1. Forwarded herewith is the most recent contact report from Hensry S. PACHANKIS concerning AMMUG-1.
2. As indicated, PACHANKIS broke the bad news contained in Reference B on AMMUG-1's citizenship. AMMUG-1 apparently took the news as well as could be expected. Nevertheless, the Station would appreciate periodic notice on the status of AMMUG-1's case so we may keep him informed on any progress.
3. In regard to Reference C, PACHANKIS probed in the area of wife problems and never really resolved the situation. PACHANKIS seemed to think, however, that the wife is still living with AMMUG-1.

d. During the middle and late 1950s, Roberto had been a salesman for the Burroughs flour company and had stayed clear of the political picture in Cuba.

e. During the same period, Hector had been a student in the University of Havana, under Raul RGA, and had taken part in some revolutionary activities. He had been arrested and beaten by the Batista police for his anti-government actions and his father had sent him into exile in the US.

f. When Castro came into power, the father was a potential "war criminal" for his illicit dealings. AMMUG-1, who was in the police force in the initial stages of the revolution, states that he deleted an incriminating page from the father's dossier (showing he paid off the police to run his bolita operation) and thus saved him from prosecution.

g. AMMUG-1 continued to be close to the family, especially with Roberto, "whom I saw every day and ran around with." Roberto never entertained the revolution. As late as 1962-63, "We used to talk quite openly and frankly. He was always against the revolution and the communists. He worked in the Ministry of Industry because his brother got him the job, but he had only one idea in his head: to get out of Cuba and come to the US. He was even plotting to get out by boat. He had a US visa for many years and had visited here many times."

h. When AMMUG-1 defected, he lost contact with Roberto. But, about two weeks ago a neighbor from Regla came to Miami on the Freedom Flights. (COMMENT: This undoubtedly refers to Cuban refugee Segundo CASCUDO Gonzalez. Reference forwarded the AMOT debriefing of CASCUDO on Roberto.) When AMMUG-1 asked about Roberto, the neighbor said that he understood that Roberto, "was assigned in a foreign Embassy." The refugee could not say what country Roberto was in.

i. This news prompts AMMUG-1 to comment: "This would be a most interesting person to talk to. I don't think that he has changed his original way of thinking. I believe he took the job to get out of Cuba, and because of the influence of his brother Hector. I know he will talk to me and there is no telling what this man is capable of doing if someone approached him."

j. Roberto is (or was) married to:

Zulema (Inu)
DPOB: c. 1934 in Cuba

They had two children and the wife was even more anti-Castro than Roberto.

k. Hector, the other brother, was a rabid revolutionary when AMMUG-1 last saw him in c. 63-64. He had joined the Castro bandwagon at the outset due to his revolutionary activities during the Batista era and his closeness to Raul RGA. In c. 1960-61-62, Hector was closely aligned

with "Che" GUEVARA and served in his entourages, even on foreign junkets. He was very close to Che and traveled abroad a lot. He and I were good friends-- he used to bring me gifts when he returned from trips-- but you couldn't even insinuate any opposition to the revolution, he was so fierce for it. I hear that he is the Ambassador to Germany; I guess through his friendship with Raul ROA. I doubt if he has changed, but I can talk to him in complete confidence--perhaps not like I could Roberto--but I could know how he thinks".

3. Since Roberto appears to be an excellent recruitment target, we will have him watchlisted with a view toward having ANMUC-1 make an approach to him at the first opportunity. Although Hector appears far less vulnerable, we will consider an approach to him should he be transferred to a Free World country.

4. Please open a 201 file on Roberto.

1. WH/MIAMI HAS GOOD ASSESSMENT FROM AMMUG-1

(201-749651, DGI DEFECTOR IN 1964) ON ROBERTO RODRIGUEZ LLOMPART, SUBJECT OF REFS. AMMUG-1 HAD CLOSE PERSONAL RELATIONSHIP WITH ROBERTO, WITH WHOM HE GREW UP IN REGLA, HAVANA. IN 1962 AND-63, THEY TALKED QUITE FRANKLY AND OPENLY. ROBERTO ALWAYS TALKED AGAINST THE REVOLUTION AND COMMUNISTS. HE HAD ONE PRINCIPAL IDEA--TO LEAVE CUBA AND GO TO STATES, EVEN BY BOAT. AMMUG-1 DOES NOT BELIEVE HE COULD HAVE CHANGED AND ONLY HOLDS CURRENT GOC POSITION BECAUSE OF BROTHER, HECTOR (201-276598), WHO IS AMBASSADOR IN EAST GERMANY. MEMORANDUM FOR: Deputy Director of Central Intelligence
THROUGH : Deputy Director for Plans
SUBJECT : Vladimir RODRIGUEZ LaHera

1. This memorandum contains a recommendation in paragraph three for the approval of the DDCI.

2. Vladimir RODRIGUEZ LaHera is a former Cuban national who defected to the United States in Nova Scotia, Canada on 21 April 1964. At that time he was an intelligence officer in the General Directorate of Intelligence, the Cuban external intelligence agency. He was brought to the United States under the provision of Section 7 of Public Law 110 (CIA Act of 1949). He has never been a member of the Communist Party, but due to his service in the Cuban external intelligence organization he is not eligible to petition for naturalization until ten years after the date of his defection, or 1974.

3. Mr. RODRIGUEZ desires to become a naturalized U.S. citizen at the earliest possible time and has requested assistance from this Agency. We request that a private bill be submitted to Congress waiving the ten-year provision of the Immigration and Naturalization Act in his case, enabling him to become a U.S. citizen after five years of residence. It is recommended that you authorize the Legislative Counsel to seek a private bill for RODRIGUEZ' relief.

