ACTION REQUIRED REFERENCES

ACTION REQUIRED: As stated.

Attached for both addressees are copies of a brief biographic sketch on Victor RICO Galan. As can be seen from the sketch, Headquarters knows something of his activities, but next to nothing about the man himself. During the discussion of the problem of RICO Galan at the recent CP Operations Seminar in Mexico City it was mentioned that both LICOOKY-1 and LITAMIL-9 were personally acquainted with him; perhaps these two sources could provide some impressions of RICO Galan that would flesh out this skeleton sketch.

VICTOR RICO GALAN (201-336474)

1. DPOB: 6 February 1928; El Ferrol, Spain. Subject, Spanish by birth, became a Mexican citizen by naturalization on 15 March 1949.
2. CIVIL STATUS: Subject is married to Ingeborg DIENER de Rice.
3. ADDRESS: Providencia 930, Mexico City, D. F. Telephone number as of September 1964: 23 07 92. This phone is registered in the name of his mother-in-law, Tilli PICHER viuda de Diener, whose address is also Providencia 930.
4. OCCUPATION: Writer for Siempre and Politica magazines in Mexico City; both are effective Communist-leaning magazines and have large circulation.
5. PHOTOGRAPH: Available in Subject's 201 file (date of photograph October 1963).
6. POLITICAL AFFILIATIONS AND INCLINATIONS: As of 1962 Subject was the head of the National Press and Propaganda Committee of the National Liberation Movement (MLN) in Mexico City, a rabidly anti-U.S. and pro-Castro organization. Subject is close to Fidel Castro and company, and is considered as a Cuban "agent" (degree of Cuban control unknown). Subject was a founding member of the MLN. In an article in Siempre in March 1963 he advocated the foundation of a new political party reflecting the ideology of General Lazaro Cardenas, leftist former President of Mexico. This would have provided, in his belief, the Mexican left a political organization truly responsive to the radical tendencies of the 1910 revolution. This was necessary because the MLN, whose membership covers the spectrum of Mexican Communist Party to PFI, could not take open political stands without antagonizing some of the membership. The new party would have represented a "third position", socialism in internal affairs and independence of any bloc in international affairs. With a party such as this as its political action arm, the MLN would have developed naturally into a broad national movement such as the FRAP in Chile. (Some specious reasoning here.)

Ingeborg Diener de RICO Galan, Subject's wife, traveled from Mexico to Cuba in November 1962. Subject was at that time in Cuba.

8. PASSPORT: Subject formerly carried Mexican passport number 57115, with Cuban courtesy visas. On 9 September 1963 Subject was issued Mexican passport number 56341 (or 53641).
9. ACTIVITIES: The reason for the October 1962 trip to Cuba was ostensibly to gather material for a political biography of Fidel Castro. The May/June 1963 trip was to interview Fidel Castro after his return from the Soviet Union. Subject claimed that he had spent eight days with Fidel during that visit, five of those aboard ship.

On 24 October 1963 HESAGE-1 in Panama City reported that Subject had received an operational assignment from Castro (during the May/June 1963 visit to Habana) on which to travel through Central and South America. His mission was to persuade leftist parties to immediately begin acts of sabotage and violence, and to try to maintain these in order to take pressure off Venezuela. Subject was also instructed to bring about better unity among competing leftist factions to ensure greater impact for their work. Subject did, in fact, contact many Communist Party and leftist leaders during his Central and South America travel during the period October 1963 - January 1964. From the (fragmentary) reporting on Subject from October 1963 through January 1964 it appears that he did discuss the question of leftist unity.

10. In October 1964 the Guatemalan authorities captured a number of tape recordings from the guerrillas in operations subsequent to a guerrilla attack on a garrison in Panzos, Alta Verapaz. Included in these tapes was one made by RICO Galan for delivery to the guerrillas. It consists mainly of an exhortation for unity (among the FGT and the 13 November Group)

and counsel against letting doctrine replace action. The tape clearly reveals RICO to be at once a very intellectual leftist who also has his feet planted quite firmly on the ground. His approach is pragmatic, not theoretical. The text of the tape indicates that it was made sometime after February and before mid-October 1964.

11. There is little at hand to indicate what manner of man is RICO Galan. His 201 file reflects facts but not impressions. He apparently is known personally by LICOOKY-1 and LITAMIL-9 in Mexico City, and these two sources should be queried.

NNNN

TODAVIA, LA OSCURIDAD

Rico Galán, incomunicación.

Hasta el sábado 20, la situación fue muy confusa en torno a las detenciones efectuadas por la policía del DF —el viernes 12— bajo los cargos de subversión y acopio de armas, entonces aún no configurados como delitos específicos. El paso del asunto a la Procuraduría General de la República y la consignación de éste al juez segundo de Distrito del DF en Materia Penal, puso en claro, por ejemplo cuántos y quiénes son exactamente los detenidos. Las versiones atribulan números variables de acusados, quienes por fin, ante el juez, resultaron 46 por lo que se refiere a los que permanecieron más de una semana en los separes de la Jefatura de Policía.

A medida que pasaban los días —cada jornada salpicada por un amplio boletín de prensa de la Jefatura de la Policía— se fueron conociendo detalles, siempre pesados por el tamiz de los órganos

policíacos, para quienes su actividad habla de fundarse en el mayor acopio de hechos y declaraciones. Se vio entonces que las tendencias y actividades expuestas incluso en las informaciones policíacas no eran igualmente graves ni reprimibles, en el mismo grado desde el momento en que 17 de los apresados quedaron en libertad el sábado 20; otros 20 serían juzgados por el único delito de conspiración, con derecho a obtener inmediatamente la libertad, mediante fianzas variables; y 9, los consignados por tres delitos: conspiración, iniciación a la conspiración y acopio de armas, quedarían presos a disposición del juez que dictaría el auto de formal prisión, sin el beneficio de la libertad provisional en ningún caso.

Las informaciones de la Policía resumían las impugnaciones a la existencia de un grupo llamado Movimiento Revolucionario del Pueblo, que, en dos casas alquiladas —llamadas una "escuela Hidalgo", la otra "escuela Morelos"—, en las cuales —decía— se hablaba de la organización de la lucha armada para el derrocamiento del gobierno de México. Nuestro colaborador Víctor Rico Galán y el Lic. Raúl Ugaldé —quien fue dirigente del Frente Electoral del Pueblo— eran señalados como los dirigentes y principales responsables. La policía hablaba también de prácticas de tiro, y con alarde de su eficacia, daba cuenta de que tenía en sus manos el asunto y a los participantes, desde hacía 5 meses. A no pocas de los detenidos se les mencionaba como declarantes contra Rico Galán, al indicárselo por ellos como responsable principal. Incluso se dijo que la hermana de nuestro colaborador, la señora Ana María Rico Galán, había declarado contra éste inculpándolo de ser quien le explicó el manejo de armas.

Un amparo interpuesto por el abogado Juan Manuel Gómez Gutiérrez, mediante el cual un juez dictó la suspensión provisional de los actos, determinando que los detenidos quedaran a su disposición embrolló momentáneamente las cosas desde el punto de vista jurídico, por cuanto los retenía en los separes de la Jefatura, donde hubieron de acudir los funcionarios y actuarios de la Procuraduría. Sólo el desistimiento del amparo podía encaminar a los 9 consignados sin derecho a libertad provisional, y a los 20 que no hubieran presentado las fianzas, a la cárcel preventiva de la ciudad.

El juez segundo de Distrito, Lic. Rafael Pérez Miravete, con apoyo en la consignación y en las respectivas tipificaciones de delitos hechos por la Procuraduría General, comenzó a despachar la tasa de declaraciones preparatorias. La mayoría de los indicados no aceptaron co-

me suyas las declaraciones presentadas por la Policía, aunque estaban calificados con las respectivas firmas. Habían rendido estas declaraciones en condiciones morales terribles, bajo incomunicación, en diligencias que duraron toda una semana. El Lic. Ugaldé aceptó toda la responsabilidad. Él era el fundador del Movimiento Revolucionario del Pueblo, su dirigente principal, y había comenzado por elaborar documentos que abordan los problemas económicos y sociales del país. Ugaldé había invitado a nuestro colaborador Víctor Rico Galán, a su hermana y a otras personas, a formar parte de esas discusiones que se hacían en las mencionadas "escuelas". Ugaldé afirmó que el MRP es "una organización lícita, creada en ejercicio de derechos constitucionales irrenunciables".

Nuestro colega Rico Galán se negó a declarar el sábado 20. No lo haría hasta que no pudiera hablar con su abogado, y lo fuera totalmente levantada la incomunicación. Rico dijo: "He estado 8 días incomunicado, salvo algunos minutos en que por un amparo dictado por el juez primero de Distrito, se me permitió hablar con mi esposa, pero con un testigo, un agente de la Jefatura de Policía; por tanto, no estoy en condiciones de declarar hasta poder hablar con mis abogados". Víctor se quejó también de haber estado 36 horas sin comer en un separe sin agua; de haber sido víctima de presiones morales, como la detención de su hermano Fernando —enfermo del corazón— quien, por cierto, estaba ya entre los 17 que habían puesto en libertad. Esta comunicación de Rico Galán con el exterior produjo en él emociones naturales, al conocer, por primera vez, qué otras personas estaban detenidas y por qué. Rico Galán no fue detenido en las "escuelas" donde según la policía había armas y una bomba, sino en el aeropuerto cuando iba a despedir a su hermano Fernando, quien viajaba a Cuba, para residir allí definitivamente.

El lunes 22 de agosto, los consignados debían pasar a la cárcel preventiva. Al entrar el proceso en términos de mayor normalidad, y cauces de ley, la opinión pública esperaba conocer mejor qué habla, en realidad, en el fondo de lo que fue considerado como una "conspiración" por la policía, y hasta qué punto se estaban o no violando derechos individuales y constitucionales.

THEME:

A. RICO GALAN HAS BEEN EXPOSED AS ONE OF CASTRO'S MOST IMPORTANT AGENTS AND CHANNELS FOR FORMENTING REVOLUTION AGAINST DEMOCRATIC INSTITUTIONS IN LATIN AMERICA. HIS PAST ACTIVITIES INDICATE HE REGARDED MEXICO ONLY AS A BASE OF OPS, A SPRINGBOARD, FOR LARGER HEMISPHERE OPERATIONS ON BEHALF CASTRO.

B. ALTHOUGH RICO GALAN AND HIS GROUP HAVE BEEN DESCRIBED VARIOUSLY AS CASTROITE, TROTSKYITE AND PRO-CHICOM, HIS CLOSE AND INTIMATE CONTACTS WITH LOCAL CUBAN EMBASSY AND INTELLIGENCE OFFICIALS INDICATE HIS CONTINUING LOYALTY AND ADHERANCE TO CASTRO IN THIS CONNECTION A CURRENT MEXICAN NEWSPAPER ITEM DISCLOSED THAT RICO GALAN WAS IN CLOSE CONTACT WITH CASTRO AS FAR BACK AS 1956, WHEN CASTRO AND HIS FOLLOWERS WERE HIDING OUT IN MEXICO AND UNDERGOING TRAINING IN GUERRILLA TACTICS AT A RANCH NEAR AYOTZINGO IN MEXICO. SOURCE:

- Francisco Martinez de la Vega, writer for Siempre, Mexican leftist magazine, said that Colonel Eduardo Estrada Ojeda, in the police headquarters where Victor Rico Galan and others were being held after their arrest on charges of subversion, had been instructed to permit Rico Galan to receive packages from his wife.
- Elena Garro, writer, told Mrs. Rico Galan that she was going to speak to Minister of Interior Luis Echeverria to persuade him to ensure that Rico Galan would not be manhandled by the police during the interrogation.
- She, also, expressed scepticism about the whole affair, saying that it was a farce and that she believed that many of those arrested with Victor had been paid to make the statements attributed to them.

Field Comment: An unsigned article titled "New Conspiracy?" appeared on page 8 of Siempre. It presented briefly an account of the arrest of and charges against Rico Galan; belittled what it termed the periodic paroxysms of patriotism which seize the Mexican police and lead to such arrests; then went on to suggest that Rico Galan, a political journalist accustomed to expressing his ideas in signed articles, could hardly be thought of as a conspirator. The article concluded with a plea for respect both for Rico Galan's constitutional rights and for the rights of a free journalism.

Headquarters Comment: This article appeared in issue no. 687, dated 24 August 1966, of Siempre.

- Elena Garro, Mexican playwright and novelist, was formerly married to Octavio Pan Lozano, prominent Mexican poet.

SOURCE:

- ✓ 1. Rolando Collado Ardon, leader of the Guatemalan exile community in Mexico and a member of the Guatemalan Communist Party (PGT - Partido Guatemalteco del Trabajo) said that the arrest of Victor Rico Galan on charges of subversion was a good thing for the PGT. Collado was referring to Rico Galan's influence on Guatemalan guerrilla leader Marco Antonio Yon Sosa. According to Collado, Rico Galan prevented the PGT from persuading Yon Sosa to join the Party in 1963 because of Rico's Trotskyist interference and the aid he gave to Yon Sosa at the time.¹

- ✓ 2. Medical doctors Miguel Cruz Ruiz and Holf Meiner Huebner, two of those arrested with Rico Galan, have been associated with Rico since early 1965. Both were very much involved in the medical doctors' strikes of late 1964 which continued into 1965. When the strikes were finally settled both Cruz Ruiz and Meiner Huebner were dismissed from their jobs at the Social Security Hospital at Cuauhtemoc 330. They went directly to Rico Galan who put them to work, mainly writing medical articles for the magazine Sucesos for which Rico Galan worked.²

- ✓ 3. Rico Galan sent both Cruz Ruiz and Meiner Huebner to Cuba in 1965 and both are well indoctrinated Communists.³ However, neither belongs to any Communist Party or organization. contact with medical groups and attempting to inspire them to anti-government activity in their respective countries.⁴ Also, while Cruz Ruiz and Meiner Huebner were working for Rico Galan at Eucenon they were giving classes in revolutionary activities to groups organized by Rico Galan.

Field Comments

1. In October-November 1963, Rico Galan, ostensibly as a purely journalistic exercise, went to Guatemala where he interviewed Yon Sosa in the guerrilla leader's camp.
2. HMM-9896 presents an overall picture of the medical strike situation.
3. HMM-10,163 reported that Rico Galan arranged passages for Mexican doctors who attended a medical congress in Havana in February 1966.
4. HMM-10,164 reports on the Central American activities of Drs. Meiner and Velez Trejo.

1. (Summary: Popular Socialist Party (PPS) attitudes toward the arrest of Victor Rico Galan and others on charges of conspiring against the Government remain unsympathetic and the Party intends to stay outside the entire matter although PPS Secretary General Vicente Lombardo Toledano may seize the opportunity to strike back at some of his enemies by issuing a statement condemning the plans attributed to Rico Galan. Within the Party there is considerable skepticism about the truth of the published charges. While several Party leaders do not doubt that there is some truth to the charges they are quite convinced that there was no danger of imminent rebellion and that Mexican institutions stood in no peril from Rico Galan and his friends. Given the energy and efficiency with which the Mexican Government has dealt with less melodramatic threats in the past, one cannot but suspect that it is merely a tried and true Government maneuver. Also, it is believed in the PPS that police accounts of their role in the matter have been exaggerated to enhance the reputation of the police both with the President and with the public. The rumor that the Guatemalan Government may have asked the Mexican Government to silence Rico Galan because of his violent attacks against the new Guatemalan administration is generally discounted since the complaints of Guatemalan officials are certainly of no concern to Mexico.)

DISTRIBUTION

2. Victor Rico Galan and his associates can expect neither sympathy nor help from the Popular Socialist Party (PPS - Partido Popular Socialista). Although no official decision has yet been made by the Party, PPS leaders who have commented unofficially on the matter have said that for the moment the Party will no doubt stay completely outside the whole affair, thus proving its total lack of interest in this type of revolutionary activity. It is of course possible that PPS Secretary General Vicente Lombardo Toledano will seize the opportunity to issue a statement condemning the entire affair as Trotskyist, criminal, and utopian. Lombardo may decide to use this opportunity to strike back at the National Liberation Movement (MLN - Movimiento de Liberacion Nacional) and others who have attacked him.
3. Among leaders of both the PPS and the General Union of Workers and Peasants of Mexico (UGOCM - Union General de Obreros y Campesinos de Mexico), there is a certain skepticism about the truth of the matter as it has been presented in the press. It is probably true that arms and materials for manufacturing explosives were confiscated. It is probably true that indoctrination sessions on political and revolutionary matters probably were held in the houses where the arrests were made. And probably the group did have some kind of plan for action. But, it is simply not true that there was the slightest danger of immediate and formidable rebellion from Rico Galan and his friends.
4. This latter conclusion is based on the fact that Rico Galan is no guerrilla leader. He is an aggressive intellectual, a radical, but he is not in jail for what he has done but for his ideas. As for Raul Ugalde Alvarez, named with Rico Galan as one of the leaders of the group, he has the reputation of being fuzzy-minded, a leftist adventurer and certainly neither brave nor dedicated. Further, and Rico Galan is well aware of this, popular support is essential to the success of rebellion. None exists. The peasants are divided. The workers are controlled by the Government, and the middle-class is content with the way things are. Also, there is the formidable precedent of Government action against any kind of rebellion, trade union, armed, and particularly any sort of activity which is Cuban-connected. The Government has always moved with energy, speed, and efficiency to combat such threats as, for example, during the Railway Workers Strike of 1959. Several leaders of that strike are still in jail and likely to remain there. Another example is the September 1965 attack on a military camp at Ciudad Madera, Chihuahua. While the Government did not feel that his incident posed any real threat to it, it did not want the bad international publicity, so vigilance was increased, activities of would-be guerrillas were blocked, some were bought off with money, others with promises and the matter was promptly and efficiently controlled.
5. There no doubt is a degree of truth to police charges, but the melodramatic, almost childish character given to the Rico Galan movement, the lack of any proven connection between the movement and leftist/Communist organizations, Rico Galan's open and well-known connections with Guatemalan guerrilla leaders and his public support of the Cuban revolution, make it very hard to discount the suspicion that this is simply a Government maneuver. Also, while the police no doubt did confiscate arms and other materials, the suspicion exists that the police have inflated their role in order to make themselves look good both to the President and to public opinion.

CONFIDENTIAL/NO FOREIGN DISSEM

-3-

6. There is even a rumor that because of Rico Galan's harsh attacks on the new Guatemalan administration, the Guatemalan Government asked the Mexican Government to deal with Rico Galan. This rumor however is regarded as rather ridiculous since the Mexican Government certainly cares nothing for the opinion of Guatemalan officials.

Field Comment: HMM-10,614 reported earlier PPS reaction to the arrests.

1. HEADQUARTERS COMMENT: ACCORDING TO PRESS ACCOUNTS, VICTOR RICO GALAN, A SPANISH-BORN JOURNALIST RESIDING IN MEXICO CITY, WAS ARRESTED BY THE MEXICAN POLICE ON 12 AUGUST WITH 27 MEN AND 5 WOMEN AND CHARGED WITH "CONSPIRACY ON A NATIONAL SCALE". THE GROUP WAS ALLEGED TO HAVE HELD MEETINGS TO PLAN SUBVERSIVE TACTICS AND ACTIVITIES AGAINST THE NATION'S INTERNAL SECURITY. POLICE ALSO CLAIMED THAT THE MEMBERS HAD BEEN IN RADIO CONTACT WITH ORGANIZATIONS IN CUBA. THE 17 AUGUST EDITION OF EL UNIVERSAL GRAFICO NOTED THAT THE POLICE WERE INVESTIGATING THE POSSIBILITY

OF "FOREIGN INVOLVEMENT" IN VIEW OF THE FACT THAT RICO GALAN WAS READY TO BOARD A CUBANA FLIGHT WHEN HE WAS ARRESTED. FURTHER REPORTS CLAIMED THAT 48 PERSONS WERE DETAINED AS A RESULT OF THE ROUNDUP. FOR EARLIER REPORTING ON THIS CASE, SEE TDCS-314/10486-66, 20 AUGUST 1966, TDCS-314/10419-66, 18 AUGUST 1966, AND TDCS-314/10347-66, 15 AUGUST 1966.

2. ON 18 AUGUST ABELARDO CURBELO PADRON, CUBAN CONSUL IN MEXICO CITY, SAID THAT THE SENDING OF AN OLD DC-4 AIRCRAFT TO MEXICO FROM CUBA ON 16 AUGUST WAS OSTENSIBLY A SPECIAL SERVICE PROVIDED FOR JOSEPHINE BAKER TO TRANSPORT HER AND HER 16 CHILDREN TO MEXICO. ACCORDING TO CURBELO, HOWEVER, THIS PLANE ALSO GAVE THE CUBANS AN EXCUSE FOR NOT EVACUATING THE MEXICANS IMPLICATED IN THE RICO GALAN CASE WHO WERE PRESSING THE CUBAN EMBASSY FOR SANCTUARY IN CUBA TO AVOID ARREST. CURBELO INDICATED THAT THE CUBANS WERE VERY FEARFUL FOR CUBAN-MEXICAN RELATIONS IN VIEW OF THE RICO GALAN CASE AND DID NOT WANT TO BE ACCUSED BY THE MEXICANS OF GRANTING ASYLUM TO GUILTY PARTIES.

