WUSHARP asked whether we could use WUSLAB/1 as a means of contacting [redacted] officials for the purpose of establishing lines which could later be exploited by WUSHARP assets. I explained to WUSHARP that WUSLAB/1 had been instructed to adopt a passive role in relationship to his [redacted] contacts, and to respond only to contact initiated by the [redacted]. ATTENTION

SUBJECT

1. Reference is made to your previous correspondence concerning [redacted]

[redacted]

2. On 30 January 1970, there was a liaison discussion about [redacted] at which time your representatives advised that your Bureau planned to interview [redacted] on an appropriate pretext, and that there were signs that [redacted] might be susceptible to "doubling". We recognize that the [redacted] case is an internal security responsibility of the Bureau but, to assist us in our efforts to assess [redacted] it would be appreciated if you would provide us with the results of your interview with [redacted] as well as personality information about him that [redacted] may acquire in the future.

3. We would also like to have your comments about considering [redacted] as a potential penetration of the [redacted]. There is the possibility that [redacted] might be used to assist in approaching [redacted] if, for example, [redacted] has refused to cooperate as a double agent or later if internal security considerations warrant an approach to [redacted].

2. Production: WUSLAB/1 said that [Redacted] had phoned him at his home at about 1100 on 8 April. [Redacted] said that a friend had described to him an acquaintance who had had an eye problem similar to WUSLAB/1 (or words to that effect), and that Viera now realized the seriousness of the case and that WUSLAB/1 would not be able to travel. Viera said that the chances were now remote that he would be returning to [Redacted]. A friend of his named [Redacted] would contact WUSLAB/1. He did not say when or where, but it would be when circumstances permit. WUSLAB/1 asked if [Redacted] might be assigned to another foreign country. [Redacted] did not deign to answer this question.

3. I asked WUSLAB/1 what he considered the possibilities of recruiting [Redacted] were. He thought an important factor would be [Redacted] liking of comfort and security. He would not be motivated by money, but he did like good living. He also probably did not like living in [Redacted] and would not like to stay there for a very long period. W/1 thought that if [Redacted] came out to a country such as [Redacted] that contact with him could easily be developed. In the United States [Redacted] was on his guard. Also in the United States [Redacted] did not have high level contacts with the local government, whereas in other countries he would be expected to have such contacts. Some of those contacts might then be also in contact with U.S. officials and you could get a cross-check on [Redacted]. I told WUSLAB/1 that we would finish the PCQ form on [Redacted] the next time we get together.

As addressees will note, the attached sheet on INERCO makes no mention of the INERCO approaches made to and reported by him; rather than make such information a matter of record within INERCO FIGALIN merely passed this information to INERCO orally 28 March.

3. However, he had not talked with ALARYN/A on this trip; the attached information is necessarily slim. Items of particular interest concern PENRO and the forthcoming outbreak in FAR activity, not only here but elsewhere.

4. Re the attached information on [redacted] (801-200800), [redacted] told the writer that [redacted] contact within Random House (publishing firm) is one [redacted] (no further bio data available).

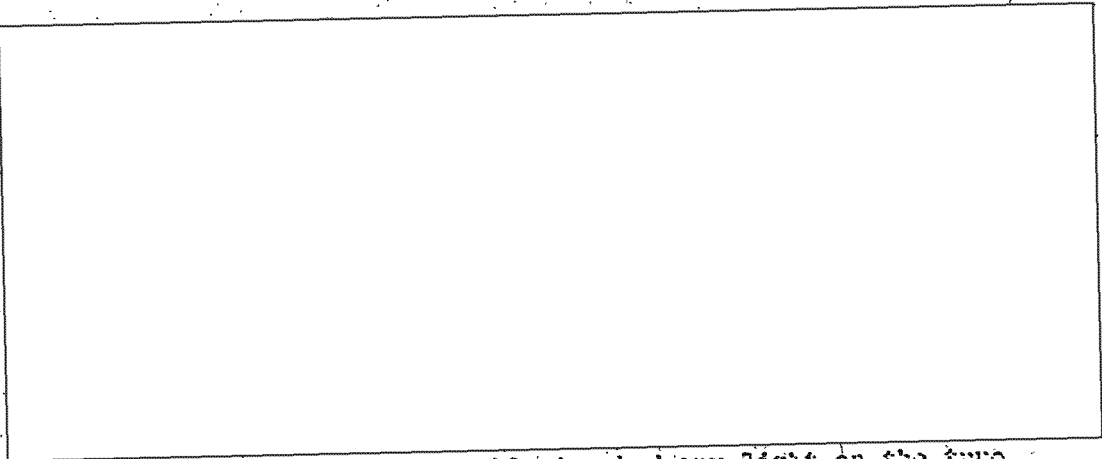

5. Re the attached information on [redacted] (801-200800), [redacted] and his "Temple friends", [redacted] told the writer that one known romantic involvement is one [redacted]

[redacted]

[redacted]

6. Re war-name "AGND" per the attached sheet, FEGHAN believes that ALARYN/A may be mistaken in the year "AGND" was here as part of the [redacted] Delegation [redacted]

[redacted]

7. Should addressees be able to shed any light on the true identity of "ALGO" we would be most interested. Even if this is not possible, presumably we will know eventually who he is should his assignment here materialize.

8. The attached sheets should be extracted to the appropriate 201 files. To facilitate this the 201 numbers are listed below:

7. Recruitment Targets. Subjectively, Source considers that the most vulnerable of the [redacted]

[redacted] because he likes the ladies and the material things in life; [redacted] because of his strained relationship with [redacted] and [redacted] because he is basically a good sort and a realistic person. As stated, this is subjective reasoning on Source's part.

8. Replacement Personnel. With [redacted] and [redacted] leaving soon, there is talk [redacted] about assigning one [redacted] here as a replacement for one or the other. [redacted] is a negro in his early 30s and has served in several African posts [redacted] (including Tanzania and Mozambique). [redacted] has been protected by [redacted] but is disliked by most MINREX types who know him. Source described [redacted] as a sly and suspicious person who would not hesitate to report on anyone, including his friends and neighbors. [redacted] is believed to have been deeply involved in various "wars of liberation" in Africa. [redacted] was originally under consideration as a replacement for [redacted] but it was finally decided to leave [redacted] here as there were advantages to his being a U.S. citizen.

Source also mentioned that one "AGEO" (a war name; real name not known to Source) was under consideration for assignment here. Source said that [redacted]

[redacted] This "AGEO" was in charge of the purge within MINREX in 1967 which resulted in the ouster of some 300 persons regarded as homosexuals, counter-revolutionaries, or incompetents.

- Attached herewith for C/WH/COG and COS/WH [redacted] are two copies each of three memoranda concerning results of an 11 October 1969 debriefing of AMCLOCK/1 by Howard G. FIGALAN [redacted]. 1. According to LIENVOY, on 23 April 1965, an unidentified man called the [redacted] Embassy [redacted] to speak to the Ambassador, who was not in. The man refused to give his name but said he was the person who used to be seen with "the young blond man" from the Embassy.
