**AMBASSADOR FREEMAN ATTACKED BY SIEMPRE** FBIS No. 85, 30 Apr 64

Mexico City Correspondent's Dispatch in Spanish to PRENSA LATINA Havana 1910 GMT 23 April 1964--E (FOR OFFICIAL USE ONLY)

(Excerpt) Mexico City--In an article in the Mexico City magazine SIEMPRE on 23 April, Victor Rico Galan writes that U.S. Ambassador Fulton Freeman made a statement to the press about Cuba and Brazil. "In a violent style that seems to come from the caverns of the John Birch Society, he (criticized) the constitutional government of Jose Goulart and the Cuban Revolution. He talked like a soapbox orator, as if issuing a political proclamation, forgetting that Mexico maintains friendly relations with the Cuban Government and did have very close relations with the deposed Brazilian President. Mr. Freeman behaved like a savage guest who spits on his host country."

"This is no great cause for surprise. U.S. ambassadors are constantly interfering in our domestic affairs as if it were the most natural thing. They feel as if they were on conquered ground, and not less like ambassadors than proconsuls who owe no consideration or explanation to anybody, as if this country belonged to them and they enjoyed boundless privileges."

"The surprising thing is that nobody has protested: the insult to Mexico has been passed over in absolute silence. Worse things will obviously come. No sooner does he arrive in Mexico than Mr. Freeman arrogates the right to shout anything he pleases, because Washington has become impatient with Mexico's independent policy, and the Texan style of the Johnson-Mark team (is?) alien to the relative tolerance of the Kennedy 'intellectuals.' Freeman comes to exert pressure violently and announces at the start that he is ready for anything. It is the policy of international gangsterism that requires the conduct of a bully in those who pursue it."

Further on, the writer says: "Either these saloon ruffians are stopped short or nobody will be able to stand them. That is why, it is serious that nobody has raised his voice to teach Freeman some manners, and that, on the contrary, General Olachua, secretary of defense, should have paid him honors with all his general staff without daring to point out to him that this is an independent country, and that proconsuls and viceroys are not allowed here."

"Every U.S. ambassador who comes to Mexico makes his predecessor look good by comparison, but at least in the beginning all try to make themselves liked. But not Fulton Freeman. He comes with sullen looks, raising his voice so nobody can be mistaken. He shows his hand right at the start and announces that he is not going to try to convince anybody but will give orders. This indicates quite clearly that the State Department thinks it has been too patient and feels circumstances are ripe for acting tough and violently."

"A sus Órdenes, Jefazo-Pagés"

Por LEON GUZMAN

# Nuevo Sirviente Oficial: Rico, Galán y con Librea

El señor Victor Rico Galán, escritor de "Siempre", trata de comprar su libertad haciendo de sirviente cínico al gobierno y a su revista "mater et magister del confusionismo". Bueno que este "mártir" trate de salir y que atiborre a quien lo lea de la bazofia trotskista; bueno que utilice la comprobada vía de escritor de "Siempre" para labrarse su salida; bueno que acuse a los remotos imperialismos y a grupos innominados de todas las culpas, escondiendo así la muy presente culpa del gobierno y de la clase dominante mexicana. Bueno para sus muy mezquinos y pequeñitos "objetivos", pues sus desahogos palabreros nada tienen que ver con la lucha re-

Victor Rico Galán, como otros expresos políticos de su calaña, se desahogará abiertamente como traidor.

volucionaria de los trabajadores mexicanos.

Desde la cruzja "N", Rico Galán había mantenido un silencio metuloso, hasta que llegó el momento de "hacer cualquier servicio al enemigo" con tal de salir; hasta que llegó el momento de encontrar el camino de volver a escribir en "Siempre" para labrarse su excarcelación, como ya lo hicieron otros antes de él; hasta que llegó el momento de olvidarse de las pillerías del director de "Siempre" quien, cuando al gobierno con-

sea la parte, y ahora que al gobierno conviene, le abre las puertas de su revista gubernamental, bien cebada por la clase dominante para pregonar la confusión de una supuesta "izquierda" y defender con toda el alma al gobierno, al presidente en turno y a la clase dominante.

Hasta leer "Siempre" para

REVISTA 197 3-11/71

encontrar, desde "siempre", un solo derrotado: el más destacado servilismo a todos los gobiernos, sumado a poses izquierdizantes atribuibles a algunos de sus escritores. Caro han vendido los dueños de la revista "Siempre" este sistema de confusión y apoyo activo a los dueños del poder: mucho papel, muchísimas dádivas, una enorme fortuna para el vanidoso "pepe pagés", el supremo "jefe" de esa pequeña élite de engañadores oficiales, y sueldos, suelditos y sueldotes a sus "redactores" y "escritores", que han ido desde el "maestro Lombardo" hasta el director suplente, Francisco de la Vega, consejero de la Presidencia de la República.

"Siempre" dio lugar a la novela rosa de la "apertura". Desde sus columnas hablan los oportunistas oficiales a voz en cuello. Junto a los artículos de Regis Debray, se mezclan homenajes a todos los virreyes gubernamentales, y al rey-presidente más que a ninguno. Se pelean entre sí las comadres del "jefe Pagés" para dar "idea de libertad de opinión"; pletitos intrascendentes que ocupan páginas y páginas inacabables; al fin que el papel no se paga.

"Siempre" buscó el modo de justificar la matanza del 2 de Octubre y la del 10 de Junio. Hablando vagamente en contra de "quienes quieren torcer la política revolucionaria" de cada gobierno y gobernante, lanzando culpas a desmedrados fantasmata. La revista "Siempre" manipula a sus escritores para apoyar "asudamente" y desde una aparente "izquierda" al propio gobierno. Por esa labor le pagaban a Lombardo y le han pagado y pagan a Pagés.

Desesperado está el gobierno para hacer creer en su "apertura", en las libertades para crear "nuevos partidos". Vociferan y desesperan los secretarías de Estado, diputados, senadores y el propio Presidente, para hacer creer a los mexicanos en su "democracia" burguesa a la mexicana, perfecta y buena, según ellos mismos. Piden, gimean y suplican para que se desacredite a los que están luchando por todas las vías (léase otra vez: POR TODAS LAS VIAS) en contra de la situación que vive el país, en detri-

mento de millones y para beneficio de una ridícula minoría de burócratas y prestanombres intermediarios del capital extranjero.

Toda la propaganda oficial y sus publicitarias "reformas" tienden a lo mismo: desacreditar a los que están luchando como pueden y aprenden a hacerlo en la vida diaria. Llamar "impotentes, idiotas, desesperados y provocadores" a los guerrilleros, como lo hace en su último "artículo" el discípulo de Pagés, Rico Galán ("Siempre" N° 965, páginas 24 y 25), es hacer exactamente lo que ordena la clase dominante a sus pajés (20 pagés?).

Un hombre honesto puede y debe cambiar de criterio cuando reconoce un error. Pero tiene que decir y explicar su error, si es que hubo. El "honrito" Galán no se toma molestias, de furibundo "guerrillero" de lengua, saliva y papel, cuando así convenía a sus particulares intereses personales, pasa ahora a destructor de la guerrilla, a llamar "idiotas" e "impotentes" a los que hicieron lo que él fue impotente de hacer o, tal vez, podemos afirmar, simuló hacer.

De insultar a Genaro Vázquez, viperinamente, pues babea confusiónismo el discípulo de Pagés, pasa a insultar a los guerrilleros del Brasil, llamándolos "terroristas", y los declara extinguidos, exterminados en unos pocos meses por la dictadura.

El Sr. Galán está muy bien informado en su ceida de la desaparición de los luchadores revolucionarios del Brasil; y los brasileños revolucionarios han de estar "sumamente preocupados" por tales columnias.

Y adelante. Como la revista "Siempre" en su actividad dúplex publicó un documento de Regis Debray sobre la lucha guerrillera de los Tupac Katari, ¿qué mejor que ahora insultarlo por conducto de un "ente" de la falsa izquierda mexicana y en la misma revista confusionista, para que nadie vaya a creerle. La clase dominante agradece bien tales favores, señores de "Siempre", y los paga al contado.

Tras de todo, antes de todo, sobre todo, el ombligo de estos narcisistas. Porque la "revista" dijo, o porque mandó una cartita un pobre Galán, sólo por

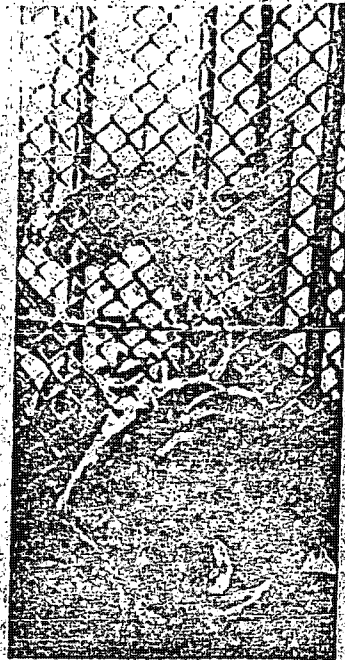

eso ocurren las cosas y por eso se lanza a la grandilocuencia ridícula, a hablar de los futuros amaneceres revolucionarios y de la "sancie" y la "vida" de los revolucionarios, atribuyéndose tal calidad el pobre escritor. Tiene que ganarse su paga. Tiene que presentarse como la revolución verdadera, para que nadie crea en los que están combatiendo a la dictadura de agua y de cualquier allá. Tiene que descargar eructos insultantes sobre la limpieza de los luchadores, que a él como al gobierno de México, como a nuestros verdugos, como a su "jefe", le interesa ensuciar sobre todas las cosas. Dice en su bazofia: "es preciso, urgente, construir la organización a toda prisa: el partido de la clase obrera y el frente nacional revolucionario antilimperialista". Eso, nada más eso; de prisa, mañana temprano, a las nueve en punto, como el dios de Abraham hizo al mundo! Rápido, como lo quiere y necesita el poder público en México, como lo buscan afanosos las vedetes gubernamentales desde "Siempre", ¿o no Heberto Castillo? Un partidito de paga y paga, útil para su "revolucionista", para el engaño y la trapacería.

Una carta o "artículo" en busca afanosa del premio oficial, es este escrito vergonzante del vergonzante "guerrillero" Galán. De un honibre que no le pide nada a las veletas. Nada más ayer escribió a su "jefe pagés" esta carta renuncia: "2 de septiembre de 1966. — En relación con mi carta aparecida en el número 689 de su revista, debo decirle que, después de leer el editorial del mismo número, queda retirado lo que a usted se refiere, y en particular mi propósito de seguir colaborando en "Siempre" con una selección sobre libros. Sin entrar a discutir un editorial en el que, no sólo se me condena cuando no lo ha hecho un juez, sino que se me cuelga un nuevo delito al llamarme "matnero", me limito a aclarar que de ningún modo puedo admitir la limosna de que se me publique por elementales razones humanas". Buscaré el modo de contribuir desde mi esfuerzo al sostenimiento de mis hijos; pero, en último extremo, prefiero que vivan dignamente

Lo mismo contra Genaro Vázquez, que contra Regis Debray o Mario Menéndez, el nuevo sirviente oficial tumba su desvirtuado alcohol impotente.

de la solidaridad revolucionaria y no de la limosna infamante, otorgada por malas conciencias que buscan una precaria tranquilidad. Independientemente de que siga usted encontrando 'elementales razones humanas' o se le hayan agotado las que exhibió, esta carta tiene importancia para mi dignidad personal y por ello esperaré a que la publique hasta el jueves, pero reservándome copia y el derecho de hacerla pública por otros medios en caso necesario. — Atentamente, Víctor Rico Galán".

Eso fue ayer, pero hoy ya todo cambió: la mala conciencia del "Jefe Pagés" se volvió buena; el héroe que rechazaba la "limosna" pagésina, se vuelve limosnero; quien se negó a escribir en "Siempre" por elementales razones de dignidad, se ha vuelto indigno. Ese es el camino que enseña el eclabornador de "Siempre".

Insulta a Genaro Vázquez desde "Siempre", ¡vaya dignidad! Escupir rabioso sobre Debray, sobre los guerrilleros brasileños, mentir, desapareciéndolos del mundo de los vivos, es obra de sucios plumíferos, cuando se usa la tribunita confusionista de "Siempre".

Bien informado está el maniquí del "Jefe Pagés". No sólo sabe lo que les ha pasado a todos en Brasil; no sólo califica de "idiota histórico" a Debray,

almo que puede afirmar que el responsable del asesinato de Pablo Alvarado B. no es "su" general Arcaute, sino que hay más por allí que difaman las culpas. El señor Galán personalmente afirma: "Me consta que el Presidente de la República estaba informado". Sólo él, que tiene comunicación con tan poderosos sujetos, (él, el alcoholito informado, puede calumniar o cuenta de su patrón con tan ridículas "razones" como las de que si el secuestrado Castrejón es de la Coca-Cola y, por tanto, miembro del Opus Dei, es increíble que Genaro no tenga una choza en Guerrero, por lo que no se puede creer a Castrejón que lo trajeran a salto de mata, siguiendo el paso de los guerrilleros. ¡Vaya lógica ignara!