3. ON 15 AUGUST JULIAN LOPEZ DIAZ, CUBAN PRESS AND CULTURAL ATTACHE, HAD ADVISED A FRIEND NOT TO TAKE THE 16 AUGUST PLANE TO CUBA BECAUSE THERE WERE GOING TO BE SEVERAL MEXICANS ABOARD TO ESCAPE ARREST IN THE RICO GALAN CASE. AS IT TURNED OUT, HOWEVER,

ONLY FIVE PERSONS FLEW TO CUBA IN THE DC-4 AND NO MEXICANS WERE AMONG THEM. (SOURCE COMMENT: IT IS VERY UNUSUAL FOR CUBANA TO CARRY ONLY FIVE PASSENGERS ON ITS MEXICO-TO-HAVANA RUN.) WHEN ASKED WHY HE DID NOT DO MORE IN CULTURAL PRESS WORK FOR CUBA, LOPEZ REPLIED THAT IT WAS NOT IMPORTANT, BUT WHAT WAS IMPORTANT WAS ASSISTING THE REVOLUTIONARY FORCES IN MEXICO. (SOURCE COMMENT: LOPEZ IS PROBABLY A SECURITY OR INTELLIGENCE REPRESENTATIVE AT THE CUBAN EMBASSY, SINCE HE IS VERY CLOSE TO RICO GALAN AND APPEARED TO FEEL THAT THE MEXICANS CONNECTED WITH THE CASE WHO HAD NOT YET BEEN ARRESTED SHOULD HAVE BEEN GIVEN PASSAGE TO CUBA.)

4. ON 12 AUGUST FERNANDO RICO GALAN, VICTOR'S BROTHER, WAS OBSERVED IN THE CUBANA OFFICE IN MEXICO CITY ATTEMPTING TO ARRANGE FOR A FLIGHT TO HAVANA. THE FLIGHT DID NOT COME TO MEXICO CITY THAT DAY AND FERNANDO WAS LATER ARRESTED IN THE ROUNDUP. ALSO ON 12 AUGUST ONE NOEL BARRA ZENIL WAS OBSERVED ATTEMPTING TO ARRANGE PASSAGE TO CUBA. (SOURCE COMMENT: BARRA IS A RABID COMMUNIST REVOLUTIONARY WHO IS CLOSE TO RICO GALAN AND UNTIL RECENTLY WAS A LONG-TIME RESIDENT OF HAVANA.) (HEADQUARTERS COMMENT: A USUALLY RELIABLE SOURCE REPORTED THAT IN MAY 1956 ALVAR NOEL BARRA ZENIL WAS LISTED AMONG PERSONS CONSIDERED TO BE THE MOST ACTIVE MEMBERS OF THE PARTIDO OBRERO-CAMPESINO MEXICANO (POCM, MEXICAN WORKER-PEASANT PARTY), A SMALL MARXIST SPLINTER GROUP. SEE CS-P02909, 18 SEPTEMBER 1956.)

AT POZA RICA, VERACRUZ

SOURCE:

1. PRELIMINARY RESULTS OF AN INVESTIGATION BY MEXICAN SECURITY OFFICIALS OF THE 14 AUGUST EXPLOSION AND FIRE IN THE PEMEX REFINERY AT POZA RICA, VERACRUZ, HAVE REVEALED NO EVIDENCE TO INDICATE WHO MIGHT BE RESPONSIBLE FOR THE EXPLOSION. INVESTIGATION IS HAMPERED BY THE FACT THAT SECURITY PRECAUTIONS AT THE REFINERY ARE ALMOST NONEXISTENT. AT THE TIME OF THE EXPLOSION ONLY ONE GATE GUARD AND TWO SOLDIERS WERE ON DUTY IN THE ENTIRE PLANT.

2. THE CONDITION OF THE SECTION OF THE GAS TRANSMISSION LINE WHERE THE FIRST EXPLOSION OCCURED INDICATES THAT THE LINE WAS RUPTURED BY AN OUTSIDE EXPLOSION SINCE THE EDGES OF THE PIPE AT THE POINT OF RUPTURE WERE TURNED INWARD.

3. THE EXPLOSION OCCURED AT A TIME WHEN MAXIMUM PROPERTY DAMAGE AND MINIMUM LOSS OF LIFE WERE ASSURED. (SOURCE COMMENT: HAD THE BLAST AND FIRE OCCURED DURING THE WORK WEEK IT IS PROBABLE THAT AT LEAST THREE HUNDRED PERSONS WOULD HAVE BEEN KILLED.)

4. (SOURCE COMMENT: THE CONDITION OF THE PIPE LINE AND THE TIMING OF THE EXPLOSION STRONGLY SUGGEST SABOTAGE. ALSO, THE DAMAGE IS MUCH MORE EXTENSIVE THAN THE PRESS HAS INDICATED AND IT WILL PROBABLY TAKE MUCH LONGER TO GET THE REFINERY BACK IN OPERATION THAN HAS BEEN ESTIMATED. RESERVES ARE BEING USED NOW TO PREVENT A GASOLINE SHORTAGE.)

Victor Rico Galan was born 6 February 1928 at El Ferrol, Spain, and came to Mexico as a Spanish "niño" (year unknown). He became a Mexican citizen and is now a prominent leftist journalist for Siguro and Politica. He lives at Providencia 930, Mexico City. He is head of the National Press and Propaganda Committee of the Movimiento de Liberacion Nacional (MLN). He was a member of the Committee for Solidarity with the Cuban Revolution and of the Periodistas Amigos de Cuba in 1961.

Victor Rico Galan is a close friend of Fidel Castro Ruz. He went to Cuba in October 1962 to write a political biography of Castro. He went to Cuba again in May 1963 and interviewed Castro in June 1963 upon the latter's return from the USSR.

Between mid-October and mid-December 1963, he traveled to Panama, Guatemala, Nicaragua, Costa Rica, Venezuela, and Brazil and conferred with leading Communists and leftists in each of those countries. In early January 1964 he visited the Dominican Republic and on 28 January 1964 again traveled to Cuba, presumably to interview Fidel Castro who had just returned from another trip to the USSR.

In September 1964, Rico Galan had several contacts with Armando Hart Davalos, Cuban Minister of Education and Antonio Nuñez Jimenez, President of the Commission of the Academy of Sciences of Cuba, who were visiting in Mexico.

In November 1964, he published an interview he had with Guatemalan guerrilla leader Marco Antonio Yon Sosa.

Rico Galan has very frequent contact with Rogelio Rodriguez Lopez, Second Secretary of the Cuban Embassy in Mexico and identified member of the Cuban Intelligence Service (OSI). He is also in contact with Oldrich Novicky, Second Secretary and press Attache of the Czech Embassy who is an intelligence officer, and with Ivan Gavrilovich Alferiev, Pravda correspondent in Mexico who is a Soviet intelligence officer.

Rico Galan, according to a number of unimpeachable sources, is a professional paid agent for the Cuban government. He has acted as a courier, carrying large sums of money to pro-Cuban groups in several Latin American countries. He works at the Cuban Embassy in Mexico City in its propaganda activities, often using Siguro magazine in this work. His principal assignment, however, is to act as

Fidel Castro's chief political subversion agent in Latin America. During a recent trip to Guatemala, for instance, he attempted to orient politically the split Communist factions striving to overthrow the Guatemalan Government. A tape recording exists of a speech he made which was later distributed to Guatemalan guerrillas. In the speech Rico Galon claimed he was speaking as an individual, rather than as a representative of the Cuban government. In fact, he was acting on behalf of Castro, as he was instructed to do by members of the Cuban Intelligence Service in the Cuban Embassy in Mexico City, with whom he has been in very frequent contact for the past several years.

Attached find a copy of the tape recording mentioned above.

DRAFT

Victor Rizo Galan's memberships in the following organizations:

IMM - members subscribe to an active campaign to oust U.S. business interests from Mexico and all Latin America, and to fight against U.S. interests and influence in Mexico and throughout Latin America. Members support the Cuban revolution, the Mexican Government's policy of non-intervention and auto-determination and pledge themselves to participate in activities which will bring greater economic, personal and social freedom to the people of Mexico.

There is no indication (at least in public/official IMM documents) that the IMM or its members owe allegiance to any foreign power. It has, however, until 1969, been controlled and dominated by the Mexican Communist Party which IMM give allegiance to the Soviet Union. The IMM and the other Communist groups with which Rizo Galan has been associated, support Soviet foreign policy objectives, usually without any reservations.

The Mexican Journalists Friends of Cuba and the Committee for Solidarity with Cuba follow the same lines as the IMM - with emphasis placed on the distribution of propaganda glorifying the Cuban revolution, and advocating the Cuban Government as the ideal for all Latin American countries.

Mexican-Cuban Institute of Cultural Relations - emphasizes exchange of cultural and economic information, exhibits materials, artists, etc., always, of course, extolling glorious Cuba and urging Mexico to follow Cuba's lead.

Arnaldo Orfila Reynal

His only known organizational affiliation is his membership in the Argentine Socialist Party.

One source reported that Orfila was a naturalized Mexican citizen - however we have no record of his having been granted Mexican citizenship, and as late as April 1965, he was reported by Cubana Airlines as an Argentine citizen. It is reported that Cubana lists their passengers by citizenship.

- 1. According to Francisco Martinez de la Vega of the magazine Siempre, Colonel Eduardo Estrada Ojeda at Police Headquarters where Victor Rico Galan and others were being held after their arrest on charges of subversion had been instructed to permit packages from Mrs. Rico Galan to be delivered to her husband.
2. Elena Garro, writer, told Mrs. Rico Galan that she was going to speak to Minister of Interior Luis Echeverria to try to get him to ensure that Rico Galan would not be manhandled by the police during the interrogation.
3. Miss Garro expressed a scepticism about the whole affair, saying that it was a farce and that she believed that many of those arrested with Victor had been paid to make the statements that they had.

Source Comment: On 17 August Francisco Galindo Ochoa, Press Secretary in the Presidencia, complimented Martinez de la Vega on the piece on Rico Galan's arrest which appeared in the most recent issue of Siempre.

Field Comment: A short, unsigned article titled New Conspiracy? appeared on page 8 of Siempre. It presented briefly an account of the arrest of and charges against Rico Galan; took a swipe at what it termed the periodic paroxysms of patriotism which seize the Mexican police; and then went on to suggest that

Rico Galan, a political journalist accustomed to expressing his ideas in signed articles, could hardly be thought of as a conspirator, and concluded by pleading for respect both for Rico Galan's constitutional rights and for the rights of a free journalism.

1. THE POPULAR SOCIALIST PARTY (PPS) HAS NOT FORMULATED
AN OPINION ON THE 12 AND 13 AUGUST 1966 ARRESTS OF VICTOR RICO

AND IN FACT I AM PLEASED TO SEE PEOPLE OF RICO SALAN'S STAMP ARRESTED BECAUSE THEY ARE ELIMINATED ENEMIES OF THE PPS AND OF ITS SECRETARY GENERAL VICENTE LOMBARDO TOLEDANO.

2. ACCORDING TO CARLOS SANCHEZ CARDENAS OF THE NATIONAL EXECUTIVE DIRECTORATE OF THE PPS, IT IS ALMOST IMPOSSIBLE TO BELIEVE THAT A MAN LIKE RICO SALAN COULD BE THE LEADER OF AN ARMED REBEL MOVEMENT. HE HAS ALWAYS BEEN CONSIDERED A MARXIST INTELLECTUAL BELONGING TO NO PARTY WHO HAS CONFINED HIS BATTLES TO THE PAGES OF MAGAZINES LIKE POLITICA, SIEMPRE, AND SUCESSOS. LOMBARDO TOLEDANO FRANKLY THOUGHT OF HIM AS INCAPABLE OF DOING ANYTHING THAT INVOLVED A MASS FOLLOWING.

3. AS FOR RAUL UCALDE ALVAREZ WHO IS ACCUSED TOGETHER WITH RICO SALAN OF BEING A LEADER OF THE GROUP, SANCHEZ CARDENAS SAID THAT HE IS KNOWN TO HAVE ONCE BEEN A MEMBER OF THE YOUTH ORGANIZATION OF THE RIGHTIST NATIONAL ACTION PARTY (PAN) WHO THEN WENT TO THE EXTREME LEFT AND BECAME A MEMBER OF THE PEOPLE'S ELECTORAL FRONT (FEP). HE WAS AN FEP CANDIDATE DURING THE LAST ELECTION, SANCHEZ CARDENAS SAID.

4. THE PPS ASSUMES, ALTHOUGH IT IS NOT CERTAIN, THAT THE MAJORITY OF THOSE ARRESTED ARE MEMBERS OF THE NATIONAL LIBERA-

TIÓN MOVEMENT (MLM) AND BELONG TO THE RADICAL SECTOR OF THE MLN WHICH WANTS TO CONVERT THE GROUP INTO A MARXIST-LENINIST PRO-CASTRO POLITICAL PARTY.

5. SANCHEZ CARDENAS OFFERED THE OPINION THAT THOSE ARRESTED ARE OBVIOUSLY MORE IN TUNE WITH THE CHINESE THAN THE SOVIET VERSION OF MARXIST-LENINIST DOCTRINE. PICO SALAN AND POSSIBLY OTHERS HAVE MAINTAINED CLOSE CONTACT WITH THE CUBAN EMBASSY IN MEXICO CITY AS WELL AS WITH THE SOVIET, POLISH, AND CZECHOSLOVAKIAN EMBASSIES. BECAUSE THEIR ALLEGED PROPOSALS FOR ARMED AND IMMEDIATE REBELLION ARE USELESS, PROVOCATIVE AND CRIMINAL THEY SHOULD BE CONDEMNED BY THE LEFT IN MEXICO BECAUSE THEY HAVE NOT ONLY IMPERILED OTHER LEFTIST ORGANIZATIONS IN MEXICO BUT THEY HAVE ALSO ENDANGERED THE SOCIALIST BLOC EMBASSIES WITH WHOM THEY HAVE BEEN IN TOUCH. CONDITIONS IN MEXICO ARE NOT PROPER FOR LAUNCHING AN ARMED REBELLION. THE PROXIMITY OF THE UNITED STATES WOULD OON TO FAILURE ANY SUCH ATTEMPT. IN THE FACE OF SUCH NEGATIVE CONDITIONS ARMED REBELLION SHOULD BE CONDEMNED AS ANTI-MARXIST.

6. HOWEVER, DESPITE THE ABOVE STATEMENTS, SANCHEZ CARDENAS SAID THAT IT WAS BY NO MEANS CERTAIN THAT ARMED REBELLION WAS

3. THE TIMING OF THESE ARRESTS IS VERY FORTUITOUS SINCE IT PAVES THE WAY FOR THE INCLUSION OF A POLICY STATEMENT IN THE PRESIDENT'S ANNUAL REPORT TO THE NATION ON 1 SEPTEMBER. DIAZ CRUZ WILL CITE THE ARRESTS TO SHOW THAT THE MEXICAN GOVERNMENT WILL NOT TOLERATE SUBVERSIVE ACTIVITIES OR INTERFERENCE BY EXTREME LEFTISTS.

4. ALTHOUGH PROOF IS STILL LACKING, THERE IS SUSPICION ON THE PART OF OFFICIALS IN THE MINISTRY OF GOVERNMENT AND ELSEWHERE THAT THE EXPLOSION IN THE PEMEX REFINERY IN POZA RICA, VERACRUZ, WAS AN ACT OF SABOTAGE AND WAS CONNECTED WITH THE ARRESTS OF RICO GALAN AND HIS GROUP.

5. (SOURCE COMMENT: IT IS HOPED THAT SUFFICIENT EVIDENCE OF CONNECTIONS BETWEEN THIS GROUP AND CUBA, PRIMARILY VIA RICO GALAN, CAN BE DISCOVERED TO WARRANT A WARNING FROM DIAZ CRUZ TO CUBA AND TO THE LATIN AMERICAN SOLIDARITY ORGANIZATION TO KEEP HANDS OFF MEXICO.)

TAPES. VICTOR RICO GALAN, WELL KNOWN COMMUNIST WRITER WHO HAS BEEN LINKED WITH TROTSKYIST GROUPS IN MEXICO, AND RAUL UGALDE ALVAREZ WERE IDENTIFIED AS THE LEADERS OF THE ORGANIZATION WHOSE NAME IS REPORTED TO BE THE POPULAR REVOLUTIONARY MOVEMENT (MRP - MOVIMIENTO REVOLUCIONARIO DEL PUEBLO). ALSO INCLUDED AMONG THOSE ARRESTED WERE RICO GALAN'S BROTHER FERNANDO (ALSO REPORTED AS VICENTE RICO GALAN) AND RICO GALAN'S SISTER, ANA MARIA RICO GALAN, WHOSE HOME REPORTEDLY WAS USED BY THE MRP AS A TRAINING CENTER. RICO GALAN AND HIS BROTHER AND SISTER WERE IDENTIFIED AS THE INSTIGATORS AND FINANCIAL BACKERS OF THE MRP'S SUBVERSIVE ACTIVITIES. THE PRESS OF 14 AUGUST REPORTED MORE ARRESTS, RAISING THE TOTAL TO ABOUT FIFTY PERSONS. ACCORDING TO A BULLETIN ISSUED BY THE MEXICAN POLICE MANY OF THE PERSONS ARRESTED HAD BEEN INVITED TO MEXICO CITY BY THE LEADERS OF THE MRP WITH PROMISES THAT THEY WOULD BE PREPARED FOR HIGHLY PAID JOBS. ONCE IN MEXICO CITY, THEY WERE SUBJECTED TO TRAINING IN SUBVERSIVE TECHNIQUES, WERE HELD VIRTUAL PRISONERS, AND WERE THREATENED WITH DEATH IF THEY ATTEMPTED TO LEAVE THE HOUSES IN WHICH THEY WERE BEING TRAINED. A FURTHER ITEM IN THE POLICE STATEMENT REPORTED THAT GUMERSINDO GOMEZ CUEVAS HAD

GOMEZ CUEVAS WAS ALSO SAID TO BE RESPONSIBLE FOR THE MANUFACTURE OF BOMBS AND SIMILAR DEVICES. FINALLY, ON 15 AUGUST THE ENGLISH LANGUAGE DAILY THE NEWS REPORTED THAT SEMI-OFFICIAL SOURCES LINKED BOTH THE CUBAN EMBASSY AND CZECH COMMERCIAL COUNSUL AND INTELLIGENCE OFFICER EMIL HRADECKY WITH THE MRP'S ACTIVITIES. HRADECKY, WHO EARLIER IN THE YEAR HAD BEEN ACCUSED OF INTERFERING IN THE TOBACCO INDUSTRY IN NARAYIT STATE AND OF MEDDLING IN THE DISTURBANCES AT THE CERRO DEL MERCADO IRON MINES IN DURANGO STATE, WAS RECALLED BY HIS GOVERNMENT THIS WEEK.

2. FIELD COMMENT CONTINUED: ON 14 AUGUST THE EXPLOSION OF A TANK OF NATURAL GAS LOCATED NEAR THE PETROLEOS MEXICANOS (PEMEX) REFINERY IN POZA RICA, VERACRUZ, TOUCHED OFF TWO EXPLOSIONS OF TANKS OF DIESEL FUEL. SIXTY NINE PERSONS WERE WOUNDED, SIX HOSPITALIZED, FOUR OR FIVE ARE DEAD AND TWO ARE MISSING. DAMAGES WERE ESTIMATED AT SOME SIXTY FIVE MILLION PESOS. 2. On 26 May 1966 Professor Juan Mascaro Neves, a Spanish national who had acquired "Inmigrado" status in Mexico and who had been active in connection with affairs of the Cuban Consulate in Tampico, was picked up by three unidentified men who requested that he show them his identification documents. There was no information available through official Mexican Government services in Tampico on the detention of Mascaro. Since it seemed possible that the detention was not the work of Mexican officials, the Cuban Embassy protested to the Mexican Foreign Office orally. The Embassy was later informed that Mascaro had been deported to Venezuela for violations of the Mexican immigration law.
3. Mascaro was a key contact of Victor Rico Galan, Spanish-born Mexican Marxist journalist, during the latter's visit to Tampico and Ciudad Mante from 4-6 April 1966. Mascaro's wife, Carmen Garcia de Mascaro, has also been a close contact of the Cubans in Tampico.

8. Mascaro Neves was picked up on 26 May by agents of the DFS (Direccion Federal de Seguridad) and was brought to Mexico City from Tampico. He was immediately deported to Venezuela. The basic reason for Mascaro's deportation was his close association with Rico Galan.¹

1. Source Comment: Mexican security officials are convinced that Rico Galan is a key Communist figure and that he is involved in plans to establish bands of guerrillas in the Mexican countryside.

