<p>1. GENERAL</p> <p>Transmitted herewith please find copies of three tapes confiscated by the [] military from the guerrillas in operations subsequent to the guerrilla attack on the small garrison at Panzós (GUAT-4309, paragraph 4). The tapes were received by the Station from ODISEX in mid-November. The Station made copies to pass to the [] Army and to ODISEX and kept one copy for study. The originals were returned to the [] Army after a master copy was made.</p>			
<p>2. THE TAPES</p> <p>The original copies were small and were eight in number and were recorded by the guerrillas at the speed of 1 and 7/8ths. According to information taken from the tapes, the recording was done on a Philips recorder. Judging from the sounds it is felt that the tapes were made indoors by inexperienced personnel. This belief is supported by one of the documents captured which went into detail on the problems the guerrillas were having with the recorder and on how to correct them. The master copy made by the Station (transmitted herewith) was recorded at the same speed on three tapes which total about 16 hours of poor listening.</p>

<p>3. INFORMATION FROM TAPES</p> <p>A. Tape 1 side 1. A speech made by Victor Hugo Galan (Mexican newspaperman who is very leftist) to guerrillas under the command of Marco Antonio Yon Soosa. Generally, he informs the guerrillas that the revolution in Guatemala is the revolution of Latin America. He reports that persons in Latin America and Europe are keenly interested in the Guatemalan revolution and send letters to Galan affirming their support of it. He then goes into the problems of the apparent split between the 13 November "new" sent and the PCT leadership. He states that the PCT has not given the guerrillas the proper support and has taken too soft a line in the revolutionary struggle. He talked to the PCT leadership and asked that personal feelings be set aside and suggested complete cooperation with the guerrillas to overthrow the present government. At the end of the tape the guerrilla theme song is sung by a group of guerrillas.</p> <p>B. Tape 1 side 2. This side discusses (voice unidentified) the interview Yon Soosa had with newspapermen in the Sierra de las Minas. The speaker explains how the interview was disseminated throughout Guatemala by <u>Supplement #1 of the Revolucion Socialista</u>. The interview will soon be translated into German, French and other languages and will be sent to Mexico, Latin America and countries in Europe. The speaker then goes on to explain how the guerrilla publication, <u>Revolucion Socialista</u>, has created great enthusiasm (does not say where) and how it will make people aware of the role the guerrillas play in Guatemala. Its main object is to attack imperialism and the Guatemalan Government.</p> <p>C. Tape 2 side 1. This side deals with generalities on the revolution going on in Guatemala. It discusses the need for a new government to represent the people. It states that the guerrilla movement is the vanguard of the masses of workers and campesinos. At the end of the tape it salutes the workers of the world.</p> <p>D. Tape 2 side 2. An unidentified voice discusses, in very general terms, the problems of the guerrillas in shipping various articles (weapons, literature and tapes) to different parts of the country. The major obstacles to smooth movements of the articles throughout the country are police and military check points on the major roads and the fact that large truck shipments cannot be mounted, forcing the guerrillas to hand carry most of the material. Through negligence, many guerrillas have been captured with compromising material in their possession. Fasudonyms are repeatedly mentioned on this side - Rolando, Rudy, Idan, and Matco - which cannot be identified by the Station.</p> <p>E. Tape 3 side 1. This side is taken up by an unidentified person reading passages out of <u>Revolucion Socialista</u> and Marxist literature.</p> <p>F. Tape 3 side 2. On this side there are discussions of the problems faced by the guerrillas. The first problem is the trouble the <u>Mundo General</u> was having with the Guatemalan Communist Party (the Party tended to isolate itself from the guerrillas). Other problems included communications between guerrilla units throughout the country; problems with the recording machine; and the problem of putting out propaganda which can be understood by the campesinos. All these problems were discussed in very general terms omitting names, places and dates.</p> <p>4. CONCLUSIONS DRAWN FROM TAPES</p> <p>The information found on the tapes is of no operational value to the Station since it deals with propaganda and guerrilla problems already known by the Station. What is of interest is the apparent effort by the guerrilla leadership to use tapes as a means of operational communications and to reach the illiterate campesinos and workers with spoken instead of written propaganda. The operational use of tapes would obviate the need for printed internal communiques which are easily and easily compromised. Guerrillas can hide a tape on his person and travel through police and military check points without being detected. Since the people in mind the guerrillas are interested are for the most part illiterate campesinos and workers, the spoken word would mean much</p>

were to them than would printed propaganda. The Station has not based these conclusions solely on the three tapes transmitted with this report. Two days ago, PDDW-1 informed BOSSCHER that the police recently confiscated 2^½ tapes from the guerrillas (raids on 8 and 9 December, HOHA-7612) and that these tapes consist of operational problems faced by the guerrilla leadership and propaganda. The Station will attempt to make copies of the tapes mentioned by PDDW-1 if they can be obtained. If the tapes cannot be acquired the station will receive copies of the scripts taken from the tapes (police are doing this now).

5. Since the tapes are not of operational value the Station feels it is not necessary to retain a copy for the files and is passing to Headquarters the master copy from which reproductions were made for CHICHE and the [redacted]

D.F.M.D.S - Conference Given by Victor RICO Galan in Merida

<p>1. Attached are copies of press coverage of a conference given in Merida on 20 October 1964 by Victor RICO Galan, described in reference as a Mexican Marxist Journalist and CASTRO agent. In summary, RICO reportedly sketched the Hispano-American situation briefly and spent an hour or more replying to questions from the audience; his eternal theme was North American imperialism.</p> <p>2. It will be noted that RICO was invited by the <u>Centro de Renovación Cultural</u> and presented by Journalist Mario VILLALBA Rodriguez, who said that one might or might not agree with what RICO said, but that he had a right to be heard. The <u>Centro</u> is of very recent unknown origin and is said to be sponsoring the visit each week of a journalist to Merida for similar conferences. Where the money is coming from has not yet been determined. CIA/CIA contacts have said that FONSECA himself paid for RICO's air travel, and that the hotel bill at the Iannar "Vicena" was paid by the PARAFARME tourist agency, however a hotel contact has stated that the bill was paid by the "State Government". LIMA/CIA indicates that the Cuban Consul in Merida, Marian GARCIA Jerez, is in contact with FONSECA, etc., when it is recalled that the Cuban-Mexico Institute in Merida sponsored RICO's trip to Mexico in 1962, there would seem to be more than one possibility as to the source of funds for the new <u>Centro</u>. If the <u>Centro</u> plans are carried out as reported, annual expenses might run as high as \$1,000., a not incon siderable sum.</p> <p>3. FONSECA is a close CIA/CIA friend and a personal contact of CIA as well. He is a young, crusader-type member of the MORELLO family complex which owns and operates the Yucatan Peninsula's principal dairy now under Diario de Yucatan. In 1962, he spearheaded an express accusation against the Agrarian officials of fraud. He seems to be on strange terms with his family and to have taken up with the extreme left. Starting for 26 Nov. at 100, carries a letter from his account certain "ministers and high officials of a new fraud involving some 600 millions of pesos</p>

in the purchase of Timolex, the 60% division owned practically all the copper mills in Mexico about 20 August 1954, according to the wire report. In a joint press conference in Mexico City, cabled his wife, Senator Maria del Rosario, the local CIA/CIAI that he was to attend his plans to attend a 30-day seminar of Latin American newspaper editors in FBI as a guest of CIA/CIAI. A local Maryknoll priest who commented on the case last week said that the Señor Barro had "one on over to the other side".

4. Since MAYERHEZ was Number 1 on the list of the CIA/CIAI "Oscar Young Men" program, the above information is being forwarded on an interim basis until the return of the local CIA/CIAI chief, which is expected around 7 November. At that time it is anticipated that he will try to get down to the bottom of the matter, since he considers MAYERHEZ as his contact. This dispatch is being forwarded with the knowledge of the acting chief of the local CIA/CIAI, who contributed information to it.

Visión de Hispanoamérica

CONFERENCIA DE VÍCTOR RICO GALÁN

Organizado por el Centro de Recreación Cultural, Jueves 24 de Junio de 1954. Una interesante conferencia sobre la tema Visión de Hispanoamérica, en el Salón de la Sala del Seguro Social, el auditorio del Centro de Recreación Cultural, ubicado en la calle 16 de Septiembre, 100, en la Ciudad de México. El público que se interesó en el tema, es de mayor proyección—llegó casi llenamente el cupo de la sala del Seguro Social.

Después de breve presentación del conferencista por el Sr. Mario Henández Rodríguez, se que advirtió que se podía estar o no de acuerdo con el Sr. Rico Galán, pero que el Centro defendía el derecho de todos a expresar sus opiniones libremente, inició su disertación el intelectual visitante.

I. X. I

Más que el desarrollo de una sociedad Iberoamericana científica e política, que es lo que propia mente se entiende por continentalidad, la del Sr. Rico Galán fue en realidad un diálogo amplio, encendido fuscado, con el auditorio Latinoamericano que tan interesante conversación se vivió aquella noche en principio, pues el conferencista advirtió que dentro a cargo articulada del regimiento del Teatro del Seguro Social, en la inmediata sala no podían debatirlos el tema de la Política mexicana. Esas condiciones no solo obligó a presentar una América Latina integrada.

I. X. II

A partir de esa delimitación, rápidamente practicada por el conferencista, se platicó siempre a res. siempre sobre el mismo eje: el imperialismo de los Estados Unidos como causa fundamental y generadora de todos nuestros males. Las protestas surgieron en ocasiones, por las respuestas con que era formuladas, con el propósito de hacer una respuesta contrapuesta en Cuba, en la Argentina, en el Perú, en Venezuela, en Colombia, en Perú, en algunas más de estas Américas de sangre caliente, pero las respuestas, acompañadas por el Sr. Dr. Galán con argumentos de primera mano y a veces hasta era anecdótico presentar certeza a juicio de un público que se acostumbró administrativamente al imperialismo capitalista.

Algunas veces las respuestas eran breves, otras más extensas, dependiendo de la personalidad de quien respondiera, pero en general las respuestas se daban en el sentido de que el Sr. Rico Galán no se concentraba en la temática, sin remedio heredó para susponentes otro imperialismo, por ejemplo, el de la Unión Soviética.

Pero no con la misma sencillez, con la misma crudelidad, hasta con la misma crudelidad que fueran las dominaciones europeas. De ahí, charla el Sr. Rico Galán siguió sin dogmatizar, que la situación de Hispanoamérica no está en el espacio del imperialismo de los Estados Unidos, por medio del establecimiento de la Unión Soviética o de la Francia del Grial. De igual modo aprovechando inteligentemente todos aquellos recursos o manejos que se opongan o limiten, o susciten la influencia material de NorTEAMERICA en Hispanoamérica. Y desde luego con tanta politica de autodeterminación, como lo ha hecho el Gobierno de Mexico."

Hubo un instante, solo un instante —en que el flujo y refugio de la charla, en que el juego de las preguntas y las respuestas parecía perder seguridad— hacerse inconsciente, hasta un punto obvioso y verificable cuando los interlocutores pusieron sobre el tablero el tema del imperialismo como su respuesta al brutal sometimiento de las pobres victimas del impune y despiadado dominio. Pero el Sr. Rico Galán le hizo entender un recargo y volver a una politica de moderación que se es habitual querer desmentir al resto y conducir de nuevo la plática al tema inseparable del imperialismo yanqui. Hizo lo mismo que a Rusia se le hace con la apertura en el resto de Hispanoamérica.

I. X. III

Máximo del tema conversacional, se puso el tema del socialismo, y en efecto como había de medir la actividad del socialismo, dependiendo tanto de la ideología, el fondo, la forma, como de la clase social, la clase obrera y la clase media. Tendrá mucho que ver el socialismo con la clase obrera, la clase media y el trabajo manual, tanto como con el capitalismo, el trabajo mental. Y en efecto, dice el Sr. Rico Galán, porque a él, como a todos, la clase obrera es la clase que más trabaja, y la clase media, cuando se trabaja, trabaja el doble de lo que trabaja la clase obrera. Y luego cuando se pone el tema del socialismo, dice el Sr. Rico Galán, porque a él, como a todos, la clase obrera es la clase que más trabaja, y la clase media, cuando se trabaja, trabaja el doble de lo que trabaja la clase obrera.