Y como trata al extinto Pablo Alvarado Barrera?, así con el nombre escueto, ya que muchas veces lanzó en contra del extinto su venenosa baba de calumniador, acusándolo de agente de la CIA. Lo único grato que dice de Pablo es llamarlo "rehén", para más adelante, en el penúltimo párrafo de su "artículo", citarlo indirectamente y llamarle uno de esos "desesperados, aventureros, terroristas... que se mueren...". Pero ya el revolucionario Pablo Alvarado Barrera no puede responderle, como tampoco puede hacerlo directamente Mario R. Menéndez

Rodríguez, desterrado por el gobierno en La Habana, Cuba.

Pero podemos, los que día a día luchamos por sacar esta revista; exigir a este pobre Galán y a sus amos de "Siempre" y a los amos de ambos, a los gobernantes de México y a la clase dominante que los sostiene, lanzarles una exigencia clara y terminante:

Ustedes, bien informados polizontes, bien informados criados con o sin librea, prueben con sus elementos que la Revista POR QUE? está financiada por la CIA o por instrumentos de la CIA. Demuestren, señores gobernantes de México, servil instrumento de todos los gobernantes en turno, "Jefe Pagés", demuestren lo que afirma Rico Galán por órdenes de ustedes.

Esperamos sus "pruebas", y nos reímos de la pobre mentalidad de todos ustedes al asignar a nuestra Revista apoyos que ustedes mismos distorsionan, por lo que ha dolido a sus patrones gubernamentales la denuncia presentada por diversos periodistas en todos los instrumentos de las Naciones Unidas y en todas las asociaciones internacionales de periodistas. Ahora, prueben su dicho o queden allí como calumniadores. Y ojalá que pronto liberen a su sirviente los señores que gobiernan a México, para que el "héroe" pueda volver a su basurera.

Subject has been a well known leftist journalist in Mexico since at least 1957. Since at least 1960 he has been a steady writer for the two leftist periodicals Siempre and Politica. Subject was a founding member of the FMN and subsequently headed that group's Press and Propaganda Committee. He has always been close and sympathetic to the CASTRO revolution and, in 1961, was reported to be a member of "Periodistas Mexicanos Amigos de Cuba" and of the "Committee for Solidarity with the Cuban Revolution". As of June 1965, Subject was reported to be a member of the FEP and an enemy of the FPS.

9. SUBVERSIVE ACTIVITIES:

Subject was arrested in Aug. 63 for participating in a pro-political prisoner demonstration. Subject's pro-CASTRO/Communist writings as well as his contacts with known Soviet, Satellite and Cuban intelligence personnel in Mexico during the past few years leave no doubt as to his "propaganda" role, under journalistic cover, on behalf of these interests. Subject visited Cuba during May-June 63 ostensibly to interview CASTRO after latter's return from the Soviet Union. During this contact with the Cuban government, however, he was given the mission of traveling through Central & South America to contact local Communist/guerrilla leaders for the purpose of persuading them to begin campaigns of violence and terror to take the pressure off the FAIR in Venezuela. A secondary mission was to bring about greater unity among the various Communist and terrorist groups. Subject undertook this assignment during Oct - Dec 63, visited Caribbean and South American countries, and contacted key Communists in each. Subject visited the Dominican Republic in Jan 64, and as a result of the contacts made there with the AFCJ (militant, revolutionary, pro-CASTRO group) was able to serve during the Dominican crisis of May 65 as a relay point for material and instructions from Cuba to the AFCJ and also as a reporting channel from Juan F. MEXIA, an AFCJ leader, to the Cuban Intelligence Service and the AFCJ's CASTRO-Cuban leadership in Cuba. Subject ~~xxxxxx~~ returned to Mexico from a trip to Cuba on 11 January, 1966.

Instructions for SWL Form Part IV: Operational Data

1. This form will be used for maintaining a ready reference list of sources with direct or indirect access to subject and for recording operationally sensitive data on subject's subversive activities.
2. Data incorporated into this form are operationally sensitive and are intended to aid the field station responsible for investigative follow-up of an individual. In directing questions and leads promptly to other components with sources in a position to acquire data, or to components best able to evaluate new information.
3. In entering data on sources with direct or indirect access to subject, specify the cryptonym of source (either agent or liaison service). If a liaison service is involved, specify component, officer (by cryptonym), and, if possible, agent sub-source. If other than a professional source is involved, specify location and date of information; nature of contact as well as identity. (e.g., "Family contact-Juan MORELOS, Mexico City, May 1964.")
4. The information entries of operationally sensitive data on subversive activities must be sourced by reference and source cryptonym, to facilitate rapid referral of questions to the responsible desk or field station. Where an entry under this section deals with contact with an intelligence or security service, first give the service designation and name of the officer or known agent with whom contact has been recorded. Then specify succinctly the nature of the relationship or activity involved.
5. The completed form, or a copy thereof, should be affixed to and retained in the left cover of the 201 dossier.

Instructions for SWL Form Part VI: Progress Log

1. Prepared for overall SWL program management purposes, the use of this form will reflect the SWL maintenance operations and periodic reviews concerning the individual in question.
2. This form will be fastened permanently inside the left cover of the 201 dossier when the designation of an individual for inclusion in the country SWL has been approved. Entries will thereafter consist of handwritten references, dates, and officer's initials only, reflecting administrative aspects of the SWL.
3. The form embodies a number of self-evident items against each of which will be recorded the following in appropriate columns:
  - a. "Indicator Assigned" (item 3) - action taken via Form 50, assigning the OI code "W" for the SWL individual. Preprinted Forms 50 are available from the Division SWL Officer for this purpose. All SWL individuals must have a 201 and must bear the OI code "W".
  - b. "Reference" - document or cable reference if the action is reflected in a specific dispatch or cable;
  - c. "Action" - initials of the analyst or officer responsible for the specific step, together with the date of action completed;
  - d. "Validated" - initials of the responsible reviewing officer and date of such review action. Validation must always be recorded for items 6 and 7, which entails the approval of the final clean copy text of a listing for incorporation in the SWL Country Notebook.
  - e. Items 10, 11, and 12 are reserved for possible future use.
4. Under the item "Periodic Review", the date when the next periodic review of the SWL listing will be made should appear immediately after the #. It is recommended that the officer responsible for the maintenance of the SWL for a specific country enter this date on the desk copy of the 201 print-out of all SWL personalities to use as a reminder. It is also recommended that the station copy of the SWL 201 print-out list carry, for each name, a "preliminary review" date at least one month earlier than the HQs review date. On the basis of this reminder the station can then undertake a final canvassing of available sources to bring entries on the individual up to date and transmit the results to HQs just prior to the periodic review in HQs.

an ardent supporter of Castro. While in Cuba (Oct-Nov 62) he contributed  
weekly articles to Siempre in which he sustained the thesis that Cuba  
is now the center of the world's socialist revolutionary movement. The

in Central and South America (Venezuela, Costa Rica, Panama, Guatemala

Rico had an interview in late October 63 with David Turner (leader of the Vanguard of National Action [VNA]--radical pro-Cuban revolutionary group in Panama), Thelma King (pro-Cuban deputy to the National Assembly) and Hugo Victor (president of the Peoples Party, PdP Communist) discussing an armed movement in Panama.
- B-2  
An Armando Conte, "a writer for Tiempos in Mexico" reported to have come to Panama and talked to Hugo Victor around 5 Nov 63. He said he had come to convince Victor of the need to support the Cuban line of armed revolution. Victor told Conte that the PdP would not be told what to do because it had its own line on the Panamanian revolution. (Field comment: travel records contain no information on the arrival of any person with the name Armando Conte during the period in question and the name is believed to be a pseudonym used by Rico.)

12-13 August, Rico arrested with 40 others; the PPS is pleased and will do nothing to help them. "According to Carlos Sanchez Cardenas of the PPS National Executive Directorate, it is almost impossible to believe that a man like Rico could be the leader of an armed rebel movement. He has always been considered a Marxist intellectual belonging to no party who has confined his battles to the pages of magazines like Politica Siempre, and Sucesos. Lombardo Toledano frankly thought of him as incapable of doing anything that involved a mass following."

Summary

1. Victor RICO Galan is a prominent pro-Castro Marxist journalist associated with Politica a pro-Communist bi-weekly news magazine and Siempre a Mexico City leftist news weekly. In 1961 he was reported to be a member of the Periodistas Mexicanos Amigos de Cuba and the Committee for Solidarity with the Cuban Revolution. As of June 1965 he was reported to be a member of the Fronte Electoral del Pueblo (FEP). He was a founder of the Movimiento de Liberacion Nacional (MLN) of which he was the head of the national press and propaganda committee as of 1962. RICO acted as a Cuban agent in trips to Central and South America in late 1963 and early 1964. His pro-Castro communist writings as well as his contacts with known Soviet and Bloc intelligence personnel in Mexico during the past few years strongly suggest a propaganda role under journalistic cover on behalf of their interests.

2. Little is known of RICO's early life or education beyond what is listed in his basic biographic data. There is a possibility that he was active in communist affairs in Costa Rica and El Salvador in the period 1946-1948 and in Colombia in 1949-1950.

3. RICO Galan's prominence in Mexican leftist circles has been primarily intellectual. In an article in Siempre in March 1963 he advocated the foundation of a new political party reflecting the true ideology of Lazaro CARDENAS. RICO felt that this would provide the Mexican left with a political party truly responsive to the radical tendencies of the 1910 revolution. This was necessary, in RICO's view, because the MLN was an action organization rather than a political party, whose membership covered a political spectrum from the Partido Revolucionario Institucional (PRI) to the Partido Comunista de Mexico (PCM), and was therefore diluted in effectiveness. A new party would represent a "third position": Socialism in internal affairs and independence of any bloc in international affairs. With such a political action arm, wrote RICO, the MLN would develop naturally into a broad national movement such as the FRAP in Chile.

4. Victor RICO Galan is an ardent supporter of Fidel CASTRO and is reported to be a close friend of his. In order to gather material for a biography of CASTRO, RICO, later joined by his wife, visited Cuba in October 1962 for about two months. He visited Cuba again during part of May and most of June 1963 when he spent eight days with CASTRO, five of them at sea in CASTRO's boat, ostensibly to discuss CASTRO's recent trip to the Soviet Union and his talks with KHRUSHCHEV. On this visit the Cuban Government gave RICO a mission to travel through Central and South America to contact local communists and guerrilla leaders and persuade them to begin immediately campaigns of violence and terror in order to take the pressure off the PALN in Venezuela. RICO was also charged to try to bring about greater unity among the various leftist groups.

SECRET

SECRET

-3-

5. In the Fall and Winter of 1963 and late 1964 undertook this mission. Even though a known leftist he possibly had some arrangement with the Mexican Government which may have gotten him special privileges and support from Mexican embassies in countries where he visited. In Guatemala RICO interviewed General Enrique PERALTA Azurdia the Chief of Government and then met Raul ALARCON Monsanto, military training leader of the Partido Guatemalteco de Trabajo (PGT), who took him to meet and interview Marco Antonio YON Sosa an anti regime guerrilla leader; RICO possibly also met a (fnu) GOMEZ Ayau also a guerrilla leader. In Nicaragua he met with Alvaca RAMIREZ Gonzales, Secretary General of the Mobilization Republicana (MR) and a member of the Central Committee of the Nicaraguan Socialist Party (PSN). In Costa Rica he met with one of the MORA brothers, a guerrilla leader. In Panama he met Hugo VICTOR, president of the Partido del Pueblo (PDP), and David TURNER, leader of the Vanguard of National Action (VAN), and attempted to reconcile them in their dispute for leadership of the revolution in Panama; he also urged an immediate program of sabotage and violence. RICO went on to Venezuela to meet Argelia LAYA; he was probably in contact with the MIR while there. He then went to Brazil where he contacted Paulo SCHILLING, coordinator of the Popular Mobilization Front. During this time he may have gone to Cuba briefly and returned directly to Brazil. After a few days back in Mexico RICO went to the Dominican Republic where he attempted unsuccessfully to obtain photographs of Dominican guerrillas killed the month before, probably to use them for propaganda purposes. As a result of his contact with the Agrupacion Politica Catorce Junio (APCJ) in the Dominican Republic he was able to serve during the Dominican Republic crisis of May 1965 as a relay point for material and instructions from Cuba to the APCJ and also as a reporting channel from Juan B. MEJIA and APCJ leaders to the Cuban Intelligence Service and the APCJ's CASTRO Cuban leadership in Cuba. After his return to Mexico City RICO visited Cuba again ostensibly to interview CASTRO on his most recent trip to the Soviet Union and probably to report on his mission.

6. RICO Galan continued his interest in the guerrilla struggle and was reported to have entered Guatemala clandestinely in August 1964 and possibly several times before then as well, to visit YON Sosa and his guerrillas. In March 1966, after having returned from Cuba the month before, he planned to travel again to Guatemala clandestinely in order to investigate the disappearance of Victor Manuel GUTIERREZ, leader of the PGT and of the Guatemalan exile community in Mexico, who had recently returned to Guatemala.