1. On 25 April 1966 the National Liberation Movement (MLN - Movimiento de Liberacion Nacional) held a meeting in its offices at Republica de El Salvador No. 30-301 in observance of the Week of Solidarity with the Dominican Republic. Only about 35 persons attended the meeting which was chaired by Luis Cordova Ortiz and Guillermo Calderon Ita, in the absence of leftist journalist Victor Rico Galan who could not attend because of illness.
2. Cordova devoted his speech to a denunciation of the United States' "armed invasion" of the Dominican Republic, calling it an act which has aroused the indignation of the entire world. On behalf of the MLN he demanded the withdrawal of U.S. troops from that country.
3. Guillermo Calderon spoke briefly about the U.S. presence in the Dominican Republic, but devoted the better part of his speech to a criticism of the visit to Mexico of President Johnson on 14 April 1966. He accused the Mexican and United States governments of having kept secret until the very last minute the fact of an official visit which was falsely described as a courtesy visit. The visit was made on the pretext of unveiling the Lincoln statue, he said, but the fact that President Johnson brought with him all the members of his cabinet and his principal advisors, notwithstanding their

preoccupation with problems in Vietnam, the Dominican Republic and elsewhere, proved that Johnson had come to deal with matters of great importance to him and to Mexican President Gustavo Diaz Ordaz. Or, he added, was it that Johnson had come to give instructions, or orders, to continue his policy of oppression of the people, in this instance Mexico.

4. Calderon criticized sharply the Mexican Government for its methods in organizing the elaborate reception for President Johnson. The system of herding together the populace is accomplished, among other means, through threats made by union leaders to workers that they will lose a day's pay or suffer other losses if they do not participate in welcoming ceremonies. Calderon denounced officials of the Ministry of Foreign Relations for having remained silent in the face of a proposal by Secretary of State Dean Rusk for the creation of an international police force - "the type of security force that has in the past protected countries from North American aggression".
5. Again on 28 April the MLN held a meeting in observance of Dominican Week, this one attended by approximately twenty-five persons. It was announced at the last moment that the journalist Alberto Domingo, who was to have attended the meeting, would not be present because of a more pressing engagement. In his absence Armando Castillejos Ortiz and the poetess Norma Carrasco improvised a program. Castillejos expressed regret that the MLN does not possess adequate publishing facilities to keep the Mexican public informed of the existing situation in the Dominican Republic. He recommended that those present take advantage of every opportunity, in their places of work and at gatherings elsewhere, to disseminate by word of mouth the facts of North American domination over the weaker nations of the world. He noted that ninety percent of the citizens of the United States are not in accord with U.S. foreign policy.
6. Norma Carrasco's contribution to the meeting consisted of the reading of poetry which she had composed depicting the United States' invasion of the Dominican Republic.

2. TAMAYO TOLD RICO GALAN THAT SOME YEARS AGO WHEN THEN-PRESIDENT ADOLFO LOPEZ MATEOS WAS THE GUEST OF THEN-PRESIDENT EISENHOWER AT A DINNER AT THE WHITE HOUSE, PRESIDENT EISENHOWER PROPOSED A TOAST TO THE HUNDRED YEAR FRIENDSHIP BETWEEN MEXICO AND THE UNITED STATES DURING WHICH THE UNITED STATES HELPED MEXICO EXPEL THE FRENCH INVADERS. TAMAYO SAID THAT THE TOAST WAS PUBLISHED AND THAT HE THEN PREPARED A RATHER LONG ARTICLE WHICH INCLUDED THE TEXTS OF LETTERS WRITTEN BY JUAREZ WHICH DENIED THAT THE UNITED STATES HAD HELPED MEXICO AGAINST THE FRENCH. THE PIECE WAS PUBLISHED IN THE LEFTIST WEEKLY SIEMPRE. TAMAYO SAID THAT THE MEXICO CITY DAILY EXCELSIOR ALSO PUBLISHED ALMOST THE ENTIRE TEXT OF THIS REBUTTAL.

3. TAMAYO SUGGESTED TO RICO GALAN THAT THIS SUBJECT BE MADE THE THEME OF RICO'S NEXT ARTICLE FOR SIEMPRE. RICO GALAN SAID THAT HIS NEXT ARTICLE HAD ALREADY BEEN TURNED IN BUT THAT THE EDITORIAL HAD NOT YET BEEN WRITTEN AND THAT HE WOULD SUGGEST THE IDEA TO JOSE PAGES LLERGO, SIEMPRE PUBLISHER, BECAUSE HE BELIEVED THAT PAGES WOULD BE INTERESTED. Victor Rico Galan, leftist journalist who writes for both Siempre and Politica, is planning to visit Guatemala clandestinely to investigate the disappearance of Victor Manuel Gutierrez Garbin, Guatemalan Communist Party (IGT) leader of the Guatemalan exile community in Mexico, who returned to Guatemala in late February.

Field Comment: TDCS-314/03186-66 reported that Gutierrez Garbin and three other Guatemalan leftists were arrested and executed by the Guatemalan authorities on 6 March 1966.

Source Comment: Rico Galan could only enter Guatemala illegally since he was declared persona non grata by the Guatemalan Government in 1963 after he visited the country to interview President Peralta. While there, he also managed to talk with Marco Antonio Yon Sosa, guerrilla leader. Upon his return to Mexico, Rico Galan wrote articles favorable to the rebels and most unflattering to the Peralta government. Rico Galan's interview with Yon Sosa was arranged through Adolfo Mijangos Lopez who is now living in exile in Mexico.

<p>1. On 13 January 1966 a Mexico City newspaper, <u>El Heraldo</u>, published an article which cited a taped speech by Victor Rico Galan to Yon Soza's guerrillas as evidence of Rico Galan's efforts to undermine the January 1966 visit of Mexican President Diaz Ordaz to Guatemala. A copy of this article is attached. The taped speech mentioned in the article is obviously that which Guatemalan authorities captured from Yon Soza's guerrillas in October 1964 following a guerrilla attack on a Guatemalan military garrison. This tape was subsequently made available to KUEARK and was passed via the [Redacted] to Mexico City Station for possible exploitation in Mexico. The content of the taped speech was later passed to President Diaz Ordaz by COS, Mexico City, with a view to stimulating pressure toward Rico Galan's expulsion from Mexico as an undesirable alien. How <u>El Heraldo</u> obtained or got word of the taped speech is not known. Since the <u>El Heraldo</u> article was pegged to the current trip to Guatemala of President Diaz Ordaz, it is very probable that the expose was stimulated directly by the Presidency, in line with a GOM campaign to neutralize all existing and potential opposition locally to the Presidential trip.</p> <p>2. POR VICTOR RICO GALAN

Sr. José Pagés Llergo,
Director de SIEMPRE!
Admirado y respetado:
Tengo honra de dirigirme a un asunto que me concierne personalmente, y uso por ello el estilo epistolar. Como el asunto involucra cosas que le importan al país, confío en que esta carta será de interés público, aunque para seguir un orden lógico me vea obligado a empezar por el aspecto personal que hay en él.

Como usted sabe, El Heraldo de México publicó el pasado día 13 un cintillo que decía "Fracasó la conjura comunista", bajo el cual se afirmaba que los guerrilleros guatemaltecos, en connivencia con malos mexicanos, preparaban una algarada o atentado —esto no se especifica—

contra el Presidente Díaz Ordaz, con motivo de su viaje a Guatemala. Según la nota "informativa", que llevaba las misteriosas siglas SNG (¿Servicio de Noticias de Guatemala?), el principal agente en esa conjura sería yo, y como prueba se ofrecía la supuesta versión taquígrafica de una cinta magnetofónica grabada por mí. Como existió, en efecto, una cinta que yo grabé, y como en el "pastiche" publicado por El Heraldo se utilizan frases que pronuncié realmente, creo necesario explicar la historia de todo ello.

Visité por primera vez Guatemala en octubre de 1963. En el número de SIEMPRE! del 30 de ese mes y año, apareció publicada una entrevista mía con el coronel Enrique Peralta Azurdia, que se iniciaba con esta descripción de su persona: "El coronel Enrique Peralta Azurdia, "hombre fuerte" de Guatemala, no da de ninguna manera la impresión de ser fuerte. Por el contrario, es oscuro, de hablar premioso, con una constante actitud tímida y sin brillantez alguna. No tiene ese tono decidido de los militares guatemaltecos que, digan cosas inteligentes o tontas, lo hacen con un énfasis de cuestión sancionada. En los pocos minutos de conversación con él, me expliqué muy bien por qué — pese a mi insistencia en contrario — aceptó sólo contestar mis preguntas por escrito. La transacción final consistió en que, una vez satisfecho el cuestionario en esa forma, habláramos brevemente en su despacho, sobre todo con el objeto de obtener una fotografía".

Esa discreta sugerencia de su tartamudez mental enfureció al coronel. Y más aun, cuanto que en el mismo número de SIEMPRE! apareció otra entrevista, también mía, con el entonces líder del movimiento guerrillero guatemalteco. El coronel Peralta Azurdia le dijo a un colega chileno que lo entrevistó días después que yo, que se vengaría de mí donde quiera que me encontrase. ¡Y me imagino, no sin humor, el coraje que debe haber hecho cuando el colega chileno publicó su propio reportaje... y coincidió conmigo en lo de la tartamudez mental del señor coronel!

Lo cierto es que el hombre intentó en reiteradas ocasiones cumplir su promesa. Con motivo de su informe de gobierno, transmitido por radio y televisión a toda Guatemala, me acusó de haber ido a ese país a organizar "grupos de choque", y la AP y la UPI se encargaron de difundir la noticia, que la patriota, nacionalista y solidaria prensa mexicana publicó profusamente. El coronel "se vengaba", y yo callé por no dar importancia a la irritación de un personaje tan menor, irritación que, por otra parte, me explicaba perfectamente.

Regresé a Guatemala un año después, precisamente en octubre de 1964. Y, efectivamente, grabé un mensaje en cinta magnetofónica, destinados a varios guerrilleros a los que no pude ver. Nada tenía de misterioso ese mensaje. Contiene un saludo, algunas apreciaciones sobre el movimiento guerrillero hechas sobre el terreno por el observador, por el periodista, y noticias para los que tenían familiares en México. Ni una sola palabra que fuera necesario ocultar, ni una sola idea que no haya publicado, no una, sino mil veces. ¿Acaso es un misterio mi solidaridad abierta y pública con quienes luchan por la libertad de su patria? Mucho menos que misterio es delito, y yo me enorgullecía de esa solidaridad.

Lo cierto es, sin embargo, que esa cinta no llegó a sus destinatarios, porque fue capturada por el ejército guatemalteco. Y el coronel Peralta Azurdia encontró en ella la fórmula perfecta para una serie de manobras que por un lado, satisficieran su tipo de egoísmo y por

... ra pero no la única, ni mucho menos. Antes hubo rumores, acusaciones y chismes contra muchas personas, a las que se acusaba de ser mencionadas en la cinta y de colaborar conmigo en mis tenebrosas conspiraciones. En mayo de 1965, el diario guatemalteco Prensa Libre — el de mayor circulación en su país — hizo pública una de esas "versiones". ¿De dónde la habla obtenido? De un boletín enviado por la oficina de prensa del coronel Peralta Azurdia. Y esa "versión" tenía por objeto justificar la expulsión — entonces reciente — del distinguido intelectual y político guatemalteco Francisco Villagrán Kramer, mencionado en la cinta, lo cual era "prueba" de que conspiraba conmigo.

¿Y por qué sólo Prensa Libre publicó la versión? Pues por la razón simple de que provenía de un boletín oficial, y los otros periódicos de Guatemala se negaron a aceptarlo si no se les permitía oír la famosa cinta. Y claro que no se les permitió. Bajo una dictadura militar, los periódicos guatemaltecos tuvieron más ética profesional que El Heraldo en un régimen de libertad de prensa. Pero así son las cosas. Y algo que es también importante hacer notar: Prensa Libre, tan oficialista que acogió la sucia calumnia, es el periódico que ha hecho la campaña más gruesa y negativa contra la visita del Presidente Díaz Ordaz a Guatemala.

La "versión" de El Heraldo tiene por objeto acusarme, a mí y a otras personas, de conspirar para echar a perder la visita del Presidente Díaz Ordaz a Guatemala. Yo fui a ese país por última vez — repito — en octubre de 1964, cuando el licenciado Díaz Ordaz era Presidente Electo. ¿Cómo iba a saber que se proponía visitar Guatemala? ¿Cómo iba a hablar de los asaltantes del cuartel de Ciudad Madera, en Chihuahua, si eso sucedió a fines de 1965, y en octubre de 1964 nada sucedía en Chihuahua? Eso, para mencionar sólo dos de las más abultadas falterdades de la "versión". Se utilizan unas cuantas frases auténticas, y se daba una supuesta grabación para cada caso. Sencillo y sin problemas.

Pero, además, el coronel Peralta Azurdia se propone otra cosa con la "versión" de El Heraldo. Se propone justificar las extremadas precauciones policíacas que tomó para preservar su vida — no la del Presidente Díaz Ordaz — y la mala impresión que eso, y la falta de asistencia popular a la recepción, tuvo que causar al huésped y a su comitiva. Pese a que la tartamudez mental del coronel Peralta Azurdia y la de sus colaboradores mexicanos en el sucio edo de la cinta no les permitió siquiera relacionar ésta con el viaje presidencial, la noticia termina diciendo: "Por todo esto (¿por qué?), el gobierno de Guatemala creyó pertinente tomar todas las medidas necesarias que garantizaron la seguridad del mandatario mexicano y de los miembros de su comitiva, durante su visita a nuestra nación".

Pero la verdad es que tales precauciones se tomaron para garantizar la seguridad del coronel Peralta Azurdia — esa sí muy amenazada —, y no la del Presidente Díaz Ordaz, contra el cual no tenía nada el pueblo de Guatemala, y al que sólo los periódicos reaccionarios — en particular Prensa Libre — atacaron. Tan es así, que si bien en la capital el Presidente mexicano fue encerrado en un automóvil blindado — para proteger a Peralta Azurdia —, y si bien en la capital acudió poco público — para no aplaudir a Peralta Azurdia —, en La Antigua, a donde el licenciado Díaz Ordaz fue solo, sí hubo recepción popular entusiasta y se braron las precauciones policíacas. ¡Claro, no estaba Peralta Azurdia!

Y, en relación con esto, hay algo que el público mexicano debe saber. La Universidad de San Carlos de Guatemala la considero seriamente la idea de otorgarle al Presidente Díaz Ordaz el grado de doctor honoris causa. El asunto se debatió extracolegiamente en el Consejo Universitario, y varios maestros propusieron la idea, porque significaba el reconocimiento a un mandatario civil y universitario, e indirectamente una bofetada a las gorilas de uniforme que gobiernan Guatemala. Y los consejeros alumnos estuvieron de acuerdo en que la tendencia era buena, pero objetaron el propósito por una sola razón: porque, por motivos de protocolo, la Universidad se veía obligada a invitar y recibir en su recinto al coronel Peralta Azurdia. En tal caso — dijeron — los estudiantes no acudirían. Y, ante este peligro, que desvirtuaba el verdadero objetivo político del proyecto, la Universidad no otorgó el grado. Esta claro que no lo otorgó por una sola razón: por no recibir a Peralta Azurdia, no obstante las buenas intenciones para el Presidente Díaz Ordaz.

Así son los hechos, esa es la verdad. Y si el coronel Peralta Azurdia cree de verdad que me puede echar a mí la culpa de todo eso... pues

This study has been passed to the contact cited in paragraph 3 of reference with appropriate caveats with regard to sourcing of hitherto unpublished portions as a basis for a projected article on Subject.

2. The "last-ditch" effort by LILISP-E to place an exposé of Rico Galan in a Merida newspaper (as noted in reference) has not yet borne fruit. The special article by the LILISP-E news service has been prepared but last-minute rewriting problems have held up distribution. Notes for
A Portrait of a Castro-Communist

MICROFILMED
AUG 11 1965

Agent

Victor Rico Galan was born 6 February 1928 in El Ferrol, Spain. He is Spanish by birth, became a Mexican citizen by naturalization in March 1949. He is married to Ingeborg Diener de Rico Galan, born 11 May 1929 in Mexico City. He resides at Ernestina Larrainzar 19-B, Col. del Valle in Mexico City. He writes for both Siempre, Mexico City leftist news-weekly, and Politica, pro-Communist bi-weekly newsmagazine.

VRG reportedly talked to Fidel Castro and Che Guevara in 1961 regarding the formation of the Movimiento de Liberacion Nacional (MLN) in Mexico. With their approval he became one of the founding members of the MLN and later headed the MLN Press and Propaganda Committee. In a speech to the MLN in April 1962 he stated, "The government must be made to understand that only the people have the right to violence." (This was in reference to the Mexican government repression of the Communist Party and its arrest of David Alvaro Siquieros.)

In an article in Siempre in March 1963 VRG advocated the formation of a new political party reflecting the ideology of General Lazaro Cardenas, former President of Mexico. VRG said this new political party was needed to truly represent the radical tendencies of the 1910 revolution. VRG conceived this new party as the political arm of the recently-formed MLN, which could thus develop into a broad national pro-Communist movement like the FRAP in Chile.

VRG has always been very close and sympathetic to the Castro-Cuban revolution. In 1961 he was a member of the Periodistas Mexicanos Amigos de Cuba. Also in 1961 he was reported to be a member of the Committee for Solidarity with the Cuban Revolution. In March 1962 he was reportedly a member of a group of four pro-Castroites who made an abortive physical attack on Emilio Uranga, writer for Siempre who has written anti-Castro items. As the group converged on Uranga other members of the Siempre staff intervened and the matter was settled without violence.

From October to December 1962 VRG was in Cuba, as a correspondent for Siempre and also reportedly to gather material for a political biography

of Fidel Castro. In an article written for Siempre while he was in Cuba (Siempre 31 Oct 62) he extols the great Cuban revolution and the advantages Castroism has brought to the lower classes. In a later article (Siempre 14 Nov 62) he attacks the Soviet Union and Khrushchev for their weakness during the Cuban missile crisis. He refers to Fidel Castro as being the vanguard of the revolution against Colonialism.

From late May to mid June 1963³ VRG was again in Cuba, this time to interview Fidel Castro following the latter's return from the Soviet Union. VRG reportedly spent 8 days with Fidel Castro, five of them aboard the Cuban leader's yacht, and also interviewed other Cuban leaders, including Blas Roca, Secretary-General of the Partido Socialista Popular (PSP - Cuban Communist Party); Ernesto "Che" Guevara Serna, Minister of Industries; Oswaldo Dorticos Torrado, Cuban President; and Raul Roa Garcia, Minister of Foreign Relations.

It was during this May-June 1963 contact with Fidel Castro and other Cuban leaders that VRG received a major operational assignment. He was given the mission of traveling through Central and South America to contact local Communist and guerrilla leaders. His job was to persuade these groups to begin campaigns of violence and terror immediately in order to take the pressure off the FALN in Venezuela, whose program of terror, heavily subsidized by Castro, was beginning to run into increased resistance from the Venezuelan government forces. On this trip VRG also had the mission of bringing about greater unity among the various Communist and terroristic groups.

In late 1963 VRG undertook his assigned mission. He traveled to Panama, Guatemala, Costa Rica, Venezuela, Nicaragua and Brazil and contacted key Communists in each of these countries.

Among the Communist leaders which VRG contacted on this trip were Hugo Victor, President of the Partido del Pueblo (PDP - People's Party, a Communist group) and David Turner, a leader of the Vanguard of National Action (VAN - a pro-Cuban, radical revolutionary organization) in Panama; Gomez Ayay, a guerrilla leader in Guatemala; and Francisco Juliao, the revolutionary peasant leader, in Brazil.

In Nicaragua VRG met several times with Alvaro Ramirez Gonzalez, Secretary-General of the Movilizacion Republicana (MR - Communist Political Front) who was also a member of the Central Committee of the Partido Socialista in Nicaragua (PSN), the Nicaraguan Communist Party. VRG's visit with

Ramirez was given considerable radio and press publicity in Nicaragua. The press referred to "secret meetings" in VRG's hotel room between Ramirez and VRG. Ramirez answered by writing letters to the newspapers, saying he met VRG quite openly in his office and that VRG had called on him because he (VRG) was a legitimate journalist who was seeking interviews with various political figures. On 24 October Ramirez was interviewed on radio and finally reluctantly admitted that he had gone to VRG's hotel room. He said his purpose in going there was to take VRG to his (Ramirez's) office.

In Panama VRG stayed at the Hotel International. While in Panama he visited US installations and was seen taking many pictures. His talks with Hugo Victor and David Turner were aimed at getting the VAN and the PDF to resolve their differences and to unite. Turner briefed VRG on VAN's preparations to establish an armed movement in Panama. Victor, on the other hand, spurned VRG's to unify the two groups.

