Dear [redacted]

Wish to thank you for your personal concern and satisfactory solution obtained in the financial settlement of my case.

I consider it a privilege to have worked with you, cooperating in a small way to preserve Democracy [redacted]

If I can ever be of service to the United States -beloved country of my ancestors- I would consider it a high honor.

Do let me hear from you and feel sure that I am your devoted friend.

MEMORANDUM TO: Chief/KUCURL/HENGEN

FROM :

SUBJECT :

REFERENCE : Dir-35418

1. [redacted] met with [redacted] on 17 August 1965, relative to finalizing the [redacted] claim for monies still due from his previous contract. [redacted] emphasized that he was authorized to pay monies due per contract through 7 April 1965, plus a four day layover [redacted] during [redacted] return to the U.S. This layover was due a [redacted] strike of which [redacted] was inadvertently delayed through no fault of his own.

2. The foregoing authority is based on ref and calculated as follows:

A. Base Pay for March - USD 800.

B. Base Pay 7/30 for April - USD 186.66
plus USD equivalent of USD 41.00 for actual expenses
while 2½ days in Rome.

C. Total USD 1027.66.

3. [redacted] although feeling that he should be allowed the full amounts due amounting to USD 1950.00 has accepted such adjudication of his claim. [redacted] feels that possibly he was sufficiently satisfied that he received any funds, that probably in his sense of fair play that the case might be considered closed. For the record, what medical treatment received by [redacted] amounted to under USD 200. To further complete the record the following attachments are enclosed:

A. Letter from [redacted]

B. Second letter from [redacted]
[redacted]

C. Letter from [redacted]

D. Bills of actual charges [redacted]

E. Receipt from [redacted] for final payment.

F. Station memo concerning newspaper inquiry.

20 Aug-65

201-300614

4. Less than 24 hours after facing [redacted] to advise him that his claim of USD 1950 had been reduced to 1027.66, [redacted] reacted with the newspaper media in an exemplary manner when he could have reacted with a adverse feeling. The Subject despite difficulties encountered in the field with KUBARK advisors appears to be man of honor and certainly under controlled situations ~~is~~ ^{is} professional pilot and could be an asset to KUBARK interests.

August 13 1965

Dear [redacted]

Three months have passed by since my return from [redacted] and as I explained to you in our past meetings, the amounts corresponding to the basic pay of of March, April and up to the 13th of May, -when my contract expired- are still unpaid therefore leaving an outstanding balance of \$1950.00 in my favor.

Although I appreciate your concern in this case, I wish to inform you about certain facts concerning my work in [redacted] that will explain how every cent of the mentioned amount was earned.

[redacted]

When I became ill, due to improper food, parasites, etc., I was ordered back [redacted] for medical treatment. Unable to recover and having lost 25 pounds, [redacted] suggested my return to [redacted] for a more adequate treatment. Photostatic copy of certificate are attached. Left [redacted] April 3 1965 with the understanding that my contract was not being cancelled. I sincerely believe that my work and dedication throughout the entire campaign [redacted] deserved the full payment of the mentioned contract.

Your consideration to this matter would be appreciated.

Sincerely,

[redacted]

SUBJECT: [redacted]

1. As we both know the [redacted] case has been kicked around sufficiently that the finalizing of the case should be effected as soon as possible. My trip with [redacted] to [redacted] office, in my estimation didn't produce any effective decision. [redacted] point of view was, if the man was due the money, pay him. If he was not due the money, don't pay him. I will give you the facts as I see them and if you feel that it is prudent to seek the advice of Jack Anderson for his opinion I'm sure it will be most helpful.

Check with [redacted] 8/10/65

A. [redacted] 7030 dated 30 May, indicates receipt of (W) intention to terminate contract effective 13 May. Additionally, stipulates (W) incapacitated six weeks and requests authorization for immediate return and treatment.

OK

2. Your 97928 of 1 April, concurs requests of [redacted] Additionally, you stipulate to terminate contract the day the Subject departs [redacted]

3. [redacted] 8028 of 2 April, stipulates that [redacted] "terminating contract and returning first available". Requires medical attention not available [redacted] Malady due conditions advance basis complicated lack of proper medical attention and maltreatment.

B. Para 2 same message, indicated another medical case [redacted] would remain [redacted] despite fact "he can contribute nothing".

No, not so! Cable indicates man wants to get paid for 6 months.

4. [redacted] 8054 states [redacted] departed 3 April, via PAA, transferring flight [redacted] presented me with three days Hotel bills [redacted] to cover what he considered evacuation flight plus PAA on strike.