7. RICO's writings show an ardent support for the guerrillas in Latin America and for their method in achieving the revolution. In October 1964 the Guatemalan Armed Forces captured a number of tape recorders and tapes from the guerrillas including one by

Victor RICO Galan. This tape consisted mainly of an exhortation for unity between the PGT and the 13 November Group, and counseled against letting doctrine replace action. RICO's talk to the guerrillas under YON Bosa reveals him as an intellectual radical with a pragmatic approach towards current situations. The text of the tapes indicate that they were made between February and mid-October 1964. On 13 January 1966 El Heraldo, a Mexico City newspaper published an article quoting RICO Galan's taped speech as evidence of his efforts to undermine the January 1966 visit of DIAZ Ordaz to Guatemala. The text of the tape was possibly passed to El Heraldo by the Mexican authorities in line with the Government's campaign to neutralize all potential and existing opposition to the impending visit.

Another report of August 1966 states that Carmen MENDIZABAL Lizal, Victor RICO Galan's sister, may have travelled frequently to Guatemala and have been the contact between the Partido Comunista de El Salvador (PCES) and the Partido Comunista de Mexico (PCM).

In 20 Mar issue of Siempre he "advocated the creation of a new political  
party which would reflect the ideology of Former President Lázaro  
Cardenas.." (bio: he is a founding member of the pro-Communist MLN and  
an ardent supporter of Castro. While in Cuba (Oct-Nov 62) he contributed  
weekly articles to Siempre in which he sustained the thesis that Cuba  
is now the center of the world's socialist revolutionary movement. The  
Left in Mexico needs a "party of L. Cardenas" which...would stand for  
socialism in internal matters and for independence from any bloc in  
external affairs.)

Rico, along with Marcue Pardini and Carrion Villa was one of the  
principal organizers and participants in a rally in favor of the  
political prisoners held in Mexico City on 18 August 63. The rally  
failed to be held because of police intervention. All arrested and  
and released same day. On evening of 21 August they demanded, unsuc-  
cessfully, to see Diaz Ordaz, then Minister of Interior.

Rico had an interview in late October 63 with David Turner (leader of the Vanguard of National Action [VAN]--radical pro-Cuban revolutionary group in Panama), Thelma King (pro-Cuban deputy to the National Assembly) and Hugo Victor (president of the Peoples Party, PdP Communist) discussing an armed movement in Panama.
- B-2  
An Armando Conte, "a writer for Tiempos in Mexico" reported to have come to Panama and talked to Hugo Victor around 5 Nov 63. He said he had come to convince Victor of the need to support the Cuban line of armed revolution. Victor told Conte that the PdP would not be told what to do because it had its own line on the Panamanian revolution. (Field comment: travel records contain no information on the arrival of any person with the name Armando Conte during the period in question and the name is believed to be a pseudonym used by Rico.)

- S/NF TDCS 3/569-940 14 Jan 64 B-2  
Reports have identified Rico as an agent of Fidel Castro who in May 63 was assigned by Castro to visit Central and South American countries to confer with leading Communists in order to initiate programs of anti-US violence and sabotage. He reportedly arrived in Santo Domingo by air on 8 Jan 64 from Kingston, Jamaica to stay about a week.

"Rico went to Merida during the first few days of February to make a personal investigation of the situation caused by the decrease in the price of henequen.." Rico wrote "Yucatan: Our leader is Hunger" in Issue #10, 3 Mar 65, of Siempre.

Re Dominican Republic: "Rico, writing in the ultra-left Diario de Mexico favored Bosch's return, originally wishing him good luck, and later, after the apparent failure of pro-Bosch forces, complained that "the reactionaries always win out in Latin American coups, being supported by the US, or else the coups fail."
- CONF/NF CS 311/07174-65 11 Jun 65  
Veteran and trusted PPS member, prolific reporter of reliable information, described Rico as "member of the Peoples Electoral Front (FEP) and National Liberation Movement (MLN) [who] was one of those leaders who met in March or April 65 to draw up a letter of convocation to the National Congress (on the Liberty of the Political Prisoners and the Repeal of the Law of Social Dissolution)."

Planning to investigate the disappearance of Victor Manuel GUTIERREZ Gacoin, Guatemalan Communist Party (PGT) leader of the Guatemalan exile community in Mexico, who returned to Guatemala in late February. Source comment: "Rico could only enter Guatemala illegally since he was declared persona non grata by the Guatemalan Government in 1963 after he visited the country to interview President Peralta. While there, he also managed to talk with Marco Antonio YON Gosa, guerrilla leader. Upon his return to Mexico, Rico Galan wrote articles favorable to the rebels and most unflattering to the Peralta government."

and the writer, Elena Carro de Paz, the latter states: "the Cuban Embassy had severely chided Rico for writing an article favorable to the guerrilla leaders who were killed recently during their assault on the army barracks at Madera, Chihuahua.... Rico had been close to "Che" Guevarra rather than Castro, and that since Guevarra's disappearance he had grown noticeably cooler toward Cuba." She added that although he is a Marxist and is anti-American, Rico is also very hostile to the Mexican Communist Party (PCM).

S/NF TDCS 314/10379-66 17 Aug 66 highly placed police official, reporting believed reliable  
"Sufficient legal evidence is available to prove that Rico, Raul Ugalde and others were a part of a conspiracy advocating and teaching the overthrow of the Mexican government by violent means."

CONF/NF TDCS 314/10419-66 18 Aug 66 presumed B-2  
12-13 August, Rico arrested with 40 others; the PPS is pleased and will do nothing to help them. "According to Carlos Sanchez Cardenas of the PPS National Executive Directorate, it is almost impossible to believe that a man like Rico could be the leader of an armed rebel movement. He has always been considered a Marxist intellectual belonging to no party who has confined his battles to the pages of magazines like Politica Siempre, and Succion. Lombardo Toledano frankly thought of him as incapable of doing anything that involved a mass following."

## PRO-CPR MARXISTS SENTENCED FOR SUBVERSION

Paris APP in English 0006 GNT 25 Jan 69 C (FOR OFFICIAL USE ONLY)

[Text] Mexico City, Jan 25 (APP)--Six pro-Chinese Marxists were jailed for 8 years each here today after being found guilty of trying to organize guerrilla activities in Mexico. Nine others were given less severe sentences.

All 15, who were arrested in 1966 and charged with conspiracy and illegal possession of arms, were preparing to make guerrilla attacks in various places in the interior, according to the authorities.

Among those jailed for 8 years was Marxist theorist Victor Rico Galan, described in the court judgement as one of the most dangerous men in the country.

## Names of Accused

Havana PRENSA LATINA in Spanish 2105 GNT 25 Jan 69 C (FOR OFFICIAL USE ONLY)

[Text] Mexico City--Newspaperman and writer Victor Rico Galan was sentenced today to 8 years in prison and a fine of 10,000 pesos. The district judge also sentenced Gilberto Balan Pereira, Gumersindo Gomez Vuevas, Isaias Rojas Delgado, and Doctors Miguel Cruz and Rolf Meiners to similar terms. They were all arrested in 1966 and accused of subversive activities. Ana Maria Rico Galan, sister of Victor, was sentenced to 3 years and 6 months in jail and a fine of 4,000 pesos. Yesterday she was freed on a 10,000-peso bond.

## BRIEFS

The main projects were for a rationalization of exploiting timber resources and improving infrastructure to benefit tourism, a major source of revenue. (Mexico City REUTERS English REUTERS Buenos Aires 1756 GNT 24 Jan 69 P) (FOR OFFICIAL USE ONLY)

RURAL DEVELOPMENT FUND--Mexico City--Mexican industrialists are studying a plan to come to the aid of the Mexican farmers by contributing part of their profits to a rural development fund. National Manufacturing Industries Chamber President Nazario Ortiz Garza said here. The chamber, with a membership of some 24,000 manufacturers throughout the country, has proposed that they contribute 1 percent of their annual profits to the fund, Ortiz Garza told the chamber's annual general meeting on 23 January. 1. In reviewing Subject's file the Station has come across a surprisingly large number of reference to Guatemala, which are pulled together below. Please note, however, that some of the Guatemalan ties given below are hypothetical and that the Guatemalan side of the picture has been particularly stressed for the purposes of this dispatch.

2. Lorenzo CARDENAS Barajas (P-5409) In April-May 1962 a Guatemalan Communist source was dealing with CARDENAS in procuring arms for Guatemala, and CARDENAS told the source that he had a great friend in the Soviet Embassy who was aware of CARDENAS' arms procurement activities (Source: LINLUCK). On 19 April 1963 Subject was observed holding a half-hour meeting in a restaurant under obviously clandestine circumstances with CARDENAS (Source: LIEMBRACE). On 31 May 1963 the Station placed an article in a Mexico City newspaper stating that Subject was working with CARDENAS on smuggling arms to Central American countries. On 21 February 1967 Subject's car was seen passing slowly by CARDENAS, who was standing on a street corner with a friend; Subject's wife was driving the car (Source: LIEMBRACE). On 30 March 1967 Subject, with his wife as passenger, drove twice within a few minutes past CARDENAS, who was sitting at an outdoor cafe with two friends (Source: LIEMBRACE).

3. Ricardo MIRANDA Aldana (201-787399), Guatemalan Communist who received guerrilla training in Cuba February - October 1962. MIRANDA has said that he was in contact with Subject when he was in Mexico in January - February 1962 on his way to Cuba. MIRANDA also said that he had met Subject before when Subject was with Anastas MIKOYAN in Cuba (in February 1960). MIRANDA has said that Subject has been a close friend of Guatemalan Communist leader Bernardo LERUS Meadoza (P-8023, 201-091575) since 1953 (when Subject first came to Mexico). (Source: captured documents). On 7 December 1966 a "friend from Guatemala" called Subject's office, saying that he already knew Subject but that Subject did not know that he was in Mexico and that he did not want to go to Subject's office or use the telephone. He was told to call back the next day. The next day "MIRANDA" (probably Ricardo MIRANDA Aldana) called Subject's office, and Subject asked him to come to his house (same as office) the following day at 1000 hours. (Source: LIFEAT).

4. Lillian JIMENEZ Consuegra de LEIVA (P-5169, 201-228386), Salvadoran Communist employed at the Imprenta Madero to proof-read the Soviet Information Bulletin and paid by the Soviet Press Office. She is married to Haul LEIVA Minoz, a Guatemalan Communist writer. Lillian has been occasionally reported asking for an appointment with Subject in order to discuss unspecified matters. For example, on 22 September 1967 she said she had an urgent matter to discuss with Subject, and Subject agreed to see her at her house at 0900 hours on Monday, 25 September (Source: LIFEAT).

5. Jose Maria ALVAREZ Posada (P-4415) is a Spanish Communist employed by the Soviet Press Office as an editor for their Bulletin. He seems to be very active among Spanish Communists in Mexico and also frequently sets up meetings between Subject and Juan REJANO Porras (P-1027, 201-109935). The latter is one of the leaders of the Spanish Communist Party in Mexico but also has close ties to other Communist groups, particularly the Cubans and Czechs as well as the Mexicans, and on at least one occasion he was seen going to the Cuban Embassy with one of the leaders of the Guatemalan Communist Party in Mexico. REJANO is in almost daily contact with ALVAREZ Posada, often says that he needs to see Subject urgently, has several times asked about scholarships to the USSR for unidentified persons. On 21 July 1967 it was reported that Subject had given ALVAREZ Posada a letter that was to be returned to REJANO, but often Subject arranges to see REJANO personally at the latter's house. (Source: LIFEAT).

6. In view of ALVAREZ Posada's apparent acting as a cut-out for Subject, as described above, the following item may also be connected with Subject. On 29 June 1967 "Max" told ALVAREZ Posada that there was a letter "there" from Guatemala that had been there since 22 June but "Max" had not been able to reach ALVAREZ Posada before. ALVAREZ Posada said he would be home after 1600 hours (so that "Max" could bring him the letter). (Source: LIFEAT). Although it is pure guesswork, the Station suggests that "Max" might be Maximiliano SALAZAR Garcia (201-183293), a Guatemalan Communist living in Mexico. SALAZAR has been very quiet recently, but on 14 July 1965 he was reported in contact with Carlos ILLESCAS Aguirre (cf. below) about finding housing and a job for an unidentified boy, and it is entirely possible that he continues to be active behind the scenes in Guatemalan exile affairs.