Following this trip in late 1963, VRG returned to Cuba (in January 1964) and visited Fidel Castro again and to report on the results of his contacts with Central and Latin American Communist leaders.

In late March 1965 VRG (with his wife) again traveled to Cuba to report to Cuban leaders. He returned to Mexico in early April 1965.

In May 1964 VRG was invited to visit Red China, ostensibly as a guest of the All-China Journalists Association, which indicated it would be willing to pay all costs, including transportation. Because of other pressing work in connection with his assignments on behalf of Castro, VRG did not accept this invitation.

Over the years 1961 to 1965 VRG's contacts with the Cuban Embassy in Mexico City have increased steadily. He meets frequently and regularly with various officials of the Cuban Embassy, usually at his home, at the Siempre offices or at the homes of the Cuban officials in Mexico City.

His most frequent contact is with Manuel Eugenio Vega Perez, Third Secretary of the Cuban Embassy and chief representative of the Dirreccion General de Inteligencia (DGI - Cuban Intelligence Service) in Mexico. Obese and outwardly jolly, Vega Perez was the driver of a beer truck in Havana prior to the Cuban Revolution which launched him on his intelligence career.

Another VRG Cuban intelligence contact is Ramon Sinobas Casado, Counselor of the Cuban Embassy. Sinobas is Vega's assistant in handling VRG. It is apparent that these contacts are primarily for the purpose of channeling VRG's reports and instructions to and from Cuba. In the course of his work as an agent for Castro and the DGI, VRG is known to have acted as a courier, carrying material and large sums of money to pro-Cuban groups in Central and Latin American countries.

In October 1964 VRG received another important assignment from his Cuban masters. VRG was requested to travel to Guatemala to make a personal survey of the strength and weaknesses of Marco Antonio Yon Sosa's guerrilla forces and to lay the basis for a more energetic implementation in Guatemala of the tactical principles for guerrilla warfare laid down by "Che" Guevara. This was, in effect, a follow-up to his earlier visit to Yon Sosa during his swing through Central American countries in late 1963. At that time, VRG attempted to persuade Yon Sosa to align himself more closely with Castro's objectives in Latin America. The results of this visit to Guatemala were written up by VRG in a special report to Castro. VRG's conclusions at that time were not completely favorable to Castro.

Yon Sosa is known to be a forceful and independent guerrilla leader who prides himself on his ability to maintain himself and his followers independently of ideological guidance from either Havana, Peking or Moscow, although he is quite willing to accept arms and financial support from any of these Communist capitals. In the past Castro's efforts to bring Yon Sosa to heel have been thwarted mainly by the influence the Chinese Communists have been able to exert over the Guatemalan guerrilla leader. In addition to the direct aid provided by Peking to Yon Sosa and his guerrillas in Northeastern Guatemala, there is the fact of Yon Sosa's Chinese background (Yon Sosa's father was Chinese) which has served to tie him emotionally to the Red Chinese.

It was the continuing recalcitrant attitude of Yon Sosa which apparently prompted VRG's second mission to Guatemala in October of 1964. VRG was instructed not only to talk to Yon Sosa but also to try to influence Yon Sosa's guerrilla forces directly in line with Castro's objectives. In addition to prepared material which VRG used for lecturing the guerrillas he brought with him special propaganda films for indoctrination purposes.

In late October 1964 the Guatemalan authorities captured a number of tape recordings from Yon Sosa's guerrillas following a guerrilla attack on a government

garrison. Included in these tapes was one made by VRG for delivery to the guerrillas during his early October visit with them. A copy of this tape is attached. The tape consists mainly of an exhortation by VRG for unity (between the Partido Guatemalteco del Trabajo (PGT) and the 13 November Group) and a plea not to permit ideological arguments to replace action. In this speech VRG reveals himself to be a hard-headed revolutionary activist, not merely an intellectual leftist. His approach to revolution is completely practical, not theoretical.

To cover his mission as a Castro political action agent to Yon Sosa, VRG later published an "interview" with the latter (in Siempre No. 593, 4 November 1964).

VRG's involvement in the recent Dominican crisis is the latest example of his work on behalf of Castro. In early January 1964 VRG travelled to Santo Domingo, returning a week later to Mexico. Ostensibly this trip was to report on Dominican Republic affairs for Siempre. Actually this was merely a cover for a Communist propaganda assignment. Shortly after VRG left Santo Domingo, thousands of copies of a pro-Castro brochure, entitled "Siempre visita la Dominicana" and signed VRG, were distributed among Communists and Communist sympathizers in the Dominican Republic. A copy of this brochure is attached.

During his January 1964 trip VRG contacted both the Movimiento Popular Dominicano (MPD), a terroristic revolutionary Marxist-Leninist and strong pro-Chicom group, and the 14th of June Movement, the Agrupacion Politica Cuatorce de Junio (APCJ), a militant, revolutionary pro-Castro group. His contact with the MPD resulted in his furnishing material to the subversive MPD publication, Libertad. But his principal contact, one that developed rapidly into a very active relationship in the period preceding the Dominican crisis, was with Juan B. Mejia, leader of the APCJ. These two have maintained close and frequent contact over the past year. During the Dominican crisis VRG served as a relay point for material and instructions from Cuba to the APCJ and also acted as a reporting channel from Mejia to the DGI and the APCJ's Castro-Cuban leadership in Cuba.

As in previous operations of this kind, VRG cloaked his relationship with Mejia under a journalistic cover. An "interview" he conducted with Mejia appeared in the 2 May 1965 issue of the Cuban newspaper Hoy. A copy of the text of that article is attached.

In mid-May 1965 a gaffe by Mejia's and VRG's Cuban superiors exposed the Mejia-VRG-Cuba channel publicly. In an article carried by Porto Alegre (Brazil) newspaper Correio do Povo on 20 May, datelined New York 19 May by Louis Wisnizer, a Radio Havana broadcast of 18 May was reported to have mentioned a declaration by Juan Mejia sent from Santo Domingo to VRG in Mexico, who then sent the declaration to Radio Havana. After citing this channel by which it received the Mejia statement, Radio Havana proceeded to broadcast the following excerpts from the declaration: "Numerous leaders of the 14 June Party have disappeared but I (Mejia) know that they are now in the mountains leading guerrillas. The 14 June Party has control of the situation in Santo Domingo." The Correio do Povo noted editorially that the Radio Havana broadcast seems to negate the Castro effort to deny that the 14th June Movement in the Dominican Republic is tied to him. The article concludes by noting that Mejia was one of the 58 Communists listed by the Americans, and that this confession by Havana puts new light on the question of American intervention in the Dominican Republic. Not noted in the article is the fact that VRG's role as an intermediary between Mejia and Castro is clearly exposed by the Radio Havana broadcast. A copy of the Correio do Povo article is attached.

When the Dominican rebellion erupted VRG began to agitate with the Siempre staff for outright and total support to the pro-Castro forces in the rebel camp. These efforts began to bear fruit when VRG was allowed to personally brief and dispatch a Siempre correspondent-photographer team to the Dominican Republic in early May 1965 to report on the crisis. The correspondent was Luis Suarez Lopez; the photographer was Luis Rodrigo Moya Morono. The resulting articles in Siempre produced by this VRG-Suarez-Moya team were violently anti-US and pro-Castro Communist in their interpretation of the crisis -- so much so that they apparently touched off a bitter dispute between VRG and Jose Pages Llargo, Siempre director, who prefers to stick to the traditional Siempre role of a pseudo-independent outlet for a variety of leftist causes. VRG's efforts to reorient Siempre along more militant pro-Communist lines has long been known in journalistic circles in Mexico and the Suarez-Moya incident appears to have precipitated an open fight between the two. VRG is apparently aiming for a showdown with Pages Llargo over this issue, since several Siempre writers are known to have been individually approached by VRG over the past weeks to enlist their support against the present Siempre editorial policy, which VRG regards as too "opportunistic."

A. RICO TO COCCIOLI. LATTER STATED THAT ORENGO (PHONETIC-PRESUMABLY SARLER ORENGO OF REF) RECEIVED TELEGRAM FROM ACHIETIERI (POSSIBLY AGET CO.) YESTERDAY AUTHORIZING AND PRESSURING HIM TO GO TO CUBA TO "PRESENT THIS MATTER...IN THIS QUESTION IN WHICH YOU ARE HELPING US, I WOULD LIKE YOU (RICO) TO GET MAXIMUM MORAL BENEFIT. ORENGO NEEDS A VISA; HE IS APOLITICAL, ON NEITHER SIDE. HE WILL NEED A VISA TO GO TO TALK TO WHOMEVER YOU SAY". COCCIOLI WOULD RECOMMEND THAT ORENGO TALK TO ALEJO CARPENTIER BUT "THIS IS SIMPLY A POLITICAL QUESTION". RICO SAYS HE TOOK UP THIS MATTER AND "THEY TOLD ME THAT IN CASE THIS MAN INSISTS IN THIS MATTER I SHOULD PUT HIM IN CONTACT WITH THE AMBASSADOR. HE IS STAYING AT HOTEL MARIA CRISTINA. COCCIOLI SAYS HE IS A VERY GOOD FRIEND, HAS BEEN ONE FOR MANY YEARS. COCCIOLI WANTS TO GIVE HIM (ORENGO) PRECISE INSTRUCTIONS, AS RICO SHOULD INDICATE, ~~ALSO THAT THE CASA SCHST~~ (PHONETIC-POSSIBLY AGET) WOULD BE INTERESTED FOR YOU TO MAKE THE BOOK". RICO SAYS

RICO WILL TAKE HIM TO TALK TO AMBASSADOR WHO SPEAKS FRENCH. COCCIOLI DOES NOT WANT TO GET MIXED UP IN THIS MATTER. HE WOULD ACCOMPANY THIS MAN WITH PLEASURE BECAUSE COCCIOLI COULD EXPLAIN TO AMBASSADOR SINCERELY WHAT IS BEHIND ALL THIS. THIS MAN IS TECHNICAL ATTACHE OF THE DIRECTION GENERAL DE ACHATS (?) AND HE KNOWS ALL ABOUT CASTRO TO DATE. HE WAS SENT PRECISELY FOR ACHATS ~~ACHATS~~ ^{(PURCHASES} ?).

B. RICO TO COCCIOLI: RICO HAD TO GO BY (CUBAN) EMBASSY BECAUSE PHONES WERE BLOCKED. TALKED WITH AMBASSADOR AND WILL EXPECT THEM ON FRIDAY (18 JUNE) AT 1700. RICO AND COCCIOLI DISCUSS CUBANA SCHEDULES AND NEED FOR VISA WHICH RICO EXPLAINS HAS TO BE REQUESTED FROM HAVANA. COCCIOLI SAYS ORENGO HAS LITTLE TIME, WAS TO LEAVE FOR PARIS ON SUNDAY BUT NEANWHILE HAD RECEIVED THIS TELEGRAM TO GO HAVANA. RICO SAYS AMBASSADOR WANTS COCCIOLI AND RICO TO ACCOMPANY ORENGO. THEY PLAN TO MEET AT COCCIOLI'S AT 1630 ON FRIDAY.

Luisa Portugal 43-12-10-2202

Señor Luis Portugal

Como filiación a la inscripción que elevé el 16 de Enero último al Sr. Director de Migración, Secretaría de Gobernación y a fin de cumplir todos los trámites exigidos para que la esposa e hijos del que suscribe Víctor Rico Co. Jrs. puedan entrar en México, se permite informar que, pues la estancia en esta República tiene estado legal por estar en posesión de la formula 5, nº 118, SGC expedida en México el día de 13 de Agosto 6 de 1939, de la formula 14, nº 129214 expedida en México D.F. el 14 de Noviembre de 1939.

Los hijos Víctor Rico Galán, Fernando Rico Galán y Ana María Galán, nacidos en la ciudad de Toluca - México - el 5 de Febrero de 1928, el 9 de Abril de 1929 y el 14 de Agosto de 1930, respectivamente, continúan en la actualidad, con 11, 10, y 9 años.

La forma en que por las trágicas vicisitudes de la guerra me vi obligado a abandonar a Toluca, no me ha permitido el tener en mi poder la partida de nacimiento que acredita oficialmente mi matrimonio con mi esposa Fernanda Galán Guirra ya que además desde el comienzo de la guerra estuve separado de mi familia y del lugar donde se encuentra ubicada. Entre la actual familia existente en Toluca existen muchos parientes con quienes se tienen antiguas relaciones de amistad y a quienes sea posible de hacerme indudable el matrimonio, y por ello me es este escrito una certificación que así los acredita, ya que en el único caso posible de que desconfiara para probar esta verdad.

CON 3 ANEXO

También adjunto al presente escrito, una certificación de la red social "Trigueros y Harin", en la que se trabaja por la que se ve que efectivamente dispongo de los medios económicos suficientes para el sostenimiento de mi familia cuando llegue aquí. A mayor abundamiento el presente otro documento de garantía suscrito por propietario del restaurant "Pilagros", Sr. Ramón Prieto.

Quiera de su recto proceder que con los informes y documentos que se aportan juntamente con el presente escrito habrá de resolverse en mi instancia favorablemente.

Procurador General de la República
México, D.F. 28811

Ante la magnitud de los problemas nacionales, se ha hecho pesar su serenidad e inteligente política, y ha demostrado que, independiente del ejercicio de su calidad moral, y de su grande condición de amigo, es usted el revolucionario que cumple sus compromisos con el pueblo mexicano y ejerce el poder con la seguridad de su propia responsabilidad, haciendo pesar el derecho como inviolable principio y como condición irrenunciable de los magníficos preceptos de la Ley.

Usted se dejó a México, señor Procurador, por el Erabala y piensa, desentendiéndose de cobardes artículos que circulan plenos de insultos y comentarios de quienes no creen en la relevancia de su actuación, partiendo esta crítica de los emboscados que por sistema hacen de la murmuración una arma ignoble y descastada para volcar sus anarquías.

La grande y firme línea y la provechosa habilidad de personas de una personalidad moral e intelectualmente como Victor Rico y otros tantos de la gran línea de luchador como articulaciones de fondo en prestigiosas revistas constituyen una verdadera garantía de la dignidad mexicana. Lo oportuno su colaboración en extranjero no sólo ha demostrado su desprecio hacia sus leyes e instituciones, y su desprecio a la tradicional hospitalidad mexicana, sino delibadamente pretendiéndole explicar a sus lectores que la línea de combates que él y otros de la gran línea de luchadores, es enemigo de la clase obrera, por lo que se deduce que Victor es uno de los tantos extranjeros que sobran en el país.

Lo que ha hecho usted es que se respete nuestra soberanía y simultáneamente ha defendido y defendido incólumne todos los derechos de los trabajadores mexicanos, por lo que sería un error imperdonable confundir su digna y patriótica actitud como una claudicación de los ideales y principios que siempre ha sostenido y defendido.

COMUNICACION DE HECHOS RELATIVOS A LA PERSONA DE VICTOR RICO GALIN

COM. PRESIDENTE MUNICIPAL. L. R. 311
PAPANTLA DE OLARTE, VEN.

57164

En escrito de 20 de abril del año en curso, dirigido al Sr. Procurador General de la República y turnado a esta Dependencia el 5 de octubre anterior, se dice lo siguiente:

Tanto la magnitud de los problemas nacionales, no ha hecho pesar su seriedad e importancia política, y ha demostrado que, indiferente del ejercicio de su calidad moral, y de su grande condición de amigo, es usted el revolucionario que cumple sus compromisos con el pueblo mexicano y ejerce el poder con la seguridad de su propia responsabilidad, haciendo pesar el Derecho como inviolable principio y como condición irrenunciable de los magníficos preceptos de la Ley. Usted se debe a México, señor Procurador y por El Trabajo y Justicia, desentendiéndose de cobardes artículos que circulan plenos de insultos y comentarios de quienes no creen en la dignidad de su actuación, partiendo esta crítica de los hechos que el mejor sistema hacen de la currucción una arma innoble destinada para volcar sus aspiraciones. La ayuda y dinero que no y la propaganda habilidosa ha permitido que personas tan descalificadas, moral e intelectualmente, como Victor Rico Galin y otros tantos hayan llegado a destacar como artículos de fondo en prestigiosas revistas en México para vergüenza de la intelectualidad mexicana. No obstante su condición de extranjero Rico Galin ha demostrado su desprecio hacia nuestras Leyes e instituciones, y su desprecio a la tradición hospitalaria mexicana. Escribe deliberadamente pretendiendo engañar a sus lectores de que lleguen a considerar que el Resón del Sr. Lic. Adolfo López Mateos, es enemigo de la clase trabajadora. Por lo que se deduce que Victor es uno de los tantos extranjeros que sobran en el País. Lo que ha hecho usted es que se respete nuestra soberanía y simultáneamente ha defendido y dejado incólumes todos los derechos de los trabajadores mexicanos, por lo que sería un error imperdonable confundir su digna y patriótica actitud con una clasificación de los ideales y principios que siempre ha sostenido y defendido."

Lo que se permite transcribir a usted, con la atenta solicitud de que se sirva girar sus respetables órdenes, a efecto de que se haga una cuidadosa investigación sobre el autor, así como la calidad dignitaria de que es titular dicho extranjero, su domicilio y las actividades a que se encuentra dedicado, informando oportunamente a este Departamento.

RESPECTO A MEXICO

La conducta del señor Victor Galán participando en el último alboroto de agitadores extremistas, plantea ante la opinión pública la necesidad de conocer a fondo cuál es y cuál debe ser la actitud de las autoridades con individuos que, si bien poseen la calidad de mexicanos por haberseles concedido la naturalización, su misma situación les impone observar ciertas normas de respeto y consideración hacia su nuevo país y sus instituciones.

Las leyes mexicanas, por su esencia democrática, son de igual aplicación para todos los habitantes del país, y únicamente ciertas esferas de acción se consideran reservadas para los mexicanos. Especialmente en el terreno de la acción política, nuestras leyes señalan discriminaciones en favor de los mexicanos que reúnan ciertos requisitos respecto a su nacimiento y a su ascendencia. No nos corresponde analizar la justificación de estas normas, o desaprobarlas, porque evidentemente responden a necesidades de nuestro desenvolvimiento histórico, aceptadas y puestas en práctica por la nación y sus gobiernos.

El señor Rico Galán y todos los que como él poseen la calidad de mexicanos por naturalización, gozan de todas las prerrogativas y derechos concedidos por las leyes del país, y también poseen todas las obligaciones y deberes por ellas señalados. En cambio a un extranjero como el norteamericano Barry Bernard Primus, quien tomó parte en el escándalo del domingo último, inmediatamente se le expulsó del país, porque a ningún extranjero se le permite inmiscuirse en nuestros asuntos políticos y no por su parentesco con una respetable familia mexicana como es la del pintor Alfaro Siqueiros.

Pero las garantías y las prerrogativas de que es titular el señor Victor Rico Galán, a pesar de su calidad de auténtico pandillero de la pluma, no quieren significar que las autoridades policíacas y migratorias investiguen a fondo cuáles son sus actividades y cuál su verdadera situación migratoria. No nos referimos al término gratitud, que debía ser suficiente para quienes como Rico Galán han sido aceptados por México como sus hijos, porque esa palabra es desconocida en el léxico de individuos afectos a considerarse como la máxima expresión de la sabiduría y a estentarse en el extranjero como "la pluma"

Victor Rico Galán

1. ESLIME-1 met Galán in the latter part of August 1964 in Guatemala. He was assigned to help bring Galán to Yon Sosa. He met Galán on Kilometer 17 of the "Highway to the Atlantic", at the village of Sixtyag El Chato, and drove him to Kilometer 189, where others were waiting to guide him from there.

2. Galán told E-1 that he was a reporter and was coming to interview Yon Sosa. He said that he had come before and that he crossed the border clandestinely. Someone from the group that met them at Kilometer 189 told E-1 that this was the fifth time that Galán had come to see Yon Sosa and that he carried messages and money to Yon Sosa.

3. After E-1 arrived in Mexico City, Galán asked the party for permission to interview him for an article for Siempre. He wanted to interview E-1 about his arrest, torture by the police, and expulsion from Guatemala.

Victor Manuel
Gutierrez told E-1 to grant the interview and to give Galán all the details he needed. E-1 talked to Galán, in the offices of Siempre, on three occasions, twice in March and once in April. However, he did not give him the interview as at that time he had not yet obtained papers permitting him to remain in Mexico and did not want to ~~jeopardize~~ jeopardize his chances of obtaining them. He promised to send Galán a card when his papers were obtained and give him the interview then.

4. E-1 does not like the idea of giving this interview to Galán and has not contacted him even though he now has his papers. He plans to do nothing unless Galán contacts him again. Then he will have to give the interview since Gutierrez told him to and he has no reasonable excuse for refusing.