1. MEXI 7695 (DOI 7 January 1964) reported that Victor Rico Galan, Mexican Marxist Journalist and agent of Fidel Castro Ruz, Prime Minister of Cuba, was making preparations to go to the Dominican Republic. SDGI 2610 reported that Victor Rico arrived in the Dominican Republic from Kingston, Jamaica, on 8 January 1964 aboard Pan American flight 431.

2. SDGI 2619 reported that Victor Rico left the Dominican Republic for Mexico via Miami on 15 January aboard Pan American flight 432. According to a number of earlier reports furnished by usually reliable sources in Mexico, [] and other Latin American stations, Rico Galan spent eight days in Cuba during late May and early June 1963 interviewing Castro on the latter's stay in the USSR. During this period, Rico Galan was given an assignment to visit countries in Central and South America where he was to confer with Communist leaders and instruct them to begin immediate acts of sabotage and violence to take the pressure off Venezuela. He was also instructed to persuade competing leftist factions in the countries visited to unite so that their work would have greater impact. In all of the countries he visited, Rico Galan conferred with leading Communists and leftists. Rico Galan's trip to the Dominican Republic was ostensibly to collect material for newspaper articles. According to SDGI 2626 during his visit there, Rico Galan attempted to get photographs of Dominican guerrilla leaders killed at Las

Para. 2,3:

Appraisal of Content: 2.

1. On 23 October 1963 David Turner, leader of the Vanguard of National Action (VAN - radical pro-Cuban revolutionary group), informed members of the VAN directorate that he had received a call from Thelma King, pro-Cuban deputy to the National Assembly, a few days earlier. Turner said that the purpose of the call was to arrange for Turner to meet Victor Rico Galan, a Mexican newspaperman who works for Fidel Castro.¹ Turner said that the interview took place in Rico's room at the Hotel International, and was attended by King, Turner, and Hugo Alejandro Victor, president of the Partido del Pueblo (PDP, People's Party-Communist), with which the VAN is disputing leadership of the revolution in Panama. Turner said that Rico questioned his guests about unity among the leftwing groups in Panama, and Victor oddly informed him only that efforts were being made to reach an understanding. Turner refrained from making any comment at that time. Rico invited his visitors to have lunch with him; however, Victor declined, and King went in search of copies of newspapers which had reproduced statements of Panamanian students warning against plans of the National Guard to stage a coup d'etat in Panama. Rico had specifically asked for these publications. This gave Turner an opportunity to talk alone with Rico, and he informed him of VAN activities and of the steps being taken by the VAN to bring about an armed movement in Panama, since conditions were ripe for such action.
2. Around 26 October 1963 Ruben Dario Souza Batista, national secretary-general of the PDP, said that a Cuban agent had recently visited Panama to urge the VAN and the PDP to resolve their differences and unite. The PDP, however, violently rejected the suggestion. Souza

said that PDP leaders planned to ascertain the correct name of the agent and submit a written protest concerning his activities to the Soviet Embassy in Mexico.

3. Around 5 November 1963 Ruperto Luther Thomas, national secretary of propaganda of the PDP, informed regional-level PDP leaders that Armando Conte, a writer for Tiempos in Mexico, recently came to Panama and spoke with Victor.² He said that he was an emissary of the Cubans, and had come to Panama to convince Victor of the need to support the Cuban line of armed revolution. Victor told Conte that the PDP would not be told what to do, because it had its own line on the Panamanian Revolution.

Comments

1. Rico arrived in Panama from San Jose, Costa Rica, on 20 October 1963, at which time he provided the following personal data on his landing card:

Born on 6 February 1928 at El Ferrol /presumably in Mexico/
Citizen of Mexico, bearer of passport No. 16897
Occupation - newspaperman
Permanent Address - Providencia 930, Mexico, D. F.

Rico left Panama for Venezuela on 22 October 1963.

2. Travel records contain no information on the arrival of any person with the name Armando Conte during the period in question, and the name is believed to be a pseudonym used by Rico. It is interesting to note that two VAN sources identified the visiting Mexican journalist by the name of Rico or Risco; however, no PDP source has reported that name, and Souza's comments as reported in paragraph 2 tend to indicate that the visitor concealed his identity from the PDP.

Headquarters Comment. TDCCS-3/563,671, of 31 October 1963, described Rico Galan's visit to Mexico in the same general terms.

ENTREVISTA HECHA EN NICARAGUA EL 24 DE AGOSTO DE 1963 AL DR. ALVARO ARRIBALZAGA.
EL DR. ARRIBALZAGA DICE QUE EL 24 DE AGOSTO DE 1963 EL DR. ALVARO ARRIBALZAGA, AL
MENOS ALGUNOS DIAS DESPUES DE LA FUNDACION DEL PARTIDO REVOLUCIONARIO NICARAGUENSE, HABLA CON EL DR. ALVARO ARRIBALZAGA SOBRE LOS DIFERENTES PROBLEMAS Y
LA ACTUAL SITUACION DEL PAIS.

NOT SUITABLE FOR MICROFILM

P.- Dr. Arrabalzaga, ¿que hay de nuevo con los cargos, graves de cincuenta, que se le han formulado a través de señores y a través de todo Períodico, acusando al Dr. Arrabalzaga?

R.- Bueno, eh, los cargos son absolutamente falsos, una vez que Ud. me pregunta concretamente acerca de cada uno de ellos, yo les convenceré de los, eh, van dar a conocer la verdad, sin embargo no interesaría, eh, anticipar la opinión de mi Partido sobre lo por qué se ha desatado en los últimos días una campaña tan intensa de difamación contra el Partido Revolucionario Republicano, nosotros entendemos que esta campaña se debe a la inmodesta posición en que ha tomado la sociedad nacional por la adopción por parte de los jóvenes de la Universidad Católica de un programa revolucionario, en efecto, tutte la identificación de principios de los jóvenes de la UNA como sus réplicas estalinistas a don PATRICK ANTILLIO CUDINA, el propio rector de la UNA, el Dr. CEDRICH MIVAS, tienen creer en la fuerza de su planteamiento. ahora bien, si hablan de que esta juventud que ha sido reogida ya en el seno propulsado por los sectores masos y los sectores de la reacción nacional, está levantando en ese adiós al antiguo régimen colonialista como al de todos los partidos de América Latina y el mundo de que esa doctrina de participación de los jóvenes de la UNA tiene algunas similitudes real con el programa político del Partido Revolucionario Republicano, es la causa verdadera para que se haya levantado todo esto tempestad dentro el Partido, sin embargo, eh, no podemos negar que por una necesidad histórica del desarrollo social de los pueblos Latinoamericanos, como por razones de juventud, los jóvenes de la UNA venían desprendiendo lo viejo, lo que ya no era en la mentalidad nicaragüense y venían solidariándose con los Partidos que son Revolucionarios Republicanos, representan lo nuevo, lo progresista, el fondo moderno y revolucionario dentro de nuestro país.

P.- Dr. Alvaro Arrabalzaga, cuide informante que dio información díj en su artículo reportaje sobre lo que ya se ha dado en Nicaragua entre los Dr. y también entre numerosos jóvenes contra el Dr. en primer lugar, qué hoy en día sucede al caso del joven - VIDA - VIDA -

R.- Lo que se ha llamado al caso del amigo LUIS VIDA el 12, no se sé que su nombre se ha dirigido del comandante MF. al resto de la dirección nacional del Partido Revolucionario Republicano, por causas puramente particulares debido a las circunstancias personales del Dr. VIDA, cuando ha manifestado con ALBERTO ARENAL VIDA, alias pupus o discusión movida dentro del Partido Revolucionario Republicano, se ha especulado tanto entre la gente ciertas cosas que MF. VIDA, se va juzgar como una posura nacionálista porque todo el Partido MF. VIDA es postura nacionálista, es absurdo decir que VIDA VIDA se va juzgar porque que el Dr. MF. se vio obligado a irse al - Potosí, porque el Partido Revolucionario Republicano tiene esperanza en jóvenes y dirigentes estalinistas, el Partido Revolucionario Republicano tiene su política dentro de los sistemas nacionales, nosotros nos dirigimos por nosotros mismos, como bien, para desatender completamente los fallos de las direcciones anteriores que seguía la UNA como VIDA VIDA con todos los sectores del Partido Revolucionario Republicano en la reunión del viernes pasado, se habla amplia, MF. VIDA se ausentó, se asistió a esa reunión, de manera que jamás pudo tener ese contacto directamente cuando no asistió alguien a dicha reunión.

P.- Falso a hacerlo otra pregunta. R. ALVAN MUÑOZ DELLAL 4, pero antes quiero decirlo, como previsto quiero indagarle si él, en su mano está tal informando de que esa información aparecida en tanto informaciones, la obtuvo o la tuvo en una parte tan cierta como que él se llama "Alvano" autor, autor de esta cuestión de RUMETZ MICO incluso se me dijo los detalles que acerca de su falda que había sostenido con varios miembros del ... el cual, en el cual existía de que tenía de tener el Artículo 81, una actividad nacionallista sin China Roja y sin "Mao" y sin otra influencia, pero él ya respondió esta pregunta y ahora responde a la siguiente. - Se dijo también de que había graves cargos contra los dirigentes del M.R. por haber dejado en las montañas chaklondados a los jóvenes que habían ido a luchar allí con las armas en las manos, qué hay de estos cargos, graves por cierto?

R.- El Partido M.R. no ha tenido jamás alianza, acuerdos u otros ligados con el Partido Comunista de Liberación Nacional, autor de los guerrilleros en el Norte del País, por suerte que no tenemos ningún compromiso con los guerrilleros, tal go- dade culpiése de haber abandonado a nadie en una empresa por la cual nosotros juntas heros participado. -

P.- Tanto con la anterior pregunta R. ALVAN MUÑOZ DELLAL quiere advertirme de que en entrevista que dio al Lic. VICTOR MICO MICO alijo que muchachos que formaban parte en "solidación" apóllena se habían ido con el M.R. ahora también se tuvo conocimiento de que aquel muchacho venido un señor llamado RUMETZ MICO representante de la revista o de la publicación "SILKAPOL" y la revista también o publicación llamada "POLITICA" considerada esencialmente en México como izquierdista, también se dice que él se había entrevistado en el cuarto piso del Hotel Costa Rica este señor RUMETZ MICO, privadamente, lo advierto que esta in- formación la obtuve así. Informaciones en fuente de tanto crédito como le ser- co su palabra. -

R.- Sí, sí, sobre la cuestión anterior que M.R. insistió en vincular al M.R. con movimientos guerrilleros, las cosas a mí no son, el hecho es que al Dr. Jacobo ha tenido participación en algunas insurrecciones en Nicaragua, no lo ha tenido con es un hecho cierto, el hecho de que algunos miembros jóvenes del M.R. hayan parti- cipado en alguna actividad guerrillera es un hecho que escapa al control oficial del Partido. - En cuanto a la visita del periodista VICTOR MICO (que) dobo decírselo que es otra de las trascendencias que se les inventario en estos últimos días, VICTOR MICO MICO es un periodista de extensa experiencia continental muy resguardado en su país, México, al como otros muchos periodistas extranjeros que visitan Nicaragua, llegó a su oficina a hacerme un entrevista, supo por él mismo que había tratado de en- trevisar al presidente obispo, que había logrado entrevistar a los funcionarios de la Secretaría de Información y Prensa, que había recibido un telegrama de parte del embajador de México en Managua y que se había visto finalmente con diversas personalidades políticas que a él le interesaran paraoir su opinión y formarse un juicio acerca acerca de la situación política de Nicaragua, por otra parte el mismo diario La Nación le hizo una entrevista a VICTOR MICO MICO sobre los últimos acontecimientos sucedidos en la República de Honduras, de manera que sus pasos por Nicaragua no tiene nada de extraordinario, la revista "SILKAPOL" de la cual él es representante es una revista que sale por ignorancia o por mala fe, se puede calificar de un órgano izquierdista, cualquiera persona que haya es- tado en México y que haya ido ahí, pues con uso de razón, podrá darse cuenta de que "SILKAPOL" es una publicación completamente equilibrada, quiero decir con esto, de que en esa revista se publica tanto tesis de derecha como tesis de izquierda, que frecuentemente en esa revista VICTOR MICO MICO ha expresado el pensamiento oficial del Gobierno "Naxismo", en la revista "POLITICA", en, en la cual tengo aquí un número, puedo mostrarle que aparece precisamente un artículo de VICTOR MICO MICO en que defiende la política exterior del presidente LUNA MUÑOZ, de memoria...