7. Since June 1965 until as recently as March 1967 Subject has been reported receiving telephone calls from a "Carlos" with a non-Mexican accent. Normally Subject and "Carlos" simply agree to meet, without naming the place. Twice "Senor Jacobo" has been mentioned in an unclear context during their conversations. (Source: LIFEAT). Although "Carlos" as a name is not much of a lead, the Station suggests that he might be identical with Carlos ILLESCAS Aguirre (Hernandez) (P-1901, 201-764853), Guatemalan Communist living in Mexico. Although ILLESCAS has been very quiet since 1964, when the Mexican authorities clamped down on him, he is known to have been used by the Soviets in the past and probably still works with them. In 1953, when ILLESCAS was still working at the Guatemalan Embassy in Mexico, he reportedly was very active as a courier for the Soviets (Source: LINLUCK). In 1939 ILLESCAS was reported in contact with Nikolay Vasilyevich AKSENOV (201-106469), suspect KGB officer who was then Assistant Soviet Cultural Attache, a job later taken over by Subject (Source: LIFEAT). In 1961-62 ILLESCAS was reported to be still in contact with the Soviets in regard to guerrilla plans for Guatemala (Source: LINLUCK). On 23 August 1967 it was reported that ILLESCAS passed 22,000 Mexican pesos to one of the Guatemalan Communist leaders in Mexico. This money was described as a monthly subsidy from either the Cubans or the Soviets intended to help the Guatemalan Communists in jail in Mexico. (Source: LIREBEL-2). The above references to "Senor Jacobo" might possibly have meant Jacobo ARBENZ Guzman, former president of Guatemala; unfortunately the tapes of the conversations have been erased and the exact context in which this name was mentioned can no longer be reconstructed.

8. Hava (Eva) (P-11484), wife of Guatemalan Communist Sergio de la PENA, was reported to have met Subject in May 1965. On 29 May 1965 Subject invited Hava to dinner, apparently at the suggestion of Enrique SEMO Calev, Mexican Communist leader. Subject told Hava that he was interested in her contacts with other embassies and particularly asked her to put him in touch with Americans. Hava was subsequently reported having Subject and his wife to dinner on several occasions. (Source: LIFEAT). (It seems obvious that Subject was fishing for leads through Hava; however, Hava's Guatemalan contacts may well have been of no interest to Subject.)

9. Victor RICO Galan (P-7354, 201-336474), Spanish-born Mexican Communist journalist, agent of Cuban government known to have been sent by the Cubans to talk to Guatemalan guerrillas in 1963, in prison since August 1966 for subversive activities allegedly directed against the Mexican government, was in frequent contact with Subject in 1965-66. They usually simply arranged to see each other to discuss undisclosed matters, and Subject apparently called RICO from a pay phone rather than from his office. (Source: LIFEAT) (Subject has apparently provided RICO with propaganda for news articles, but they appear to have had other common interests as well, one of which could well have been RICO's guerrilla activities.)

ACTION REQUIRED - REFERENCES

**ACTION REQUIRED: None; FYI****REFERENCE: HMW-16207, dated 30 January 1967**

Upon receipt of the letter sent via the reference above, the Mexico City Station officers concerned discussed the best method of delivering the letter to Rico Galan so the operation would appear natural and also to be sure the letter would be received by him. It was decided, finally, to have LIRICE-11 deliver the letter to Rico's wife with a short explanation of its background. Two weeks were spent in trying to locate Inge de Galan and the efforts were fruitless. The Station then decided to have LIRICE-11 deliver the letter to Elena Garro an old friend of Rico's. LIRICE-11 tried for a week and one half to find her at home with negative results. The Station then instructed him to leave the letter at her home with a request that it be passed to Rico. Attached is a copy of the covering letter LIRICE-11 left for Garro.

3. GUATEMALA AND VENEZUELA ARE THE TWO COUNTRIES IN WHICH THE REVOLUTIONARY MOVEMENTS ARE THE MOST ADVANCED, IN RIGOBERTO GALAN'S OPINION. HE HAD THE FOLLOWING COMMENTS TO MAKE ON THE SITUATION IN THESE TWO COUNTRIES:

A. GUATEMALA. IN GUATEMALA, UNLIKE VENEZUELA, THE COMMUNIST PARTY HAD NOT INITIATED THE ARMED STRUGGLE. THE TWO GROUPS INVOLVED IN THE ARMED STRUGGLE WERE THE 13 NOVEMBER GROUP LED BY MARCO ANTONIO YON GONZALEZ AND THE REBEL ARMED FORCE (FAR) LED BY CESAR MONTES, SINCE THE DEATH OF LUIS AUGUSTO TURCICO. THE 13 NOVEMBER GROUP HAS TROTSKYITE INFLUENCE, WHILE THE FAR IS "CASTROIST" INDEPENDENT WITH TIES TO THE GUATEMALAN COMMUNIST PARTY (PGC). NINETY PERCENT OF THE PEOPLE ARE PEASANTS, AND THE MAJORITY OF THEM SYMPATHIZE WITH AND SUPPORT THE ARMED STRUGGLE.

B. VENEZUELA. BOTH THE COMMUNIST PARTY AND THE MOVEMENT OF THE REVOLUTIONARY LEFT (MLR) LAUNCHED THE ARMED STRUGGLE, BUT BOTH HAVE NOW ABANDONED IT. BOTH MOVEMENTS CONFINED THEIR EFFORTS MOSTLY TO THE CITIES AND ENGAGED MOSTLY IN TERRORIST ACTS. THESE

TACTICS DID NOT PROMOTE THE REVOLUTIONARY CAUSE AT ALL. THE ARMED STRUGGLE IS NOW DIRECTED BY THE ARMED FORCES OF NATIONAL LIBERATION (FALN) LED BY DOUGLAS BRAVO AND WILL NOW SUCCEED. (HEADQUARTERS COMMENT: RICO GALAN IS ECHOING THE LINE OF DOUGLAS BRAVO, LEADER OF THE DISSIDENT FALN, IN ACCUSING THE COMMUNIST PARTY OF VENEZUELA (PCV) AND THE MIR OF ABANDONING THE "ARMED STRUGGLE." BOTH THE PCV AND THE MIR HAVE HAD, AND CONTINUE TO HAVE, RURAL GUERRILLA FORCES AS WELL AS URBAN TERRORIST UNITS. ALTHOUGH A SOFT-LINE FACTION OF THE MIR RENOUNCED VIOLENCE EARLY IN 1964, THE MORE MILITANT WING CONTINUED THIS POLICY, AFTER FIRST OUSTING THE SOFT-LINERS.)

4. RICO GALAN DESCRIBED MEXICO AS AN APPARENT DEMOCRACY BUT A "POLICE STATE, TIGHTLY HELD." HE BELIEVED THAT POPULAR MOVEMENTS IN MEXICO AND ELSEWHERE IN LATIN AMERICA WERE ON THE RISE. SINCE THERE WERE NO LEADERS LIKE CASTRO AROUND, RICO GALAN BELIEVED THAT THE LEADERS OF THESE POPULAR MOVEMENTS WOULD COME FROM THE WRITERS, THE INTELLECTUALS, AND THE LAWYERS.

5. REGARDING FIDEL CASTRO, RICO GALAN SAYS THAT NO ONE KNOWS WHETHER CASTRO IS A COMMUNIST OR WHAT KIND OF COMMUNIST HE MIGHT BE. HE IS A GREAT REVOLUTIONARY LEADER AND A GREAT TACTICIAN, BUT HE CANNOT PLAY THE ROLE OF LIBERATOR OF LATIN AMERICA FOR HE IS TOO DEPENDENT ON THE SOVIET UNION, AND THE SOVIET UNION CONTROLS HIM TIGHTLY. REGARDING CUBA-SOVIET CONFLICTS, RICO GALAN SAID THEY WERE MORE APPARENT

Egregio Dottore:

Sono il pubblicista italiano Luigi De Marchi che ebbe l'onore di una breve intervista con Lei il 13 gennaio u.s. Ho cercato, finora senza successo, di riunirmi con Lei di nuovo per continuare la nostra conversazione. Mi auguro la presenti la trovi in buona salute. La affido ad un amico "de confianza" che si incaricherà di fargliela pervenire.

Sono tuttora in viaggio e farò tutto il possibile rivederla presto. Nel frattempo gradirei moltissimo, Lei consentente, avere una sua critica sul libro che le lasciai, *UTILES DESPUES MOMENTOS*, per una eventuale pubblicazione sul periodico romano *Corrispondenza Socialista*. Resta inteso che Le rimetteremo prontamente l'onorario stabilito.

Con i miei più distinti saluti,

31 January 1967

Dear Sir:

I am the Italian journalist Luigi De Marchi who had the honor of a brief interview with you on the 13th of January. I have tried, up to now without success, to get together with you again to continue our conversation. I trust that this letter finds you in good health. I am entrusting it to a friend "de confianza" who will try to see to it that it reaches you.

I am still traveling and I'll do everything possible to see you again soon. Meanwhile I would be very pleased if you would agree to write a review of the book I left with you, *UTILES DESPUES MUERTOS*, for eventual publication in the Roman periodical, *CORRISPONDENZA SOCIALISTA*. Rest assured that you would be paid promptly the usual fee.

with best regards,

Luigi De Marchi

13 January 1967

SUBJECT: Meeting with Victor RICO Galan

1. The writer had about a one-hour meeting with Victor RICO Galan at the Lecumberri penitentiary on 13 January 1967. The meeting was held at the central reception room with several armed guards present; my civilian escort also remained in the general area and there were also some other civilians present from time to time (I think waiting to see other prisoners).

2. RICO Galan arrived at the meeting area at about the same time as I did. After an exchange of greetings and a warm handshake, I gave RICO Galan my letter of introduction (a copy is attached). He read it carefully and then told me how glad he was to see me. He inquired about his friend Carlo Coccioli; I replied simply that I had seen him in Rome before he left for Paris and he was fine. (At the end of the meeting, RICO Galan asked me to convey his greetings to Coccioli when I returned to Italy, and of course I said I would.) I also explained to RICO Galan that I had a bottle of whiskey for him, but the guards had refused to let me bring it in. I think he appreciated the thought.

3. Because of my connection with Coccioli, a pro-Communist journalist and a friend of RICO Galan in Mexico for several years, plus the name of my periodical, Corrispondenza Socialista, RICO Galan apparently assumed that I was (and accepted me as) a fellow Marxist. He expressed himself spontaneously and I believe he revealed his true thoughts during the discussion and in answer to questions. A friendly rapport was immediately established between us.

4. I explained at the outset that I was on a tour of Latin America to study conditions and revolutionary movements. If he were agreeable, I said I also wished to write a piece on him for Corrispondenza Socialista. RICO Galan was very agreeable. I also said that if he wished to write an article for my periodical, we would pay him. He also found this idea agreeable; but qualified his approval by saying he first wanted to take a look at the periodical to see its "line" and format.

5. My first substantive question was how he viewed the revolutionary situation in Latin America. I asked whether he thought "violent revolution" a necessary stage in the development of Latin America. He answered quickly and

att to H.M.A. 31108

CS COPY

201-336474

emphatically that "violent revolution" throughout Latin America was "indispensable" because the peaceful road to necessary change was "blocked everywhere". He saw revolutionary movements on the rise everywhere in Latin America. I asked for the ideological nature and affiliations of these revolutionary movements. He replied that they are Marxist, but with liberal tendencies, not as rigid as the International Communist revolutionary line.

6. I asked in which countries the revolutionary movements were most advanced. He named Guatemala and Venezuela in a category by themselves; there the revolutions were certain to win power. Then he gave me a general briefing on these two countries:

a. Guatemala: In Guatemala, unlike Venezuela, the Communist Party had not initiated the armed struggle. The two groups involved in the armed struggle were the "13 November" group led by Marco Antonio Yon Sosa, and the "Fuerza Armada Rebelde (FAR)", led by Cesar Montes, now that Luis Augusto Turcios is dead. The "13 November" group, he said, had Trotskyite influences, while the "FAR" was "Castroista/Independent", and with ties to the Guatemalan CP but also having differences with the CP. He said 90% of the people in Guatemala are peasants and the majority sympathize and support the armed struggle.

b. Venezuela: Both the CP and the MIR launched the armed struggle, but they have now abandoned it. I asked why. He said both movements confined their efforts mostly to the cities and took the form of terroristic acts. These tactics did not get the revolution anywhere. Now the Frente de Liberacion Nacional (FLN) led by Douglas Bravo was directing the armed struggle, and this effort will succeed.

RICO Galan asked me to read a recent article on Venezuela by Mario Menendez Rodriguez, Director of Sucesos, who had recently been to Venezuela and had interviewed the FLN leaders. In answer to my question, RICO Galan described Menendez as a "periodista Castroista".

7. RICO Galan described Mexico as an apparent democracy but "police state, tightly held". Here the "popular movements" are on the rise. In answer to my question as to who was leading these "popular" and revolutionary movements in Mexico and Latin America, RICO Galan replied that there were no leaders like Castro around, and the leaders would come from the writers, intellectuals and lawyers.

8. I asked RICO Galan for his appraisal and total evaluation of Fidel Castro Ruz. He said, first of all, if Castro is a Communist or what kind of a Communist he is, nobody knows. He is a great revolutionary leader and a great tactician, but he can not play the role of liberator of Latin America for he is too dependent upon Russia and Russia controls him tightly. I think RICO Galan meant to imply that Castro has become a tool of the Soviets. He said, Ernesto "Che" Guevara really wanted Cuba to break away from the Soviet chains, but Castro is not able to do this. As to the whereabouts of "Che", RICO Galan said that perhaps not even Fidel Castro knows where he is.