SECRET

5. E-1 said Galán has also made propaganda films which were shown to the guerrillas in Guatemala. They were simple films which could be made in the home, generally just consisting of someone giving a talk or lecture. They were made both in Spanish and in the local Indian language. E-1 said that the last film Galán made was confiscated by the police. He didn't know if it ^{was} ~~was~~ the Guatemalan or the Mexican police.

Victor Rico Galán ha trabajado hasta la fecha como agente de enlace para las guerrillas del 13 de Noviembre.

Lo conocí en Guatemala donde lo ayudamos a pasar para las montañas para una entrevista con Yon Sosa la cual realizó.

Posteriormente en esta ciudad al enterarse que no encontraba en esta nos entrevistamos pidiendome material informativo para sus articulos referente a la situacion de las torturas y condiciones de vida en las carceles de Guatemala y referente a la muerte de Mazariegos.

En Guatemala fue a ultimos dias del mes de agosto y nosotros nos habiamos colocado estrategicamente para turnarnos, a tratar de pasarlo hasta el kilometro 189 de la carretera al Atlantico, para ese proposito. En el kilometro 17 en la aldea El Chato, de la misma carretera fui comisionado para conducir el vehiculo para su traslado.

En esta ciudad, el solicitó al Partido una entrevista, para conmigo, para lo cual el Partido dio su aprobacion. Nos vimos personalmente tres veces en el mes de marzo dos veces y en Abril, una vez.

El Partido me dijo que le proporcionara una informacion detallada dando nombres de los jefes de Policia donde habia estado detenido y a que clases de torturas habia sido sometido. Todo esta informacion no la pasé anteriormente debido a mi situacion migratoria que en ese entonces no se habia definido totalmente.

D. Rico to Dr. Emilio Cordero, Dominican exile in Mexico City: Rico complains to Cordero that he was supposed to call and that the other (Nikolay) has already called twice. Cordero says that he called yesterday but there was no one in, they told him they had gone out together. Is the friend there? Victor says no, that he said he would be busy between 1630 and 1700 hours and Victor will be busy until 1900 hours. Cordero asks to let it go until tomorrow, as he himself is very busy. He suggests coming to Victor's at 1600 hours. Victor prefers to call before that at 1530 hours. Cordero congratulates him on his article in Siempre. A foolish thing, Victor says. Cordero asks him if he has seen Luis Suarez' article and what did he think of it? Rico says it is written in first person, very superficial, very much a personal adventure. Very journalistic, Cordero comments. Yes, but journalistic like Serer's (Station comment: Probably Julio Sherer Garcia, writer for daily Excelsior) and to Victor it appears to be more...Cordero says that the situation there grows worse. Victor asks if he saw Mayobre's thing. Cordero says yes, very good. Well, comments Victor, that of Mayobre was not expected but it is that the thing is so obvious. Cordero will call tomorrow at 1500 hours.

E. Saul (Inu) to Rico: Saul tells Rico that a friend arrived from New York yesterday. Would he like to talk with him? Rico says of course. They decide on Monday at Rico's home. When Rico says he does not speak English Saul says that since he doesn't either they will have to have another person.

3. May 21: 0615 to 2400 hours:

A. Leonov to Rico: Leonov greets Rico in a very friendly way. Rico says that yesterday he talked with The Man, he had a lot of work and preferred to leave it for today. He asks Leonov to call again at 1600 hours. Leonov will call.

B. Luis Suarez and Rico Galan: Suarez sent a very strong article against the United States on the Dominican situation which was published yesterday. He did not want to lose the chance no matter what they thought and they said that he had abandoned the work, never having had a contact with "them". Suarez and Rico discuss the articles on the Dominican situation published by both Suarez and Sherer Garcia of Excelsior. Rico says that Sherer's article was the first to give the Latin American point of view on the Dominican situation. Suarez agrees but says, "the interview with Caamano, no." Victor comments that Sherer did a good job. Suarez does not know what happened with Sherer. He published one thing that he showed him in Santo Domingo, after he published the thing about the OAS the following day, and no more, he dried up, they have not published him anymore. Suarez comments that the President received him. Why? It seems unbelievable that they have made this effort in order to publish only two days. Rico terminates the conversation with congratulations to Suarez.

C. Cordero to Rico: Victor is waiting for a call from The Man (Leonov?) at 1600 hours to make a date at 1700 hours at home. Emilio accepts and will be there at 1700 hours.

D. Leonov to Rico: Victor sets the meeting for 1700 hours at his home. Leonov agrees.

B. Rico to Cordero: Rico tells Cordero that he will be waiting for him between 1530 and 1600 hours and asks him to bring all the data that he has. Cordero asks if he wants economic data or...All that you have, Rico says. Cordero will come.

C. Leonov to Rico: Rico tells Leonov that he has been waiting for "the man" (Cordero?), he was calling him. Leonov says he went for a long walk and has just got back. He'll come in twenty minutes. Victor will be waiting for him.

1. Attached is a Contact Report of a meeting with WUINDIGO/1 on 18 May 1965. As indicated, W/1 approached Mauro LUCENTINI and persuaded him to send a modified version of the 2 May Havana broadcast via ANSA channels to Buenos Aires. In an effort to supplement this coverage, Subject also prepared a longer version for the paper Correio do Povo in Porto Alegre, Brazil.

2. As shown in the Contact Report, Lucentini apparently has at least a social relationship with Gregory KALININ. W/1 stated that Lucentini, a friend, is a conservative and, to his knowledge, does not have any leanings toward communism.

3. For DO: Base would appreciate traces on Lucentini in order to determine his political leanings and connections.

4. The Base should be advised if either of the two stories mentioned in paragraph 1 is published.

CONTACT REPORT

SUBJECT: Meeting with MUINDICO, 18 May 1965

1. RUTHERFORD met W/1 at the latter's apartment on 18 May 1965.

2. The following information was obtained:

a. Dominican Republic. During the briefing by the WH representative on 14 May, it was agreed that W/1 would attempt to have the Havana broadcast of 2 May replayed through his friend Mauro LUCENTINI of ANSA, New York. It was felt that this approach would be more desirable than using W/1 directly, in view of his efforts to appear as a liberal journalist. During the meeting W/1 attempted to contact Lucentini, but ascertained that he had gone off on a holiday for the weekend. Upon learning that Lucentini would return to New York City during the evening of 16 May, it was agreed that W/1 would contact him at that time in an effort to have the story transmitted on 17 May. In addition to the major capitals in Latin America, W/1 also thought that the story would be sent to Rome.

b. Following a 'phone call from the WH Desk, RUTHERFORD subsequently briefed W/1 on the fact that the same story had been carried in the 2 May edition of Hoy in Havana. (COMMENT: RUTHERFORD pointed out to the Headquarters rep that, in his opinion, it might not be advisable to inform Lucentini of the Hoy article as it might raise an objection in his mind concerning the current value of the news.)

c. Briefed on both the radio broadcast and the Hoy article, W/1 was disinclined to mention the Hoy article to Lucentini for the same objection noted above. He was instructed to use his own discretion.

d. On the evening of 16 May W/1 contacted Lucentini and outlined his request. He explained to Lucentini that this was a good opportunity for a scoop on a hot item. W/1, in order to offset any objections on the part of Lucentini, told him that the radio broadcast had occurred on 13 May. He did not mention the Hoy article. According to W/1, Lucentini was less than enthusiastic about transmitting the story through his facilities, pointing out that it was no longer news. After some persuasion, according to W/1, Lucentini finally agreed to send the following abbreviated story to Buenos Aires either the evening of 16 May or early 17 May:

'On Friday, May 13, Radio-Havana cited Juan B. Masia leader of Dominican '14 of June' party who had given an interview to Mexican journalist Victor Lico Galan in which he declared over the telephone that 'many leaders of the June 14 movement have disappeared, but at the same time numerous contingents of insurgents are reported in the mountains of the region' and that 'the 14 of June movement has much control of the situation.'

e. In order to supplement the Lucentini effort, W/l prepared a more detailed version of the radio broadcast and cabled it to Corraie do Povo in Porto Alegre, Brazil. He paid for the cable in New York (\$40.70) and signed it with his first and last initials and "our NY correspondent." The cabled article in Spanish is forwarded herewith as attachment #2.

f. G. Kalinkin. On 17 May W/l was invited to a cocktail party at the home of Lucentini, 305 East 56th Street, NYC. The reception was on the occasion of the departure of Ricardo Berla, Vice President of Olivetti Underwood in New York. W/l was surprised to find that Kalinkin, the Soviet employed in the UN Secretariat, was present. It will be recalled that W/l originally met Kalinkin at the home of Faubion Bowers in Manhattan in June 1964. Lucentini was also present on that occasion. W/l could not comment on whether Lucentini met Kalinkin for the first time at the Bowers affair. W/l is not aware of any close relationship between Kalinkin and Lucentini.

3. Finances:

Rutherford paid W/l the following:

a. Cable to Brazil-----	\$40.70
b. Round-trip cab fare to ANSA-----	2.00
TOTAL-----	\$42.70

A signed receipt was obtained.

4. Next Meeting: Friday, 21 May, at 1100.

controla-se pelo "novo partido-junior" porto-alegre brasil

Acaba de ocorrer um fato curioso. Radio-Havana, numa transmissao de ontem, citou umas declarações do senhor Juan Rojas, lider do partido revolucionario dominicano "14 de junho". Estas declarações, segundo radio-Havana, foram feitas pelo senhor Rojas, de santo-domingo, pelo telefone, ao jornalista mexicano de esquerda victor rico (cala). É verdade que o central telefonico esta na mão dos "constitucionalistas" e que por isso podem conversar diretamente com o Mexico sem passar pela zona ou pelo controle dos norte-americanos. Por sua vez, victor rico pela transmissao de declaracoes de Juan Rojas a radio-Havana. Entre outras coisas, Rojas, citado por radio-Havana, disse "numerosos lideres do partido 14 de junho desapareceram e que eles estão agora nas montanhas encabeçando contingentes de guerrilheiros". Mais adiante ele acrescentou "o partido 14 de junho tem ~~mantido~~ o controle da situacao em santo-agoingo". Sabe-se que o controle da revolucão dominicana pelos comunistas serviu de pretexto aos norte-americanos para sua intervencão. Os comunistas dominicanos des tres tendencias tudo fizeram para desmentir esta presunçãõ norte-americana e fizeram, o mais possivel, na ocurrencia, nos bastidores. O partido "14 de junho" é directamente ligado a Fidel Castro e tanto seus chefes quanto Fidel Castro tem interesse, na hora presente, em dar oñtia a visãõ americana, em demostrar que em santo-domingo não há comissãõ, nem guerrilha nem fidelismo. Por isso não se entenda o erro, ou a "gaffe" de radio-Havana citando nominalmente Juan Rojas -que consta na famosa lista norte-americana dos 58 comunistas- cuja lealdade para Fidel Castro é conhecido e ~~é~~ reconhecendo que seus homens estão encabeçando a guerrilha nas sierras dominicanas. Sem justificar nem criticar a intervencão norte-americana, seus alvos e seus metodos, temos que reconhecer que esta "confissãõ" cubana joga uma luz nova, inesperada, sobre o assunto todo. ~~do~~ nosso enviado especial a novayork

From 0620 to 1210, 29 April (Thursday) 1963

2.0 In. MO asks Inge(bord) Nico (v), who answers, for Victor Nico Galan (VAG). He is asleep. MO is Emilio Cordero, a Dominican. When will he be up? Around 0900 or 0930. MO will phone back

2.2 Out to 27-13-84. Sra. Diener with Sr. Gonzalez, who answers. About a napkin ring she ordered....About her papers...they have lost the ones she left with Sr. Gonzalez for his signature. She always leaves one copy at the factory and the third is for jewelry shop while the second one is her copy....She likes to know what her prices are and how much she owes exactly...

3.5 Out to 03. Time is 0921 (29 April).

3.7 In. Camilo (not Emilio) Cordero, Dominican, with VAG, who answers. Jose Luis talked to VAG last night. Yes. They would like to talk to VAG today. Come by in an hour - at 1045. Come by VAG's house. Camilo will come with Max. VAG knows him. Camilo and Max and some others (will come to see him).

4.3 Out to 42-15-65. VAG with MO, who answers. MO has new car. A new Chevelle. Asks to speak to MO's husband. Will be ~~xxxxxxxx~~ in "Siempre" offices. Went there about an hour ago.

4.5 Out to 46-43-24. VAG with MO, who answers "Siempre," a for Alberto.

Alberto takes the phone. Has the Director returned? No, will be back until tomorrow. VAG is writing a bombshell on Santo Domingo, "as is natural." VAG says that he has some very useful data in the article, reporting, he did there. Would like Joaquin to look for it and send it to him? This was published in 1963 (in "Siempre") when VAG went to Santo Domingo. Should have come out in January or February of 1964, not 1963. It came out in the Second Division. It has a photo of Tavares and may have one photo of Bosch. But one of funeral of Tavares. Alberto will send it to him.

VAG asks if Alberto has seen the golden road that the PAI is giving. They should keep today's (copy) of "El Dia" because "we can use it for many years."

Some Dominican friends are coming to visit VAG now. He will prepare some very good article.

6.0 Out to 48-66-93, 3 times. Busy. Complete. VAG with Sr. Deschamps (ph). D. has seen the matter of the (U.S.) marines. Yes. VAG is with some Dominican friends who want to give a press conference today at 1600. VAG asked for something like this - when the Guatemalan affair took place - VAG called Julio and Julio gave the matter to the Head of Information. Probably due to the civil war they have there (where Deschamps works). The Head of Information sent Carlos Jimenez who came drunk. This conference will take place at 1600 at the house of Dr. ~~Marquez~~ Marcio Mejia Ricart, Ave. Valerio Trujano ~~222~~ 323, Apt. B-3, Colonia Florida. He does not have a phone. MO would like Lopez Azua to go talk to them so they could publish something ahead of time in the "Extra." They are now with VAG. Perhaps MO can locate Lopez Azua and have him phone VAG. VAG gives MO his phone.

6.0 contd.

MO can't locate Lopez Azuara until 1300. LA could go to same address around 1430. The Dominicans can go by "Excelsior." That would be fine. Call MO anyway at 1330. MO is Eduardo (Deschamps).

VKG would like to talk to Eduardo. E. is at home sick in bed. VKG can visit him. ED's address is Reforma 10-504. VKG will call before he goes by and will probably go today. VKG hopes that the "beast" (MO's wife) won't be there. No, she has gone to France. Then, there is no problem.

After 1100, 29 April

9.2 Out to 25-80-32. MI (Dominican probably) with WO, whom he calls "Chinita." MI identifies himself as Tobias (?). Did Ramon Grullo (ph) phone back again? (During wait, MMK tells VAG that the first act of Bosch's govt, and this is in his (Bosch's) book which was just published, and he asked this of President Kennedy - was to take away from Standard Oil Co. of New Jersey the oil refining company. That was the first obstacle he ran into to..)

MO returns to phone and asks who he wants. Fuente, Cuenca, ~~Ariza~~ Arriola or any of them. None of them is there. Sr. Muzquiz will be in around 1300 and Leonardo around 1200. Tell Leonardo that MMK called...leaves details on press conference (on Santo Domingo). A press conference of exiled Dominicans...They want to give him some information. If Leonardo does not come in on time, give info to Muzquiz.

11.5 contd.

Miric called V&G last night, about 3 times. From 2000 to 2300. They went out to dinner. Miric wanted V&G's opinion on what happened. V&G thinks this is normal. The disembarkation of the (U.S.) marines "is normal. It is within all the calculations, analyses of the reality. You understand that if they can bomb a Socialist country, logically in their backyard, they (U.S.) can do what they want." Will V&G go to conference? No. Miric would like to talk to V&G about 15 minutes. Come by V&G's before the conference. Miric has car problem. Or Miric can come by after the press conference. Thinks he will do that.

12.2 Out to 45-40-4-Incomplete.

Out to 45-40-04. V&G (v) asks WD, who answers, for Sr. Suarez. Who is calling? V&G says he has wrong number.

12.5 Out to 45-91-36. V&G with Pepita, who answers. Greetings. Asks if V&G knows where Luis is. No, V&G is calling him. Pepita is waiting for him. Luis called when V&G went to barber shop... She can have him phone V&G. V&G explains about the press conference of Dominican exiles and he should be interested in this...

13.5 In. Luis with V&G, who answers. A group of Dominican exiles came to see V&G - among them Marcio Mejia Ricart, Luis' friend. There are "more serious" people in this (than M&K). They are going to give a press conference today at 1600. Luis is interested. Luis saw V&G's article today in "El Dia" and Luis follows V&G's line (against U.S.). V&G is also writing an article for "Siempre." Gives Luis the address where conference will take place. V&G also called Doidov (ph) or Cucheyov (ph), but not there. Did not find Leonov in either. Left a message for them to call V&G. Because when the conference of Mary Brack (ph), they did not appear either. They came by V&G all one afternoon getting the declarations from V&G. Luis will also go. More than news, what they have is idea to understand the problem.

Has V&G read "Ultimas Noticias" today? No. All are declarations of things going on there "since they have don't been able to dominate (Boach movement). They say it is a Communist subversion, Czech arms and there is an O.B.A. meeting. They don't mention Boach." V&G is not surprised and would not be surprised if they did not get another Cuban crisis out of this same situation (another pretext, he means, to invade Cuba?). "Ultimas Noticias" only makes mention of Communism and Cuba. V&G says that since 1927 they (American) haven't landed in America. Very grave situation and precedent.

Does Luis have Marcio's phone? No. About where Valerio Trujano is located...

15.2 In. Leonov with V&G, who answers. Greetings. V&G says Leonov has a Catalan accent. V&G looked for TASS and P&AVDA correspondents. Thought they might be with Leonov... Explains about the press conference. They might be interested. Leonov just saw them. Gives details about where conference will be... These exiles may have information - to understand the problem. L. says it looks confusing now. V&G won't go. V&G is now working on this, and has already worked with them. V&G has been in Santo Domingo. Luis will also go. Miric will also go. Leonov will advise TASS and P&AVDA correspondents.

When can they have coffee? Tomorrow morning? Meet in the afternoon. Call V&G around this same time tomorrow to arrange time. Fine

16.0 In. Luis with VRG, who answers. Asks if he knows about the conference of Dominicans...Of course, they occupied (his house) like the marines and VRG even helped them organize this conference. VRG is not going to conference.

Luis saw VRG's article. Yes, but they did not put on the signature. It is best that way. With a signature it would have been Luis' article. Without signature, it appears more editorial. Luis prefers it this way politically. This was just an error, since VRG talked to Alberto about this. It was an error in the shop. Luis is happier about this. When Luis sends this to Puerto Rico is carries more weight this way. Luis asks if he charges for this. VRG thinks so, but will ask. Asks with discretion. What most interested him was that it came out. VRG will call MO on Saturday or Sunday so they can get together.
After 1440, 29 April

16.7 In. Luis with Inge (Rico), who answers, for VRG.
VRG takes phone. Greetings. Luis saw Noe a while ago. Noe will probably arrange Luis' matter. Good! Sent greetings to VRG. Asks if there is nothing new. No. Hasn't Efrain called VRG? No. Then, there is nothing to be done. Asks VRG to pick up tickets. Yes, he will do this tomorrow.

17.0 Out to 46-60-15. VRG ~~xxxxxxxx~~ with Jardon, who answers. Greetings. What is new in Santo Domingo? Quite a bit. Just a moment. The last message they received came from San Juan, Puerto Rico. They have obtained complete control of City of Santo Domingo. In ~~the~~ the morning, they had heard that the insurgents had obtained control of all radio systems (stations) of the capital and started attack on base of San Isidro. France Presse told VRG about the attack of San Isidro. The last heard is that they are in control of Santo Domingo city. They have taken 4 tanks, destroyed another 2 in capital. They will see if they can take over San Isidro. That is the air base. And the (U.S.) marines? VRG heard a radio bulletin that they disembarked another 100 marines. They had said yesterday that, in case it were necessary, they would disembark 1,000 not 100 ~~xxx~~ marines. And reactions? Hasn't anyone protested? No, besides Cuba and USSR, no one. What did USSR say? Doesn't say. MO goes on that the total amount of men fighting for Bosch is 15,000 - civil and military men. The major part is civil because, apart from Caamaño (ph) and Montes, who refused to accept transaction, the rest of the officers backed out (of revolution)...

There is a quite well founded rumor that ~~xxxxxxxx~~ it is not remote that the marines, "are made to feel the need, to protect liberty and democracy, to intervene categorically and to find proofs of the Castro-Communist intervention. There is also speculation that there will be a change of 180° in the Latin American situation and that the O.S.A. meeting may not ~~be~~ result as planned (to protest against intervention in Santo Domingo)." Jardon says this is possible. Did VRG notice yesterday in Johnson's message, at the end, "the disembarkation of marines will not only take place in Santo Domingo, but this (group) will be lent to citizens of other countries, some of which have already asked for "our" (U.S.) help." VRG says that he is referring to citizens of other countries living in Santo Domingo. Jardon disagrees, then says, yes, it can be interpreted in the ~~x~~ two ways. VRG asks Jardon to send a cable with this rumor. It can be true or false. Jardon will do so. He will include it in the message he sends out at 1800.

