, FBI #198 3717, and JOHN RUSSELL BROWN, FBI #719 067B. BRIDDLE and BROWN, notorious Post Office burglars, have apparently utilized MOUREY as a lookout and trigger man during their Post Office burglaries. MOUREY was released from the U. S. Penitentiary, Leavenworth, Kansas, on 4/28/69 and from that time he is believed to have resided in the St. Louis area under various aliases. St. Louis is in the process of gathering extensive background on MOUREY and it is felt he would be a good suspect in captioned matter due to size and physical characteristics. As his activities are followed Springfield will be advised accordingly.

Re SI airtel to SL, 11/5/69.

Miss P. OLIVASTRO, Ticket Agent, Eastern Airlines, St. Louis, Municipal Airport on 1/9/70, advised that any flights departing from SL to Roanoke, Va., would only be possible through TWA and Eastern Airlines. These flights would not be direct but would have to go to either Louisville or Wash., D.C., to make appropriate connections. A switch would be necessary from either of the above mentioned airlines to Piedmont Airlines.

A review of the flight schedules of both airlines revealed that it would be impossible to take a flight from SL subsequent to 8:00 P.M., and be in Roanoke, Va., at 2:22 A.M., on the following day. She indicated that anything departing SL subsequent to 5:00 P.M., for Louisville or Washington would necessitate a lay over until the following morning, that is after 8:00 A.M. to get a flight into Roanoke. She expressed the possibility that a flight to Wash., D.C., then a bus to Roanoke would possibly put an individual in Roanoke at 2:22.

If not already done, SI may want to consider that Richmond at Roanoke identify flights arriving in Roanoke during the late evening hours from Wash., D.C., or Louisville for any information reflecting WAYNE ELMER SINN, aka Jerry Stahl, was a passenger.

On 2/9/71 JAMES POE, who is incarcerated at the Illinois State Penitentiary, Menard Branch, Chester, Illinois, was interviewed by the writer. POE was interviewed because of the fact he has furnished information to Agents of this Bureau in the past after being arrested on local charges.

POE advised that he is separated from his wife, DIANE POE. He advised that she is presently running with her brother, RICHARD BARKER, and a fellow from Kentucky. He stated they have been stealing state aid checks and cashing them in Illinois and possibly Missouri.

POE advised that DIANE POE, RICHARD BARKER, and the fellow from Kentucky, have been stealing from freight cars in the area of Mitchell, Illinois. He stated the thefts are from the area of Horseshoe Lake near gate to Granite City Steel sportsman's area. He advised they have been replacing seals on freight cars after they have broken the seals and checked the freight car to determine what merchandise is contained therein. He advised that the seals that they used are being obtained from a railroad transfer terminal on Route 111. He advised that a trailer is used for the office and is usually not locked. POE stated he knows for a certainty this is where the seals are obtained by his wife and her accomplices because he has stolen them from there himself in the past.

POE advised that THOMAS FLAUGHER or FLOYER (ph) from the Madison-Granite City, Illinois area was cashing cashier's checks from the First National Bank of Granite City about one year ago and indicated that an individual by the name of JIM HAMPTON had been convicted in Oklahoma on Federal charges in regard to this same group of checks which FLAUGHER was cashing. He advised that FLAUGHER is also associated with his wife, DIANE POE.

POE also advised that BARKER and FLAUGHER were stealing cars in Missouri and transporting them to Illinois.

cars in Illinois and transporting them to Missouri. He stated that this information goes back possibly about two years because the cars they were stealing were 1968 models or older and they were replacing the serial plates on the cars for serial plates they obtained by buying junk cars and transferring the serial plates to cars they had stolen.

POE advised that he has some acquaintances with individuals comprising burglary ring in the St. Louis, Missouri area, but has no specific information regarding burglaries committed by the group. He advised that he was well acquainted with MARVIN LYNNWOOD EYE and JAMES LLOYD MC BRIDE. He advised that MC BRIDE was in the penitentiary with him at Jefferson City, Missouri. He stated that both EYE and MC BRIDE and other burglars in the area were working largely under the direction of RAY ADAMSON, who lives presently in St. Louis, Missouri, and who was editor of the prison newspaper at Moberly, Missouri. He advised that ADAMSON handles dope, is involved in prostitution and other illegal activities, and controls MC BRIDE and others by supplying them with narcotics.

POE stated that ADAMSON dealt with TERRY (LNU), a Negro narcotics pusher, who was killed in St. Louis, several months ago. POE described TERRY as ADAMSON's "hit man".

POE advised that ADAMSON tried to set up RAY EVANS, a burglar who is presently incarcerated at the Menard Branch at one time. EVANS is a member of a family involved in burglaries in the St. Louis, Missouri, and Illinois area. POE also advised that BILL POLITE (ph) and WILLIE WINSLOW were associates of EVANS as was EYE and MC BRIDE.

It is to be noted that ADAMSON is engaged in a printing business in St. Louis, Missouri, and information has been received in the past that ADAMSON has been involved in the handling of counterfeit securities.

POE was interviewed regarding his knowledge of various bank robberies and bank burglaries, including the burglaries of the New Athen Savings and Loan Association, New Athens, Illinois, 4/10-13/70, and the robbery of the Lebanon Trust and Savings Bank, Lebanon, Illinois, 10/31/68. He advised that he had no specific information regarding any bank burglaries or bank robberies in the area.

On 2/23/72, Detective DONALD SANDIDGE and Detective HAROLD GALLOWAY, Alton Police Department, were re-contacted regarding the identity of JIM NEVILLE. They advised that they had been unable to develop any information concerning this individual's identity. It is left to the discretion of the Case Agent as to whether COATNEY should be interviewed at this time.

Re report of SA JEROLD W. DONALDSON dated 5/30/72.

WILLIAM GENE COATNEY (protect identity), 215 Dorris, Alton, Illinois, advised the writer on 7/18/72 that he did not know anything at all concerning the captioned bank robbery. He stated that he has never been involved in any armed robberies but that he has been picked up before by the Alton Police Department as a suspect.

He stated that he does not know anyone named JIM NEVILLE. He stated that possibly the individual is JIM NEBBLE (PH). He stated that he met this individual in Alton at the Sportsman's Club and that this individual used to run around with RALPH PAGE of Alton. COATNEY further stated that NEBBLE is not from Alton but that he is supposed to be living in the Peoria, Illinois area and is possibly connected with prostitutes in that area.

COATNEY advised that if someone had named him (COATNEY) as being involved in a bank robbery it is possible that the individual had him confused with a BILL COATES who lives in Alton. He stated that the police have occasionally pulled him in for questioning when they had heard that a robbery was committed by COATES and thought that the source meant COATNEY.

COATNEY further advised that a JIM WHITE of Wood River, Illinois, is reputed to have robbed a bank in southern Illinois about four years ago and is reputed to have robbed a bank in southeastern Missouri about three years ago. COATNEY believes that WHITE may have also been involved in robbery of a bank in upper Alton.

It is noted on GUINAN's FBI Identification record that on 4/3/63 he was arrested by the SLEPD on a charge of suspicion of stealing over \$50, armed robbery and parole violation. The disposition is shown as having received four years in the Mo. Dept. of Corrections on the charge of robbery - first degree, and four years the same institution on a charge of parole violation.
