ACTION REQUIRED - REFERENCES

Action: FYI

Following is a translation of a report submitted by AMMUG-1 concerning a shipment of explosives [redacted]

"The Communist Party [redacted] had asked me to send them twenty-five one-quarter pound packages of gelatin explosives. They requested that the explosives be sent [redacted] where they would receive them and take them to [redacted]

'In view of the request, I spoke with [redacted] regarding the shipment itself, as well as the amount. [redacted] answered by telling me to do so.

'During my trip [redacted] (March 1954) I spoke with [redacted] regarding this shipment and he told me that there was no need of my sending the explosives [redacted] as this type of explosive was available in the [redacted] I then told [redacted] that I would answer the request from [redacted]

'Upon returning [redacted] I spoke with [redacted] who told me not to send the explosives as the orders now were to send nothing but money due to the recent exposure of the arms shipment [redacted]

The [redacted] Station has completed the preparation of Field Information Reports based on information provided by EYAB from his contacts [redacted] with IDENTITY 1 and IDENTITY 2. Such reports did not, however, include operational details of such contacts, summary of which follows:

1. EYAB checked into his hotel [redacted] on a Friday morning and immediately telephoned IDENTITY 3, making an ostensibly innocuous inquiry using specific terminology in line with procedures arranged by IDENTITY 1 during previous meetings with EYAB. [redacted] Although this inquiry was intended to alert EYAB'S contact for a meeting the following day (alternate meeting twenty-four hours later), the system failed or IDENTITY 1 did not follow through for unknown reasons. Five days later (Tuesday), EYAB requested the assistance of IDENTITY 4 in contacting IDENTITY 1. IDENTITY 4 instructed EYAB to meet him the following night (Wednesday) at 7 p.m. on the corner [redacted]. Alternate meeting was fixed for twenty-four hours later.
2. IDENTITY 4 did not appear for the first meeting, but did appear for the alternate meeting on Thursday. He and EYAB entered a taxi, and drove to the corner [redacted] where [redacted] where EYAB walked one block while IDENTITY 4 went to determine [redacted].

whether IDENTITY-1 had arrived for the meeting. He returned to HYAB about twenty minutes later and said that the meeting had been postponed until the following day (Friday). IDENTITY-1 did not show for the Friday meeting, and HYAB and IDENTITY-4 agreed that no further effort should be made until Monday. IDENTITY-1 did not appear for the Monday meeting, but on [redacted] instructed HYAB to go to the corner [redacted] at 3 p.m., to enter a small store there, and drink a soda. IDENTITY-1 when HYAB would recognize, would pass the store during that interval. This contact plan was carried out as scheduled, with HYAB finally meeting IDENTITY-1 approximately one block from the store in question. The next meeting was fixed for the following day (Wednesday) at 3 p.m. in front of the [redacted] Power and Light Building for the purpose of delivering \$20,000 to HYAB and for passing of reports from the Party [redacted]

3. The Wednesday meeting took place as scheduled. HYAB and IDENTITY-1 went to a restaurant, where IDENTITY-1 reviewed the reports provided by HYAB and discussed Party matters in accordance with the briefing given HYAB by Party leaders prior to his departure [redacted]. At the end of their discussion, IDENTITY-1 told HYAB to go to a nearby corner and wait there for him, that he would return in a few minutes with the funds. HYAB did as he was told. IDENTITY-1 returned to the corner within a few minutes, continued walking a short distance, and turned into a small lane. HYAB followed, and also entered the lane; however, he noted that he was being followed by a car driven by a man of Slavic appearance who stopped his car at the entrance to the lane and dimmed the lights. HYAB feels that this was a surveillance of the meeting by IDENTITY-1's associates, however, there were no further unusual incidents and the funds were passed as planned.
4. HYAB had arranged to meet IDENTITY-4 at 1 p.m. on Thursday at the corner [redacted] for a meeting with IDENTITY-2; however, IDENTITY-5 substituted for IDENTITY-4 with the explanation that IDENTITY-4 was busy. IDENTITY-5 said that he would wait with HYAB to introduce him to a Party member (a woman) who would take him to the meeting with IDENTITY-2. IDENTITY-5 said that the meeting would be held at a restaurant [redacted] because this would be more comfortable for all concerned. A short time later, the woman appeared driving a car which HYAB entered after being introduced by IDENTITY-5. During the drive, the woman told HYAB that her name is IDENTITY-6. She said that she is a medical doctor who studied in Europe. In France she met some youths who interested her in attending a World Youth Festival. On her return [redacted] she joined the [redacted] Communist Party. She said that she had worked [redacted] and had taken a political training course there. She now works as a political educator for the Party [redacted]. She has a sister, IDENTITY-7 who works in the women's movement of the Party.
5. IDENTITY-6 said that she had planned to return [redacted] on the day that President John Kennedy was assassinated, but because of the assassination her return was delayed. She said that there is much sectarianism and many supporters of a Chinese hard-line position. [redacted] however, the people involved are the least qualified of the [redacted] politically speaking. She said that these people

