Award for Heroic Action or Acceptance of Hazard: Was act voluntary? Describe why act was outstanding, and if it was more than normally expected. Explain, why, and how. If an aerial or marine operation, describe type and position of craft, crew position of individual, and all unusual circumstances. Indicate results of the act. Enclose unclassified citation.

Award for Achievement, Service, or Performance: State character of service during period for which recommended. (Give complete description of administrative, technical, or professional duties and responsibilities if not covered in Section C, include dates of assignment and relief.) What did the individual do that merits the award? Why was this outstanding when compared to others of like grade and experience in similar positions or circumstances? Include reference to Fitness Reports, Letters of Commendation, or other documentation already on file which supports this recommendation. Enclose unclassified citation.

Miss Goodpasture has been on sick leave since July 1972 awaiting medical retirement in October 1973. She is a charter member of the Agency, having entered on duty from OSS and its successor organizations. Her career is highly distinguished by virtue of consistently strong to outstanding performance, all of which is fully documented.

In addition to several staff and desk assignments, Miss Goodpasture served in support of the successful coup against the communist government in Guatemala in 1954 and completed tours of duty in [redacted] and Mexico City. Undoubtedly, the high point of her career occurred during her service in Mexico City from 1957 through 1970, where she served as a "trouble-shooting" case officer for the incomparable Winfield Scott (deceased), who was then the Chief of Station. Mr. Scott, a stern taskmaster, described Miss Goodpasture over these years as "intelligent, hard-working, conscientious, versatile, valuable and unquestionably one of the most competent CI/CE officers he ever had the privilege of working with." Miss Goodpasture's fitness reports were totally consistent with this appraisal, and were characterized by outstanding ratings. In her final assignment prior to acute medical problems, she worked for the CI Staff (October 1970-October 1971), earning the following remarks from her supervisor: "...I venture to rate her overall performance, thirty years of it, as Outstanding. Ann is one of the tough warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened." The reviewing official agreed with the above and recorded his hope that Miss Goodpasture get the official Agency recognition she so richly deserves for the many years she has made substantive

MEMORANDUM FOR : Miss Ann L. Goodpasture

THROUGH : Administrative Officer, CI Staff

SUBJECT : Application to Purchase Service Credit

1. This is to advise you that your application to purchase service credit under the CIA Retirement and Disability System has been processed. The period of your service which is not covered by retirement deductions and the amount due to cover this period are as follows:

Redeposit Period	Total Amount Due
11 Mar 1942 - 8 Sep 1943	$241.00

2. Postponing payment will cause the amount due to increase because of additional interest at the rate of 3 per cent compounded annually. However, so long as the amount is not paid, you have the use of this money for other purposes. You may postpone payment until you retire.

3. If the redeposit is not made you will receive no credit in the computation of annuity for the period of service covered by the refund. This usually results in a sharp reduction in the amount of your annuity.

4. If you wish to make payment for the redeposit period, please make your check payable to the Treasurer of the United States and forward it to the Chief, Retirement Operations Branch, 205 Magazine Building. If you prefer, you may make installment payments or arrange for bi-weekly payroll allotments of $25.00 or multiples thereof. A receipt showing a statement of your account will be sent to you acknowledging each installment payment.

REFERENCE: HMYA-135 and Attachment

1. Receipt is acknowledged of above reference dispatch and attachment.

2. Headquarters finds that there is no adjustment due on the quarters allowance for the periods covered.

3. Due to the information in item #7 of PSI from $5079 to $5259 effective 7 June 1953, there has been an overpayment made to subject for the period 7 June thru 15 August 1953 in the net amount of $30.74 as evidenced by attached payroll change notice #271 for the period 16 August-12 September 1953.

4. Since the difference between the [redacted] is less than 100.00 per annum and settlement is to be made only once a year, it is suggested that a personal check for $30.74 made payable to [redacted] be forwarded to Headquarters to liquidate this overpayment.

CONFIDENTIAL SECURITY INFORMATION

Dispatch No: HMYA-7
30 October 1952

TO : Chief, WHD

FROM : [redacted]

SUBJECT : Administrative [redacted] Personnel - [redacted]

1. [redacted] has asked that I state my preference with regard to home leave and reassignment. I will be eligible for home leave in July 1953 but it is not urgent that my leave be scheduled exactly when due. I would like, however, to know what opportunities exist with headquarters and whether I should be looking elsewhere for employment after July 1953.

