MEMORANDUM FOR: Domestic Operations/WH

: Director, Domestic Contacts Service

SUBJECT :

Background:

1. On 22 or 23 September 1965 [] contacted the [] Domestic Contacts Office through Igor Gordevitch of the Vision Magazine, trying to establish contact in [] with CIA to pass along some information. WH/1 chose not to establish contact with [] at that time, even though she was cleared CIA agent in contact with the [] Station.

Recent Developments:

2. [] was terminated effective 1 July 1966 and was paid her salary through 30 June and given money for one-way air fare to New York City. She was completely satisfied with the financial terms of the settlement and signed a Termination Secrecy Oath. Although she was terminated for lack of access and production, there was also considerable newspaper publicity in May 1966 in the [] newspapers wherein Subject was attacked because of her connection with an anti-Communist meeting, the Latin American Conference to Study the Situation of the Jewish Minority in the Soviet Union. In this publicity Subject was labeled as being closely connected with U. S. Government Police, and also as an agent of the FBI and INTERPOL. She was also accused of working for a newspaperman Daniel James who was described as being responsible to CIA.

3. [] planned to return to New York in July where she was to look for a job. Subject had been told previously by the [] Station that the telephone number of the New York CIA office is listed in the directory and she could call that office if contact were necessary while she was in the United States, but that she should only establish contact for an important or urgent matter. Since [] tends to

SECRET

liberally apply importance to a wide variety of events and subjects, and since she is likely to be short of money shortly after arriving, WH Division believes there is a possibility she may try to establish contact.

Suggested Action:

4. WH Division suggests that you may wish to forward a copy of this memorandum to your New York office. If [redacted] does establish contact, we would appreciate your office interviewing her to accept whatever information she might wish to contribute, but that no financial commitments be made on our behalf. WH Division plans to have no direct contact unless the information provided would appear to merit a special interview.