Si no se dice a que periodista se le puede calificar de periodista con el fin de que sea extranjero, al otro que él se entrevistó es un hecho que llevó la libertad de impresiones sobre de la situación nacional sin que fuese tenido como de secreto y sin que tenga carácter de un examen político que viene a perturbar tanto al Partido M.R. como lo ha dicho algún periodista, esto es un abuso que no tiene ninguna base cierta.

L.º 18; deseoso de alcanzr novedad valiosa, pero antes de formularlo le diré que
quita más que no contratarlo económicamente, lo mejor es, en el año "otra
o no lo visto", indicado quieren informarles que no tienen ni tienen información ni los
partidistas nacionales los que hemos dado el consentimiento de hacer la liquidación a las
publicaciones que hace al P. M. tanto como al P. S., como se ven los medios, prohibi-
dos de México los que nun tienen tal cosa, señáre Ud. que se protestara la progra-
ma que se acusa de formular.

—... como te diré, al sr. doctor perteneciente se plazó una enfermera y se acercó a ella, no sé si que él vio, se acercó a ella para un rocambolesco de la cual no podían separarse en secreto y yo me alejé para jugar a buscarme al rancho local, así, seguramente se fui a buscar, al só visto cariñoso a mi enfermera, así estuve alrededor de una hora y media y como es todo lo que ha acontecido.—

que es cierto que no me considero la mejor de mis fuerzas, pero eso no me da derecho a negarles de veracidad en ninguna forma, está claro, pero en mi punto de vista exacta esa información, con respecto a la propuesta ficticia, es lo siguiente. En la entrevista se lo viéndole realizando un análisis porque se menciona, que llegaron periodistas y la comisión en general, convocó a los diputados, o mejor dicho sus dirigentes políticos, quienes en serie de reuniones y resoluciones que no son del conocimiento público, ya sea entre sí o la rama o mi ejecutivo establecer, que cuáles se consideran de aplicación a otros como tales en esa reunión que?

000

Re... para abrir justicia en tal sentido en los demás partidos opositores, por otra parte se trataron asuntos rotinerios de organización interna del Partido y de fincamientos de alegro resultado lo que había pasado dificultades secundarias, pero que con el aporte que ofrecieron los delegados de todos los departamentos se han solucionado y volverá aparecer el sábado próximo.

Carta del Dr. Alvaro Ramírez sobre la crisis en su Partido

Señor

Don Roger Mendieta Alvaro,
Director del Diario
LA NACION;
Managua, D.N.

Estimado señor Director:

Con pena ha leído en el Diario que usted dirige, en la edición de hoy, la información falsa que bajo las ocho columnas de "grave drama en el MR" ofrece a sus lectores, todo vez que si se reportara me habían entrevistado y en lugar de pañiche la realidad de las cosas se jalaron un folletín falso y tan denigrante.

Digo con pena, porque hasta la presente ocasión, el Diario LA NACION había mantenido respecto a nuestro Partido actitud de respeto y tolerancia seguramente reciproca a nuestra posición frente al neozelandés y porque para romper tal statu quo no era necesario recurrir a la calumnia y a la injuria.

Mi partido no puede dejar sin respuesta negativa y enfática la aseveración que en dicho escrito hace LA NACION en el sentido de que algunos miembros de "MR" habrían lanzado la acusación contra nuestra dirigencia de ser responsables de la muerte de los guerrilleros en Rio.

Bocay por haberles cortado la ayuda de nuestro Partido. Cuando se sabe muy bien los nombres y apellidos de los autores de esa muerte, resulta una infamia acusar al Partido Movilización Republicana de actos por los cuales no puede responder, ni por acción, ni por omisión. Es lo cierto que "MR" jamás ha prestado ninguna ayuda al movimiento insurreccional, que actualmente se "bate" desesperadamente en las montañas de Jinotega y otros sectores del Norte, según "LA NACION", debido a que no tenemos ni hemos tenido jamás ningún acuerdo con el "Partido Sandinista de Liberación Nacional". El M.R. sostiene una postura muy clara respecto del problema insurreccional, pues considera que como partido político no tiene capacidad actualmente para mezclarse en una lucha de esa naturaleza, y no va a perseguirlo da éxito a tal clase de lucha en las actuales circunstancias. Esto no significa en que neguemos el derecho de los guerrilleros a enriquecer la clase de lucha que es más conveniente, al mucho menos que no sea dueña la muerte de varios estudiantes universitarios y otros jóvenes en circunstancias que hablan

sido hecho prisionero, pero que nos llena de indignación y nos mueve a solidarizarnos con la protesta energética de los estudiantes de Nicaragua y otros sectores demócraticos del país. En consecuencia es completamente absurda y poca er, como lo hace LA NACION, que el periodista mexicano Víctor Rico Galán, haya venido a pedirnos rendición de cuentas y nosocesaria sobre los guerrilleros del Norte, pues somos nosotros a tal movimiento y nuestra política la trazamos nosotros mismos y jamás dependemos de ninguna influencia extranjera. Una Revolución no podrá importarse de ninguna parte, y solamente será posible cuando el pueblo se sienta en su propia decisión y solamente entonces "MR" ocupará el sitio que le señale su deber, pacífico.

El periodista Rico Galán me entrevistó en mi Oficina, es cosa frecuente que hacen numerosos periodistas extranjeros que visitan el país, las respuestas que di a sus preguntas periodísticas sobre la realidad nacional no tienen nada de secretos ni clandestinas, bien pudiera díches en una plaza pública. La Revista "Sempre" el representante no corresponde a la realidad. Cuadra con que no sea un ignorante sobre el periodismo norteamericano, ya sabrá que este es vehículo de información y propaganda, y no tanto al Lic. Emilio Portes Gil como a Leopoldo Toledo. Yo, porque en eso lo rechazé él mismo, en su viaje por Managua. Portes Gil trató de entrevistar a Fortuna, al Presidente Roblek y logró entrevistar a varias personalidades políticas y su opinión lo induce a formarse un dictamen la situación de Nicaragua, incluso recibió algunas visitas del Señor Secretario de México, y después con los funcionarios de la Secretaría de Informaciones, y finalmente la gente de LA NACION lo puso en su situación, pero lo entiendo la última vez que a la D. Diaz Latorre

Voces de Honduras. Quién ha misteriosamente el pelo por Nicaragua si él que ha querido creer a LA NACION que ese señor haya venido a regalar al MR?

Todo lo aseverado respecto del "caso" de Everta Velas no pasa de ser producto de la mente calenturienta de sus reporteros. Jamás ha existido discusión alguna con el antiguo Everta sobre la "pugna ideológica" pura y dura considerando en MI que el problema es de la incapacidad exclusiva de los partidos comunistas, y si nos invita a bromeo a cualquier ser humano, es por el bájico que la política de dichos partidos tiene en todos los países del mundo. La verdad al respecto es que Everta se ha retirado de la Dirección del semanario MR así como de la Dirección Nacional del nuestro Partido debido a sus designaciones personales.

Es lamentable que el director de LA NACION lleva tanto daño en la campaña claramente levantada en los últimos días contra el Partido Movimiento Revolucionario Republicano. Reconocemos que la causa eficiente de esta campaña no ha sido impulsada en utilizar medios verdaderos por la ética periodística, no es otra que la intención de la dirección anónima, por ciertos ideólogos invitados por los jóvenes estudiantes de la Universidad Central. Tanto la Declaración de Principios de estos jóvenes como sus dirigentes, como Rector de dicha Universidad y don Dr. Antonio Cordero y Dr. Verónika López y a quienes han estado contradi-

cidas han dejado la situación tan despedida que obliga a reconocer la justicia de su acta, y como estos hechos involucrados de los jóvenes estudiantes de la UCA están amparados con los objetivos del Partido Movilización Republicana por coincidencia ideológica y por necesidad histórica, la reacción ha creído necesario arremeter contra nuestro partido sabedor de que las nuevas generaciones le han dado las espaldas favorablemente a lo viejo y tradicional de nuestra sociedad, y hacen causa común con otros partidos que como "MR" presentan lo nuevo y lo progresista. No se escapa a nuestra comprensión que la desairada campaña de prestigio trazada en torno al Partido Movilización Republicana, está vinculada a los esfuerzos de ciertos círculos conservadores, ultraderechistas que deseando opacar al Dr. Agüero y truncar su trayectoria política, desean instar al Partido Conservador "a hacer" un colaboracionismo servil con el régimen Somoza, hasta ellos no dan cuenta y el pueblo nicaragüense sabe que el Partido Movilización Republicano es un grupo separado por ideología y por eso nos arredaban. Pídale a usted la publicación integral de la presentación en LA NACION periodico de verdad objetividad y espíritu progresista, quisiéramos que fuese legible.

Agradeciendo de antemano la publicación de la presente, le es grato suscribir,

Atta y S. S.

Golpe contra Villeda Morales fue propinado por la Misión Militar

Declaración periodística mexicano

El golpe de Etatario que dio el traste con el Gobierno del Dr. Miguel Morales en Honduras, no fue producido por el Ejército hondureño, sino que fue una acción directa de la Misión Militar Norteamericana residente en Tegucigalpa, obedeciendo órdenes del Pentágono, dijo ayer maestro el periodista mormón Victor Rico Galán.

El periodista Rico Galán manifestó: "El caso de los campesinos en México es que éstos tienen tierras para trabajar, pero no son dueños de su producción, y las mañas, las tierras tienen que vender sus cosechas por precios

lado a precios explotadores". Sin embargo, el periodista Rico Galán critica al Presidente López Mateos como representante en política a "centro izquierdismo" descalificándolo de revisionista, como lo han llamado en otros países".

El señor Víctor Hugo Gálvez concluyó durante su entrevista al redactor Cole Chamorro que el "Tapadismo en Méjico" consiste esencialmente en la designación de un candidato presidencial, escondido en secreto o fíalmente en las entrañas del mismo partido actualmente gobernante, para lo que la elección presidencial no se efectúa a través de un movimiento político popular.

1. DURING MEETING 24 OCTOBER HYSAGE-1 PROVIDED FOLLOWING AMPLIFICATION AND CLARIFICATION ROLE OF MEXICAN JOURNALIST, RICO GALAN:

A. GALAN, CONTRARY TO HYSAGE EARLIER STATEMENTS, RECENTLY SPENT EIGHT DAYS PBRUMEN ON "VACATION" WITH AMTHUR-1, DURING WHICH TIME HE RECEIVED OPERATIONAL ASSIGNMENT ON WHICH HE NOW TRAVELING THROUGH CENTRAL AND SOUTH AMERICA. ALTHOUGH WELL KNOWN LEFTIST, HE IS ABLE TO TRAVEL BECAUSE HE HAS SOME SPECIAL ARRANGEMENT WITH MEXICAN GOVERNMENT, DETAILS OF WHICH NOT CLEAR TO HYSAGE.

ARRANGEMENT GIVES GALAN SPECIAL PRIVILEGES

FROM MEXICAN EMASSIES IN PLACES HE VISITS. HYSAGE COMMENTED THAT MANY MEXICAN AMABASSADORS WILL BE ANGRY WHEN THEY LEARN HOW THEY HAVE BEEN USED GALAN.

B. GALANS MISSION IS TO PERSUADE LEFTIST PARTIES IN COUNTRIES HE VISITS TO BEGIN IMMEDIATELY ACTS SABOTAGE AND VIOLENCE AND TO TRY MAINTAIN THESE IN ORDER TAKE PRESSURE OFF VENEZUELA.