2. With regard to another two year tour of duty in [redacted] I would prefer a more responsible job than is foreseeable here. Now that the station files are set-up and the administrative routine is established, my job, while termed Administrative Assistant, is mainly that of a clerk-typist. The practice in typing has been good for me but I would like to look forward to a more responsible job for the next tour of duty. For instance, as a GS-9 I am performing the same type job which I did in 1945 at a CAF-4 and a considerably less responsible job than the one performed at headquarters as a P-2. While I have been taking Spanish lessons, I know that I am not proficient enough in the language for an assignment in Latin America, and feel that I would be better off in another area.

3. For the benefit of the case officer in assigning a replacement, [redacted] has suggested that I outline the duties which my replacement should be trained to perform. The routine can be learned in the field within two or three weeks.

a) Copy typing. About 75% of the time will be taken up with routine typing.

b) Index carding. About 600 index cards a week are now being typed for the card files and for the visa section files.

c) Preparation of courier mail. Couriers usually go to the border approximately every two weeks but there is no regular schedule, and pouches are sometimes prepared on a few hours notice.

d) Communications. The incumbent should have complete training for our codes for he will not have much practice in the field as only two or three messages are transmitted monthly.

e) Photography. At the present time, considerable operational use is being made of a darkroom at my residence. In addition to my own photographic equipment, the station photographic equipment is used there. My replacement should be trained in the use of the duo-printer and in 35mm copy work. If he has no personal photographic equipment, headquarters may wish to issue him a camera as there is only one camera at the station. Most of the copy work has been done with my personal rolleiflex and enlarger.

f) Administrative Reports.

(1) Station Funds. He will be responsible for dispensing funds, keeping records and preparation of the monthly accounting reports.

(2) Property. He will be responsible for keeping records of government property and preparation of periodic reports and inventories.

(3) Exchange commodities. He will be responsible for keeping records and preparing periodic reports and inventories.

g) Maintenance of Files. The station files are set-up along the lines recommended by headquarters, and should require little time for upkeep.

h) Information Reports. Dependent upon the clerical workload, he may assist [redacted] in the preparation of information reports.

[redacted]

4. A resourceful person can find [redacted] a very enjoyable post. From a social point of view, the city is not a dull place and either a single girl or man can find plenty of things to do. There are a limited number of single persons here, but one can always find somewhere to go and something to do. The American colony, as a whole, is the friendliest group that I have known at any post and they are very gracious with invitations to their homes. If headquarters has someone in mind for this post and would like elaboration on living conditions in [redacted], I shall be glad to forward them on request.

TO : CPD

DATE: 12 December 1947

FROM : Chief, FEZ

SUBJECT: Ann L. Goodpasture

Temporary Promotion

1. Subject is administrative assistant at our installation in [redacted] Due to the increased cost of living in [redacted] request is made that she be given a temporary promotion from a CAF-7 to a CAF-9. The increase in salary, plus the additional cost-of-living and quarters allowances, will be sufficient to permit Miss Goodpasture to meet the highly inflated cost of living in [redacted] an impossibility for the past several months.

2. A review of subject's reports on living conditions in [redacted] reveals that since her arrival in April, she has had to live in temporary quarters on a day-to-day or week-to-week basis. The rooms occupied by subject have been shared with at least one other girl and sometimes two or three. Bathroom facilities are also shared with the other occupants of the hotel. During a period of several months, subject and her roommate occupied a nine by twelve room on the fifth floor of a "walk-up" and shared a bath with four men. This room cost them $150 a month each. At the present time subject and her roommate are living in a single room, without private bath, and for the privilege are paying $ Rs. 200 a week each (approximately $60.).

3. In a dispatch dated 28 November, subject stated that "I am now spending more than my combined salary and allowances to maintain only a moderate standard of living. It appears at present that it is unlikely that any permanent quarters will be found for unmarried members of the staff. . .since four officers' families are en route to [redacted] and three such families presently in [redacted] are without places to live. Any accomodations secured through the [redacted] will of course be made available first to the highest ranking officer in need of housing. Any accommodations found through other channels have so far been prohibitive in price. . . ."