9. Regarding Cuban-Soviet conflicts, RICO Galan said they are more apparent than real. Then I asked him to name countries of primary Cuban or Soviet influence. He said Castro has dominant influence within the revolutionary movements in Venezuela, Guatemala, all of Central America, and Colombia. The Soviets have dominant influence in Chile, Argentina and Mexico. However, he added, in Mexico, Castro and Moscow see "eye to eye" and have parallel policies, but the primary power to push these policies is Russia.

10. RICO Galan said Communist Chinese influence in Latin America is negligible.

11. After about an hour, our meeting ended abruptly for a guard from the office of the prison director came to get RICO Galan; his lawyer was there to see him. I held him back for an extra minute and then we parted, reluctantly, with a warm handshake.

12. The foregoing clearly reveals RICO Galan to be an unrepentant, fervent revolutionary. He believes, on the basis of what he said, that he is associated with a winning cause. He was in high spirits and looked fine.

13. I returned to the Lecumberri Penitentiary at about 5:15 P.M. the same afternoon for another session with RICO Galan. The main door entrance was closed. I knocked and a guard opened a little window. I asked to see the Director, but the guard said he was not there. I explained who I was and what I wanted; when he heard the name of RICO Galan, the guard said it was impossible to see him and closed the window. A moment later I knocked again. I asked the guard if he would deliver a message to RICO Galan from me. He said that also was impossible, only the Director could do that. The guard certainly did his duty.

1.- El que está escribiendo se reunió durante casi una hora con VICTOR RICO G. en la penitenciaría de Escambray al término del cual. RICO G. me entregó un ejemplar de un libro que él mismo escribió, titulado "El camino de la revolución", en el que expone sus ideas sobre la revolución socialista en Cuba, y habla de su vida en el exilio y de los civiles presentes y ausentes que esperaban ver a algunos prisioneros.

2.- VICTOR RICO G. y yo llegamos simultáneamente al lugar de la entrevista. Después de un intercambio de saludos y un breve momento de charla, le entregué a RICO G. un ejemplar de presentación, una copia de la carta adjunta. Al leer cuidadosamente y entonces comentó que lo iba a leer y me preguntó sobre su amigo CARLOS GARCÍA II, y simplemente le respondí que lo vi en Lima antes de su salida hacia Italia y que se encontraba bien. Al terminar nuestra reunión, RICO G. me entregó un ejemplar de su libro cuando yo regresé a Italia, y cuando luego le pregunté que así lo había. También le entregué a RICO G. un ejemplar de un libro de filosofía pero como los guardados no se permitieron introducirlo, creo que él aprecia este gesto.

3.- Tuve una conexión con CARLOS I, que es un periodista pro-comunista y amigo de VICTOR RICO G. desde unos meses atrás, además de por el nombre de su periódico, "Revista de la Juventud Socialista". CARLOS I me comentó que yo soy un comunista marxista y se presentó como tal. Se expresó en forma enfática y creo que reveló sus pensamientos verdaderos durante nuestra discusión y al responder a mis preguntas. Inmediatamente se estableció entre nosotros una corriente amistosa.

4.- Yo en Lima desde luego que estaba escuchando por aire por las ondas latinas para estudiar las condiciones y las posibilidades de una revolución socialista en Cuba. Le dije que yo estaba escribiendo un artículo para el periódico "Revista de la Juventud Socialista". VICTOR RICO G. me dijo que lo quería al respecto escribir un artículo para su periódico. Le presenté brevemente la idea, pero antes me dijo que quería ver un ejemplar del periódico para saber su línea y formato.

5.- El primer punto importante fue en cómo mirar la situación revolucionaria en América Latina. Le pregunté si pensaba que era necesaria una revolución violenta para el desarrollo de América Latina. Respondió rápidamente que una revolución violenta es indispensable en toda

América Latina debido a que la vía pacífica a todo cambio necesario, está bloqueada. Predijo el surgimiento de movimientos revolucionarios en toda la América Latina. Le pregunté sobre la naturaleza ideológica y motivaciones de estos movimientos revolucionarios. Me respondió que son marxistas, pero con tendencias liberales, no con la rigidez de la línea revolucionaria comunista internacional.

6.- Le pregunté que en cuales países están más avanzados los movimientos revolucionarios. Nombró en primer término a Guatemala y Venezuela, ya que allí las revoluciones ciertamente se harán del poder. Luego me hizo un resumen general de esos dos países.

a.- Guatemala: en Guatemala, a diferencia de Venezuela, el Partido Comunista no inició la lucha armada. Los dos grupos involucrados en el levantamiento, fueron el grupo " 13 de Noviembre " dirigido por MANCO ANTONIO YON SOSA, y la " Fuerza Armada Rebelde ", dirigida por CESAR MONTES, ahora que LUIS AUGUSTO TURCIOS está muerto. El grupo 13 de Noviembre, según dijo, tenía influencia trotskista, mientras que el P.A.R. era castrista independiente pero con ligas al Partido Comunista Guatemalteco, a la vez que teniendo diferencias con el mismo. Dijo que el noventa por ciento de la población de Guatemala, son campesinos y que la mayoría simpatiza y apoya la lucha armada.

b.- Venezuela : Tanto el Partido Comunista como el MIR iniciaron la lucha armada, pero ahora la han abandonado. Pregunté la razón. NICO GALAN respondió que ambos movimientos confinaron sus esfuerzos principalmente a las ciudades y tomaron la forma de actos terroristas. Estas tácticas no llevaron la revolución a nada alguna. que ahora el Frente de Liberación Nacional dirigido por DOUGLAS BRAVO está llevando a cabo la lucha armada, y que este esfuerzo sí tendrá éxito.

NICO GALAN me pidió que le leyera un reciente artículo sobre Venezuela escrito por BENEDICTO ROBINSON, director de Sucesos, quien hace poco estuvo en Venezuela y entrevistó a los líderes del FLN. Así lo hice, y a una pregunta mía, NICO GALAN describió a BENEDICTO como un periodista castrista.

7.- También hizo una descripción de México como una aparente democracia, siendo más bien un Estado Policiaco férreamente sostenido. Dijo que aquí se están comenzando a iniciar movimientos populares. También a una pregunta mía sobre quién dirige estos movimientos populares y revolucionarios en México y en América Latina, NICO GALAN replicó que ya no hay líderes como CASTRO y que los mismos surgirán de entre los escritores, intelectuales y licenciados.

8.- Pedí a RICO GALAN me diera su concepto y una total evolución de FIDEL CASTRO RUSA. Dijo, antes que nada, que si CASTRO RUSA es comunista o qué clase de comunista, nadie lo sabe, que es un gran líder revolucionario y un gran líder pero que no puede jugar el papel de libertador de Latinoamérica porque depende demasiado de Rusia y que esta nación lo controla estrechamente. Dijo que RICO GALAN quiso decir que CASTRO se ha convertido en un instrumento de los soviéticos. También dijo que ENRIQUE "CHE" GUEVARA quería realmente que Cuba rompiera las cadenas soviéticas, pero que CASTRO no es capaz de hacerlo. Con respecto al paradero del CHE GUEVARA, dijo que tal vez ni el propio FIDEL CASTRO sabe dónde está.

9.- En relación con los conflictos Cubano-soviéticos, RICO GALAN dijo que son más aparentes que reales. Luego le pedí que nombrase países que principalmente tengan influencia cubana o soviética. Respondió que CASTRO tiene influencia dominante dentro de los movimientos revolucionarios en Venezuela, Guatemala, todo Centroamérica y Colombia. Que los soviéticos tienen influencia dominante en Chile, Argentina y México. Agregó sin embargo que en México CASTRO y Moscú se ven frente a frente y tienen políticas paralelas, pero que la fuerza principal que empuja estas políticas, es Rusia.

10.- RICO GALAN dijo que la influencia Chino-comunista en América Latina es insignificante.

11.- Después de aproximadamente una hora, nuestra entrevista terminó abruptamente, porque un guardia de la oficina del Director de la Prisión vino a llevarse a RICO GALAN pues que su abogado quería verlo. Sólo lo retuvo un minuto más y muy a nuestro pesar nos despedimos con un fuerte apretón de manos.

12.- Todo lo anterior revela claramente que RICO GALAN es un convencido y ferviente revolucionario. De acuerdo con lo que dijo, creo que está asociado a una causa victoriosa. Tiene muy alta la moral y muy buena apariencia.

13.- Regresé a la Penitenciaría de Lacumberrí aproximadamente a las diecisiete quince horas de esa misma tarde para otra charla con RICO GALAN. La puerta principal estaba cerrada. Toqué y un guardia abrió una pequeña mirilla. Pedí ver al Director, pero el guardia me dijo que no se encontraba. Le expliqué quién era yo y qué era lo que deseaba, pero cuando el guardia oyó el nombre de RICO GALAN, dijo que era imposible verlo y cerró la mirilla. Un momento después toqué de nuevo. Le pregunté al guardia que si podía pesarme un mensaje a RICO

GALAN. Me acordé que eso era también imposible; que sólo el Director podía hacerlo. En realidad el guardia estaba cumpliendo con su deber.

Addenda, 17 January 1967, at Headquarters

1. My offer to Rico Galan (para 4) to pay him for an article he might write for CORRISPONDENZA SOCIALISTA was made at the suggestion of LIENVOT/2.
2. The only time Rico asked me not to quote him (in any article I might write) was after he had finished telling me that Castro was too dependent on the Russians (para 8). Of course, I agreed. Also, Rico qualified his comment that Castro was a great leader by saying Castro was unpredictable; he would say one thing one day and do something different the next day.
3. Regarding the abrupt ending of the meeting after just one hour (para 10) I think it is probable that this came about through an order coming down from LITEMPO/8.
4. General Comment: I was given a fairly rough time by the authorities at the Lecumberri penitentiary. The Director told me in no uncertain terms that I could not bring a bottle of whiskey to Rico which I had in my ALITALIA bag. On my way to the main reception area where the interview was held, I had to go through several offices and guards. At one point I was asked for my passport and the guards were quite indignant when I told them that I had left my passport at the hotel. When I showed them my Italian calling card instead, they were not at all satisfied but let me pass on to the next processing point. Then I was taken to a private cell for a body search. I also had to sign in and out, presumably like any other visitor to the penitentiary.
5. The above incidents, though unpleasant for me at the time, indicate that LITEMPO/8 had not made the Lecumberri authorities witting of my true mission.

Translation of letter of introduction to Rico Galan

12 January 1967

Dear Sir:

Permit me to introduce myself: Luigi De Marchi, an Italian writer for the periodical "CORRISPONDENZA SOCIALISTA" of Rome.

In brief, I am on a tour of Latin America. A friend of yours and a fellow journalist acquaintance of mine, Carlo Coccioli, whom I saw in Rome in December before he left for Paris and I left for Latin America, mentioned your name to me and asked me to pay you a visit. Here I am. I would also like to take advantage of this visit to have an exchange of views with you.

I beg you to have the kindness to give me a little of your time.

Respectfully,

Luigi De Marchi

**MEMORANDUM FOR THE RECORD**

**SUBJECT : LEKHOLD'S Contacts with LIENVOY/2 on Rico Galan case, Mexico City, 11-13 January 67**

**REFERENCE: Mexico City 9890 (IN 75995), 11 Jan 67**

1. Reference reported that the Mexico City Station put LIENVOY/2 in telephone contact with the undersigned on 11 January. Following is a full account of my subsequent contacts with LIENVOY/2 on 12-13 January on the Rico Galan case. L/2 served as out-out between the Station and LITEMPO/8 in arranging my interview with Rico Galan at the Lecumberri penitentiary on 13 January.

2. The evening of 11 January L/2 phoned me at my hotel and asked to see me the next morning; he suggested having breakfast together at my hotel at 0830. He came on time and we spent about an hour together. He stated that his purpose was to find out for LITEMPO/8 what my cover story and detailed plan were for the interview with Rico. At the outset he wanted to know whether I was an American or Italian citizen. He must also have been curious about my exact relationship with the Agency, but did not probe at all, and of course I refrained from volunteering any info.

3. L/2 seemed satisfied with my cover as an Italian journalist on a tour of Latin America for the Rome periodical, CORRISPONDENZA SOCIALISTA. He approved also of the idea of my mentioning Carlo Ceccoli to Rico as a fellow journalist who had asked me in Italy in December to pay Rico a visit during my forthcoming trip to Mexico. L/2 expressed the view, however, that it was rather unlikely that Rico would agree to see me. He said in Mexico prisoners in general and especially Rico, were very suspicious and rarely wanted to see strangers in prison. He then gave me a briefing on

Rico which painted Rico as an extremely evil and clever character, who did not possess one ounce of sincerity, and who would never cease being a Marxist revolutionary, for stripped of his Marxist propaganda weapons Rico was a nobody - and Rico did not want to be a nobody.