VRG asks Jardon to call him if anything important comes up. Yes.

17.0 contd.

Will Jordon have Fidel's speech on Sunday? He is sure he will, but thinks the complete text will be sent on Sunday. Should have it complete around 1800.

18.5 In. Sra. Rico with VAG, who answers. Greetings. VAG has been very busy with the Dominican affair. Some Dominican friends were at his house this morning and phoned a lot. Sra. R. says Bosch won't get in. She read it. The XMx last news is that they (insurgents) have taken the whole capital, Santo Domingo, and the Americans were disembarked. Bosch won't go. That is the agreement made but people did not accept this agreement and fighting has continued...

18.0 In. Edmundo (Jordon) with VAG, who answers. There is some news. The Peruvian Chancellor criticized the disembarkation of U.S. marines, stating that this was grave blow to inter-American relations... Washington states that Mexico criticized the disembarkation of U.S. troops, in the secret session celebrated today in O.E.A. Colombia, Chile, Venezuela and Costa Rica protested that this unilateral action, and requested legal measures so this action would be a combined action. VAG asks for the form in which Mexico criticized this action. Nothing specific in this message. Should have it later. The bombardment of San Isidro has started - an hour ago. Informex should have text of Mexico by now. It would be good to ask for it. Call him if there is anything new. VAG is writing up this for "Siempre."

19.0 In. Miric with VAG, who answers. The marines have entered action. Yes. Two civills have been killed. Miric says there is a new element. ...60 marines around the Embassy. They have opened fire against U.S. Embassy. They tried to enter 4 or 5 Embassies. VAG thinks that these are pretexts (for U.S. action). Miric thinks so. But thinks are more grave. Miric says that there are at least 2 Communist groups and one Pro-Castro group, called the 14 de Junio. They don't know whether they are the ones directing the rebellion or whether they just joined it, but there is great insistence that these are Communists, trained in Cuba and Czech. On the other hand, the 6th fleet of Caribbean is lined along the Dominican coast and a carrier. The Dominican Amb. in Washington continues to insist that this is a Communist attempt to take over Santo Domingo. Does Miric know that this Amb. is not a Dominican? Boquilla Atiles is a U.S. citizen - legally.

Ambas of Mexico, Venezuela, Argentina, Costa Rica, and Colombia spoke in O.E.A. meeting - all protesting the intervention and that this is a violation of inter-American rights. Radio Habana only said that Mexico had censured this, VAG says, but says O.E.A. is trying to cover the intervention. Yes, there is a petition to this effect by Venezuela, that O.E.A. should intervene. Does not say to legalize but means this. The Voice of America says that it is not true that insurgents are not in control the city, that the troops are trying to encircle some points which they hold in Santo Domingo and does not mention the attack of San Isidro. VAG says that UP says that - in cables from San Juan - that insurgents hold the city, attacked San Isidro, destroyed 2 tanks and took 4 tents. There are marines and some other property. VAG says that they are defending Embassy and American property. VAG says that there are U.S. citizens. There is a protest of Red Cross. Marines must be at

Hotel Ambassador. There is protest by U.S. Red Cross stating that there are at least 400 dead and about 1,200 wounded. The Americans are distributing milk, etc. Both heard this over Voice of U.S. VRG comments (ironically) that "they are very nice people" (buenas gentes). There is also a Declaration of Dept. of Defense that since marines are there, this does not mean U.S. supports one or another side.

VRG asks if Miric has called...No, not yet. Not there yet. It is nearly 1900. Yes, but he goes to work at 1800.

"These young people" brought their bulletin and a copy for Miric. It is long but does not state anything - saying that it is not true that they are Communists, that this a country fighting against oppression. VRG says this is habitual rhetoric of Latin Americans. Keep it for Miric.

Call VRG if Miric finds out anything about Mexico's position or statements in this.

23.2 In. MO asks VRG, who answers, if they took the declarations by (of exiles). How was the conference? It took place during a terrible rain...Reporters from "Excelsior," "Novedades," and "El Dia." Had declarations all written out for President, Cardenas and PRI. Not really a conference, just a few commentaries. MO gave the men the addresses of press agencies which did not appear. They were going to deliver this declaration. VRG says these people are worthwhile. Declarations were good, according to MO.

VRG asks if MO knew that marines have started to kill people. Read in "Ultimas Noticias" that first exchange of fire took place - with 70 marines at the U.S. Embassy. MO just got ~~was~~ home. Mexico also protested in O.E.A. meeting. Yes, and a lot of countries. Yes, but they wanted to make it a united effort. VRG has not heard the terms in which ~~xxxx~~ Mexico censured this action of U.S.

Has VRG written this yet? He is preparing material. Wants to write it for tomorrow. VRG says it would be best to give this to "Siempre" on Monday. VRG will phone Pajes tomorrow early. Pajes will arrive on the train around 0900 or 1000. Should be at office around 1100. Would like to hand in his article on Monday.

About San Isidro being attacked...There is no foreign correspondent in ~~x~~ Santo Domingo. All information is coming from San Juan. The ones sending out information are Dominican reporters and this is probably being censored. They found out about the marine disembarking through Washington. MO sent a cable in detail when he got home found a cable from Adrede (?) in Berlin - that he wanted info on disembarkation. MO sent info to Berlin.

They will talk tomorrow. MO is Luis (Spanish extraction).

25.5 In. Valentin Cucherov (ph) w/ PASS with VRG, who answers. It was shame he could not attend the press conference of Dominicans. Would like to see these men. Does VC have the address? Leonov gave it to him. Go to see Mejia Ricart there. VRG can give him the address. C. makes note of Mejia's name...address...He can go tomorrow morning to see Mejia Ricart. They have a bulletin written up and some copies of telegrams they have made up (sent). VC will go by there around 1200 or 1300. Call MR on his University phone. MR is a research man at the University. Phone 48-65-60, ~~xxxx~~ 48-65-00, exts. 100, 432, 162.

Are there a lot of interesting things on this? Some. VC thinks this is

confusing situation in Dominican Republic. What does V&G think? It is complex (side-steps him). Dominican exiles were going to try the Embassy to find out where they could locate Valentin Cucherov.

When can they meet one another? When VC likes. Perhaps on Monday. Call V&G on Monday to arrange a time. Will phone Monday morning. After 2120. 29 April

26.5 In. Miric (v) with V&G, who answers. Cucherov just phoned. He just found out about the press conference. Miric says that that correspondents of News Agencies he likes very much (ironic?). Cucherov asked V&G what he thought about the situation. V&G replied that he thought the situation was confusing.

They say that they (Bosch men) have 50,000 men ready to enter the fight. Continue to attack in mass San Isidro. Is this from Informex? Yes.

There is an official declaration (of Mexico) essentially disapproving the marines. President is still very worried about situation in sister Republic and that the govt. thinks it is ~~unpleasant~~ very sad that U.S. took this action. It is only 20 or 30 lines. Doesn't it mention the O.E.A.? No, but the sense is the same, with an accent of a little more worry. There is news that the Mexican Embassy has also been attacked in Dominican Republic. Have attacked Salvadoran, Peruvian, Mexican, ~~and~~ Ecuadoran and U.S. Embassies. V&G doubts this. Thinks these may have been provocateurs. Why would they attack the Embassies? The Mexican Amb. is in almost constant communication with Mexico - informing what is going on. And it is not sure yet that there are any victims among the U.S. citizens. But there has been further disembarkation. V&G thinks they will occupy the territory. This will be a repetition of 1916. Miric says it won't be the same exactly. No, it was then to form the empire and it is now to defend.

As to the O.E.A., things are not going well. There was a 3 hour meeting which did not resolve anything. V&G heard about this. They are back in meeting.

V&G is going to ask Pajes to let him turn his story in on Monday. Everything is too contradictory yet.

Miric has taken his position and is now writing his story. Miric would like to have text (of Fidel). Call Jardon. If V&G has any news, he will phone Miric.

28.5 Out to 45-60-15. V&G asks NO, who answers, for Jardon (or Pardon)

Jardon takes the phone. Asks if he has the declaration of Mexico. Yes. Asks him to read it. Reads it - summarizing that President Diaz Ordaz has been fraternally and deeply worried about situation in Dominican Republic...that the Mexican Amb. has been in constant telephone contact with Dept. of Foreign Affairs here. Amb. is Lic. Ramon Luis Vasconcelos. Amb. has given refuge and asylum to Mexicans and Dominicans. Situation is confusing to non-Mexican conduct with their international principals, especially with respect to American problems. They can state that they deplore the blood being shed, as stated in the O.E.A., and sufferings of Dominican Republic and sorry that U.S. govt. has had to act in such a manner which reminds them of such sad memories of several countries in the hemisphere and hope that marine force occupation will be the shortest time as possible...that Dominican Republic can resolve their problems without any direct or indirect exterior influence. V&G thinks that it

is quite good within what can be expected.

28.5 contd.

They are expecting another disembarkation of more marines. VAC has heard that this has already taken place. And also said that they (Bosch) have 30,000 armed civil people and attacking San Pedro. VAC thinks 30,000 is too much. It was said in Santo Domingo that there were 13,000 (pre-Bosch). MO thinks there is not enough arms. Yes, there is enough arms because the army of theirs is better.

30.7 Out to 31-06-06. Busy.

After 2130, 29 April

31.0 Out to 31-06-06, twice. Busy, complete. VAC with MO, who answers. MO to Miric.

VAC has the complete text (of Mexico) and summarizes this for Miric. Reads the text to Miric. (One of two - VAC takes good shorthand, but did it or has received a written copy.) Miric says that this is a positive declaration. No other govt. has declared in this form. Also does not mention the O.E.A. but mentions that hopes that Dominican Republic can resolve its problems without indirect or direct influence (or even approve of united attack).

There is a report that a group of General Berling of 1,500 men has changed to insurgents. All these items are very different points. Most of them are from San Juan. Bosch probably has the phone in his hand there and perhaps thinks are too optimistic. Miric says that the popular rebellion is winning. They, the marines, are supposed to be forming a cordon - for evacuating of Americans - so this must be several thousands. If this is to airport, the airport is 20 miles from city, the defense line must be quite long.

Did VAG give those persons a copy of bulletin? No, but he read it to them over the phone.

Did EC see that Mexico made a declaration? Yes, but not strong. It's essence is a help. Yes, but in comparison to the one made by De Leon (it is weak). Yes, but De Leon's attaches a proposal that O.E.A. joined (in united effort with U.S.) EC says that Uruguay's declaration is also very good. VAG has not seen it. EC saw it at UP. It was coming in on teletype.

Did VAG read the report? Yes, but it refers to a very special aspect. EC says it refers basically to the death of Trujillo and the counts coup. This is not very necessary to show in the case of Santo Domingo.

MO reads V&G Bosch's declarations - announced that the Porteleza de Ozaena, that is, the police constituted a great victory!...manifested the fact that probably a few Communists are fighting for constitutional rights, but pointed out that these forces were armed by the Army (?) and trained in the U.S. and not by the Communists. He assured that U.S. govt. and people that the forces were not being directed by "turbas" (Communists?). Bosch stated that it would be impossible to establish in the Dominican Republic a regime similar to the one in Cuba. He pointed out that had the Cubans done what the Dominicans are doing now, Fidel Castro would never have been converted into...and feudal lord (?) of the Cuban revolution... (MO comments - that this is terrible.) V&G asks what did MO expect from Bosch. Nothing from Bosch. He fell for some reason, MO says. V&G comments that least important thing is his stupidity, the worst part is his reactionary attitude.

Julian came by and wanted MO to go (somewhere), but MO told him (Julian) to tell this to Pajes so he would have some permission (to go). But didn't do anything...

MO suggests that V&G attack Bosch.

Pajes was in a bad mood. He did not even say hello to V&G. And turned his back on V&G when talking about Dominican Republic...V&G will write all necessary and Pajes can do what he likes.

17.2 In. MO with V&G, who answers. The PRI Convention approved by acclamation a protest against Dominican affair. How good! They are supporting the govt's (President's) attitude. Does not mention U.S. but talks about beginnings of PRI, Juarez, etc. ~~What~~ It was read by Senator M. Bolaños Caño. PRI can't be indifferent to problems, a danger of Dominican Republic's losing its liberty, the internal problem can't be resolved by foreign influence nor armed forces which converts into a factor which is against the will of the country. It is quite well done. A good protest.

Dominican Amb. has resigned his post. Can't consent to the fact that his country has been invaded.

V&G has a lot of things or rather a package for doña Aurora (MO's wife). Will take it by.

V&G went by to see Cocheli. V&G told him (C.) that he did not need to talk to Dominican exiles, that V&G can give him a copy of what they said.

They just received the news of Cease Fire and would like to know whether this is true or not. Asked V&G to call Santo Domingo to find out whether it is true since they can't. Where can V&G call there? One moment. But give him a number of one that works (that is, a number of a Communist who will give them the picture)...Dr. C. suggests his wife's phone. Couldn't he give him another phone? No, does not have any phone there. Couldn't he let him know where V&G could locate Casagno. Dr. C's wife's phone is 9-66-02. And Tamagno (not Casagno)? Where could he be located? Or any other person who could give him a clear idea of the situation. Mejia would be a good person, but MO does not have his phone. Mejia phoned MO this morning. Doesn't anyone know his phone here? What is C's wife's name? Josefina de Cordero. Josefina Painedo de Cordero. Would she know? Yes, she must know phone of Juan B. (Mejia) or the phone of Elsa Justo. V&G knows Elsa. Fine. radio Habana called V&G and they are going to send out a special program. Would to check on Cease Fire. Bosch talked about this today. They have been working on this. An American Agent has been dealing about this.

26.0 Out to 09. V&G with Long Distance. Requests a call to Santo Domingo. They have not had communication for 2 or 3 days. V&G says there has been constant communication there. He says he talked to Santo Domingo this afternoon. She checks and says it will be 3 or 4 weeks before there is communication. That is what the N.Y. operator says.

V&G asks to talk to radio Habana in Cuba. With Orlando ~~XXXXXXXXXXXX~~ Pundora (not Undora). MO says Habana is calling V&G right now. Fine. Call goes through.

V&G with Pundora. V&G called and was told he could talk in 2 or 3 weeks. They can't call Santo Domingo...connection very bad... V&G can't hear...MO comes on line and explains that they can hear him in Habana. V&G repeats the matter of P&I. The P&I is having a National Assembly. They protested the invasion in Dominican Republic. About the call to Santo Domingo, it is via New York and the operator in N.Y. answered that communication has been suspended for 2 or 3 weeks. This is false because two friends of V&G, Dominicans, talked to people in Santo Domingo. V&G is going to call these friends to get them to call back. Then, V&G should report back in when he has news from Santo Domingo.

32.2 Out to 25-80-32. V&G asks MO, who answers, for Sr. Cordero. Sr. Cordero takes the phone. V&G just talked to Habana. Was told he could not talk to Santo Domingo. Habana asked V&G to try to talk to Santo Domingo. If Cordero was able to talk to his wife, V&G

would like Cordero to call for him. C. has a call in. He placed his call last Saturday and they gave him his call yesterday. C. placed another call today and he was told they could put his call through on 4 May. There are thousands of calls. Habana has heard about Cease Fire and they want to prove whether this is true or not. Santo Domingo can call here easily. They could send a cable to C's wife and have her call. They could have Radio Habana broadcast for them to call Dr. Cordero here in Mexico. That is dangerous. Or they could say for Santo Domingo to call VRC. The easiest thing would be to send a cable. Yes, but this is very urgent. Could have Radio Habana ask Elsa to phone him. Or just say - anyone to call him. Juan B. could hear this. VRC will do this. MD will phone VRC tomorrow.

Out to 23-88-20. Busy.

2.2 In. Rosita with Sra. Diener, who answers. Sra. D. phoned Rosita. Asks if she has heard anything from young man (husband). Yes, he called last night. Had not phoned for a week but he had been in small towns and could not phone. Sra. D. said that phone rang a lot from 2330 to 0100 and she was somewhat worried...Max is Rosita's husband...

After 1115, 1 May

3.2 Out to 15-91-27. Victor Rico Galan (VRG) with MO, who answers. Greetings...How did things go there (in Cuba)? Fine. VRG needs to see MO. Arrange to get together tomorrow afternoon. VRG will phone MO tomorrow to set time. May go by MO's. MO has been working with, apple polishing Madrazo. Alberto Domingo reprimanded MO and MO replied that this is just exactly what AD with Alvarez Amexquita.

4.5 Out to 03. Time is 1143, 1 May.

4.7 Out to 39-32-48. VRG asks for Sr. Luis Lizaldi. He does not live there. Will he go by there today? Not sure. If he goes by, what time would he come? Not sure. He may come but since his mother is not there (in town), he may not come.

5.0 Out to 45-40-04. Sra. Rico asks MO, who answers, for Sr. Has gone to market (with wife). Ask him to phone her at his brother's house.

5.2 In. Cordero with VRG, who answers. How did VRG arrange things last night? Nothing, VRG could not talk. @ VRG cursed the N.Y. operator because she said that the press calls had preference when they originated in U.S. VRG could not talk to radio Habana because Habana line went out. What did Juan B. say? Didn't C. says that Juan B. talk to Marcio? No, talked to Cordero. Juan B. Mejia, a member of Rho Party. VRG knows him. He said that the fight was continuing and wanted them to make a campaign of protest against what they are saying - that the Dominican movement is Communist, that they are attacking the Embassies, that there is absolute order in the capital, that is, within combat. They are not sacking houses or attacking embassies. He said there was more order there than in the Trujillo rebellion. MO asked what control they had on the situation and he replied they had a lot.

Marcio talked to Bosch and will put Marcio on with VRG. There was a Cease Fire, but they have not respected the Cease Fire of O.E.A. There has been combat with the U.S. troops. Who gave this out? UP cable. No, AP cable. There are some Americans dead. VRG says - How good! There are 3 dead, 24 wounded and 3 in coma. VRG says that one should say - as Cochell said in an article - blood has run. Yacked blood, but ~~didn't~~ bleed anyway.

5.2 contd.

VKG asks if Juan B. did not mention about the ones who have left (the group)? No. MO asked for companions and Juan B. said there were a lot of disappeared. Two or three members of the Committee have disappeared. They may be dead or ~~xxxxxxxxxxxx~~ went to the hills (left or really went to the hills). The campaign of UP must be combatted. VKG will call Habana today. The civilian people are patrolling the streets. They are maintaining a order. There is combat, of course, but where there is no combat, everything is in order. The movement wants this campaign that they are using Czech arms to be clarified - that it is not true.

VKG and MO could get together tonight. Dominicans are having a meeting tonight around 2000. VKG and MO could get together a little before. About the matter MO took by to VKG. Yes, and other things which VKG wants to get MO help to establish. Then, about 1700? No, best at 1800. MO will come by at 1800 - with his friends. All right.

Marcio (Najia Ricart) with VKG. What did Bosch say? Said there was complete calm and there was no doubt of control, that they were still ~~xxxxxxxxxxxx~~ distributing arms. MMK saw that Bosch was more interested in talking than 3 days ago when MMK talked to him. Bosch said that of the 30 tanks, there are only 9 left. They (Bosch people) have 11 and 10 are out of combat. No one has published this, at least MMK has not seen this. Bosch said that yesterday morning they conquered Fortales Isama where there were several hundreds of dead, but they had taken it, and there is a cable stating that everyone there was shot. They are still picking up political leaders in city. The National Police has not come over to Bosch yet. The U.S. troops are now entering into action. Of course, if they disembarked in San Isidro, it was to enter into action. Bosch said that things are being arranged (between them and U.S.) but the conditions right now contain immediate evacuation of the (U.S.) troops.

7.5 Out to 09. VKG with long distance. VKG has a call to report in for radio Habana, Cuba. The call is from Director or Sub-Director of radio Habana.

8.0 Out to 14-37-89, twice. No rings, complete. Marta Sinoves with said, Consuelo, who answers. Children will have lunch there. Marta and Ramon will have lunch here and are at 23-07-72. In case they call from the Embassy or the Cuban woman who visited them last night. After 1330, 1 May

10.5 In. Miric with Ingo Rico, who answers. Greetings. VKG takes the phone. Greetings. What is the news? The marines have entered into action. his reply. He appears to be a little more radical than a few days ago, but "this is an observation of your friend, Marcio, which does not inspire much confidence in me. We talked to him (Boach)." Miric has known him (Marcio Mejia Ricast) a year (and is not inspired much by MMK either).

Will VRG working this afternoon? No. VRG has to go out. They can talk in case there is any news. Before VRG goes out, VRG will call Miric. Fine.