TO INSTRUCT HYSAGE THAT SHE IS TO WITHDRAW FROM THE NATIONAL COALITION PARTY AND OVERTLY JOIN ONE OF THE LEFTIST PARTIES, OR TRY TO FORM NEW ONE. THE INSTRUCTION IS CLEAR THAT THE LEFT IS TO GET TOGETHER. HYSAGE WAS ALSO AGAIN ENJOINED TO GET HER SON OUT OF PBP/PRIME. AFTER HEARING THE INSTRUCTIONS THAT GALAN HAD RE UNITY, HYSAGE TOLD GALAN THAT SHE, AS A WOMAN, COULD NOT ACCOMPLISH ALL THIS AND SHE DID IN FACT DECIDE TO BRING TOGETHER HUGO ALEJANDRO VICTOR, HER CLOSEST FRIEND IN PARTIDO DEL PUEBLO (PDP, PEOPLES PARTY COMMUNIST) AND DAVID TURNER, LEADER OF VANGUARD OF NATIONAL ACTION (VAN). (COMMENT: HER REMARKS INDICATED THAT SHE DID NOT INCLUDE JORGE TURNER BECAUSE ^GHE IS APPARENTLY SERIOUSLY ILL). GALAN URGED VICTOR AND TURNER, AS REPRESENTATIVES THEIR RESPECTIVE ORGANIZATIONS, TO MAKE NEW EFFORT TO SETTLE DIFFERENCES TO BRING ABOUT A MORE COORDINATED EFFORT. AS RESULT OF GALANS VISIT, MEETING TOOK PLACE AT NOON ON 24 OCTOBER FOR THE PURPOSE OF DISCUSSING UNITY, AGGRESSIVE ACTION, AND MERGER OF ALL LEFTIST UNITS TO GO TO ELECTIONS AS A BLOC IF ATTEMPTS TO STOP ELECTIONS SHOULD FAIL. THIS MEETING ATTENDED BY VICTOR, CARLOS DEL CID, RENATO PEREIRA, THELMA KING, ALVARO MENENDEZ, AND TWO UNIDENTIFIED STUDENTS. ALSO DURING MEETING "NEGRO" MARTINEZ, A PROFESSOR OF SPANISH AT UNIVERSITY, WHOM HYSAGE IDENTIFIED AS MEMBER OF COMMUNIST PARTY SECRET APARAT, CALLED VICTOR ASIDE FOR SHORT CONVERSATION. (COMMENT: BELIEVE THIS MAY BE JOSE DE JESUS MARTINEZ, PHILOSOPHY PROFESSOR UNIVERSITY). HYSAGE HEARD PART OF CONVERSATION WHICH WAS TO EFFECT THAT, AS REGARDS COORDINATION AND NEW DEVELOPMENTS, A MEETING BETWEEN THE SECRET APARAT AND CENTRAL

COMMITTEE WOULD HAVE TO TAKE PLACE ON 29 OCTOBER AT A PLACE ON THIRTEENTH STREET. HYSAGE SAID THAT, REALIZING IMPORTANCE OF MEETING, SHE TRIED TO GET ADDRESS AND WENT SO FAR AS TO ASK VICTOR IF SHE COULD BE INVITED ATTEND. VICTOR TOLD HER THAT, ALTHOUGH THEY ARE FRIENDS, SHE IS NOT MEMBER OF PARTY AND CANNOT EXPECT ATTEND HIGH LEVEL SECRET SESSIONS THIS SORT.

C. AS RESULT THIS MEETING, DECISION WAS TAKEN, APPARENTLY BY HYSAGE, TO BEGIN ACTS OF VIOLENCE IMMEDIATELY. (COMMENT: THIS WAS EXTRACTED FROM HER AFTER FIVE HOURS OF INTENSIVE INTERROGATION WHICH BROUGHT HER PRACTICALLY TO POINT OF TEARS. LEADING UP TO THIS SHE KEPT SAYING THAT IT WAS TO LATE FOR HER TO DO THE THINGS SHE WANTED FOR POPULAR REFORM. PONCHAY KEPT IT ON THIS POINT AND SHE FINALLY BROKE DOWN AND ADMITTED SHE HAD GIVEN THIS ORDER AND THAT AT THE MOMENT THEY WERE TALKING, MENENDEZ, ONE VICTOR (COMMENT: POSSIBLY VAUGHAN), AND SEVERAL OTHERS WERE ENGAGED IN MAKING MOLOTOV COCKTAILS AND HOMEMADE BOMBS OF SOME SORT. SHE SAID TARGETS STARTING THE NIGHT OF 24 OCTOBER THROUGH THE NEXT WEEK WERE SUPPOSED TO BE PBPRIME EMBASSY, PBPRIME INDUSTRIES, CANAL ZONE, PBPRIME CONSULATE IN COLON, AND THE VENEZUELAN CONSULATE IN COLON. PONCHAY TOLD HER HE ACCEPTED THE FACT THAT SHE WAS REALLY IN CHARGE OF THESE MATTERS BECAUSE OF OTHER THINGS HE KNEW, BUT GAVE HER A SEVERE VERBAL LASHING FOR PERMITTING THIS TO GET THIS FAR WITHOUT TELLING HIM. HE EXTRACTED PROMISE FROM HER THAT SHE WOULD DO EVERYTHING HER POWER TO PREVENT ACTION AGAINST PBPRIME INSTALLATIONS. SHE SAID, AND AGAIN APPEARED TO BE TELLING THE TRUTH BECAUSE SHE WAS UNDER THE MOST INTENSIVE PRESSURE PONCHAY HAS EVER SUBJECTED HER TO,

THAT SHE WOULD TRY TO HOLD OFF ACTION AGAINST PBPRIME EMBASSIES AND CONSULATES. SHE SAID SHE WAS CERTAIN SHE COULD NOT STOP THE ACTION AGAINST THE VENEZUELAN CONSULATE WHICH WAS TENTATIVELY SCHEDULED FOR NIGHT 24 OCTOBER, AND PONCHAY TOLD HER NOT TO TRY TO STOP THAT ACTION. (COMMENT: THIS PORTION OF INFO RE PLANS FOR VIOLENCE WAS DISSEMINATED VERBALLY TO LOCAL AGENCIES. ODTST CONFIRMS THAT MOLOTOV COCKTAIL WAS THROWN AT VENEZUELAN CONSULATE COLON AT 0040 ON 25 OCTOBER.)

D. GALAN WAS ALSO TOLD TO GET FROM HYSAGE FOR DELIVERY TO AMTHUG-I IMMEDIATELY, A STATEMENT IN HER OWN HANDWRITING SIGNED BY HER THAT SHE WILL ACCERT NO FURTHER ASSISTANCE FROM THE OLIGARCHY.

E. IN HIS DISCUSSION WITH HYSAGE, GALAN GAVE HIS ITINERARY AS FOLLOWS, HOWEVER, HYSAGE DOES NOT KNOW DATES:

FROM MEXICO HE TRAVELED GUATEMALA WHERE HE MET WITH GUERRILLA LEADER GOMEZ AYAU (FNU). HE GAVE HIM THE PITCH FOR ACTION. HE HAD SIMILAR MEETING WITH NICARAGUAN GUERRILLA LEADER WHOSE NAME HYSAGE TRIED FOR TEN MINUTES RECALL WITHOUT SUCCESS. GALAN THEN TRAVELED COSTA RICA AND MET WITH ONE OF THE MORA BROTHERS. FROM PANAMA HE INTENDED TRAVEL VENEZUELA WHERE HIS CONTACT WAS TO BE ARGELIA LAYA. HYSAGE DID NOT BELIEVE HE INTENDED GO COLOMBIA, BUT SAID HE WOULD PROCEED BRAZIL WHERE HE PLANNED MEET WITH PRESTES AND JULIAO. HYSAGE COMMENTED THAT GALAN POINTED OUT TO HER JULIAOS PRIME ADVANTAGE IN THE REVOLUTION, I.E., FACT THAT JULIAOS WIFE AND FAMILY IN CUBA WHERE THEY SAVE. GALAN INDICATED THAT HYSAGE WOULD BE WISE ^{DO THE SAME THING.} (COMMENT: HYKIK DO EXAM-2 AND HYJADE-1 HAVE BOTH REPORTED ON RECENT ^{OM} VISIT OF UNIDENTIFIED FOREIGNER.)

3. HYSAGE SAID SHE HAD REASON BELIEVE THAT SHE NOW KNEW SUCCESSOR OF DIOGENES ALBERTO PINO. AS IN THE PAST, SHE SAID COULD NOT MENTION HIS NAME BUT WOULD PROVIDE ENOUGH LEADS TO PERMIT PONCHAY FIGURE OUT HIS IDENTIFY. OVER A PERIOD OF AN HOUR, SHE PROVIDED THE FOLLOWING LEADS: THAT HE WORKS FOR CHIARI FAMILY, HAD BEEN A CLOSE FRIEND OF PINOS IN HIS YOUTH AND HAD BEEN PHOTOGRAPHED WITH A PROMINENT MEXICAN JOURNALIST WHO HAD BEEN PHOTOGRAPHED LEAVING AIRPORT IN PANAMA SOME MONTHS AGO AFTER MAKING SOME PRO CASTRO STATEMENTS. THINKING THIS OVER, PONCHAY SAID HE THOUGHT SHE MUST BE TALKING ABOUT SOMEONE CONNECTED WITH CHIARI RADIO AND TELEVISION NETWORKS. SHE CONCEDED THIS WAS CORRECT, AND MENTIONED VARIOUS PEOPLE CONNECTED WITH TELEVISION STATION IN SUCH MANNER THAT IT APPEARS MOST PROBABLY SHE WAS TALKING ABOUT RODOLFO GARCIA DE PAREDES OR LUIS ESTRIBI. STATION IS CHECKING FURTHER.

On 27 June 1963, Victor Rico Galan, Mexican Marxist journalist and head of the National Press and Propaganda Committee of the Movimiento de Liberacion Nacional (MLN - National Liberation Movement) rabidly anti-United States, pro-Cuba, Communist front organization, said that during his recent visit to Cuba he noticed the morale among Cuban intellectuals was very low. Rico Galan said that certain Cuban intellectuals do not understand the problems which exist for them, and others are not well informed. Rico Galan further said that although this problem is not openly discussed, there have been certain newspapers and magazines published in Cuba which pointed out lack of curiosity on the part of the Cuban intellectuals and called for a greater realization of the problems confronting them.

1. Comment:

Rico Galan went to Cuba on 25 May 1963 to interview Fidel Castro Ruz, Communist Prime Minister of Cuba, on Castro's trip to the Soviet Union. Rico Galan returned to Mexico on 22 June 1963. (Cf. HFM-7326, HFM-7466)

1. Victor Rico Galan, Mexican Marxist journalist and head of the National Press and Propaganda Committee of the Movimiento de Liberacion Nacional (MLN - National Liberation Movement), rabidly anti-United States, pro-Cuba, Communist front, returned to Mexico from Cuba on 22 June 1963.¹
2. Rico Galan said that while in Cuba he spent eight days with Fidel Castro Rus, Communist Prime Minister, and also spoke with the following Cuban Government officials: Osvaldo Portocas Torrado, President, Ernesto ("Che") Guevara Serna, Minister of Industries, Raul Ron Garcia, Minister of Foreign Relations, Francisco Wilfredo Bias Lopez Calderon, Secretary-general of the Partido Socialista Popular (PSP - Cuban Communist Party), Regino Pati Leon, Minister of National Economy, Jose Llanes Gobel, director of the National Institute of Sports, Physical Education and Recreation.

According to Rico Galan, he spent five of the eight days with Castro at sea and Castro discussed his visit to the Soviet Union and his talks with Nikita Khrushchev, Premier of the Soviet Union. Rico Galan further said that the Cuban Government is now making an effort to improve its relations with the Mexican Government, which, according to Rico Galan have been neglected. These efforts by the Cuban Government will be made not only at the diplomatic level but also "at higher levels." Cuba will also try to improve its relations with Brazil, now that the Brazilian political situation is calmer.