4. I told L/2 briefly of my successful experience with a similar case in the Philippines. He commented that it was easier to be successful in the Philippines "for the level of culture there, perhaps, is not as high as here."

5. We parted with the understanding that L/2 would phone me at the CO3's office later that morning after his meeting with LITEMPO/8. When he called, at about 11:00, L/2 said LITEMPO/8 liked the cover story and the plan but he wanted to increase the chances that Rico would see me through the following maneuver. L1/8 wanted to send Elena Garro De PAZ (the same woman who had brought out Rico's signed statement of his willingness to tell all in return for his freedom) to Rico carrying my calling card and an issue of my periodical; she would then persuade Rico to see me.

6. During a later phone conversation with L/2 I pointed out the risk involved in bringing Elena Garro into the operation. (The Station's position was definitely against her involvement). Being wealthy, influential, unpredictable and uncontrollable, Elena Garro, I pointed out, might make a phone call to the periodical in Rome and expose our hand. L/2 reported back to L1/8, who agreed with our position. L1/8 then came up with the idea of my writing a letter of introduction for Rico and requesting an interview. I agreed to this scheme. Later that evening I received instructions from L/2 that at 11:00 the next morning I should go to the office of the Director of Lecusberri penitentiary and request to see Rico. The previous day L/2 had stated that LITEMPO/8 wanted to go over the "whole agenda" with me before I went to see Rico, but plans apparently changed and I did not have any contact with LITEMPO/8.

7. At the meeting with Rico I personally handed Rico the letter of introduction, and got it back from him after he had read it. In the middle of our interview Rico asked to have the letter again and I handed it to him. My plan had been not to have the letter end up in Rico's hands if possible, but the abrupt ending of the meeting prevented my getting it back. During the briefing of L/2 by the CO3 and

me after my meeting with Rico, we asked that LITEMPO/S try to get this letter back from Rico through the penitentiary authorities. L/2 agreed that it would be a good idea to get the letter back and said he would discuss this matter with LITEMPO/S.

SUBJECT : LEEHOLD'S Contacts with LIENVOY/2 on Rico Galan case, Mexico City, 11-13 January 67

REFERENCE: Mexico City 9890 (IN 75995), 11 Jan 67

1. Reference reported that the Mexico City Station put LIENVOY/2 in telephone contact with the undersigned on 11 January. Following is a full account of my subsequent contacts with LIENVOY/2 on 12-13 January on the Rico Galan case. L/2 served as out-out between the Station and LITEMPO/8 in arranging my interview with Rico Galan at the Lecumberri penitentiary on 13 January.

2. The evening of 11 January L/2 phoned me at my hotel and asked to see me the next morning; he suggested having breakfast together at my hotel at 0830. He came on time and we spent about an hour together. He stated that his purpose was to find out for LITEMPO/8 what my cover story and detailed plan were for the interview with Rico. At the outset he wanted to know whether I was an American or Italian citizen. He must also have been curious about my exact relationship with the Agency, but did not probe at all, and of course I refrained from volunteering any info.

3. L/2 seemed satisfied with my cover as an Italian journalist on a tour of Latin America for the Rome periodical, CORRISPONDENZA SOCIALISTA. He approved also of the idea of my mentioning Carlo Coccioli to Rico as a fellow journalist who had asked me in Italy in December to pay Rico a visit during my forthcoming trip to Mexico. L/2 expressed the view, however, that it was rather unlikely that Rico would agree to see me. He said in Mexico prisoners in general and especially Rico, were very suspicious and rarely wanted to see strangers in prison. He then gave me a briefing on

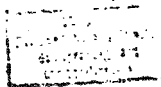

Rico which painted Rico as an extremely evil and clever character, who did not possess one ounce of sincerity, and who would never cease being a Marxist revolutionary, for stripped of his Marxist propaganda weapons Rico was a nobody - and Rico did not want to be a nobody.

4. I told L/2 briefly of my successful experience with a similar case in the Philippines. He commented that it was easier to be successful in the Philippines "for the level of culture there, perhaps, is not as high as here."

5. We parted with the understanding that L/2 would phone me at the COS's office later that morning after his meeting with LITEMPO/8. When he called, at about 11:00, L/2 said LITEMPO/8 liked the cover story and the plan but he wanted to increase the chances that Rico would see me through the following maneuver. LI/8 wanted to send Elena Garro De PAZ (the same woman who had brought out Rico's signed statement of his willingness to tell all in return for his freedom) to Rico carrying my calling card and an issue of my periodical; she would then persuade Rico to see me.

6. During a later phone conversation with L/2 I pointed out the risk involved in bringing Elena Garro into the operation. (The Station's position was definitely against her involvement). Being wealthy, influential, unpredictable and uncontrollable, Elena Garro, I pointed out, might make a phone call to the periodical in Rome and expose our hand. L/2 reported back to LI/8, who agreed with our position. L/8 then came up with the idea of my writing a letter of introduction for Rico and requesting an interview. I agreed to this scheme. Later that evening I received instructions from L/2 that at 11:00 the next morning I should go to the office of the Director of Lecumberri penitentiary and request to see Rico. The previous day L/2 had stated that LITEMPO/8 wanted to go over the "whole agenda" with me before I went to see Rico, but plans apparently changed and I did not have any contact with LITEMPO/8.

7. At the meeting with Rico I personally handed Rico the letter of introduction, and got it back from him after he had read it. In the middle of our interview Rico asked to have the letter again and I handed it to him. My plan had been not to have the letter end up in Rico's hands if possible, but the abrupt ending of the meeting prevented my getting it back. During the briefing of L/2 by the COS and

me after my meeting with Rico, we asked that LITEMPO/8 try to get this letter back from Rico through the penitentiary authorities. L/2 agreed that it would be a good idea to get the letter back and said he would discuss this matter with LITEMPO/8.

**MEMORANDUM FOR:** Chief, WH/COG

**SUBJECT :** Possible Re-Interview of Victor Rico Galan (201-336474).

**REFERENCE :** Mexico City 9925 (IN 77986), 14 Jan 67

1. Reference summarized the undersigned's first interview with Rico Galan at the Lecumberri penitentiary on 13 January. At that interview Rico apparently assumed and accepted that I was a fellow Marxist journalist, on a tour of Latin America for the Italian periodical, CORRISPONDENZA SOCIALISTA. He talked freely as a revolutionary in general terms about revolutionary movements and leaders in Latin America, including the Cuba and Soviet roles.

2. My attempt to have a second interview with Rico was not successful, due to circumstances beyond my and Rico's control. The question now is whether we should plan to go through with a second interview. The purpose would be to obtain further information on revolutionary movements and leaders. (The requirements of the Mexican Government were satisfied with the first interview).

3. One possibility might be for me to see Rico in about 10-12 days, ostensibly after a return trip to Mexico from Panama (or Guatemala or some other country). I could mention to Rico the names of one or two Communist leaders of the country visited who had briefed me; I could also reveal some other deception or slanted information; including names of Castroite leaders; then wait for, or elicit, Rico's comments and observations.

-2-

4. As noted above, the purpose of a follow-up interview would be to obtain more detailed information from Rico on the Castro and Soviet roles in supporting revolutionary movements in Latin America, not merely to obtain further information on the country visited. The approval of the Mexican Government (LITENPO/8) would again be necessary for such a follow-up interview.

5. My first substantive question  
was for the amount of voluntary  
contribution in Latin America;  
but in that regard resolution  
a necessary step in the development  
of Latin America. He answered  
quickly and emphatically that  
voluntary contribution throughout  
Latin America was negligible;  
the principal road to <sup>any</sup>  
growth was "internal investment."

He then said that the  
major part of the investment  
should be made in the  
primary sector of the economy,  
and that the secondary sector  
should be developed only  
after the primary sector  
had been developed.

Dr. Vazquez (the C.P. with

abandoned it. I asked why.  
He said both movements confine  
their efforts mainly to the

terrorist acts. These tactics  
did not get the revolution  
organized and to create a liberacion

and their effort will be reduced.

Several weeks ago I read a  
recent article on Venezuela  
by Marco Mendez Rodriguez,  
a writer of El Mundo who had  
recently been to Venezuela and  
was interviewed by FILN news.  
He said the revolution had  
been started by the military and  
was now in a state of  
collapse.

(afternoon discussion)

7. Rice described Mexico as an "agrarian state, tightly held".  
Here the "popular movements" are on the rise. In answer to my question as to who was leading these "popular" and revolutionary movements in Mexico and Latin America, Rice replied that there were no leaders like Castro around, but that the movements should come from the members, intellectuals and peasants.

8. I asked Rice for his appraisal and total evaluation of Fidel Castro. He said,  
Castro is a Communist of a kind of a Communist he is, nobody knows. He is a great revolutionary leader and a great tactician. He is a man who is a total liberation of Latin America from the two superpowers and the two super powers. I think he is a man who is a total liberation of Latin America and a prisoner of the two superpowers.

7  
Soviet. He says the Cubans  
really run the beach away  
from the Soviet chemists, but  
Castro is not able to do this  
because of the interests of Che,  
Pico said that just as not  
even Fidel Castro himself  
where he is.

9. ~~The Soviet~~ regarding the  
Soviet conflicts, Pico said  
they are more apparent than  
real. Then I asked him to name  
countries of primary, lumber or  
Soviet influence. He also said  
Castro has dominant influence  
within the revolutionary movements  
in Venezuela, Guatemala, all of  
Central America, and Colombia.  
The Soviets had dominant  
influence in Chile, Argentina  
and Mexico. However, he added,  
in those countries the influence  
is in the political area, but  
politically only the influence  
is from their political activities.

(our meeting ended about 11:30 p.m.)

10. After that we had a guard  
take us off to the prison  
dormitory. The warden said;  
~~that~~ the judge was there  
a few days. I held him  
back for an extra minute, and  
then we parted, reluctantly,  
with a warm handshake.

11. After the judge was taken to  
his cell, the warden and I  
permitted ourselves to be taken  
on to the office of the warden, that  
he is associated with in running  
and managing the prison and  
looking after it.

12. I returned to the front  
quarters, and with the  
warden and I went to the  
dormitory. I had a good night's  
rest and was very comfortable.  
I went to bed when I was  
tired.

1. DURING 17 DECEMBER CONFERENCE WITH DAINOLD, LITEMPO/B STATED THAT VICTOR RICO GALAN, NOW BEING HELD IN JAIL UNDER CHARGE OF CONSPIRING TO OVERTHROW GOM, HAS PROCLAIMED HIMSELF DISAFFECTED WITH CASTRO RUZ AND WILLING TO DISCUSS HIS PREVIOUS CONNECTION WITH CUSANS IN DETAIL. PRICE, WHICH IS TOO HIGH FOR MEXICANS, IS HIS RELEASE FROM CONFINEMENT. LITEMPO/B ADDED THAT ALTHOUGH HE HAD HAD SOME OF HIS BEST INTERROGATORS WORKING ON RICO GALAN, HE HAD NOT BEEN ABLE TO EXTRACT ANY INFORMATION OF SIGNIFICANCE FROM HIM.

2. DAINOLD COMMENTED THAT HE HAD AVAILABLE A LEFTIST ITALIAN JOURNALIST WHOM HE REGARDED HIGHLY AS INTERROGATOR, AND WHO HAD RECENTLY HAD CONSIDERABLE SUCCESS IN DEBRIEFING A TOP MUX LEADER IN PHILIPPINES. HE SUGGESTED THAT THIS PERSON MIGHT USEFULLY BE INTRODUCED INTO RICO GALAN INTERROGATION. LITEMPO/B AGREED, AND NOW EXPECTS HIM NEAR FUTURE.

The newspaper, EL MEXICANO, published at San Luis, Sonora on November 16, 1958, carries an article captioned, "The Lot Owners Union Now Does Not Show Signs of Activity." The story indicates that the Mexican Supreme Court had ruled that the expropriation of the lands belonging to the Ejido San Luis was legal. (Reference is made to Nogales, Arizona Intelligence Report of August 9, 1958.) (UNCLASSIFIED)

The Partido Popular Socialista (PPS) has held infrequent meetings about twice a month in San Luis, Sonora recently, according to a reliable source. In February, they plan to hold meetings weekly in connection with stepped-up activities during the coming political campaign. The local committee from San Luis, Sonora, headed by LORENZO HOLDEA-VILIA, recently were successful in forming a bloc or group of the PPS at Camp 57, Sonora. The source states this group has been organized strictly for political purposes and that the membership have not so far been indoctrinated as regular members of the PPS. (CONFIDENTIAL)

This source also reported concerning stories brought back from PPS headquarters at Hermosillo, Sonora recently by LORENZO HOLDEA-VILIA. One of these alleges that two Americans with United States

Communist's credentials (reference is made to Nogales, Arizona Intelligence Report of November 4, 1958) had been instrumental in the arrest of ENICO GALAN and associates a few months ago by Mexican authorities. They are said to have gained the confidence of this group, furnished money for arms, and then denounced them to the Mexican government. They are believed to be CIA agents. Another incident was the occasion when two Americans with United States Communist's credentials visited the president of the PPS at Chilcan, Sinaloa, Mexico, who then communicated with VICENTE LEBARDO-HOLZDANO, who in turn arranged for photographs of the men to be sent to the United States to be identified to see if they were United States Communists. It was said that they could not be identified and, therefore, were believed to be CIA agents. (CONFIDENTIAL)

A plenum of the PPS was to be held at Hermosillo, Sonora on December 9, 1958. (CONFIDENTIAL)

1. Attached for your information is a copy of a piece written and signed by Victor RICO Galan (Attachment "A") which he gave to Elena Garro DE PAZ to pass to LNPURE. She handed it to IDENTITY who in turn gave it to Bernard A. Edgebrook. Attached also is a copy of the covering note written by Mrs. DE PAZ (Attachment "B") and rough translations of both pieces.