4. In support of subject's statement of conditions she attached, at the [redacted] suggestion, a copy of his report to the [redacted] dated November 7, 1947. Pertinent portions of the [redacted] dispatch have been

excerpted and are appended to this memorandum.

5. Subject's present salary, minus retirement and income tax, is $105.12 per two-week pay period; her present living and quarters allowance amounts to $78.45. The proposed increase to a CAF-9 would bring her net salary to $127.42 per two-week pay period and her living allowance to $103.07 - a difference of $46.92 every two weeks. A promotion to a CAF-8 would be insufficient, since her allowances would remain the same and the salary increase would amount only to $10.75 per pay period.

Miss Ann L. Goodpasture reported back to SI Washington from Shanghai on 1 April 1946. On the trip back, she developed a rather serious ear ailment, and it is feared that an operation may be necessary. Dr. Thompson of the Medical Division was going to attempt to have her admitted to a hospital Monday night for further attention and treatment. After release from the hospital she will go to her home in Tipton, Oklahoma.

In view of the above facts, we shall show Miss Goodpasture as being on sick leave (approximately one month) until her return to duty, at which time she will fill out the form 71 and any other necessary papers.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Ann L. GOODPASTURE
18 October 1970 - 31 October 1971

To the immense regret of this writer Ann Goodpasture is retiring very soon. It would be silly to rate her competitively against any of her colleagues, male or female, young or merely well-preserved. Concerning her fitness be it recorded that she is very fit indeed to perform any of the tasks listed as her current ones or almost any others I can think of at almost any grade. I venture to rate her over-all performance, thirty years of it, as OUTSTANDING. Ann is one of the tough warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened.

COMMENTS OF REVIEWING OFFICIAL:

Miss Goodpasture is indeed a fine officer who consistently turns in a Strong performance when she is not doing an outstanding job. She is an excellent office and project manager who is cost conscious and she is a careful thorough instructor and briefer. Her retirement will leave a great gap in CI/OPS and, as Mr. Johnson has said, in the organization. I hope she gets the official Agency recognition she deserves for the many years she has made substantive contribution to the CS.

TO Chief, WH Division

DATE 5 June 1957

FROM Chief of Station, Mexico City

SUBJECT: GENERAL — Administrative

SPECIFIC — [redacted] Anne GOODPASTURE

ACTION REQUESTED: See Para 5.

1. The following is submitted for the information of C/WH/ADMIN and the additional dissemination he considers necessary.

2. On 25 May 1957 the personal automobile owned by subject was hit by a tornado, removing the hood and other parts of the body. The auto was in custody of subject's brother (in the United States) who contacted the Lawton, Oklahoma, claims adjuster for subject's car insurance (the GEICO Government Employees Insurance Company, Washington, D.C.) who authorized complete coverage. Subject was unaware of the accident until repairs had been completed. There were no personal injuries and no newspaper accounts as this loss was insignificant compared to catastrophic flood and tornado damages in the area.

3. On the insurance policy taken out in 1955, Subject's employment was shown as U.S. Government with the MEXICO address. The claim to be valid had to show the same. The policy could not be amended to reflect subject's ostensible unemployment as this type of insurance is available only to U.S. Government employees.

4. Subject brought his automobile into Mexico on 1 June 1957 and is advising the GEICO that he expects to be in Mexico indefinitely and desires that his U.S. insurance be cancelled with receipt of the letter (probably about 10 June 1957.)

5. If queried by GEICO, it is requested that OC acknowledge subject's MEXICO employment to cover the period of the accident.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Ann L. GOODPASTURE
18 October 1970 - 31 October 1971

To the immense regret of this writer Ann Goodpasture is retiring very soon. It would be silly to rate her competitively against any of her colleagues, male or female, young or merely well-preserved. Concerning her fitness be it recorded that she is very fit indeed to perform any of the tasks listed as her current ones or almost any others I can think of at almost any grade. I venture to rate her over-all performance, thirty years of it, as OUTSTANDING. Ann is one of the tough warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened.

COMMENTS OF REVIEWING OFFICIAL:

Miss Goodpasture is indeed a fine officer who consistently turns in a Strong performance when she is not doing an outstanding job. She is an excellent office and project manager who is cost conscious and she is a careful thorough instructor and briefer. Her retirement will leave a great gap in CI/OPS and, as Mr. Johnson has said, in the organization. I hope she gets the official Agency recognition she deserves for the many years she has made substantive contribution to the CS.