3. Rico Galan said that he received the impression upon his arrival at the Mexico City airport, that passengers returning from Cuba were being treated with more courtesy. Rico Galan returned to Mexico on the same flight as Joaquin Fernandez de Armas, new Cuban Ambassador to Mexico. He said that the international room at the airport was opened to Hernandez, and that he was met by Joaquin Bernal, Assistant Chief of Protocol of the Mexican Ministry of Foreign Relations and received certain other considerations which are uncommon for an arriving ambassador.
4. Rico Galan also said that while in Cuba he saw Dr. Enrique Cabrera Cosio, prominent leftist Mexican cardiologist.² Rico Galan said that Cabrera was happy in Cuba, that he enjoyed prestige and the esteem of the Cubans, and that he was doing his best with the means available to him.
5. Rico Galan said he planned to write a series of four or five articles. His articles will deal with subjects of "theoretical interest" and of the problems the Cuban Government is having carrying out the purposes of its revolution.

Field Comments:

1. It was reported previously that Rico Galan had agreed to go to Cuba to interview Castro concerning his trip to the Soviet Union. He left Mexico on 25 May. (Cf. HM4-7326).
2. It was also reported previously that Cabrera went to Cuba in October 1962 as a guest of the Cuban Government. Cabrera was dismissed from the Mexican National Cardiological Institute in July 1962 because of his leftist activities. (Cf. HM4-6902).

C. Mexico to Czechoslovakia

There is a good chance that Mexico may participate in the Fifth Industrial Fair in Brno, Czechoslovakia, in September 1962. The announcement was made by Dr Emilio Vera Blanco, president of the National Chamber of Industry of Mexico, upon his arrival in Mexico City from Europe on 30 September 1962. While in Europe, Dr Vera Blanco had interviews with European industrialists and government officials, among them the Assistant Trade Minister of Czechoslovakia, who showed great interest in Mexico. (Mexico City, La Prensa, 1 Oct 62)

D. Mexico -- Contacts with Cuba

1. Soviet Couriers to Cuba

Russian diplomatic couriers Sergey Kulikov and Ivan Filitov left Mexico City for Havana recently in a Cutina de Aviacion airline plane on a special and very secret mission. They were carrying several bulky briefcases, which the Russian diplomats marked diplomatic pouch, and which weighed 120 kilos. Four special guards accompanied the couriers and their briefcases. The arrivals of Cubanair airline planes in Mexico heretofore have caused incidents, as their passengers tried to smuggle Communist propaganda which the Mexican federal agents confiscated. Among the other passengers in the flight to Havana, in addition to the Russians, were the Mexican Communists Elias Galindo, a music composer, and Victor Ricardalin, a journalist. (Mexico City, El Universal, 3 Oct 62)

2. Cuban and Communist Propaganda Confiscated

Agents of the Federal Judicial Police, at the airport in Mexico City, under the command of Maj Alberto Macrigal Nieto, confiscated Communist propaganda pamphlets from three Argentine citizens who arrived in the city from Havana en route to Uruguay. The Argentines are Antonio Ricardo Munoz and Jose Ramon Suarez, and Argentina Grotischer Kreimer de Rodriguez. Among the propaganda materials are Fidel Castro's book La Historia me Absolverá (History Will Absolve Me), several Soviet and Cuban periodicals, and Patria o Muerte (Fatherland or Death) sheet. “Les diré esto porque se la especie de población que viene con la gente que yo vengo es la de los compatriotas cubanos y en cambio quienes tienen opiniones no están más sino la expresión de las opiniones de ellos, es más, algunos compatriotas me insinúan la convicción de que yo puedo estar mejor informado aquí. Naturalmente, me negaré por una razón fundamental: porque no es cierto. Yo no vine a la representación de los compatriotas cubanos. De modo, pues, que desearía contar todas sus opiniones al respecto; lo único que yo puedo hacer son especulaciones respecto a cuál puede ser su pensamiento en la medida en que lo conozco; pues son ideas generales y entienden, como sé lo que piensan de los movimientos y la liberación que actuaron en la América Latina, me pido imaginar que puedan opinar respecto a ese prometido pero eso también se lo pediría imaginando ustedes, que saben también que es lo que ellos creían. De modo que no tendría ningún sentido mi viaje, si este intentara por objeto mantenerles algo que ustedes pueden saber perfectamente.

"Yo he visto en el plan internacional la figura que tiene el Movimiento 13 de Noviembre, como un símbolo de lucha de liberación nacional, no solo de Guatemala, sino de América Latina, y la importancia que tiene el comandante en jefe, como Jefe, contra de ese núcleo.

"En Mexico, casi, todos le hacen la bromita de que parece que me consideran el ducho de la revolución guatemalteca, porque cada vez que llega por allá una noticia, en su periódico, o en su radio, para todas las personas revolucionarias mandan por teléfono, y ven a buscarme para ver qué es lo que yo opino, como si yo tuviera mi dirección en la 8 avenida de Méjico, para estar enterado de todo lo que pasa.

explicar la idea lo más claramente que yo pueda. Mi idea es ésta: cuando se está inclinando en el país americano de un lado o del otro, hay que tratar de tener una clase de conciencia y una gran experiencia en los acontecimientos políticos con influencia, donde las ideas propias, tanto como las tienen una amplia conciencia de los problemas y sus necesidades. Vamos a decir, en Francia, vamos a decir, en Italia, todos estos países europeos, sobre la visión global de la burguesía, a los que ustedes son afectos; distinciones entre diversos sectores de la burguesía, análisis sobre las necesidades de la clase obrera, sobre el papel internacional de la fuerza de los pueblos semiocultos o coloniales, etc., son alla necesarias; y es necesario, porque, para que un partido, para que un grupo tenga cultura, necesita convencer masas altamente políticas.

"En nuestros países, no se nos plantea ese problema, porque las masas nuestras son sumamente conscientes de nuestro punto de vista político, mejor dicho, en términos mejores, más claros, más exactos; tienen una paciencia muy elemental de sus problemas; la paciencia del campesino por la tierra, y creo que no va más allá por momento. Creo que el campesino de la América Latina, se lo oímos decir para sus hijos y nietos, en la etapa de mas edad, decía,

que a él no se le planteó más pregunta más. Entonces, cuando oyó lo "Federación Socialista"; recordó esas cosas que las señas amigadas, porque ya era una confusión terriblemente grande. Entonces, no lo digo, porque esto y lo estás bien visto, cuando se habla de los temas más grandes, cuando ven todo eso con el resto, el desorden de las ideas hace que se quedan. Yo diría que asustados, con miedo de ser minuciosos, o sea veritad.

"Cultura y como enseñarla",
que incluye una sección titulada
"Método y orden de enseñanza de las

El mundo actual encierra entre granos de tristeza y vigorosas esperanzas, entre la deserción y la lealtad, entre lo que el hombre intuye ser mejor, y lo que en el curso de la historia ha vivido, aun en las épocas remotas, como recordación de progreso. Una cultura viene de la viva cultura del mundo; pero ésta no tiene la certidumbre de que el hombre que ha sido capaz de crear el conocimiento y la justicia, sabrá también para resolver los problemas que afectan a todos los pueblos.

El derecho deberá garantizar el desarrollo de cada pueblo para mantener la soberanía de sus pueblos a través de sus propias instituciones. De manera que, asegurada la independencia de cada nación, pueda practicarse, para beneficio común, la solidaridad internacional basada en la justicia y la fuerza creadora de los pueblos.

¡Buenas tardes!

Dijo que al dar la bienvenida el Presidente mexicano, "lo saludó como simbolo de una democracia auténtica de América, cuya grandeza inspiraría a cuantos aman la libertad".

Este viaje, dijo, "entraría el feliz augurio de una heredada cooperación constructiva entre nuestros pueblos".

Mexicanos y salvadoreños, han coincidido en su favor por la libertad y en la lucha por conquistarla. Si hemos coincidido en el pasado con mayor razón debemos estar unidos en el porvenir para acrecentar la solidaridad y la cooperación entre ambos pueblos.

AYUDA EN LO CULTURAL

Solidaridad y cooperación son precisamente nuestras más altas aspiraciones en el desenvolvimiento de nuestras relaciones sociales, políticas, culturales y económicas.

En lo político, queremos una América justa, democrática, humanitaria, donde las personas y las ideas se libre de corriente... realmente, sin violencia interna, sin presión ni del exterior.

En lo cultural tratamos de ayudarnos crecientemente, sabiendo que el de la cultura es el ámbito en el que los hombres pueden entenderse mejor.

En lo económico podemos hacer mucho más de lo que hasta ahora hemos hecho para fortalecer nuestra necesaria integración e intensificar el comercio de nuestros países.

Queremos urgentemente elevar el nivel de vida de nuestros pueblos, que con justicia reclaman pan y libertad; cultura y bienestar, salud y seguridad. Disponemos de recursos propios, de tierras generosas, de voluntad dispuesta a labrar un porvenir más justo para todos.

Ha llegado la hora del esfuerzo conjunto y de la cooperación honesta!

EL VALOR DE LA AMISTAD

Confío en que mi estancia en este país hermano resulte propicia para afianzar la cordialidad de nuestras Repúblicas y avivar, mediante actos prácticos y fecundos, la fe que depositamos en el valor de nuestra amistad.

Se que interpreto a todos los mexicanos al decir al intrépido pueblo salvadoreño/prosperidad en él trabajo, seguridad en la justicia y paz en la libertad.

Excelentísimo señor Presidente: La señora doña Díaz Ordaz y yo, así como los miembros del gobierno mexicano que me acompañan, agradecemos a usted profundamente las palabras tan deferentes y amables que nos ha dirigido como bienvenida y cordialidad con que el gobierno y el pueblo de El Salvador nos han ofrecido la hospitalidad que disfrutamos en este momento.

Con afecto y cariño, le deseo éxito en su viaje.

Yo, por su parte, le diré que en su visita a la República salvadoreña, se cumplió el sueño de la amistad entre los pueblos de Centroamérica.

25 minutos después inició el Presidente mexicano el recorrido del aeropuerto, a la embajada de México, a 13 kilómetros de distancia, donde miles de personas lo saludaron efusivamente.

te de El Salvador, coronel Julio A. Rivera, durante su discurso de bienvenida.

Momentos antes, al descender el mandatario mexicano del avión que lo puso en suelo salvadoreño, el Presidente Rivera rompió el protocolo y se dirigió hasta la escalerilla del avión para recibír con un abrazo al jefe del gobierno mexicano. La multitud concentrada en el aeropuerto rompió en aclamaciones que fueron apagadas momentáneamente por los honores de ordenanza y 21 salvas en honor del ilustre visitante.

Antes de abandonar el aeropuerto, el mandatario mexicano y sus acompañantes rememoraron el suelo patrio al escuchar las mexicanas canciones interpretadas por un grupo de mariachis.

El Presidente Díaz Ordaz había arribado a las 10:30 horas.

Durante su recorrido por las calles salvadoreñas, el pueblo se reunió a lo largo del trayecto para aplaudir al paso de la comitiva. Los dos mandatarios saludaban de pie a bordo de un automóvil negro descubierto. Las gerbillinas y el papel picado caían de los edificios en lluvia de simbólica amistad y cariño entre los dos pueblos. El cruce de las calles de esa capital centroamericana, los postes, ventanas y escaparates de los comercios, lucían nuestros colores patrios y grandes y pequeñas fotografías del Presidente Díaz Ordaz y su señora esposa.

La labor subversiva y de agitación del comunista Víctor Alfonso Galán se pidió también en México con agresivos escritos tuyos, publicados en las revistas donde trabaja, y en los cuales mencionó favorablemente la visita del Presidente de México, país en el que él vive.

Galan vive asilado. Reproducciones de sus artículos circularon entre los rebeldes guatemaltecos, con los cuales, mediante el periodista mencionado y otros agentes, mantuvo estrecho contacto el Partido Comunista de México.

Por todo esto, el Gobierno de Guatemala estoy particularmente tomado todas las medidas necesarias que garantizan la seguridad del mandatario mexicano y de los miembros de su comitiva, durante su visita a nuestro país.