2. On 1 December COS gave LITEMPO-8 a photostatic copy of Attachment "A". LITEMPO-8 said that he too had received a copy of the piece which he had given to LITEMPO-4 who sent one of his officers to interview RICO. RICO readily admitted that the signature was his, that he and Mrs. DE PAZ had discussed the matter, that Mrs. DE PAZ had typed out the copy and had brought it to him in prison where he had signed it. LITEMPO-8 said also that RICO Galan had said that he was eager to talk to a SOFAC representative. LITEMPO-8 said that he had no objection to such an interview.

3. In the opinion of LITEMPO-8 the RICO Galan statement is merely a maneuver by which RICO Galan hopes to get out of jail by promising to supply information and to oppose Fidel CASTRO.

4. On 5 December, LITEMPO-4 told COS that RICO Galan is "almost crazy" for several reasons; confinement of course; his fear that his "friends" are going to kill him or that the Mexican Government will "arrange his death"; and because he has learned that his wife, Inge, is sleeping with Manuel MARCUE Pardinias, editor of POLITICA. (NOTE: According to Mrs. DE PAZ, Rosendo Gomez Lorenzo of SUCESOS is pursuing Mrs. RICO Galan.) LITEMPO-4 commented that right now RICO Galan is willing to do almost anything to get out of jail.

Noviembre 6 de 1966 Mexico D.F.

Habiendo tomado parte en las graves discusiones surgidas entre Fidel Castro y Che Guevara antes del conflicto de Santo Domingo, a proposito de las táticas, líneas y pactos a seguir en America Latina y que ocasionaron la desaparición del Che Guevara me considero autorizado a escribir un testimonio politico que desenmascare a Fidel Castro ante los revolucionarios de la America Latina como a un agente del stalinismo. La derrota de Caamaño, el asesinato de Uceda el líder peruano, el crimen de Turcois etc. han sido ejecutados por agentes castristas, encargados de asesinar y destruir a todo aquel que difiriera de la línea castrista. Meiners, Cruz y yo mismo hemos sido entregados por agentes tales como Liralde, Menendez y otros, para callar una verdad que debe ser conocida por los latinoamericanos. La próxima víctima es Yon Sosa y muchos más que en estos momentos se esconden de los asesinos. Mi testimonio sería politico e ideologico ya que yo mismo escribí muchos de los artículos de Guevara, sin escatimar todos los nombres y detalles necesarios para desenmascarar a Fidel Castro y sus agentes.

**SOURCE:**

1. On 19-21 August 1966 the Union of Local Societies of Collective Farm Credit 40-66 (USCE 40-66 - Union de Sociedades de Credito Ejidal 40-66), a Mexican Communist Party (PCM - Partido Comunista Mexicano) peasant front, held its 8th Regional Congress at the USCE 40-66 headquarters in Torreon, Coahuila, with an attendance of 800 to 1,000 people. Every state in Mexico was represented. The meeting was presided over by Arturo Orona Gomez, member of the PCM Central Committee and Secretary for Peasant Affairs of the PCM Coahuila State Committee, and Ramon Danzon Palomino, also a member of the PCM Central Committee and head of the Independent Peasants' Central (CCI - Central Campesina Independiente), another PCM controlled group in the Laguna area. In addition to these two who spoke, the speakers were Arnaldo Martinez Verdugo, First Secretary of the PCM Central Committee, and Agustin Borroya Gomez, Secretary of Organization of the PCM Coahuila State Committee. Conspicuous by their absence were Antonio Morin Rodriguez, member of the PCM Presidium with special interest in PCM political affairs in the Laguna area, and Juan de los Reyes, member of the PCM Central Committee who lives in the Torreon area. The main theme of the Congress was the aim of the USCE 40-66 to promote the nationalization of all privately held agricultural land in the Laguna area. It wants to divide all land in the Laguna area into communal farms and completely do away with small private land holding. Martinez said that the Mexican Government was trying to plot against the PCM and gave as an example the 12-13 August 1966 arrest of Victor Rico Galan and some 40 others of the Popular Revolutionary Movement (MRP - Movimiento Revolucionario del Pueblo). He said that the PCM did not espouse the armed revolutionary policies of Galan, and that the Party was pacifist. 1

2. The Administrative Council for the USCE 40-66 which was elected on 21 August at the above Congress is as follows:

Manager	Arturo <u>Orona</u> Games
Assistant Manager, in charge of Commerce and Insurance	Agustin <u>Borroel</u> Gomez
Social Services	Alberto <u>Loera</u> Justas
Machinery Manager	Alberto <u>Munoz</u>
Agricultural Livestock Organization	Jesus <u>Cedillo</u>
Fruit Growers	Ramon <u>Aguilera</u> Delgado
Agrarian Organization	Juan <u>Francisco</u> Espino
	J. Cruz <u>Chacon</u> Sifuentes 2

3. Also present at the USCE 40-66 Congress was Oscar Gusardo Gutierrez, Secretary of Organization of the PCM Nuevo Leon State Committee. He was trying to organize an interchange of ideas between the Nuevo Leon and Coahuila PCM State Committees, especially in the field of organizing new cells. Gusardo said that he had organized various neighborhoods of Monterrey against the police and the government. He was especially interested in contacting Orona and Jose Luna Ortiz, First Secretary of the PCM Coahuila State Committee.

1. Source Comment: Martinez Verdugo was trying to get the support of the crowd.

Headquarters Comment: A report on this Congress and the speech made by Martinez Verdugo on 21 August 1966, the closing day, appears in issues nos. 1845 and 1846, dated 28 August and 4 September 1966, respectively, of La Voz de Mexico, official newspaper of the PCM. The second part of the speech in no. 1846 is extremely interesting in that Martinez Verdugo takes issue with the manner in which General Lazaro Cardenas del Rio, leftist former President of Mexico (1934-1940), proposes to achieve agrarian reform. Further, Martinez Verdugo decries Cardenas' again giving his political support to President Diaz Ordez, as he did on 11 August at Ciudad Altamirano, Cuerrero, when he also expressed his views on agrarian reform (cf. Airgram no. 161, Joint Weeks no. 32, dated 12 August 1966, from the American Embassy, Mexico City).

2. Field Comment: All of the members of this USCE 40-66 Administrative Council are members of the PCM.

On 5 September 1966, Fernando Rico Galan, one of those arrested, but later released, in the roundup of a group of subversives headed by his brother, Victor Rico Galan, and Haul Ugaldé Alvarez, visited the offices of the Mexican Society of Friendship with People's China (SMACP - Sociedad Mexicana de Amistad con China Popular). Rico held a closed-door meeting with Luis Torres Ordonez and Juan Larios Tolentino, both officers of the SMACP, for an hour and fifteen minutes. The subject matter of the discussion is not known.

1. The plenum of the Central Committee of the Mexican Communist Party (PCM - Partido Comunista Mexicano) will take place in Mexico City on 25, 26, and 27 September 1966.
2. The Campesino Congress of Torreon was attended by Oscar Guajardo Gutierrez of the Nuevo Leon State Committee. Guajardo will remain in Torreon until 24 August to attend the national plenum of the Independent Peasants' Central (CCI - Central Campesina Independiente) which is being held concurrently with the Campesino Congress.
3. Lino Medina Salazar, in his capacity as member of the Central Committee and member of the National Trade Union Commission, was in Monterrey from 17 to 19 August to participate in a meeting of the State Committee to discuss the Party's trade union activities, because so little has been done in this field which the Party has had difficulty in penetrating. It was agreed that the publication of Accion Sindical, which has been dormant for some time, would be resumed as an initial step in planning trade union activity and that a study of the labor situation should be undertaken. Medina, who was not pleased with the outcome of the meeting, promised to return and to personally follow the progress of the trade union program since he is the Central Committee member responsible for supervising the activities of the Party in Nuevo Leon.

4. A meeting of members of the Independent Central of People's Organizations (CIOP - Central Independiente de Organizaciones del Pueblo) was held on 19 August to discuss plans to carry out agitational activities early in September in support of busdrivers and other unionized groups.
5. The campaign in support of political prisoners has been suspended until 25 September. The situation has become more complicated because of the recent increase in the number of prisoners, although in Nuevo Leon there have been no repercussions because of the roundup of the Ugalde-Rico Galan group.
6. With regard to the national meeting of university students, it cannot be said that it was successful since only three delegations were present - those from Nuevo Leon, Chihuahua, and Jalisco. Arnoldo Martinez Verdugo, Jose Encarnacion Perez Gaytan and other members of the Party Presidium were present, which suggests that the Party attaches considerable importance to its program for university action. This meeting was considered to be the first stage, to be followed by others. It is assumed within the Party that the Nuevo Leon State Committee is experienced in university matters since it organized the University of Nuevo Leon Union (STUNL - Sindicato de la Universidad de Nuevo Leon).
7. With respect to the PCM's electoral campaign, as yet no candidates have been agreed upon, and it is clear that among those under consideration none is of impressive stature.
8. Of interest are the efforts of Porfirio Diaz, head of the National Youth Institute in Monterrey, who is departing from the Party line in attempting to form a youth group in which the Institutional Revolutionary Party (PRI - government party) would participate along with the PCM and other leftist organizations. Diaz has held meetings attended by Octavio Leal Moncada of the CIOP, Javier Rojas Sandoval of the PCM, Jose Luis Sustaita of the National Democratic Students' Central (CNED - Central Nacional de Estudiantes Democraticos), other members of the PCM, and representatives of the PRI.
  1. Headquarters Comment: Issue No. 1845, dated 28 August 1966, of La Voz de Mexico, official newspaper of the PCM, reported that the Union de Sociedades de Credito Ejidal de la Comarca Lagunera 1940-1966 (USCECL-1940-1966), headed by Arturo Orona Gomez, held its VIII Ordinary Congress in its headquarters at Torreon, Coahuila. Issue No. 1846, dated 4 September 1966, contained an article dated Torreon, Coahuila, August 1966, saying that the national plenum of the CCI had resolved to disassociate itself from the National Liberation Movement (MLN-Movimiento de Liberacion Nacional), because of the latter's divisionist activities.
  2. Source Comment: In fact, the STUNL was not formed by the Party since, when it was organized, there were no Communists among the teachers and other university workers. The union came into being as a result principally of the activities of a group of teachers from Preparatory School N. 1, and it had the support of the then acting Rector, Alfonso Rangel Guerra, who saw in the union possibilities for creating problems for Eduardo Livas Villarreal, the Governor of Nuevo Leon. It was almost a year later that Rolando Guzman, Tomas Gonzalez de Luna, and Huracio Salazar joined the PCM, but their influence in the union cannot be attributed to this fact. The union has continued to exist because it has maintained its activities within legal bounds, demanding minimum wages and improved working conditions. PCM influence in the union is negligible since, in addition to Guzman, Gonzalez, and Salazar, there are only four or five other PCM members. The possibilities of forming a national university union would appear to be remote, and it is doubtful that present plans in this direction will ever materialize.

**Field Comment:** The 7 September 1966 issue of Siempre! magazine, which appeared on the stands on 1 September, carried on pages 10 and 11 a letter written from prison by Victor Rico Galan explaining and defending his position and accusing the Mexican Government of being the real violators of the Constitution. On the following pages an editorial titled "Mexico No Es Una Insula de Gorilas" (Mexico Is Not A Police State), which rejected the points put forth by Rico Galan, defended Mexican institutions and concluded that because of the magazine's devotion to freedom of expression, time and space had been devoted to what should properly be recorded as a minor police incident.

- Ingo de Rico Galan, wife of Siempre! writer Victor Rico Galan, said on 2 September 1966 that her husband was resigning from Siempre! because of the harsh editorial against him and his ideas which appeared in the 7 September issue of the magazine. Mrs. Rico Galan said that the editorial was far harsher than even President Gustavo Diaz Ordaz' comments on the matter which he included in his 1 September State of the Union message.