I. Course Objectives: to familiarize the student with the various types of CE operations and with methods and procedures peculiar to CE in the field and at Headquarters; to outline CE objectives, and to increase proficiency in the recognition and exploitation of leads.

II. Course Characteristics: The Counterespionage Operations Course is of three weeks' duration. The curriculum material is presented by means of lectures, seminars, and directed reading. It is divided into sections as follows:

A. Introduction (definition of terms, the CI Staff, operational Security and risk assessment, sources of CE leads, CI reporting and records)

B. Interrogation

C. Foreign Intelligence Services (with emphasis on currently hostile services including a lecture on CE in Liaison)

D. Penetration and Defection

E. Double Agent Operations

During the course each student is required to present orally a CE case and to submit a written version of the case. Evaluations are based on problems, the case analysis presented by the student, and objective tests.

III. Evaluation

A. Two double agent problems requiring case analysis. This analysis involves thorough study of the case:

1. To determine areas of missing, inadequate, or questionable information
2. To pick out information which can be checked through other sources
3. To recognize all possible leads
4. To assess the risk involved
5. To propose appropriate action (operational decisions)

Ratings in this class			12*	3	

B. Case analysis (student presentation):

	Fail	Poor	Satis	Exc	Sup
Ratings in this class			10	5*	

C. Objective tests based on all sections of the course:

	Fail	Poor	Satis	Exc	Sup
Ratings in this class		3	8*	4	

This student's rating is indicated by asterisk.

IV. COMMENTS: Miss Goodpasture's handling of the problems indicated that she is capable of shrewd analysis. She overlooked some points which might have been considered in one problem and dealt with the other problem in too brief fashion, but in general her analysis reflected her actual experience and suggested that she is perhaps stronger in analysis than in making operational decisions. She presented a rather complex case and demonstrated that she not only understood the case but was able to give a clear account of it.

V. EXPLANATION OF ADJECTIVAL RATINGS:

SUPERIOR: The student demonstrated outstanding ability or proficiency in meeting this course goal or objective; he indicated an unusually thorough knowledge of the material presented, or, if skills are involved, he demonstrated that he is one of the most effective individuals in this area.

EXCELLENT: The student showed unusual competence, skill, or ability in meeting this objective or goal; he demonstrated a thorough grasp of the presented material, or if skills are involved, he demonstrated that he can perform in an extremely effect manner in this area.

SATISFACTORY: The student met this objective in a competent and adequate manner; he demonstrated a good understanding and grasp of the information presented, or, if skills are involved, he demonstrated sufficient competence to operate effectively in this area.

POOR: Although the student may have met some of the standards set for minimum achievement of this course goal or objective, he demonstrated serious gaps in knowledge or sufficient lack of skill to be of doubtful competence.

FAILURE: The student was unable to grasp the concepts or information presented, or demonstrated that he had not acquired the necessary information and skills to operate at even minimum capacity in this area.

2. RATINGS ON PERFORMANCE OF SPECIFIC DUTIES

DIRECTIONS:
a. State in the spaces below up to six of the more important SPECIFIC duties performed during this rating period. Place the most important first. Do not include minor or unimportant duties.
b. Rate performance on each specific duty considering ONLY effectiveness with which this specific duty is performed.
c. For supervisors, ability to supervise will always be rated as a specific duty (do not rate as supervisors those who supervise a secretary only).
d. Compare in your mind, when possible, the individual being rated with others performing the same duty at a similar level of responsibility.
e. Two individuals with the same job title may be performing different duties. If so, rate them on different duties.
f. Be specific. Examples of the kind of duties that might be rated are:

3. NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE

DIRECTIONS: Stress strengths and weaknesses, particularly those which affect development on present job.

Miss Goodpasture has a natural aptitude for analysis, a shrewd and inquiring mind, and an enthusiasm for FI/CE work. She is markedly interested in CIA and its mission, well-informed, and energetic. She displays an intelligent initiative and makes good use of her extensive agency experience. She has no significant weaknesses, but could use to advantage more experience in case-summary type writing.