SAN SALVADOR, enero 12 de 1956. El Alcalde de San Salvador, ingeniero José Napoléon De Arce, entregó esta mañana al Presidente Díaz Ordaz, las llaves de la ciudad, momentos después de que en el aeropuerto de Ilopango el Presidente Julio Adalberto Rivera le había dado la bienvenida.

Al agradecer esta distinción el Mandatario Mexicano expresó:

"Mi esposa y yo agradecemos como una gran distinción este nuevo honor que la ciudad que nos ha abierto sus puertas nos dispensa, al entregarnos la llave no que abre el afecto, como usted dice señor Alcalde, sino que lo confirma, porque viene de muy hondas raíces y que es amplia, sincera y cordialmente correspondido por los mexicanos para su país. Muchas gracias."

The following pages contain a translation of a talk by Mexican journalist Victor Rico Galan. The talk was recorded on a small portable tape recorder and was then taken to the hills and played to the Guatemalan guerrillas. This taped talk and seven other small rolls of taped propaganda and discussion were captured in mid October 1964 by the Guatemalan Army in a raid against guerrillas in the Panzos area of Alta Verapaz. The identities of some of the names used in the talk are as follows:

Commandante Adan: Marco Antonio YON Sosa, leader of the "13th of November" guerrilla movement. This is the first time we have heard of YON Sosa referred to by this name.

Companero Enrique: a mockingly respectful reference to Guatemalan Chief of Government Col. Enrique PERALTA.

The arrest of Galvan: Felipe Galvan Bartoluchi, Mexican courier to Guatemala was arrested in Guatemala City in March 1964. He was carrying two suitcases of communist literature and records at the time, and was himself documented as "Isidro Alfaro Ramos".

Sierra de las Minas: Mountain area north west of Zacapa; guerrilla safe area.

PGT: Partido Guatemalteco del Trabajo, the Guatemalan Communist Party.

Luis Turcios Lima: Second in command of the "13th of November" guerrillas.

Comrade Rolando: Obviously a pseudonym. We have been unable to establish this man's true identity.

Pancho Villagran Kramer: Francisco Villagran Kramer, leftist Guatemalan political leader; head of the URD Party.

Alfredo Guerra Borges: Central Committee member of the PGT.

Phone No. 23 07 92: Mexico City phone directories for 1962 and 1964 list this number as follows: DIENER, Tilly Pichier Vda de Providencia 930

PUR: A Guatemalan revolutionary party, now rather inactive. A number of PGT members also belong to the PUR.

Compañeros:

I have arrived here together with Comandante Adan after a series of hardships and of many delays owing to a number of reasons which he can explain in detail even better perhaps than I could.

I have been making these trips without a visa because the compañero Enrique seems not be overly fond of me, and motivated by two reasons. One of them is to try to put my shoulder a little to the wonderful struggle you are carrying on, by a reportage on the guerrillas. The other reason was my concern over a number of circumstances, and basically the arrest of Galvan in Guatemala.

So I came with the wish primarily of giving you the items of information I had, and particularly to Comandante Adan. I make this clear because there has been considerable speculation to the effect that I was being sent by the Cuban comrades and even that my opinions were not mine at all but the expression of their opinions. In fact, some comrades suggested to me the advisability that I should mention this here.

I refused, of course, for a basic reason: because it is not so. I did not come here as a representative of the Cuban comrades, whom I have not seen since February, when none of these problems had arisen, or if they had arisen they were not acquainted with them, or if they were acquainted with them they did not tell me about them. So, I have no idea what their opinion on the subject may be. Consequently, all I can do is speculate on what might be their thinking to the limit that I am aware of their general ideas; and then, since I know what they think about the liberation movements in Latin America, I can imagine what they might think with regard to these problems.

But you also can imagine that, since you also know what they think. So there would be no sense to my trip here if its purpose were to tell you something that you may know perfectly well. What I have stated here has been on my own exclusive responsibility and as a result of my [word unintelligible] working alone.

I have told the Comandante that in my opinion there have arisen here a number of problems which have objective roots but which have become somewhat complicated and distorted to the extent of leading to a situation that may be dangerous in the future, that may convert the Truce de Noviembre into just another group, another sect, that may therefore isolate slightly from the masses in general or at least from a number of strata of the people whose support in the struggle is important.

On the international plane I have seen the importance of the Truce de Noviembre as a symbol of the struggle for national liberation not only of Guatemala but also of Latin America, and the importance of Comandante Adan as the chief or head of that nucleus. The reportage I wrote on it just a year ago was successful partly owing to the collaboration of the Cuban comrades and partly because of the natural curiosity aroused by the subject. It was reproduced by newspapers in the United States, in Europe--for instance, L'Estrelle de Paris reprinted it; it was reprinted by the New Statesman of London; newspapers of a broad but important left wing in Europe--I even have a magazine from New Zealand which reprinted the reportage.

By that I convey to you the importance which was attributed to the movement. I have not mentioned Cuba or China, of course. You know that the interview was published by Hoy, the organ of the PRS, and in China it was reprinted by the Party organ, People's Daily.

I have also received a series of letters from various countries, and in my travels I have noticed how people would ask me with enormous interest about your struggle. In Mexico I pretty nearly told them in jest that it seems, that they regard me as the owner of the Guatemalan revolution because every time that some news item or rumor reaches them all the revolutionary people come and talk to me on the telephone or send for me to find out what my opinion is, as though I had a direct wire to the Sierra de las Minas there to be informed of every last thing that occurs to you.

I tell you all this in somewhat prolix detail because I am afraid that you, buried to some extent here in the mountains, may be aware of the historic role you are playing at this moment. And I also want to tell you that here in Guatemala, where I have been for two weeks--although I was here covertly and that, of course, limited my activity--I have nevertheless been able to see the interest, devotion, and enthusiasm with which the guerrilla struggle is being followed.

My opinion is that the guerrilla movement in Guatemala has definitely taken hold and that it will end only on the day of victory. I want to tell you also recently I found out that Comandante Guevara thinks exactly the same. A comrade in the Mexican Communist Party, a member of the Central Committee and newsmen, visited Cuba. A close personal friend of mine, he visited Cuba and had an interview with Che mainly on economic matters, together with other Mexican newsmen. They talked for a long time, and when they finished Che asked them a number of questions about Mexico and then they asked him about the liberation movements in Latin America. Che told them that in his opinion the two countries in which the movement was most solid and firm despite every difficulty were Guatemala and Vene-

suela.

I think for this reason that you must view your problems not as another group carrying on polemics with other groups but to some extent from the height in which you are placed, even physically. You must realize that the difficulties there have been are due basically to the fact that the comrades in the PGT have long delayed turning into deeds their own ideas on the struggle. They have set forth a line to the effect that aspects may not be discussed but that [phrase unintelligible] correct. The 11-point resolution of December which places the armed struggle and especially the guerrilla phase at the core of the revolutionary struggle seems to me to be correct in general. But they have had many difficulties because there have been debates, obscurities, some of them perhaps did not understand that or were opposed--I do not know, I do not have many details. But of course it has not been possible; they have not found it possible or else have lacked the capability to devote their activity to the armed struggle. Consequently their participation, which there has been--we cannot deny it; I think it would be unjust to deny the participation of the PGT--has been the participation of a rearguard, of support. They have lost cadres here in (Ixtabal?) and elsewhere, suffered the consequences of the struggle; some comrades of the PGT are actively persecuted--but always in connection with support activities.

I believe your role is to drag them into a more active participation in the struggle--not to fight them or fight them only to the extent that such a fight may lead them into the battle and not occasion a split. In my opinion this is going to be much easier from now on because, although what happened with the publication of the newspaper is dangerous in my opinion--and it is dangerous because it poses a number of things which

are not understood, you see? and in the second place they cause a state of confusion, especially among a people which is not politically sophisticated, as in Guatemala--, I think that despite those --- those negative things this has been the clang of a bell; has shown the comrades in the PGT the extent to which they had committed errors and abandoned a number of possibilities of struggle.

About that I have talked to them at considerable length and have talked to them in utter loyalty and clarity, and they admit that all that is taking place is not the product of error on the part of the Trece or a bad line of the Trece exclusively but a product of their very own errors also. They do assume their share of responsibility and I think it is important that you know and appreciate that fact--important for this reason, that there might arise in some comrades, and I am referring particularly to Rolando, a certain lowering of morale: that he might think that he erred in some things and might allow himself to be destroyed politically. I think this would be a serious error, do you not? and I think it would be false attitude. We must start from the premise that everybody has committed errors and that these errors have been commonplace everywhere. Let us remember, for instance, that in Cuba there was in the organization of that famous strike, the one that failed, of April 1959, none other than a David Salvador, who was a Falangista, and there was none other than a [Bill DeWalt?] who was an imperialist agent; and that in Cuba there were public statements of the 26 July movement which Fidel Castro had to disown later, and there was constant misunderstanding between the people who were in the sierras and the militants in the cities; and there were very serious conflicts between the PCP and the 26 July movement; and there were all those parasites from the Escambray Second Front who were good for nothing. In short, a series of problems, which did not prevent attaining victory because the position

they always maintained was that the fundamental nucleus of the 26 July organization was an agent of cohesion of the revolutionary forces, and they succeeded in polarising those revolutionary forces and succeeded in avoiding problems, and this in the end led the revolutionary forces to victory.

With regard to this, I would like to tell you something else: I have never been in favor of that attitude, very widely generalized in Latin America, which is to say: "Well, you can see what Fidel did. This was not done by Fidel; this was done by Fidel." I think this is abysmal error, because what Fidel did he did under very special historical circumstances, and what you are doing is different and has to be different. You have no reason at all to follow the Cuban or any other experience, but I do think it is advisable to learn from international experience and take advantage of it to the extent that it may be useful.

I say this because it seems to me that there has been here a certain idealistic tendency to take a position above the masses. I am referring to the debates on the character of the revolution, on the participation of the bourgeoisie, whether the Chinese or the Soviets are right, and a number of questions like that. I realize very well that when I say this you may say that I am half out of my mind or that I am unwilling to commit myself to a position. That is not so: I shall try to explain my idea as clearly as I can.

My idea is this: When you are struggling in a country which is highly developed, very complicated, politically very sophisticated, where there is a working class of great experience, politically informed, militant, where even the peasants themselves are acutely aware of their problems, their needs --let us say France, let us say Italy--all those rigorous analyses of the composition of the bourgeoisie, distinctions among various aspects of that bourgeoisie, analyses of the needs of the working class, of the international

role of the struggle of semicolonial or colonial peoples, and so forth, are necessary. They are necessary because for a party, for a group to have authority it has to persuade masses which have high political sophistication. In our countries we face no such problems. We do not face such problems because our masses are thoroughly unconcerned from a political standpoint.

In another --- rather, stated in better terms, more clearly and more accurately, they have a very elementary understanding of their problems. The concern of the peasant is for the soil; I do not think it goes beyond that at the moment. I believe that if the peasant is offered land, is offered schooling for his children, medical care, and so forth, he will not demand any more explanations. He sees no other problems.

So, when I read in Revolucion Socialista all these things, about the Bolivian masses, the armed militias, it is a truly shocking confusion. And I say this because I know Bolivia, I have been there, I have seen their real problems. When I see all this about Peru, where the masses are said to be doing their will, with a semifeudal government, it is truly --- it seems to me that we are falling into a number of questions which there is no purpose in discussing here.

And it is not that I champion the abandonment of ideology. No, I think that you, the leaders, the people of the central nucleus, must study, must read, must read the classics. The other day I heard a recording by our comrade [Surcio?] with reference to this, and I think the attitude is very proper. You must have the clearest possible view, but I think it would be mistaken on your part not to realize that if you advance too far ahead you will isolate yourselves from the masses.

Also, and in connection with this same subject, it is not the same thing

to face the problem of defeating a bourgeoisie such as the French bourgeoisie, which has ideologists and has rulers of the caliber of a De Gaulle, and to face the problem of defeating an idiotic bourgeoisie such as the Guatemalan bourgeoisie, with a ruler like comrade Enrique, is it? In other words, the weapon needed to shoot down De Gaulle--to state it thus in very simple and personal terms--has to be much more long-range and much more perfect than the weapon required to shoot down Peralta. Peralta can be brought down just about by pitching a rock at him, can he not?