2. If Siempre! refuses to publish her husband's letter of resignation, and she seemed to feel that this might be the case, Manuel Marcue Pardinaz, of the leftist newsmagazine Politica, has assured Rico that he will publish it.
3. On 6 September, the journalist Froilan Manjarrez told Antonio Caram, of the Cuban news agency Prensa Latina, that Eduardo de los Rios (Rios), the political cartoonist, had resigned from Siempre! in protest over the magazine's treatment of Rico Galan. Since it was doubtful that Siempre! will publish Rios' letter of resignation, arrangements have already been made with Marcue Pardinaz to publish it in Politica.
4. Manjarrez remarked that Siempre! publisher Jose Pages Llergo had blundered badly in his handling of the Rico Galan affair and that people who had never been especially sympathetic to Rico Galan were nonetheless totally disgusted with Pages. Rico is being spoken of as a brave man and Pages as a contemptible one, according to Manjarrez, as a result of the editorial.

1. Field Comment: CS-311/12195-66 reported that it was uncertain that Politica would continue to publish after the 15 August 1966 issue.
2. Headquarters Comment: The 14 September 1966 issue of Siempre carried a letter to the editor written by Rico Galan, in which he expressed his intense displeasure with the publication's editorial of the previous week. He asked that Siempre consider withdrawn his intention to continue collaborating with it on a book section, saying that he would seek means of support for his family despite his confinement, that they may live in a manner worthy of revolutionary solidarity, not from alms granted by evil consciences seeking precarious tranquility. In a note of reply Siempre reiterated its disagreement with Rico Galan's viewpoints but added that it claimed neither to qualify nor to judge the personal conduct of a friend with whom the magazine was permanently bound.

1. Rolando Collado Ardon, leader of the Guatemalan exile community in Mexico and a member of the Guatemalan Communist Party (PGT - Partido Guatemalteco del Trabajo), said that the arrest of Victor Rico Galan on charges of subversion was a good thing for the PGT. Collado was referring to Rico Galan's influence on Guatemalan guerrilla leader Marco Antonio Yon Sosa. According to Collado, Rico Galan prevented the PGT from persuading Yon Sosa to join the Party in 1963 because of Rico's Trotskyist interference and the aid he gave to Yon Sosa at the time.<sup>1</sup>
2. Medical doctors Miguel Cruz Ruiz and Rolf Meiner Huebner, two of those arrested with Rico Galan, have been associated with Rico since early 1965. Both were very much involved in the medical doctors' strikes of late 1964 which continued into 1965. When the strikes were finally settled both Cruz Ruiz and Meiner Huebner were dismissed from their jobs at the Social Security Hospital at Cuauhtemoc 330. They went directly to Rico Galan who put them to work, mainly writing medical articles for the magazine Sucesos for which Rico Galan worked.<sup>2</sup>
3. Rico Galan sent both Cruz Ruiz and Meiner Huebner to Cuba in 1965 and both are well indoctrinated Communists.<sup>3</sup> However, neither belongs to any Communist Party or organization. Both, as well as Dr. Jorge Velez Trejo, also very active during the medical strikes, have traveled through Latin America making

contact with medical groups and attempting to inspire them to anti-government activity in their respective countries.<sup>4</sup> Also, while Cruz Ruiz and Meiner Huebner were working for Rico Galan, at Sucesos they were giving classes in revolutionary activities to groups organized by Rico Galan.

Field Comments

1. In October-November 1963, Rico Galan, ostensibly as a purely journalistic exercise, went to Guatemala where he interviewed Yon Sosa in the guerrilla leader's camp.
2. CS-311/12133-65, 4 October 1965, presents an over-all picture of the medical strike situation.
3. TDCS-314/02438-66, 22 February 1966, reported that Rico Galan arranged passages for Mexican doctors who attended a medical congress in Havana in February 1966.

Headquarters Comment: This report, however, does not give the names of Drs. Cruz and Meiner as having been invited to attend the XI Medical Congress and the VII National Stomatology Congress but states that Rico Galan, who was making ticket arrangements, had names of others invited to the Congresses.

4. TDCS-314/02464-66, 22 February 1966, reports on the Central American activities of Drs. Meiner and Velez.

- At a meeting of leaders of the Mexican Communist Party (PCM - Partido Comunista Mexicano), attended by Arnoldo Martinez Verdugo, Fernando Granados Cortes, Manuel Terrazas Guerrero, Gerardo Unzueta Lorenzana, and Marcos Leonel Posadas Segura, there was some discussion of the status of members of the group, headed by Victor Rico Galan and Raul Ugalde Alvarez, which was recently arrested for engaging in subversive activities. It was revealed at this meeting that Ugalde had submitted an application for membership in the PCM but that he had not been accepted. He is not, therefore, considered to be a member of the Party. The same is true of Guillermo Balam Perceyra.<sup>2</sup> It is true that Venancio Garay Zuniga and Artemio Garay Zuniga are PCM members, but they aligned themselves with the Rico Galan "guerrilla" group on instructions from the Party to serve as spies in order to keep the Party informed on the group's activities.<sup>3</sup>

- At a meeting of the Permanent Committee of the National Assembly for the Freedom of Political Prisoners, Filomeno Mata Alatorre stated that he was completely removed from the subversive group and that he had had nothing whatsoever to do with it. Guillermo Calderon Ita raised the question of the most recent group of prisoners (the Rico Galan group), and it was agreed that that group had chosen the easy path - that of taking up arms; that such a movement would come about eventually, but that now is not the time; there is no chance for success of an armed movement. It was agreed that even though the Committee

was not in accord with the tactics, or even the ideology, of the Rico Galan group, the latter group should be defended in the same way as are other political prisoners. The Rico Galan group has engaged the same lawyers used by the Committee. In fact, the campaign in behalf of political prisoners must be pursued with even greater vigor because under the present Mexican Government policy the PCM or the Popular Socialist Party (PPS - Partido Popular Socialista) could be accused of operating schools for training of subversives. At the close of the meeting it was reported that a message had been received from the Fourth Latin American Students' Congress (CLAE) in Havana advising that as part of the Campaign for the Release of Political Prisoners, which will be highlighted during the period 25 September to 2 October 1966, telegrams will be sent to the President of Mexico from all countries in Latin America.

#### Field Comments

1. While there does not appear to be any firm evidence of Ugalde's membership in the PCM, his activities as a leading figure in the People's Electoral Front (FEP-Frente Electoral del Pueblo), which is controlled by the PCM, have been well reported.
2. In a document seized by Mexican police during a raid on PCM headquarters on 12 April 1965, Dr. Balam Pereyra was listed as a member of the Dr. Angel Martinez Villarreal cell, having joined the Party in August 1964.
3. According to the Mexico City daily, El Dia, of 30 August 1966, the office of the Attorney General for the Federal District protested against the action of a Federal District judge in releasing the Garay Zuniga brothers from custody on 22 August.

1. (Summary: Popular Socialist Party (PPS) attitudes toward the arrest of Victor Rico Galan and others on charges of conspiring against the Government remain unsympathetic. The Party intends to stay outside the entire matter, although PPS Secretary General Vicente Lombardo Toledano may seize the opportunity to strike back at some of his enemies by issuing a statement condemning the plans attributed to Rico Galan as Trotskyist. Within the Party there is considerable skepticism about the truth of the published charges. While several Party leaders do not doubt that there is some truth to the charges, they are quite convinced that there was no danger of imminent rebellion and that Mexican institutions stood in no peril from Rico Galan and his friends. The suspicion exists that Rico Galan's case is a Government ploy, successfully used in the past.

Also, it is believed in the PPS that police accounts of their role in the matter have been exaggerated to enhance the reputation of the police both with the President and with the public. The rumor that the Guatemalan Government may have asked the Mexican Government to silence Rico Galan because of his violent attacks against the new Guatemalan administration is generally discounted since the complaints of Guatemalan officials are certainly of no concern to Mexico.)

CONFIDENTIAL/NO FOREIGN DISSEM

-2-

CS-311/12196-66

2. Victor Rico Galan and his associates can expect neither sympathy nor help from the Popular Socialist Party (PPS - Partido Popular Socialista). Although no official decision has yet been made by the Party, PPS leaders who have commented unofficially on the matter have said that for the moment the Party will no doubt stay completely outside the whole affair, thus proving its total lack of interest in this type of revolutionary activity. It is of course possible that PPS Secretary General Vicente Lombardo Toledano will seize the opportunity to issue a statement condemning the entire affair as Trotskyist, criminal, and utopian. Lombardo may decide to use this opportunity to strike back at the National Liberation Movement (MLN - Movimiento de Liberacion Nacional) and others who have attacked him.
3. Among leaders of both the PPS and the General Union of Workers and Peasants of Mexico (UGOCM - Union General de Obreros y Campesinos de Mexico), there is a certain skepticism about the truth of the matter as it has been presented in the press. It is probably true that arms and materials for manufacturing explosives were confiscated. It is probably true that indoctrination sessions on political and revolutionary matters were held in the houses where the arrests were made. And probably the group did have some kind of plan for action. But, it is simply not true that there was the slightest danger of immediate and formidable rebellion from Rico Galan and his friends.
4. This latter conclusion is based on the fact that Rico Galan is no guerrilla leader. He is an aggressive intellectual, a radical, but he is not in jail for what he has done but for his ideas. As for Raul Ugalde Alvarez, named with Rico Galan as one of the leaders of the group, he has the reputation of being fuzzy-minded, a leftist adventurer and certainly neither brave nor dedicated. Further, Rico Galan is well aware of this, popular support is essential to the success of rebellion; it does not exist. The peasants are divided. The workers are controlled by the Government, and the middle class is content with the way things are. Also, there is the formidable precedent of Government action against any kind of rebellion, trade union, armed, and particularly any sort of activity which is Cuban-connected. The Government has always moved with energy, speed, and efficiency to combat such threats as, for example, during the Railway Workers Strike of 1959. Several leaders of that strike are still in jail and likely to remain there. Another example is the September 1965 attack on a military camp at Ciudad Madera, Chihuahua. While the Government did not feel that this incident posed any real threat to it, it did not want the bad international publicity, so vigilance was increased, activities of would-be guerrillas were blocked, some were bought off with money, others with promises, and the matter was promptly and efficiently controlled.
5. There no doubt is a degree of truth to police charges, but the melodramatic, almost childish character given to the Rico Galan movement, the lack of any proven connection between the movement and leftist/Communist organizations, Rico Galan's open and well-known connections with Guatemalan guerrilla leaders and his public support of the Cuban revolution, make it very hard to discount the suspicion that this is simply a Government maneuver. Also, while the police no doubt did confiscate arms and other materials, the suspicion exists that the police have inflated their role in order to make themselves look good both to the President and to public opinion.

CONFIDENTIAL/NO FOREIGN DISSEM

-3-

CS-311/12196-66

6. There is even a rumor that because of Rico Galan's harsh attacks on the new Guatemalan administration, the Guatemalan Government asked the Mexican Government to deal with Pico Galan. This rumor however is regarded as rather ridiculous since the Mexican Government certainly cares nothing for the opinion of Guatemalan officials.

1. Field Comment: TICS-311/10419-66, 18 August 1966, reported earlier PIS reaction to the arrests.

Headquarters Comment: In his inaugural address in December 1964, President Diaz Ordaz made a point of stressing his desire for harmonious relations with Mexico's neighbors both to the north and to the south. His Central American trip in mid-January 1966 was, among other things, to promote such relations. Guatemalan friendship has lately been said to be a cardinal objective of Mexican foreign policy (Cf. State telegram no. 1245, dated 30 August 1966, from the American Embassy in Mexico City).

Field Comment: The 7 September 1966 issue of Siempre! magazine (which appeared on the stands on 1 September) carried on pages 10 and 11 a letter written from prison by Victor Rico Galan explaining and defending his position and accusing the Mexican Government of being the real violators of the Constitution. On the following pages an editorial titled Mexico No Es Una Insula de Gorilas (Mexico Is Not a Police State) which rejected all of the points put forth by Rico Galan, defended Mexican institutions and concluded with the observation that time and space had been devoted to what history would properly record as a minor incident because of the magazine's devotion to freedom of expression.

- 1. Inge de Rico Galan, wife of Siempre! writer Victor Rico Galan, said on 7 September 1966, that her husband was resigning from Siempre! because of the harsh editorial against him and his ideas which appeared in the 7 September issue of the magazine. Mrs. Rico Galan said that the editorial was far harsher than even President Gustavo Diaz Ordaz's comments on the matter which he included in his 1 September State of the Union message.

3. On 6 September, the journalist Froilan Manjarrez told Antonio Caram of the Cuban news agency Prensa Latina that Eduardo de los Rios (Rius), the political cartoonist, had resigned from Siempre! in protest over the magazine's treatment of Rico Galan. Since it was doubtful that Siempre! will publish Rius' letter of resignation, arrangements have already been made with Marcue Pardinaz to publish it in Politica.

4. Manjarrez remarked that Siempre! publisher Jose Pages Llergo had blundered badly in his handling of the Rico Galan affair and that people who had never been especially sympathetic to Rico Galan were none-the-less totally disgusted with Pages. Rico is being spoken of as a brave man and Pages as a contemptible one, according to Manjarrez, as a result of the editorial.

1. Field Comment: HMM-10,625 reported that it was uncertain whether Politica would continue to publish after the 15 August issue.