SECTION D. SUITABILITY FOR CURRENT JOB IN ORGANIZATION

DIRECTIONS: Take into account here everything you know about the individual....productivity, conduct in the job, pertinent personal characteristics or habits, special defects or talents....and how he fits in with your team. Compare him with others doing similar work of about the same level.

PRESENT ASSIGNMENT OR PRESENT POSITION			
FI Operations Officer			

I. Course Objectives: to familiarize the student with the various types of CE operations and with methods and procedures peculiar to CE in the field and at Headquarters, to outline CE objectives, and to increase proficiency in the recognition and exploitation of leads.

II. Course Characteristics: The Counterespionage Operations Course is of three weeks' duration. The curriculum material is presented by means of lectures, seminars, and directed reading. It is divided into sections as follows:

A. Introduction (definition of terms, the CI Staff, operational Security and risk assessment, sources of CE leads, CE reporting and records)

B. Interrogation

C. Foreign Intelligence Services (with emphasis on currently hostile services including a lecture on CE in Liaison)

D. Penetration and Defection

E. Double Agent Operations

During the course each student is required to present orally a CE case and to submit a written version of the case. Evaluations are based on problems, the case analysis presented by the student, and objective tests.

S-E-C-R-E-T

III. Evaluation

A. Two double agent problems requiring case analysis. This analysis involves thorough study of the case:

1. To determine areas of missing, inadequate, or questionable information
2. To pick out information which can be checked through other sources
3. To recognize all possible leads
4. To assess the risk involved
5. To propose appropriate action (operational decisions)

Ratings in this class			12*	3	

B. Case analysis (student presentation):

	Fail	Poor	Satis	Exc	Sup
Ratings in this class			10	5*	

C. Objective tests based on all sections of the course:

	Fail	Poor	Satis	Exc	Sup
Ratings in this class		3	8*	4	

This student's rating is indicated by asterisk.

IV. COMMENTS: **Miss Goodpasture's handling of the problems indicated that she is capable of shrewd analysis. She overlooked some points which might have been considered in one problem and dealt with the other problem in too brief fashion, but in general her analysis reflected her actual experience and suggested that she is perhaps stronger in analysis than in making operational decisions. She presented a rather complex case and demonstrated that she not only understood the case but was able to give a clear account of it.**

SECTION IV

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive terms are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable civil-service rules, the War Service Regulations, and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, purchase of office, suitability in connection with any record of recent discharge or arrest, promise to observe provisions regarding political activity, and particularly for the following:

(1) **Identity** of appointee with the applicant whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) **Age.**—If discrepancy exists between the date of birth and that on application, and if definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment.

(3) **Citizenship.**—The responsibility for c[illegible]rovisions of appropriation acts prohibiting or restricting the employment [illegible]ans lies with the appointing officer. The Civil Service Commission indicates on applications showing foreign born that citizenship has been verified. The appointing officer should verify citizenship if the list of eligibles or the letter of authority from the Commission makes the appointment subject to proof of citizenship, or if the application shows foreign birth but does not indicate on its face that citizenship has been proved. If the answer to question 6 of this form shows foreign born and the application shows birth in the United States, the case should be referred to the Civil Service Commission.

(4) **Members of Family.**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of the family in the classified service, no other member of such family is eligible for appointment in that service. Minors do not establish a different family, merely by living at an address different from that of the parents. Doubtful cases involving more than two members of family, including all pertinent evidence should be referred to the Civil Service Commission or its duly authorized representatives for decision. Under War Service Regulations, the member[illegible]y provision does not apply to temporary appointments for one year or l[illegible]

Present Positions

At the present time I am working in two places: one position is with the War Relocation Authority in the Placement and Training Unit of the Personnel Management Section which consists principally of clerical duties; the other position is with Congressional Intelligence, a private news service, the work consists of preparing for publication various legislative reports, press releases and current congressional information. The combined salaries amount to $204. per month.

The Civil Service position which I now have is a grade CAF-3 $1620. Although I am now doing personnel work, I do not feel that I am utilizing to the fullest extent my experience and educational qualifications and would be interested in transferring to any position for which I am qualified. I would prefer a position with a salary which would not necessitate my being on two jobs at one time.

I have no objection to a secretarial position if it is of a responsible nature, however I feel that I am better qualified for a Junior Administrative, Personnel or clerical accounting position.