This, all this tends to indicate that to exaggerate ideological questions to the masses will lead us nowhere. I have been able to observe that the following has happened with the newspaper--and I told Comandante Adan yesterday--: that those who understand it do not approve of it. And I am not referring to the people of the PGT but to many well-meaning people; for instance, to Rodrigo Asturias, who is in Mexico, a survivor of the [Cunquat?], a wholesome fellow, studious, concerned, who is very anxious to come here to join the struggle--he was really dumbfounded at the document. The same for honorable people like Carlos (Barquesada). On the other hand, most of the people, the masses that do not understand it, cannot understand all that complicated terminology, all that obscurity, all those generalisations of concepts that do not stimulate anybody to the struggle, that do not pose actual and concrete objectives.

That is my opinion. I believe that on this point you must establish a very skilful, very intelligent balance between your own political training and your daily contact with the masses, and you will gradually be told [sic] what the masses must be told.

On this point--I say this rather to comrade Roland--, putting those

ideas into slightly theoretical form, it would be necessary to reread and study that famous document by Mao Tse-tung on contradiction, where he explains how contradictions are gradually displaced in the evolution of society and particularly, in a revolution, how the basic contradiction gradually displaces other contradictions which often are the most apparent ones and are most manifest to the masses and which all express the basic or fundamental contradiction but express it in different ways.

So we have no reason to propose the destruction of the bourgeoisie and alienate the support of a number of people who feel bourgeois. I myself, to come here, was helped by petty bourgeois of this area itself. These petty bourgeois, of course, are not the national bourgeoisie to which the program of the PCT refers, but they feel they are bourgeois. They cannot distinguish, when you condemn the national bourgeoisie in the newspaper, they cannot distinguish between themselves and whether they are or are not the national bourgeoisie. They feel affected. Why should we alienate their collaboration?

I even pointed out to the Comandante cases such as that of Pancho Villagran Kramer: there is no doubt that he is bourgeois, a bourgeois ideologist and a bourgeois politician, yet he has given you his collaboration and may give it again. What need is there to have a fight with him? One must maintain the firmness of principles, as Comandante Adan did in the interview, specify clearly the disagreements, but not picture him as an enemy. It seems to me that on this point Comandante Adan expressed the true policy, which consisted not in saying, "Villagran is our enemy because he is bourgeois"--which would be the logical consequence of what has been published in the newspaper--but to say, "He is my friend but I think that he is mistaken; that he is not going to accomplish anything." This seems to me

the right thing to do. Also, the movement is at a stage where what it needs is friends.

Well, I think I have talked a good deal and rather haphazardly, but-- I wish you had arrived; I was clinging to that hope, although I knew it was very unlikely, since you have already delayed too long. Unfortunately it has not been that way, has it? So I wanted to leave my greeting to you and some of the impressions I have of the situation.

I can add something to what I have already told you. The comrades of the PGT asked me after I had been here for quite a few days and they had shown me a number of things--I even think that they wanted to be sincere because they also showed me tapes in which they were harshly criticized, in which their own cadres criticized them--they arranged interviews for me with persons within the party who are in disagreement with the leadership--in short, I was able to get a considerably more objective picture--they asked me for my observations and criticisms, which I gave them in all loyalty.

The basic criticism I believe continues to be the lack of more active participation in the armed struggle and of the channeling of cadres to the armed struggle. This I think continues to be the main problem; they admit it. In general I must tell you that most of my criticisms were well received by them.

I even asked for a talk with Guerra Borges because I thought that his article in the International [i.e. World Marxist] Review contained some expressions of opinion which were not correct, although in others it was on the right track. We discussed it and he had a receptive attitude, and in the end admitted that there was some error, owing to the need to make the article too condensed.

On the point, which I think has been posed here rather insistently, of whether the bourgeoisie participates, the famous thesis of the four classes, in other words, they were telling me--I am referring particularly to the comrades of the political commission, with whom I had a lengthy meeting--they have applied it somewhat mechanically, somewhat as convention dictates, as has been done by a majority of the parties in countries such as this one, but without actually having a clear notion on the subject, and among them there were arguments, struggles, and disagreements with regard to the role of the bourgeoisie.

So I think that it is perfectly possible to debate on this point. I do not think that the policy should be to set out a public thesis, and even less a public polemic. I do not think that it is particularly important to the struggle that the theory of the four classes be upheld publicly. I do not think that anyone will be disappointed to see that in this country there is a peasantry or a proletariat so radical and so enlightened that it will refuse to cooperate with the national bourgeoisie. So I think it is a somewhat unproductive polemic.

I am also fully convinced that the national bourgeoisie has no revolutionary role to play at this time in Latin America and much less in Guatemala. And that it does not depend on the theories proposed or the thinking of Guerra Borges, or the thinking of Rubio or the thinking of anyone else. I believe that is a fact, and facts are above all else. And I think that the moment that the struggle grows up, that the revolutionary power grows strong and is established on a free territory, this will be seen still more clearly. But I see no reason why this should be announced a priori; that is, I do not see why we should make the revolution in the newspapers, if it is

being carried on in the mountains.

Now I would like to say a few words for our comrade Rolando. They are nothing secret, but they are things which interest him personally.

Isabel is in Cuba. I left 15 days ago today; that is, yesterday, Saturday, it was two weeks. The day after my departure she was to leave for Cuba, by way of Europe, of course, so she would be able to return. The trip had already been set up by Comandante Guevara, and Isabel had been invited, but it had not been made definite because the Cubans move very slowly in some things. Just after the trip of [woman's name] and the letter Rolando sent me, and in view of what he was requesting of me in that letter--and the difficult situation that she was in, obviously, from every viewpoint, including the economic one, and the my difficulties in any attempt to give any help--I of course tried to activate the matter of her trip, went at it in a direct manner, and arrangements were made right away. She did not want to go. First of all she was very interested in knowing how the situation would come out here and what I would propose on my return, etc. In addition she was very concerned about the health and the morale of comrade Rolando. So she did not want to go, and I had a rather hard time persuading her. At last I succeeded; I showed her that in any event Rolando in my opinion would have to devote some time to his treatment. Whether this was done in Cuba, or Mexico, or Czechoslovakia, she would be in a position to accompany him; when he left she of course would be notified in Havana, and [from there] she could get in touch.

In any event, if comrade Rolando decides to go via Mexico, I want to give him my telephone number so he can locate me right away. He can use the name Rolando. My number is 23 07 92. He will find me the^{up} to 1000 or about 1930 hours [several words unintelligible]. So if he goes clandestinely and has any problem he can talk to me, carefully, of course, as the

14-00000

phone is under surveillance. He can use the name Rolando and address me in the familiar form ("tu"), as an old friend who has come in from the provinces. Then I shall look for him and try to find a way to solve the problems he may have.

As to this matter of Rolando's health I think it is very important to discard the "theory" that it is nothing serious, etc., which he himself is spreading about. I do not think this situation can be allowed to remain indefinitely, with him in poor health. I have talked about this to the comrades in the POF here, although it looks as though they are not very fond of him for the time being--and of course that makes sense--and they have promised to take care of the matter. I have also asked Comandante Adan as commandar-in-chief to do something about the problem. I think it would be useful, do you not? [phrase blurred].

Well, that is all for the time being. I hope your meeting will be successful. I hope that the difficulties will be overcome, and that this situation will be taken advantage of to reshape all things and to give new drive to the struggle. I think the experiences acquired can be very useful—for instance the experience here of Comandante Adan and the boys with the peasants and the plan to organise them and occupy lands. I think it can be developed into ever more perfect forms. Of course that directive of occupying lands, given here in practice, is a provocation which can result in the peasants' being massacred, but when it is done in a planned manner, in a way that the guerrilla can offer them protection and in which they can be taught to protect themselves, as in the case that has happened here—I think it can be a first-rate revolutionary factor.

I think you ought to give special attention to these things—and above all else is the problem of unity. If on the one hand you do not feel

you are in possession of the truth but on the other hand you do not feel you are victims of the possessors of the truth--I say this for comrade Rolando--I think you can accomplish a great change in the outlook and give a great push to the struggle. You have to know, be aware of, have a clear idea that the situation in the PCT is at this time rather good. A number of factors have contributed to this, including, for example, people who are attacked in Revolucion Socialista, such as the PUR. The PUR has had a very clear and well-defined attitude, very positive, consisting in declaring to the PCT that they were for unity at all times, but on the basis of its being real unity; that is, on the basis that they would, in every way possible, continue collaborating with the guerrillas at every moment. I think that in the base organizations of the PCT this attitude has been brought forth.

So, there is nowhere that I can see any real reason for a break nor the desire for a break on the part of anybody. The problems that have come up can be discussed as between equals, clearly, and they can be a positive factor, become a positive factor of impetus for the struggle, eliminating everything that is a burden or an error or a provocation.

I am sending a cordial greeting to both, those I know well as a result of oral expressions and recorded tapes--this employment of tape recorders is extremely useful--and whom I would have liked very much to hug personally.
So long.

[Same man who recorded the above continues after a blank space on the tape.] ...in the first place ... Rolando ... said that he is of course ... trip ... Mexico ... in excellent health ... I saw him ... departure from Mexico ... very few days, 3 days ... took some photographs of both but I was unable to bring them because I left for here ... he was afraid I might have difficulties with I traveled with a lady who posed as my wife ... photos ... I could not bring them ... Rolando ... also I was delayed seriously the other night when I was coming ... the way is long but it is

There is something else you might like to know ... I have had many contacts with him ... of course his attitude is still ... feels very bad ... also this becomes more serious owing to the situation ... that worries him very much because ... a letter to his wife ... some psychological trouble, nerves ... I have tried ... he did not send greetings because ... I remember all of you ... his attitude on the entire struggle, but I think he is ... it was then advisable ... send him a message by this same means of recorded tape. I have a/tape recorder of standard size, not portable ... if you prepare a tape recording to tell him clearly and definitely ... decision, you can send it to me ... [Voice trails off.]

[Recording is now of conversation among several men.]
... they all sent letters asking that S.O.B. to
... in the morning, and that Pirulin was here as resident ...
... are agreed, that there are tactless people ... minimum salary to give the person enough to live on, pay for housing, eat, pay for his children's education ... sliding scale of wages ... money ... if life is inexpensive ... wages of 80 centavos for the peasant ... or 50 ... plantains ... she understands about that ... that BS ... hunger ... children's education...
... sliding wage scale ... minimum wages ... talked about "salario vital"

14-00000

"minimo," which is what a family needs to support itself at today's cost of living levels. That, I can discuss as minimum wage.... Those are slogans for the struggle against capitalism. Capitalism is incapable of solving the problems of the masses. That is the basic problem.

... the worker gets 1.74 a day ... does not pay for housing. That has to be assured because ... workers of the "Frutera" [UFCO, United Fruit Company] do not pay for housing, or electricity; that is, the only thing that he pays for is ... they give him food cards ... the only thing that the peasant ... "frutera" ... retirement is ... or else they give him nothing, blackball him ... lost his indemnity the peasant struggling for better wages ...

[Etc. One man does most of the talking, about the relative situation of the worker with regard to the UFCO, the union, and independent farming as to earnings, benefits, etc. They engage in an argumentative comparison of the treatment of the worker by the UFCO and the railroad company. Toward the end the discussion leads into the potential for revolution among the former and present workers of the UFCO.]

[After a blank space there is a lecture on the Guatemalan situation from its origins, starting with a detailed account of Columbus' voyages, Spain's exploitation, the plunder of the gold and riches of America, and the enslavement of the natives. The lecturer then shifts to present tasks of revolution. The intelligible points to be gleaned on this are as follows:]

"The main function of the guerrilla is to disrupt the regime, the capitalist system of private ownership." [The "disrupt the system" point is made also at the end as the gist of the lecture,] We must keep digging at the roots while shaking the trunk to cause it to fall. The newspapers declare that they are not allowed to publish interviews with guerrilla

14-00000

fighters, etc. Strikes are more frequent. The spirit of rebellion and disregard of law is spreading. We must encourage and exploit it.