11.0 In. Habana is calling VRG. Ingo Rico (v) answers.

VRG takes the phone. Talks to Fundora. One of the National Directors of the Movimiento 14 de Junio called Mexico called Mexico. This is Juan B. Mejia. He said that it is very important that they point out that the calumnies being circulated are lies - that they are attacking embassies. There is absolute order in the city. The street armed civilians are patrolling the streets. There is no packing. They are still distributing arms, that they have absolute control of city and there are 2 or 3 points of enemy resistance. The police is holed up and has not surrendered. They don't dare go out of their quarters either and it is now only a matter of time that they surrender. ...calls is interrupted because VRG can't hear...VRG asks operator to check another line. There is only one. Line has apparently gone out (to Habana). Operator will call VRG back.

13.2 Out to 46-60-15. VRG with MO, who answers, for Jardon. Won't be in today. MO is Tokio. Radio Habana called VRG last night to see if VRG could talk to Santo Domingo. VRG got some direct information there. VRG did not talk directly, but indirectly. VRG was trying to give information to Habana, but line is bad and could only send a small part. Asks MO if he could send a message via N.Y., urgent, to Prensa Latina for Radio Habana. The only contact they have now is via Mexico. The teletype of Prensa Latina is out of order. They are calling MO's office so MO can send data via Dept. of Communications. This is time consuming. It does go out today, but not right away. VRG will see if the line gets better. Will call MO later if he needs this way to send information. Habana needs this information urgently.

14.0 In. Operator tells Ingo Rico (v) that Habana call is ready.

VRG takes the phone. Call goes through. About the 30 tanks Hossing had, 9 are out of combat, 10 are in the hands of Wessing and 11 in the hands of constitutionalists. There are series of Directors of 14 de Junio Movement that Juan B. Mejia states have disappeared, but there are a lot of people in the hills. Juan Mejia is in Santo Domingo but other Directors are not there...some of the others. Wessing retired to San Isidro but marines have entered into action and there are several dead. Marines have not respected Cease Fire. Have killed some constitutionalists, but also some marines have died. There is a Cease Fire of O.S.A. but has not been respected. VRG tells Fundora to underline the fact that there is complete order in Santo Domingo, that it is a lie that they have attacked Embassies and U.S. Embassy, that they are still distributing arms, that there are 2 or 3 points in city where they are still fighting, but rest of city in power of constitutionalists who are maintaining complete order...Boach called

WO says they were with the Cardoso last night and Lia (Cardoso) had said that Inge was going to call her. Inge got a second maid yesterday. WO asks about Inge's visa. Nothing, has done nothing. Was her time limit run out? Inge is not sure. She has to go see about this. Perhaps it is possible in October. Invites them tomorrow afternoon - around 1600 - to have coffee. Fine.

18.2 Out to 25-20-32. VRG asks WO, who answers, for Sr. Cordero. Not there.

18.5 In. Cordero with VRG, who answers. VRG has a family problem and has to go out. Leave their appt. for another day. VRG will call him. If Cordero hears anything, let VRG know. VRG has notified the other to Habana. There was a report that some parachute troops went in. Yes, but that was given out by news agencies. No, VRG is referring to direct calls. Cordero is going to call New York and also Washington tonight. If there is anything interesting, let VRG know. VRG will be at home tonight.

18.5 In. Josefina asks VRG, who answers, for Inge. Inge Rico takes phone. Asks how things went in Cuba. Fine. They were there 2 weeks. About how Josefina is...children...sickness...

19.2 In. Habana is calling VRG. VRG comes to the phone. WO asks what is new. Nothing. There is a call to go through to Bosch tonight and another one for Santo Domingo, but VRG will call when he has something new. WO is Dikas. When will Fidel talk? Around 1900, Habana time. WO asks VRG to repeat what he said this morning so they can record it. VRG repeats again - about Juan B. Mejia's call from Santo Domingo...Mejia could not give details on who was in the bills, etc. Could not give names.

After 1755, 1 May

24.0 Out to 25-80-32. WI asks WO, who answers, for Sr. Cordero. Not there. But he can be located at 39-07-51.

24.7 Out to 39-07-51. VRG asks WO, who answers, for Dr. Cordero. Emilio Cordero.

EC takes the phone. Did EC hear Fidel? Yes, VRG says they ~~XXXXXXXX~~ are in the center of history. How did he like it? Wonderful. The first two hours were dedicated to Dominican situation. He made a correct analysis of Dominican situation, who Bosch is, etc. And at the end, he gave out his philosophy.

VRG talked to Radio Habana twice. EC was just heading over Radio Habana what Juan B. Mejia stated. And Habana had called Cordero, but there is no line now to Habana. In case EC talks to his wife or Marcio (Mejia Ricart) talks to Bosch, VRG would like to be there. MO thinks Marcio will talk to Bosch. Can VRG talk to him? Yes. And perhaps EC can inform VRG immediately about whatever EC's wife informs him - at whatever time it is. In case anyone calls EC, be it his wife, Juan B., or another member of the Party, he will let VRG know. In case he talks to Juan B., give him VRG's phone so they can phone VRG. Or give VRG's number to any other member (of Party) who calls because VRG is turning over information directly (to Habana). They are very interested.

Marcio Mejia Ricart takes the phone. MMT has not heard all Fidel's speech. Will MMT talk to Bosch? Yes, at 2230, in an hour. Will call from where he is. Could VRG go there so YEG could be there - so MMT can ask him a couple of questions. Fine. Where is MMT? He is at Zempoala 533, between Pilsnes and Cuicuilco. Explains where this is located. This is a house, not an apartment. VRG will go by there.

2.0 Out to 09. Victor Rico Galan (VRG) with long distance operator. VRG has been reporting in from the phone of a friend's house, but he is now at home. As soon as they have communication to Cuba, call him here. With Sr. Orlando Fundora or with Sr. Viñas, Radio Habana.

3.7 In, from long distance. They still don't have communication with Cuba. Will he continue to wait? Yes.

4.0 In, from long distance. Asks with whom VRG wants to talk to in Cuba? With Fundora or Viñas? Yes. VRG takes the phone. Says there is no one by the name of Fundora or Viñas in Radio Habana. Of course, they are the Director and Sub-Director of Radio Habana.

Finally gets through to Fundora. VRG says that they talked to Bosch last night - at 2330. VRG couldn't call him because line was out to Cuba. Bosch made sensational declarations. MO will record it.

They change phones. They asked Bosch what his opinion was of the O.E.A. Commission. VRG did not talk, but a Dominican friend talked to Bosch. However, they recorded the conversation. Bosch said some important things. This friend asked Bosch what he thought of OEA Commission. Bosch said that O.E.A. and nothing are the same thing. Who talked to Bosch. Marcio Mejia Ricart. They then asked Bosch if they the U.S. marines had occupied the city. He said they had and they had gotten as far as Avenida Melia, near downtown area, but that the armed civilians forced them back until Avenida Maximo Gomez, about 3-1/2 kilometers back. Ave. Maximo Gomez is what one might call their combat line since it is the zone where the U.S. Embassy is. So, they made them return to their original pat positions. This took place yesterday afternoon. But the most important thing - they asked Bosch what political solution Bosch saw. He answered "textually - 'It appears that in Washington they are thinking of converting Santo Domingo into Fideicomiso.' Then he commented ironically, so "we get out of colonialism into independence." VRG says that this is of course very grave. As F. knows there are 2 or 3 left in the world - of Fideicomisos - in Southern Africa. This would be unprecedented case - that they convert an independent country into a country under Fideicomiso (Protectorates). When Mejia Ricart asked if they (U.S.) want to convert "us into a colony." Bosch replied that - Yes, into a colony but with 25,000 armed men. Civilians, of course. Bosch further said that "what the people had done was something extraordinary and that he had complete faith in the people." B. did not want to say anything to provoke the uprising of the people because he (Bosch) is out of the country "and from outside, this is a comfortable role. If I were inside I would take up the responsibilities."

VRG had to pay the call since Fundora did not call him. VRG will be ruined this, so Fundora should have a call always in for VRG. VRG will let him know when he has anything new.

F. asks what the situation is inside Dominican Republic. There is nothing new. They are expecting a call from Dominican Republic today. VRG may have something in 2 hours. In this case, VRG will call. F. will then call VRG back at 2300, Habana time, or 2200, Mexico time. (Or 0900, 1000 hours).

13.2 contd.

VKG takes the phone, but gets no reply.

13.2 In. Operator says that VKG talked 7 minutes to Cuba.

13.5 In. Operator asks Sra. Diener (v), who answers, for VKG. VKG takes the phone. Call goes through. Fundora asks if there is anything new. No, not yet, but expects to have something in about an hour - between 1130 and 1200. All right.

14.0 In. Cordero with VKG, who answers. VKG finally talked to Habana. Cordero talked to Juan Pedro Domingo and C. gave him VKG's phone. He will phone VKG. Fine. C. has the notes written down. Can read them to VKG. Call back in 5 minutes so VKG can have paper and pencil.

14.2 In. Cordero with VKG, who answers. C. tells VKG to put his recorder on to take note of what was said. VKG was doing that.

C. says: At 0915 Juan B. Mejia, member of Provisional Executive Central Committee of the Political Group 14 de Julio called Cordero from Santo Domingo and informed the following:

The Yankees are bombing and machine gunning the city. (VKG asks if they are bombing with airplanes. He did not tell C.) Could be artillery, perhaps naval. They have launched their tanks and marines against the people. A revolutionary order reigns in the entire city. Yesterday, 1 May, the Yankees opened some stores in the downtown and called the people to sack them. The people refused to do so. They then looked for prostitutes and filmed them sacking the stores. The interest is to show to international public opinion that chaos reigns in the country to be able to justify their open-faced and unjustified military intervention. That is; the people refused to enter into this propaganda because they had the cameras ready. They only got prostitutes and trash like that. They will publish this in the newspapers. The armed people are willing to resist the Yankee invasion and to conserve their sovereignty and independence. The struggle between the U.S. forces and constitutionalists has ceased. All the forces of people are concentrating in fighting the Yankee invader. There is a need to awaken the Mexican public opinion. MO wants VKG to help him in this. Of course. So, they (Mexicans) can send cables, etc. to United Nations for their tomorrow meeting on the Dominican Republic. They want pressure so that the United Nations and not the O.E.A. which combats the intervention. The combat with the Yankees is violent in different sectors of the city. The transmission sent out yesterday and today from Radio Habana mention him (Mejia) as member of the group did him a lot of damage. The reaction in Santo Domingo has been taken to point up and to be used as a Communist factor of their fight - as a result of the broadcast of Radio Habana. Mejia told C. that he was going to call VKG to clarify this with VKG because this is very delicate. VKG will communicate this right now to Radio Habana. Mejia further said: They should stop making such indications, like, Juan B. Mejia of 14 de Julio says...The Radio Habana said that this was an interview (of Mejia) with VKG. Another point - Should deny that they have a hideout in the mountains as informed by Radio Habana. This does a lot of damage. MO told Mejia about Bosch's conv - about the U.S. wanting Dominican Rep. in Fidelism

(Protectorate). Mejia said that they fight to the last man against this. Mejia will phone VRG. It is extremely important that Radio Habana deny that Mejia is involved in this, as well as the name of the group (which is Communist). Can give this as source of someone in Mexico. They should not mention names nor 14 de Julio nor Juan B. or anyone. This does a tremendous damage.

Didn't he say anything about the situation inside (country)?
No, because their call was limited to 3 minutes.

Did Cordero see "Excelsior"? Yes. Did "that" come out?
Yes, came out in headlines and has about 4 columns...reads it to VRG.. that is, the heading. VRG has not received his paper yet.

VRG thinks they should write up a bulletin for the newspapers. The Dominican exiles should sign it. In today's "El Dia," they give a lot of space to them (the exiles here who gave out declarations the other day). They mention all four. "El Dia" published about Bosch, a little mixed up by Marcio, but in general is good. Mentions their bulletin, etc.

VRG is going to call Habana right now. VRG will take the points off recorders and type them up and clarify them (about mentioning names) with Habana. VRG thinks that Mejia should write up a bulletin for newspapers - stating this is information received by relatives etc. over the phone. For Mexico press.

Mejia said that VRG can tell Habana that the only way the people in Dominican Republic now have a way of finding out about international situation is via Voice of America and Radio Habana. The enemies are using this propaganda of Radio Habana. They should deny about Mejia and about fighting outside. Fight is in the city. Don't mention the hills...

VRG is at home writing today. In case VRG has to go out, he will leave phone where he is. Mejia might phone VRG today at noon. Should have his recorder ready in case he calls. VRG has it ready. (MO is Emilio Cordero.)

17.0 In. WO with VRG, who answers..WO operator..inaudible...about his call to Habana (the price?).

VRG tells Miric about Mejia's call - gives him data...as noted in previous conv....The news given out by Radio Habana (VRG interjects his note) that there are guerrillas in the mountains is not true. This has been denied by 14 de July Group. Radio Habana said that one of the Directors of 14 de July Group talked to VRG and said this and 14 de July Group has denied this.

Miric asks about yesterday's speech (Fidel's speech). Supposes that he should call "Prensa Latina." VRG heard the speech. It was

very important, V&G says. Call Jardon for the speech.

About the matter of Bosch, which V&G gave Miric yesterday, it has been published today - textually by Deschamps.

How does V&G see things of O.E.A.? Very grave. Did Miric read Chile's position? Yes. That is the correct one. They are proceeding as if there was no occupation. O.E.A. can discuss a lot, (but do nothing). O.E.A. is nothing, as Bosch says.

Call V&G in case Miric hears anything. Miric won't have anything as direct as V&G. Yes, but Miric has more time to listen to the Voice of U.S. Yes, Miric is listening. V&G has a call pending from Habana and is expecting a call from Santo Domingo. Habana is calling for info from V&G. Yes, but they should not do foolish things (mention things). The foolish thing was what V&G did - gave them the names. He gave these to them so they would know them, not to use them. They appear not to have heard Fidel's speech yesterday which was very clear on this.

About the fighting, attacks on U.S. Embassies, public protests, etc. - all public protests. Yes, but Johnson is still spitting on the floor and kicking, V&G says.

Miric is writing a commentary on the political implications, what this signifies in the Dominican Republic and all of America.

Miric says about the other source - the one above (U.S.) - start broadcasting after 1700.

When V&G hears from Dominican Republic, V&G will let Miric know.

22.5 Out to 46-60-15. V&G with Edundo, who answers. Asks if he has Fidel's speech. Yes. Could he send it to V&G? They are typing it now. It is long. When will he have it? Should take all morning and part of the afternoon.

Asks if MO is going to the meeting today. Yes. There is an urgent message from Dominican Republic... V&G gave radio Habana some information - as he got it from Dominican Republic. However, they transmitted it with names and said that there were guerrillas of 14 de Junio group in the mountains. They said this is doing a lot of harm. Asks MO to send a cable that 14 de Junio movement denied that there are guerrillas... Say that in enthusiasm this was a mistake. This is very urgent. Also advise radio Habana to suspend all mention to 14 de Junio, of Juan B. Mejia and Victor Rico Galan. And to call MO.

23.2 In. Long distance operator with V&G who answers. Call goes through. V&G with Fundora, Juan B. Mejia called from Santo Domingo - called another Dominican here and asked them to suspend the transmissions mention of Mejia and Rico Galan. This is doing a lot of damage. Their line is the Constitutionalist and no mention should be made of 14 de Junio (Communist movement). Also 14 de Junio movement officially denies that there are guerrillas. They have to deny this. reaction uses all these things to say that this a Cestrist subversion. The ~~xxxxxxx~~ people only get information from radio Habana and ~~transw~~ these things against them and name of Mejia is dynamite.

V&G gives the information give to him by Cordero to Fundora... as previously set out. MO can say that information came from a Constitutionalist Director to Dominican exiles in Mexico.

23.2 contd.

Juan B. Mejia is going to call VRG later and will give him further information on situation inside Dominican Republic. Calls are limited to 2 minutes and this is why info is not complete.

Did MO hear the news that Mexico - Chancellor Carrillo Flores denied the fact that the Mexican Embassy had been attacked in Santo Domingo. MO should have this from Prensa Latina.

VRG will have more info later, but not sure when.

Asks if they hear Radio Habana well. Yes, they hear it well in Santo Domingo and that is the only information they have from the outside.

Put a call in for VRG so VRG can report in when he has info.

26.7 In. Chero asks VRG, who answers, for Inge(hord) Rico. Asks how Sandino. Fine. They will see one another this afternoon. Sodi is going with Carlos. Fine. When they are with Carlos, Chero will also take her mother. The women can stay in the garden and men can chat. Fine.

27.5 In. Sra. Rico with VRG, who answers. She called, but he did not get to phone in time...VRG has direct news from Santo Domingo. He tells her about their having called from Santo Domingo - reads what the U.S. is doing there...She says that he has a lot of important news. He said he did not sleep last night. ~~But~~ There was a speech last night from Bosch...It is published today in "Excelsior." VRG heard Fidel's speech. Sra. Rico did not hear it.

2.0 Out to 31-06-06. Victor Rico Galan (v -VRG) with ~~XXXXXXXX~~ ~~SINNYEN~~, who answers. VRG is not clear about something. VRG heard Fidel's speech yesterday. VRG wants to know: "Mexico established that at the latest May 10, ~~XXXXXX~~ asks the Commission to submit to the meeting (members) a report on the progress of its work, including its conclusions and recommendations which it considers appropriate, at the latest of 10 May of 1965 and decides to celebrate a session of the meeting (?) the 11th (of May)." Was this the plan of resolution? In the plan that Sinovas read there is no date mentioned. VRG says Mexico's proposal is dated, but on the other hand, an AP cable from Washington stated that the O.E.A. suspended ~~xxxx~~ its sessions indefinitely tonight. What VRG wants to know is whether Mexico's proposal was approved? No, it was not approved. It was stated that it would be taken into account and their next session would be scheduled after the Commission submits its report. But if the time limits set by Mexico is not approved, the Commission can extend this and give its report in a year. Yes, in 5 years, if they want. VRG was not clear on this. Everything was left open. There is no time period or any limit on the decision. The decision was to send this Commission, which Miric comments is very strangely made of (the members are strange).. VRG says it is a group of gorillas. Yes. When they submit their report they will see (what happens).

VRG is now writing and wanted to ask Miric about this.

2.2 In. Rosa with VRG, who answers. Sra. (Diener) called Rosa. Sra. Diener takes the phone. Sra. D. had planned to go by Club to see if Sra. Walther is there. Sra. Walther took the magazine by when Rosa was not at home....It does not matter...They must have gone to club...About sending a machine with Sra. (somewhere)....

2.7 In. Miric (v) with VRG, who answers. Miric just heard the newscast. M. says there are over 9,000 soldiers there (in Dominican Republic) now. Troops continue to disembark. The actions of the civilians is ~~practically~~ practically finished, that is, that is official text. These troops are supposed to protect the O.E.A. Commission. The U.S. troops have taken over all the combat lines of Nassin, to continue the fight.

3.7 In. WO, calling for Elizondo, asks Inge, who answers, for VRG. Inge asks if this was Caso calling? Yes. Aren't they going over there? VRG said he would go by there at noontime. Did not mention it. Will put VRG on.

VRG takes the phone. Says he can't go because he is waiting on a call from Santo Domingo. Radio Habana pulled a real boner. They made VRG their correspondent in this mess (of Dominican Republic). VRG has been without sleep for 2 nights. Can't call through the U.S. since they don't put his call through - since it goes through New York, so VRG has to wait on calls from there. Not a boner, but good. Yes, it is good. VRG has to write the editorial and article today too. They will see tomorrow at the office of "Siempre." Fine. WO is Tokio.

4.2 In. MO with VAG, who answers. MO (very faint) with VAG, who answers. MO got a newspaper today from Cuba and there is a complete interview of VAG with Juan B. Mejia (as if he had). It is complete as VAG gave it to Radio Habana. Also a lot of other items. MO may be able to bring it by to VAG and leave it. It would be good since VAG has more news. It would be good if MO could come now. Will do. (MO is Sinovas?).

4.7 In. Carlos with VAG, who answers. Greetings. Told Carlos to phone VAG on Sunday about that article. VAG has been calling long distance and not been sleeping - since Radio Habana has commissioned him for news on Dominican Republic. VAG is now waiting for an important call and VAG will have the complete info. VAG changed the idea of the article. What he can do is give Carlos a lot of data. He can come and will try not to take up too much of VAG's time. It is not important (his time). VAG is very interested in Carlos's publishing something on this (Dominican Republic) "there" (Italy?). Carlos wants to send his info tomorrow morning and have it come out day after tomorrow. VAG will call Carlos later on - when he has complete info. Will phone Carlos before 1900.

After 1450, 2 May

5.3 In. Irina with Ingeborg Rico, who answers. Greetings... Asks if she can come by today. Yes. But come on time (for a class?). Fine.