5. [redacted] 8117 dated 7 April, allowed Perez to depart 8 April and recommended approval to pay full salary till 25 April. (Opinion - is this a case of paying a man full salary on one hand while not paying another under the same circumstances?)

one wanted full salary! case would not

6. DIR-99498 of 7 April, requested details of [redacted] medical case.

7. [redacted] 7150 dated 28 May, stipulates [redacted] returned on violation not [redacted] request". Instructed contact [redacted] to execute voluntary termination of contract not executed. [redacted] departure 3 April not at [redacted] request. (Opinion - in a contractual relationship it appears

highly unlikely to "request" someone to leave or terminate written agreement. Wouldn't one direct in lieu of request)?

8. WAVE-0832 dated 16 April, gave medical evaluation which was reviewed by WAVE Medical personnel. (Opinion - in debriefing of Subject I was personally convinced this man was sick. Furthermore, [redacted] advised that he is in possession of medical report by [redacted] that it was mandatory for [redacted] to be evacuated for adequate medical treatment.

9. WAVE-k457 dated 3 May, indicated [redacted] still under going continuous medical treatment.

10. On April 19, [redacted] signed our local Quit Claim Form, but recent conversation with the Subject indicated that he felt that although the Form was signed that the "company would live up to its promises".

11. There is no doubt that [redacted] was ill and based upon medical opinion, as late as 7 May, in my personal observation that the man was incompatiated from performing a full time job that based upon the fact that no definitive or written agreement was made prior to departure, that the Subject be paid in full for the six months term of his contract. (Opinion - there is know doubt in my mind that this man firmly believes that he is entitled to the salary based strictly upon the fact that he was "evacuated" not terminated.

12. I don't feel the man is unscrupulous enough to blackmail to obtain what he feels is truthfully his, but feel positive that he will speak to anyone of influence to assist in obtaining back salaries that he feels is his. Cite the five reasonably important personnel references that he lists on his Job Application Form. We are not dealing with the common type individual using vealied threats, but someone who is an intelligent individual who at one time exerted enough influence on Jack Anderson to appoint a Chief Pilot and further influence [redacted] [redacted] into taking action to hire some of his buddies.

MEMORANDUM FOR: Chief, SOD/Air Branch

SUBJECT : WITBUSH Contract

1. On Wednesday, 12 May 1965, I discussed with [redacted] OP/CPD, the WITBUSH contract with which you are familiar and under which [redacted] served [redacted]. This is the standard contract for Cuban and European WITBUSH pilot employees. Specifically, I was interested in learning from [redacted] if he believed Paragraph 7 D could be applicable to the case of [redacted] since Mr. [redacted] desires assistance in paying medical bills for a physical disability (which may be temporary) which may have been incurred while he was serving with us [redacted].

2. This memorandum makes record of the fact that, judging from what [redacted] had to say about the WITBUSH contract, and also in view of [redacted] recently expressed concern regarding the benefits aspects of that contract, action should be taken to review and, if necessary, revise the contract at the earliest possible date. This stems from the strong possibility that Cuban pilots who suffer injuries or disabilities while serving with WITBUSH may wish, as in the case of [redacted] to claim benefits after the termination of the contract, for conditions which originated during the term of the contract.

3. On 12 May 1965 I provided [redacted] with a draft form of a proposed WITBUSH contract pertaining to rotary wing aircraft pilots only and asked that he review it and judge its adequacy.

Iden I	20+00	6+20

3. Evaluation of each pilot as follows:

a. Iden A - Had flown C-46 about 1200 hours before and was picking it up very nicely. I gave several engine out - single engine landing and go-arounds - no flap landing - emergency gear extension. Short field landings several ILS approaches.

b. Iden C - Was the pilot who cracked up the other C-46, plus he was unwilling to fly at night. I gave him 1½ hours of air time and recommended he be used only as a co-pilot on grounds of poor head work.

c. Iden B - He is an older pilot who would bounce the airplane and then sit there waiting for it to hit again, without adding power to let it down easy. He also wanted to feather the wrong engine after one was cut. Recommended he only be used as a co-pilot.

d. Iden D - He had been flying in and around Iden J for several years, however, in his training he was quite sloppy in his flying, he would not come within 20° of assigned heading turns at the beginning.

Also he was very rough with the airplane in pitch control. On ILS approaches he would vary the manifold pressure from 12" to 30" to try and stay on the glide slope. On short field landing and take-off after about six of them he started approaching the procedures I was trying to show him, but I was convinced as soon as I left the area he would return to his own style of flying. I recommended that at the end of his six month contract which was about 30 days away he be terminated.

e. Iden E - This man had previous C-46 experience of about 2000 hours. He showed great interest and did a good job from the beginning. I recommended he be used as PIC in C-46's.

f. Iden F - This man was suppose to have had a good deal of experience, but his flying left very much to be desired. He had just been convalescing from amebic dysentery. He replied when asked, that he felt up to flying but his performance was very poor. He decided he still didn't feel up to flying and returned to the doctor's care.

g. Iden G - Had previous multi-engine experience and co-pilot time in the B-26's. He progressed satisfactory and with 7+20 hours was released to the field to fly in right seat to observe tactics and gain more experience before moving to left seat as PIC.