Many people still think that the guerrillas are only supposed to kill soldiers. That is mistaken. We must get to the people and encourage their rebelliousness and opposition to the government, which is everywhere evident. The situation is deteriorating. The government of Peralta is not operating well. The guerrillas are playing an important role because they are [feeding] the people. They are not simply fighting; their role also is to solve problems for the people, to solve social difficulties for the people.

We must find out why the peasants do not respond the way they should to the guerrillas. There is strength for us and for the people in a close relationship. Thousands are watching us and what we do. In the villages we are welcomed because they realize we are fighting to solve their problems.

[End tape 1 - begin tape 2]

When the revolution is over, we are all going to solve our problems, the problems of all, not just of a few.

The struggle is going well; the government must be kept sharply conscious of us. Sometimes it seems no progress is being made, but from the standpoint of the revolutionary struggle it is being made. The thing is not to be discouraged but to be steadfast. For every 20 that the enemy kills, 100 will rise up.

[Quality of recording deteriorates so badly for a long stretch after this that summary is not feasible, as all crucial names (if any) and words are unintelligible. Then:] Strikes must be encouraged, because strikes go against the capitalist system, and what we want is to destroy, to replace the capitalist system. We want the means of production to be in the hands of the state controlled by the workers, for the benefit of all. The

function of the guerrilla is to disrupt the regime, the social system. The revolution will continue for a long time. There is no way to stop it short of victory. [Occasional comments by the other two or three participants had been heard. More comments follow, all unintelligible as above.]

[A period of silence is followed by a series of recorded greetings, letters, other messages, short speeches, and songs, including mention of names and identities which are unintelligible.* The recording is poor, distorted, full of echoes. Upon the conclusion of this special section, there is a notable improvement in the tape quality, as reflected in the following pages.]

* except for Marcantonio or Marco Antonio.

Here ends the tape [recorded] by comrade [Galani]. [We appreciate] the material aid, the songs, the greetings, all of which makes us firmer in the struggle and demonstrate that we are going well, that if the struggle was somewhat limited in the beginning it was because of lack of a clear program, of a line and of a program [several words] for which we are fighting. [The] last few words of comrade Rolando refer to [word], is to the takeover of power, although he does not make clear yet, at this time, the power for whom, to do what, but comrade Rolando [has a clearness] which we took to be emotion [toward?] the opening of the struggles for the socialist revolution. I can make no comment in this regard from the content of this tape, but [several words].

Before I say farewell, there are two points I was forgetting. By this courier we are sending No. 29 of [one word] Interno, containing an article about the false Communism of the Russians and its historic lessons to the world. It is very important that the article be read, studied, and discussed there, because it will be material not only for our meeting but for further strengthening us in this line and in this program. Rich experiences [can] be gotten from it, so that we [words] some of the things pointed out here by the Chinese [words] the decay of the Russian Revolution represented by Khrushchev as the inheritor [continuador] of Stalin's bureaucratic line.

Also, I would like to read this note to you; I do not know whether you have received it. We, after my return from [word] [decided] to call a meeting of the [PAR]. We sent a message to comrade [Erlindo], to [Juan Chacon], and to [Mauricio]. Nobody showed up then. After eight days we again waited at the meeting place and [Mauricio] showed up. Before Mauricio

arrived [Dondomita] took this note to us, which I would like to read. It is dated 21 September 1964. It is a note which [Juan Chacon] sends to comrade Adan, and it reads as follows:

Compañero Comandante: I reiterate to you and the comrades our fraternal greeting and our wishes that you will [word] in a revolutionary manner for the good of the country. This is to ask you to issue instructions for a meeting of the titular leadership of the [FAR]. For that I shall go the place to which you may call me. I make this request because here the substitute command that had been operating since the event at [Simsa] ceased to operate at all for the last thirty days or longer. Also because since you, comrades of the Truce de Noviembre organization, publicly expressed your[word] toward us Communists, there have arisen problems which must be solved if unity is to continue. At a meeting of the titular command, with you in attendance, it shall be seen whether the problems arisen can be overcome or whether they are going to leave us disjointed [desarriulados], as we are now, with reference to the matters of major importance in our movement. Incidentally, the tasks assigned to the comrades as special responsibilities, are being carried out, so that the [FAR] [has been] operating in practice. However, it is not enough for each to carry his immediate tactical responsibilities. Matters [in prospect, or of perspective] have to be attended to, and these in the last few months, as I have said, have not been attended to with the proper authority and have been completely abandoned during the last month.

Fraternal greeting.

That is all we got as their reply. So in effect they refuse to attend the meeting of the substitute command but want a meeting of the titular command. In that regard, the [several words] a meeting to [take up] the points, this note must be answered. The line that we conclude from this is the same line that they have tried to follow, that everything has been done by a small group, which is the group that is in the [city], that is [it is Rudy] who directly with [Rudy], and that/had "disjointed", as they put it, all functioning of [words]. But now with the conversation held by comrade Adan the whole thing has been clarified and we are strong once more. In any event we have not failed to [ask them], including [several words] with comrade [Luz], so that in case of a meeting [they] would attend. We are ready to attend any meeting to which we are called; [we have] called them three times, and they have failed to attend in all three cases. Therefore we propose that this remain the way it is until we have met there, since [phrase].

These are the only --- the latest news; this courier has to leave. Before we close I shall save up some of the tape for a message comrade Jenaro has asked to be allowed to record. Since I have been working on this he came over and wants to send a greeting. So we shall listen to comrade Jenaro.

One more thing before Jenaro's message. In the event you wish to reply to the memorandum sent by [Juan Chacon], there will no objection on our part. We are at your service there, although [several words] the concrete statement of opinion that [several words]. What they are trying to do is [leave] us alone to see whether we are capable or incapable of continuing. They imagine that we going to be unable to get out even a

bulletin or even less circulate anything, and that we would have to go looking for them. With these tactics of delay and of not attending the meetings they are trying to pressure us, to see --- to make us feel, they think, the need we have of them.

That is not the way the revolution is carried on; that is not the way the process can be advanced. But this we shall discuss up there. However, any decision you up there may want to make after discussion will be acceded to and respected by us.

Again I say farewell, with a fraternal, combative greeting to comrades Adan, Mateo, Marinero, [Sosa], and all the others who are there. Forward, comrades. Good health and good work.. Listen now to comrade [name].

[Another man:]

I greet you warmly, Mateo. I got your affectionate greeting, and we accepted it with love. It is actually [word], the manner, the assurance with which you express yourself, and we are working rather hard here, with great synchronization and [word] and understanding of comrade [Rudy] and [pushing forward every task]. We are here to give impetus to the process, as you say, and we realize it.

Give my warm greeting to comrade Adan. I got his greeting also on the other recording. Greetings [grandes felicidades]; probably congratulations intended] on the zap statement and the interview with the newsmen. Really, the statement and interview reveal great political maturity and demonstrate also the work being done by comrade Mateo with regard to the sharpening up [seduracion] of a team up there among the guerrillas.

To conclude: "abrazos" to both, comrades Mateo and Adan, although I do not have the pleasure of your personal acquaintance, but we are involved in the same enterprise, in the same great task of carrying out the socialist

revolution in Guatemala. Forward, comrades. We shall soon see each other.

POR VICTOR RICO GALAN

En un editorial reciente, SIEMPRE censuró con energía la conducta de nuestras autoridades policíacas en el aeropuerto, por los malos tratos y las vejaciones a que son sometidos los viajeros procedentes de ciertos países, sobre todo de Cuba y de España. Aceptaba nuestra revista como cosa normal la vigilancia sobre visitantes potencialmente peligrosos, pero acusaba a las innúmeras policías que el mexicano padece de realizar mal esa función o no realizarla en absoluto, a cambio de actuar con una insolencia y una prepotencia intolerables.

Como por encargo, los acontecimientos posteriores han venido a darle a nuestro editorial más razón incluso de la que pretendía tener. El pasado día 7, un norteamericano que responde al nombre de Henry Agüeros Garcés, lanzó una granada de mano contra los talleres del periódico *El Día*, con intenciones verdaderamente siniestras: la granada fue lanzada en un lugar tal, que sólo la rápida intervención de los trabajadores del diario pudo evitar una catástrofe de incalculables proporciones, de la que no estaría excluida la pérdida de muchas vidas humanas, tanto en el edificio del periódico, como en la zona aledaña.

No se trataba, por otra parte, de un hecho único ni aislado. En fecha anterior, aunque reciente, el Instituto Mexicano-Ruso de Relaciones Culturales sufrió una agresión anónima, y el arma utilizada resultó ser idéntica —según la policía— a la que explotó en el patio de *El Día*. Casi simultáneamente fue ametrallado el departamento que habitaba el corresponsal de la agencia yugoeslava Tanjug, y sólo la circunstancia de encontrarse en un quinto piso salvó la vida de su esposa, que bañaba a su hijita recién nacida, pues varios proyectiles de grueso calibre entraron por las ventanas y se alojaron en el techo de la habitación. En ambos casos, la lenidad y la indiferencia de la policía fueron evidentes. Ni aparecieron los culpables ni se hicieron investigaciones serias.

Además, somos muchos los mexicanos que, por ocuparnos de cuestiones políticas nacionales e internacionales con un criterio opuesto al del Gobierno de los Estados Unidos, recibimos un aliud de amenazas y anónimas injurias, tanto por escrito como telefónicamente. La redacción de los anónimos y el lenguaje utilizado indica con claridad que son extranjeros quienes los hacen, y probablemente cubanos contrarrevolucionarios. Por supuesto, esto es lo que

son del dominio público, es indiscutible que decir contrarrevolucionarios cubanos equivale a decir Agencia Central de Inteligencia (CIA) de los Estados Unidos.

La era de violencia, espionaje y amenazas ha llegado a un punto tal, que motivó una carta del director de la revista *Política* a las autoridades responsables, exigiendo que se aplique la ley a los autores de tales hechos delictuosos y denunciando los catastróficos efectos que para el país puede tener el tolerarlos. Sin embargo nadie se había hecho hasta que se produjo el atentado contra *El Día* y fue capturado su autor.

Capturado, no como resultado de investigaciones policíacas, sino gracias a la diligencia de un joven obrero de los talleres de *El Día*, que lo persiguió y le dio alcance. Porque Henry Agüeros Garcés entró en México como Pedro por su casa, no fue molestado por policía alguno, no fue fotografiado en frontera ni aeropuerto, y pudo incluso utilizar un nombre falso para obtener alojamiento en un hotel. ¿Y cómo no? Las vejaciones a ciudadanos extranjeros que nos visitan tienen un reverso: el trato obsequioso y hasta abyecto que se da a los ciudadanos norteamericanos. Esos mismos polizontes que tan groseros y bestiales se muestran con quienes vienen de Cuba o de España son la imagen misma de la amabilidad y la obsecuencia cuando el que llega tiene una tarjeta de turista que lo acredita como norteamericano.

Ser norteamericano es, en México, una patente de corso. Y eso, a pesar de que por la frontera norte o en los vuelos internacionales que del norte proceden llega a México la peor gentuza. Hágase una estadística de los delitos cometidos en nuestro país por extranjeros, y se verá que los yanquis se llevan la palma, con cifras imposibles de igualar, y con crímenes cuya degradación moral es también inigualable. Todo lo cual prueba hasta qué punto era justa la censura a la policía que hacía SIEMPRE! en su editorial ya citado: es una policía que injuria, humilla y veja, pero que no investiga los delitos reales y mucho menos es capaz de prevenirlos.

Queda por aclarar hasta dónde esas innumerables policías mexicanas —ilegales y por eso imposibles de controlar legalmente— están penetradas por la CIA, la FBI, y otras agencias extranjeras dedicadas al terrorismo, al espionaje y a sembrar la zozobra en todas partes. Queda por aclarar hasta dónde de ese norte revuelto y brutal que nos desprecia, como decía Martí, es el que verdaderamente dirige a polizontes cuyos sueldos legales difícilmente justifican el derroche y el lujo en el que viven. Quedan por aclarar muchas cosas, si de verdad se quiere cumplir la promesa