6. Because of the location of the restaurant in the center of a block [redacted] NYAB was unable to provide the name of the street on which it is located. He said that it is a typical [redacted] restaurant in a colonial building, and that the employees wear native dress. IDENTITY-2 arrived somewhat late at the restaurant, explaining that they lost their way because they did not know [redacted] NYAB identified them as IDENTITY-3 and a large heavy-set man whose name NYAB does not know. Following the luncheon, NYAB was driven to the home of a personal friend by IDENTITY-46. The following day (Friday), he returned [redacted]

SUBJECT	LVA/Operations Contacts [redacted] with Soviets and Cubans			

ACTION REQUIRED - REFERENCES

The [redacted] Station has completed the preparation of Field Information Reports based on information provided by NYAB from his contacts in Mexico with IDENTITY 1 and IDENTITY 2. Such reports did not, however, include operational details of such contacts, summary of which follows:

1. NYAB checked into his hotel [redacted] on a Friday morning and immediately telephoned IDENTITY 3, making an ostensibly innocuous inquiry using specific terminology in line with procedures arranged by IDENTITY 1 during previous meetings with NYAB [redacted]. Although this inquiry was intended to alert NYAB's contact for a meeting the following day (alternate meeting twenty-four hours later), the system failed or IDENTITY 1 did not follow through for unknown reasons. Five days later (Tuesday), NYAB requested the assistance of IDENTITY 4 in contacting IDENTITY 1. IDENTITY 4 instructed NYAB to meet him the following night (Wednesday) at 7 p.m. on the corner [redacted]. Alternate meeting was fixed for twenty-four hours later.
2. IDENTITY 4 did not appear for the first meeting, but did appear for the alternate meeting on Thursday. He and NYAB entered a taxi, and drove to the corner [redacted] where NYAB walked one block while IDENTITY 4 went to determine [redacted]. *- what time?*

whether IDENTITY-1 had arrived for the meeting. He returned to NYAB about twenty minutes later and said that the meeting had been postponed until the following day (Friday). IDENTITY-1 did not show for the Friday meeting, and NYAB and IDENTITY-4 agreed that no further effort should be made until Monday. IDENTITY-1 did not appear for the Monday meeting, but on Tuesday IDENTITY-4 instructed NYAB to go to the corner [redacted]

[redacted] at 8 p.m., to enter a small store there, and drink a soda. IDENTITY-1 whom NYAB would recognize, would pass the store during that interval. This contact plan was carried out as scheduled, with NYAB finally meeting IDENTITY-1 approximately one block from the store in question. The next meeting was fixed for the following day (Wednesday) at 8 p.m. in front of the Power and Light Building for the purpose of delivering \$20,000 to NYAB and for passing of reports from the Party [redacted]

3. The Wednesday meeting took place as scheduled. NYAB and IDENTITY-1 went to a restaurant, where IDENTITY-1 reviewed the reports provided by NYAB and discussed Party matters in accordance with the briefing given NYAB by Party leaders prior to his departure [redacted]. At the end of their discussion, IDENTITY-1 told NYAB to go to a nearby corner and wait there for him, that he would return in a few minutes with the funds. NYAB did as he was told. IDENTITY-1 returned to the corner within a few minutes, continued walking a short distance, and turned into a small lane. NYAB followed, and also entered the lane; however, he noted that he was being followed by a car driven by a man of Slavic appearance who stopped his car at the entrance to the lane and dimmed the lights. NYAB feels that this was a surveillance of the meeting by IDENTITY-1's associates, however, there were no further unusual incidents and the funds were passed as planned.
4. NYAB had arranged to meet IDENTITY-4 at 1 p.m. on Thursday at the corner [redacted] for a meeting with IDENTITY-2; however, IDENTITY-5 substituted for IDENTITY-4 with the explanation that IDENTITY-4 was busy. IDENTITY-5 said that he would wait with NYAB to introduce him to a Party member (a woman) who would take him to the meeting with IDENTITY-2. IDENTITY-5 said that the meeting would be held at a restaurant [redacted] because this would be more comfortable for all concerned. A short time later, the woman appeared driving a car which NYAB entered after being introduced by IDENTITY-5. During the drive, the woman told NYAB that her name is IDENTITY-6. She said that she is a medical doctor who studied in Europe. In France she met some youths who interested her in attending a World Youth Festival. On her return [redacted] she joined the Mexican Communist Party. She said that she had worked in Cuba and had taken a political training course there. She now works as a political educator for the Party [redacted]. She has a sister, IDENTITY-7 who works in the women's movement of the Party.
5. IDENTITY-6 said that she had planned to return [redacted] on the day that President John Kennedy was assassinated, but because of the assassination her return was delayed. She said that there is much sectarianism and many supporters of a Chinese hard-line position [redacted] however, the people involved are the least qualified of the [redacted] politically speaking. She said that these people

6. Because of the location of the restaurant in the center of a block [redacted] HYAB was unable to provide the name of the street on which it is located. He said that it is a typical [redacted] restaurant in a colonial building, and that the employees wear native dress. IDENTITY-2 arrived somewhat late at the restaurant, explaining that they lost their way because they did not know [redacted] HYAB identified them as IDENTITY-3 and a large heavy-set man whose name HYAB does not know. Following the luncheon, HYAB was driven to the home of a personal friend by IDENTITY-6. The following day (Friday), he returned [redacted]

7 January 1964

MEMORANDUM FOR THE RECORD

FROM : [redacted]

SUBJECT : Meeting with LITAMIL-9, 6 January 1964

1. A meeting was held with L-9 from 2000 hours until 2320 hours 6 Jan -- pick-up and drop-off were made by car, the meeting took place at B's home with B's wife working the gate.