BIOGRAPHIC DATA

Vladimir RODRIGUEZ LaHera

1. Vladimir RODRIGUEZ LaHera was born on 6 February 1937 in the City of Havana, Cuba, the son of Carlos RODRIGUEZ Ferrer and Josefa LAHERA Marrero. RODRIGUEZ' wife, Luisa Nelia RODRIGUEZ y Timoneda, born 24 August 1934 in Regla, Havana, and her two children by a former marriage, Vicente Maximiliano HERNANDEZ Rodriguez, age 19, and Francisca Luciana HERNANDEZ Rodriguez, age 17, legally entered the United States on 11 May 1965 and reside with Subject in Miami. Her parents, Pablo RODRIGUEZ Escobar and Sara TIMONEDA Valdes now reside in the United States.

2. RODRIGUEZ attended Escuela Publica #46, first to sixth grade; Primaria Superior #19, seventh and eighth grade; Artes y Oficios (Construction Civil) one year; and Instituto de Habana for two years.

3. Subject was a member of the Cuban Rebel Army from 1957 to 1961, during which time he advanced from the rank of Private to Lieutenant. He was imprisoned at Castello Principe, Cuba, from 14 July 1957 to 11 February 1958 for participation in sabotage and propaganda activities on behalf of the 26th of July Movement. He then joined Fidel CASTRO's forces in the Sierra Maestra and remained there until the end of 1958 when he returned to Havana upon the fall of the BATISTA Government. He was a precinct lieutenant of the Cuban National Police from November 1959 to December 1961, at which time he resigned from the Army under which he had held his position in the National Police. He was out of work until April 1962 at which time he was employed by the Ministry of Foreign Trade where he remained until he became a staff member of the General Directorate of Intelligence in August 1963. He was a member of this organization until his defection in Ottawa, Canada, on 21 April 1964, when he left his plane which was enroute from Cuba to Prague.

4. Soon after RODRIGUEZ joined the General Directorate of Intelligence, he found he could no longer submit to having his thoughts and actions circumscribed by controls which deprived him of liberty and self respect nor continue to support the Cuban Government or be a part of its intelligence activities; he therefore planned to defect as soon as the opportunity arose. After deciding to leave Cuba permanently, he began a systematic collection of documents at the General Directorate of Intelligence Headquarters. He brought these documents with him to the United States as proof of Fidel CASTRO's subversive activities in Latin America.

5. Subject is 5 feet 2 inches tall, weighs approximately 130 pounds, has a medium build and erect posture. He has a long face, medium complexion, black hair and brown eyes.

DETAILED JUSTIFICATION AND ASSESSMENT

1. Vladimir RODRIGUEZ LaHera has cooperated with this Agency since his defection on 21 April 1964 at which time he turned over to CIA documents from the General Directorate of Intelligence he had collected during the preceeding several months. In addition, he has provided voluminous, accurate and valuable information on the organization of the Cuban intelligence services, their operations, staff members and agents. These documents and information have given us the potential and opportunity to take effective measures to safeguard United States Government interests. Subject has been of great value in the past, and will continue to be in the future, in the CIA recruitment/defection program. His wide acquaintance among and knowledge concerning high level Cuban diplomats and Cuban intelligence personnel provides the Agency with the necessary background in planning operations against them and makes Subject ideal for use in carrying out the operations. His talents and contacts can be used not only in furthering the defector program, but in other types of political action and psychological warfare operations.

2. As a result of technical interrogations of RODRIGUEZ on 11 May 1964 and again on 15 July 1966, his bona fides have been established not only for intelligence exploitation purposes but also for the purpose of resettlement in the United States. There is no reason to believe that RODRIGUEZ is under the control of any hostile intelligence service.

3. The medical and psychiatric examinations have shown that RODRIGUEZ has no serious medical or psychiatric problems.

4. Mr. RODRIGUEZ has adjusted well to American life. He has been trained as a dental technician and has recently applied for employment with an airline company. It is believed that he would be a solid, responsible citizen.

Citizenship of AMMUG-1

1. On 27 January, Alien Affairs Staff advised that under Section 313 of Immigration and Naturalization Act, AMMUG-1 cannot become an American citizen until after 10 years from April 1964. While normal Cuban exile must wait five years, Communist party members must wait 10 years. AMMUG-1's position as "intelligence officer" is considered a "meaningful extension" of CP membership.

2. In view of AMMUG-1's distinguished service to RVROCK, WH Division will submit a memorandum through appropriate channels requesting authorization to submit a bill to Congress to reduce AMMUG-1's waiting period from ten to five years. At this writing, we do not know how long this processing will take but will keep you advised.

3. Paragraph 2 above is our intention and we naturally cannot guarantee approval at this time. If a special bill is passed by Congress, AMMUG-1 will go through routine application for Naturalization with RVROCK guidance.

On 30 December 1969, AMNIP-1 reported that AMMUG-1's wife called him on the day before Christmas and informed him that her father had been hospitalized with a heart attack and that AMMUG-1 had left her. AMNIP-1 called AMMUG-1's place of employment in Miami on the day after Christmas and was informed AMMUG-1 was not working that day. AMNIP-1 left a message for AMMUG-1 to call him but as of 30 December had not heard from AMMUG-1. AMNIP-1 commented that he thought AMMUG-1's wife was a little unbalanced mentally and although her parents are now in the United States and she has no real ties left in Cuba, that she is interested in returning to Cuba.