h. Iden H - Had limited experience, however, he was very interested and applied himself to the task of checking out in the B-26K. He was very helpful in reproducing power limitations and power setting for the CB-16-17 series engine and also reproduced the P&W pamphlet on the CB-16-17 series engines, which I had brought along as a training aid. This was made required reading material for all B-26 drivers. This man rode along as an observer while Iden G was being trained, which aided him when he started flying. I recommended he also be released to the field and ride the right seat to observe tactics and gain more experience before flying missions in the left seat.

i. Iden I - The Chief, Pilot of the group is a very capable pilot who applies himself very well. He appears to be interested in improving the professional standards of his pilots. I had several rides with him (6+20) until I felt he would be able to instruct the rest of the pilots in the proper procedures to be used in the B-26K's.

4. The training program was quite curtailed by the restrictions to Iden K. Most of the pilots were required to remain out in the field to meet operational needs. Also only one B-26 was available in Iden K which

00000

-3-

was in check till 18 March and then was not available two other days because of maintenance.

5. I recommend that Air Operations Officers be checked out in the equipment they are supervisors for in order to keep on top of their pilots proficiency. The pilots that are sent over should be screened better so as not to require so much training in the field.

Dear Mr. Medell,

Mr. Whitenhouse has been under treatment since
8 April 1965 for acute and chronic sinusitis
which has failed to clear.

He has been seen by Robert Oliver, M.D., ear,
eye, nose and throat specialist who has recom-
mended a submucous resection for correction
of deviated septum.

I concur with the diagnosis and recommendation
of surgery.

Sincerely yours,

Dear [redacted]

[redacted] was seen by me yesterday for a general physical examination. He holds a current F.A.A. Class II medical certificate issued by me 10 Nov. 1964.

[redacted] related a history as follows:
He has been out of the country for five months and had bloody diarrhea off and on for 2 months. He has had sinus trouble with pain and nasal discharge and increased symptoms with pressure changes. His weight loss has been 20 pounds. His prostate became inflamed and tender.

Results of yesterday's physical exam are as follows:
Chest Xray was normal and consistent with one taken at this office 10 November 1964; E.E.N. & T. all normal; Heart - normal size, rhythm, sounds; Abdomen - negative including hernia; Thyroid - normal; Blood Pressure 150/104; pulse rate at rest - 74;

Electrocardiogram was within normal limits; urinalysis - sug. - neg. alb. - neg. micro. - neg.; Sed Rate 3mm/hr.; Hbg. 14 gms. RBC 4,500,000 WBC 7,700 diff. - seg. 62 lymph. 31 stab. 4 mono. 3;

This patient is at present in an acute Anxiety State, has acute and chronic sinusitis, and seems to be recovering from what is probably chronic amoebic dysentery. I found the prostate to be normal. His sinuses were treated with drops and diathermy. I asked that he keep a temperature chart, Durabolin lcc was given i.m. and three other medicines were

given to be taken orally for treatment of his sinuses and his anxiety state.

[Redacted] is to return today for another sinus treatment. Xrays of the sinuses, and he is to bring in a specimen of feces. His treatment should continue approximately two or three times weekly until his sinuses are clear and medication relieves his anxiety state and nervousness.

Thank you for referring this airman.

Dear [Redacted]

Thank you for your views and observations contained in your letter of 22 October 1964. Your interest is appreciated.

Contrary to the information on which you base your desire to discuss Cuban matters, be advised that this agency is not rendering help to Cuban organizations. Thus it is believed that a discussion of this topic would not be of benefit to either of us.

Thank you again for your interest.

NUMBER

201 - 300614

SUBJECT

REFERENCE: Your Memorandum, Dated

2 October 1964 crm

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

For use as a pilot under Project WITHRUSH, as set forth in your request (form 772) dated 2 October 1964.

Please forward PRQ Part II.

To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date. An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II. Cancellation must be requested if use of Subject by interested Divisions ceases.

Mr. John McCone
Director
Central Intelligence Agency
Washington, D. C.

Dear Mr. McCone:

I am one of the Cuban pilots survivor of the Bay of Pigs ill-fated invasion to Cuba. Flew several missions and talked with the four American pilots who died in the morning of April 15th 1961 while flying as volunteers for our cause.

Contrary to the general opinion that the CIA was to blame for that fiasco, I wish to express to you my admiration and gratitude for the excellent instruction received while training in Central America and for those who gave up their lives for the cause of Democracy. A wrong and regrettable decision by the Administration turned a positive victory into a shameful defeat for the Cubans and the United States.

I understand that certain Cuban organizations are receiving direct help from your Agency. Regret to inform you that most of them are unworthy of such help and not so long ago, their leaders were Castro's followers.

Would like the opportunity of discussing this matter personally with you for the welfare of both our countries.

Please accept the testimony of my highest consideration.

Sincerely,