2. L-9 was unusually depressed -- had just received a letter from [redacted] indicating that his sister had been forced to leave her work as a result of excessive fatigue and the "never ending round of discussions and study circles" etc. She had not received much sympathy from the [redacted] and her request for 2 months leave [redacted] was denied pending further study. L-9, who is quite fond of his sisters, took this news to heart and it ate away at him and compounded his usual miserable feeling. The first part of the meeting was taken up in a C/O delivered pep talk.

3. L-9 had the following to report:

a. At the evening reception of 2 Jan [redacted] the TASS representative remarked that he believed KHRUSHCHEV did not travel to Cuba to attend the anniversary celebrations because of the revelation of an exile plot to bomb Havana -- revelations which came about as the result of the arrest by the US Coast Guard of some war-like Cubans with bombs in their possession. The TASS man said that he believed that KHRUSHCHEV would show up someday in Havana quite unannounced as did CASTRO in the USSR.

To 23694

b. [redacted] APARICIO recently remarked to L-9, "Surely they will re-hire her." It is quite clear that APARICIO doesn't want her in his office again and he expressed the wish that if she were to be rehired she would work in the main [redacted] building.

c. In regard to the [redacted] firing, [redacted] who is married to [redacted] sister, said that he had written to [redacted] in her behalf but had received no reply.

d. [redacted] sent a Christmas present [redacted] this year -- it was really a New Year's present, sent 31 Dec. L-9 does not know what it was.

18686

4. L-9 was asked what all the ruckus was at the airport on 5 Jan. This drew a blank. B then said he had heard that a phalanx of [redacted] officers was out there apparently guarding someone who was on his way [redacted] L-9 didn't know anything about it. B remarked that two [redacted] officials were supposedly on the flight [redacted] -- one from the [redacted] At this point, L-9 slapped his forehead and said, "My God, [redacted] I forgot about him." He then related the details of a conversation he had had with [redacted] at the [redacted] 2 Jan -- details sent to HQS separately by cable. (See MEXI 7659). L-9 was not aware that [redacted] had been on the 5 Jan flight -- he described him perfectly. He was not made aware of KUBARK involvement in the alleged "assault" nor was he told anything about [redacted] appearance at TPELIDE.

5. L-9 identified a number of persons appearing in the photos taken [redacted] at the [redacted] 2 Jan. Identifications were noted

SECRET

on the photos.

7889
8604
8591
7365
8308

6. L-9 revealed that he had welcomed in the New Year at [redacted] home -- [redacted] invitation. When [redacted] picked him up [redacted] they made a swing by a house [redacted] where [redacted] wanted to drop a couple of bottles off with a friend named Mary [redacted] L-9 tried to remain in the car -- was not dressed for calling -- but [redacted] insisted that he come in. [redacted] was not there but her sister was -- she had just recently arrived [redacted] another [redacted] man and woman were there -- anti-Castro types who were very sad at being away from their homeland -- the man was softly crying -- probably a bit liquored up. [redacted] fit right in -- L-9 says that he is a master at getting along with people, even those on the other side of the political fence. (This tallies with info on file). The [redacted] landlady -- an old crone -- tried to put the make on L-9, really flipped for him, and wanted him to stay but he and [redacted] finally drove off. L-9 does not know who these people are (to be checked out). They then went over to [redacted] place where L-9 joined the family for a [redacted] dinner. [redacted] mother-in-law was there -- she recently came out [redacted] to be with her daughter [redacted] while she has a baby -- due soon. [redacted] appeared soon thereafter and joined in the meal. [redacted] put on some popular and light classical records, working his way from dance music to Tchaikovsky. When a carload of [redacted] people -- [redacted] and wife. [redacted] appeared in front [redacted] quickly took off the music [redacted] the new arrivals were greeted with this as they came in the door. L-9 says that [redacted] is a superb actor and knew just what to do when the [redacted] types showed up.

7. In response to questioning L-9 revealed that [redacted] looks upon him [redacted] definitely not a Communist. He says that [redacted] is very self assured, a calm man who cannot be ruffled. He appears to have no complexes about being a Negro. Asked whether he felt there might be any chance that [redacted] would cooperate against CASTRO, L-9 said, "Let us face the fact that many people are becoming more and more convinced that the revolution is here to stay. This man [redacted] is one of them. On the other hand, if he could be "got to" he would be invaluable. He would be a great loss to the [redacted] I would say that the chances are slim but it would probably be worth the effort to try to win him over. He has many friends from all walks of life, many of them among the [redacted] elements."

8. L-9 showed E some documents regarding Cultural plans of the [redacted] which did not seem to merit reporting. He turned over two long lists of persons invited to the 2 Jan receptions.