5.5 In. Habana is calling VAG. Call goes through. MO (Pundora?) with VAG. MO is very faint. Asks if VAG has anything new. Nothing new yet. The last new was what he gave MO. ...MO is inaudible to auditor...VAG says - That is right. Don't mention Mejia nor 14 de June (not July). Everything is (done by) Constitutionalism. They should follow the lines as set out in Fidel's speech.

6.0 In. Marcio (Mejia Ricardo) with VAG, who answers. They would like to come by for a moment since they have the bulletin for the press ready. Fine.

6.2 Out to 23-29-12. VAG with Juanito, who answers, for Sr. (Carlos Cocholi (ph). Just went out. CC went by VAG's house - about 3 minutes ago. Should be there soon. Juanito is now in the Escuela de Teatro...gets out late. That is why they have not seen one another. XXXX will get together one night.

After 1700, 2 May

6.7 Out to 39-07-51. Sr. Anedo Emilio Colombo asks MO, who answers, for Sr. Anedo (pph).

Sr. Anedo takes the phone. REC says that they are all at the house of VAG and asks if A. can come by. A. went by there and he did not see anyone or the car, then returned home. Will come by in 30 minutes because he has to go by the office (first). All right.

7.0 Out to 20-12-58. MI asks MO, who answers, for Sr. Miric. Thinks he is in Apt. 4. Hangs up.

7.2 Out to 31-06-06. Marcio Mejia Ricardo with Miric, who answers. Asks Miric to come by VAG's house. Miric lives quite a

way from VRG and Miric uses the afternoon to write things. Mejia R. can give him the info on the phone. All right. The last time Miric talked to VRG was around 1130. Then, VRG gave him info on this morning's conv. Yes. Also Mejia R's talk yesterday with Roach. Yes. Then, he has info. He can pick up their press communiqué at VRG's. It says about the same as VRG told him. Asks for Mejia's phone. Mejia does not have a home phone. The other day Miric could not locate Mejia's house. It is Valeriano Trujano 325. Explains where it is located.

8.2 Out to 25-06-46. Marcio Mejia Ricart asks NO, who answers, for E Kouckhorov (? Kouchorov - is way they pronounce it).

K. takes phone. Tells NO that he has a communique which is quite important (to K.). K. would like to see MRK. MRK will call K. later - when he has some free time - so they can get together. At what time? Moment.

Will call later. VRG is going out and MRK is leave VRG's. K. says he is going back home in about 30 minutes. He will be at home at 1800. Fine.

8.7 In. Miric with Inge (Rico), who answers. Greetings.

VRG takes the phone. They (Dominicans) left a communique, but it is the same thing that VRG gave Miric this morning. VRG sent them away because he has to do some writing. They (Dominicans) are making a call - especially to the Third World. It says: "We are calling desperately, in the name of the Dominican people, always willing to sacrifice, as to all the peoples ~~of the world~~ and lovers of peace in the world, to instruct their delegates in the United Nations to defend a sister country criminally aggravated. We call especially the non-aligned countries (countries not following U.S. lines) which have so many times have felt in their side the weight of the imperialist boot. We demand the fraternal support of the countries which create their own destiny under socialism - convinced that peace is for all and an imperialism the common enemy. An imperialist aggression must be stopped in the aggrieved Dominican people. It is signed by: Dr. Emilio Cordero Michel, Dr. Marcio Mejia Ricart, Ing. Leandro Guzman, Dr. Tobias Cabral Mejia and Razon Emilio Colombo - in the name of the Dominican exiles in Mexico.

Has VRG had news from the North (U.S.)? No, has had people there. There is an evident effort, through the news they are emitting, to pacify Latin American. They are now speaking of naming a Provisional President. Also have said that Jose A. Mora has met with Messin, after talking to rebel chiefs, to seek a formula, apparently they say, based on the proposals of the rebels. Miric comments that this is at least a confession (that they are in the right). Also it is said that an armistice, cease firing, has been achieved - between marines and rebels. They are trying to support the O.E.A. Commission. According to figures, all civilians have been evacuated. They are having a meeting this afternoon with their Ministers and Congress members. It was said that the meeting was not very urgent. Nothing was mentioned about the disembarkation of more marines and soldiers. And...ind. declared that the Dominican people should have opportunity to choose their destiny, political development, liberty, etc. Miric thinks this shows a aim to pacify Latin American.

8.7 contd.

VAG asks if there has been a declaration of the Mexican govt. today. Miric does not know, but will check. VAG has to go out right now and will check on this too late.

Marcio gave VAG some news, but VAG can't check it. The news is that the people of the O.E.A. (Commission) was surrounded by 250,000 people hollering (for rights). Yes, that came over the radio. This took place at the building where the Commission met with the Papal Nuncio. Fine.

23-02-91

11.0 Out to 25-06-44. III with NO, who answers, for Sitio...for cab.
BRIKH

11.5 In. Emilio Cordero with VAG, who answers. What is new? No. Did VAG call "our friends of last night." No. VAG did not call them. Which friends? The ones who went there last night. The correspondents? Yes. Marcio said he was going to take them that (communique). VAG called Miric, but had already given him that information and also gave him the Call (for help). Miric said he would transmit this. EC heard Radio Habana and they transmitted the "other" correctly. They did not deny the other.

EC talked to Arnedo. Said a friend of his called from Santo Domingo. They are looking for a provisional President. The Voice of U.S. stated this. They want a Provisional President to have someone with whom to talk. They talked to the Constitutionalist Directors and will now talk to Wessin - proposing the Constitutionalist conditions. Miric says that the Voice of U.S. is trying to calm the opinion of Latin American and Miric is a good observer. VAG thinks they (U.S.) will continue with occupation but they are trying to smooth things over. There should be no great change. Miric thinks there may be a big change, but VAG says that NO knows how Yugoslavs think - they think that the words come out true. VAG thinks it may be possible for them to take (in) Bosch, but with occupation - to leave him tied up (by troops).

VAG says they (Hera) don't have information on the world reaction (on Dominican rep), but it must be very hard (against U.S.). VAG is going to call Jardon to find out what there is. Asks VAG to let him know. When he knows anything, will let him know.

46-00-11

12.7 Out to 25-06-44. VAG with Yolanda, who answers "Prensa Latina." Asks what the world reaction is (on Dominican Republic). Especially on Latin America. Tell VAG the most important.

Not much today but there is quite a lot from yesterday. Did VAG get the bulletin? No. They did not distribute it, she then says. (Protests from) Cuba, Juventud de Cuba, Argentina...No manifestations or popular reactions? Moment.

Have not heard about bombs. Manifestations in Guayaquil, Chile, Buenos Aires. Call back later and she will give him more info. VAG is going to try to sleep a little and will see the bulletin tomorrow.

14.2 Out to 31-06-06. VAG with Miric, who answers. VAG has nothing. Probably have call from there (Dominican Republic) tomorrow. Miric says there is nothing on official declaration (of Mexico). Still thinks (US) is trying to pacify world...There is a mission of a certain special delegates from Washington in south. Yes, VAG was told that Harriean went to Colombia. There are others out too. And apparently none came

to Mexico.

Does Miric have anything (reaction) from Europe? Nothing press-wise, but M. has the impression that there is reaction - also with Vietnam, perhaps less British press. Miric listened a little to Moscow radio - in Spanish. Say a lot of silly things. Bring out a lot of Socialist Popular Party...silly things. That is most stupid policy. V&G says that radio Habana committed the same error (by pointing out the Communist Party as being active). Pointed out 14 de June (Party). V&G gave them the complete info but thought they were to filter it. Had to call them today to tell them about this. The U.S. efforts to pacify public opinion in south (South America) and there is a contrast... They say that there are about 58 communists and give their names, origins etc. over the radio. One is a Spaniard, one is a correspondent of "Prensa Latina" there (in Dominican Republic)...but AP says that there are 18,000 armed (people) - military and civilians. They will see the results of the O.E.A. Commission. V&G says they have ~~xxxxxxxx~~ to foresee things a little. Miric points out with the visit of this Commission is really an approval of the intervention.

V&G is in bed. Has not slept in 48 hours. Will try to sleep. Has to write early tomorrow.

Miric will hand in about 10 pages of cable text. He is working on this. He is including in this the commentary which Miric mentioned today - on political situations, the results, etc.

When can they talk tomorrow? V&G wants to exchange impressions with Miric. V&G is going to "Sleep" early. Miric has some "second order" things to resolve early tomorrow, but won't take long.

16.5 Out to 39-07-31. V&G asks WO, who answers, for Dr. (Emilio) Cordero. Not there right now. Nothing urgent.

16.7 Out to 25-80-32. V&G with WO, who answers, for Dr. (Emilio) Cordero.

EC takes the phone. V&G says there is nothing of "Prensa Latina." They are beginning transmission and will have something later, but V&G is going to sleep now. Mostly because this call will probably come in early tomorrow.

V&G also talked to Miric again. He is going to send all his info out by cable (tonight) - 10 pages.

They will talk tomorrow. V&G says the Habana line is not working so can't pass any info that EC might give him (in case EC gets a call from Santo Domingo) until tomorrow.

EC takes the phone. Asks if EC has any news. No. No one phoned him. A friend of his was in contact with person in Santo Domingo - that Miraval's (7ph) were killed. It is said that the Commission does not know what to do. They are looking for Provisional President... But apparently the masses are demanding Bosch. They are still indecisive. There are now 14,000 men (armed) and VRG thinks there are more... (14,000 marines?). EC says they have ordered another 4,000 some odd (to enter). Bosch has given the insurrection as finished and that they should not fire on against U.S. and that he (Bosch) did not think that U.S. had bad intentions. There are about 40 hurt among U.S. and about 4 or 5 dead...

10.0 Out to 24-74-13. VAG asks MO, who answers, for Capt. Terasone (ph).
MO takes the phone. Greetings. MO says they are preparing to leave tomorrow. Would like to see VAG. VAG has a lot of work. Asks MO to come by. VAG does not have a car either. VAG has some cigars

for him. MO will eat and then go by. Will VKG be there? No, VKG has to go out. Will phone MO and try to get by MO's for 5 minutes.

10.2 In. Carmen with VKG, who answers. Carmen just left when VKG got there. Something unexpected came up and that is why he got there late. Asks her to phone him back because VKG still does not have news. He should have something around 1700. Will call him between 1700 and 1730.

10.7 Out to 25-80-32. VKG asks MO, who answers, for Dr. (Eulio) Cordero.

EC comes to the phone. Greetings. Is there any news? Nothing. No one has phoned. Juan B. has not called back. No. They only got 2 cables (7 or sent 2 cables).

VKG thinks that it was a very intelligent thing to nominate Casagno as Provisional President. MO commented this last night with some friends (Dominicans) - mentioned that Casagno would be President. He is the only one who can guarantee the U.S. although he has participated "with great nationalistic." But he is a Friend (ind? - to U.S.). He is the only one who can guarantee a basis for the U.S. for negotiations. VKG ~~gives~~ agrees. And to resolve that situation (in Dominican Republic) which has world resonance.

There is one ~~xxx~~ thing that EC does not like "about him" (Casagno) or "the father of his." VKG saw that. "That ~~there~~ there are communists (there)...under his control." VKG of course does not like him because he is a military man. Yes, but he is only a Provisional President. Bosch does not say when he will return either. He should already be back there. (Wanted Bosch to come back and talk ever.) MO does not think that he (Casagno) will obtain their proposals. VKG does not think so either. Bosch' people may hand in arms voluntarily but the people of 14 de Junio and the B and C - will have to kill them to take their arms away.

Radio Moscow was also saying a lot of silly things - in its Spanish transmission - that the "glorious PCP heads the ~~AMERICAN~~ ^{Dominican} masses". A lot of bull. MO says these are "co-sades" but no PCP boys there... (That is - are 14 de Junio group). Radio Habana has corrected itself completely (about ~~maxima~~ mentioning the communists heading this). Yes, and they even have a program for the Dominicans - news program.

Did VKG see "Time" magazine today? No. Buy it. It mentions 3 companions of the Committee of 14 de June. But not members of the 14 de Junio group, but as Communist Directors - Jaime Duran, ...Johnson of the 14th and ...of the 14th...Then, it mentions Grubel, ah, Tomelja (ph). This one is member of PCP. Yes, VKG knows him. T. is one of the Directors. And Grubel also member of PCP who was also in Prague (??ind). VKG also knows him. There is a lot of news on Americans. Also has some photos. It is most reactionary...says some things - that they are sorry in (that is, someone in Cuba) that the Cubans had crossed from Cuba in boats, etc...a lot of silly things... The pictures, however, are good. It says that there were 110 killed, but not true. VKG says that he is sorry it is not true.

EC is going to talk to Santo Domingo day after tomorrow on radio. MO is going to talk through a cousin of his (who also has short-wave radio)...just have to know wave length, etc...

10.7 contd.

W. says that Santo Domingo has isolated. Miami refuses to put through calls from Santo Dominicans. They would not give VAG a call through either - that only U.S. press had preference. A Dominican wanted to call there yesterday and they told him they were sorry, he heard Miami conv - that they could not put through any calls to Santo Domingo from Dominicans. This would be a good thing to inform Radio Habana...that they are not putting through calls.

Calls are coming through from Dominican Republic to Mexico. A.B.'s call also went through. MO thinks they can't call out unless they are known.

MO went by "Prensa Latina" to get press bulletins. Got the speech of ... (Castro). It is very good.

Dominican Amb. had said he would resign, but has not done so. Due to some "declarations published in 'La Extra'" is against U.S.... perhaps if he does not resign, they might spread around that - in view of these declarations that this person is non-grata. It would be difficult. It can be done, but has to be handled correctly. When does MO think this can be done? When VAG wants. With his declaration. VAG is now going to write his column for "Diario de Mexico" - 20 Lines. Could do this there. MO can read the declaration to VAG. MO went.

Came out "La Extra," 2 May, Sunday, Amb. Dr. Jose Fernandez Camineros declared the following in relation to Messin and Messin - referred military man is very popular among the people due to the fact that he is anti-Trujillista, the same consideration is held by the leaders of the political parties such as PCP (of Bosch) and Partido Liberal Revolucionista. Messin y Messin was distinguished in 14 June 1959 during the messin of the ... and (Panorgan). He even has a condecoracion given to him by Trujillo called "La Orden de Constantza..." for his brilliant military service during these 3 invasions. (So, this a.o.b. says that he is anti-Trujillista.)

VAG says Luis Suarez is going to Dominican Republic. "Siempre" is sending LS and Noya, a photographer. VAG thinks it would be good to hit this job (the A.B.) tomorrow so they won't deny them their visa. As VAG thinks best, MO would like to see LS before he leaves. VAG is not sure they will go since there is apparently no way to get there. They could go via Kingston. There are flights to Kingston, but from Jamaica, one must have to go in boat. He can rent a small plane in Jamaica for \$200 or \$300 dollars. They (this gossip here) had even thought about going this way. VAG will tell Luis about this. Before he goes, he will have to get names of contacts (from MO). Fine.

14.9 Out to 45-91-36. VAG asks MO, who answers, for Luis Suarez. Not there. MO is Pepita. LS was just left. Will he go (to Dominican Republic) or not? Not sure. Did he get the visa? They are doing this now. Tell him to call VAG. VAG has to explain how to get there since there are no normal flights.

15.2 Out to 45-91-36. VAG asks MO, who answers, for Ing. Elizondo. Not back yet.

15.5 Out to 29-22-12. Al, Luis Lissalde (ph), asks MO, who answers, for Ing. Elizondo.

Luis went to "International". Lic. Casco (ph) took very good care of him. And MO will go to see the apartments...
Puts on VRG with Elizondo. Asks what happened to what he asked E. to do. E. could not see "him." This is something very urgent. MO will see about this. Elizondo will call Monterrey to see if there is a friend who could pass something. No, one loaned from there. No, that is not possible. E. will arrange it if he can.
When will they see one another? VRG wants to go to say hello to Robles Martinez. Elizondo will tell him. Makes note of VRG's phone to let him know.

16.0 In. Miric with VRG, who answers. Greetings. VRG is tired... Is VRG member of Mexican Press Club? No, he is member of the Association of Newspapermen - of Mexican. There is a dinner tonight at club. Yes, but VRG can't go.

Is VRG in contact with Marcio and others? Yes, but there is nothing new. Yugoslavian Govt. made a declaration today - ~~condemning~~ condemning the intervention and supporting Bosch's democratic movement. Miric got this on telephone conv... They also congratulated Miric on what he sent in. That this also helped a lot for them to form an attitude. The text has been transmitted Franjuc, but they did not pick it up today. May send it via Infor-ex. In case VRG talks to Dominican exiles, tell them.

They will get together tomorrow.

17.0 In. NO (Carmen) with VRG who answers. Tells her to come by here. All right. She won't take long? No.

17.2 In. NO asks VRG, who answers, for maid, Costa. Costa takes the phone. About coming to see her today...

17.5 Out to 25-71-84. Luis Lizalde (ph) with Lupita, who answers. Asks if ~~there is~~ there. Yes. Wants Auja (??)
NO takes the phone. Asks NO to pay the ticket he owes LL. Where can LL get two beds - very cheap... factories... have to see about this...

18.0 In. NO with Inge Rico, who answers. Greetings.
VRG takes the phone. VRG explains how he should get from Kingstown. There are flights... NO (Luis Suarez) is at Tourist Agency... If there are no flights, rent a private airplane... VRG has to go out right now. Couldn't VRG go by his house? Yes, but later tonight. About hotel there - Stay at Esperador. Everything is expensive in Santo Domingo. VRG will phone NO later.
Emilio wants to see Luis. Luis should go talk to him. Luis is going home now.

About the tickets for raffle... he ~~wants~~ has said (these). LS wants to talk to VRG and thinks it is not necessary to talk to anyone else. Since VRG has been in Dominican Rep. he can give LS info.

19.2 Out to 25-80-32. VRG asks NO, who answers, for Dr. Cordero. Emilio Cordero takes the phone. Luis Suarez does not want to see Cordero. Did not say why - but VRG thinks he is afraid. VRG thinks he is not interested in contacts. VRG thinks he is going to try

21.2 In. Emilio Cordero with VAG, who answers. ^{EC} VAG can't go to see VAG because EC has to go to Gobernacion. An Inspector came by and asked EC to go with him - that Sr. Ochoa wanted to see him. Will send this (list) with a friend, but VAG should bring him back, so get a taxi.

- 10.5 In. Gabriel Pereira (ph) asks maid, who answers, for VRG. Not there.
- 10.7 In. Miric with VRG, who answers. Miric could not call VRG. Miric had an appt. at 1300 with his source of the Presidency's office. It was said - by people covering this source - that (Mexico) was going to break with O.E.A. But this did not come off. VRG hopes that there will be some declaration along these lines today. It is no longer possible. Carrillo Flores said before in Central America - talking about CEPAL, and he (CP) was once member of the Commission of Mexico in United Nations, etc. - but does VRG know what President say? No. The speech was written 48 hours ago. Miric has the text. On the 8th page of the 10 page speech, it says: CEPAL has a specific task: examining the economic problems of Latin American in light of the great postulations of the Letter of United Nations. It is, therefore, not a political conference ~~however~~ however, the gravity of the events in the last weeks in the Dominican Republic imposes on me

10.7 contd.

the duty of alluding to these. The Mexican Govt. is united in the conviction that the Dominicans and only the Dominicans are the ones to decide on their form of govt and in general on their future - without any interference. (with these words there was a tremendous applause.) Direct or indirect, open or hidden (interference) from outside.

VKG says it is good. But what why is Carrillo Flores and de la Colina have been acting like s.o.b.'s. Miric says Carrillo Flores arrived quite some time before the ceremony began and someone asked what is going to be done. And CF said that the position of Mexico is well-known and firm, and if necessary, there will be an amplification (in sense of declaration). Miric expects something tonight. VKG thinks the only thing to do is to break with the O.E.A. Yes, but President says in his speech - expresses the confidence of Mexico that the present..be overcome and right ~~is~~ affirmed. But where? He expresses the most fervent desire that the ~~XXXXXX~~ return to the Dominican Republic. Miric says, further, that the colleagues who cover this source (the Presidency) that something will come out today. VKG is expecting a declaration. Pajes asked VKG for his article, but VKG is expecting something. Should be something before 2100.

Miric asks about Pajes - about Victor Alba referred to in the issue...VKG has not seen it. DidVKG see an article in "Excelsior" a few days ago - against Yugoslavia. Yes. This is the same thing. Miric does not understand why Pajes did the same thing, except this. Of Pedro Pages, the Spaniard. The article was probably already in when the other article was published in "Excelsior," because that man writes 20,000 articles. Don't say anything to Pages, but Miric does not understand for what this reason is...

Perhaps they can get together tomorrow.

Miric got official declaration of his country, but it was very mutilated by radio from Tanyuc to Infomex. Couldn't be used. However, they express their moral support (for Dominican Republic). VKG says this should be expressed in United Nations. Asks if VKG gave this info to the boys (Dominican exiles). Yes.

Miric will leave very early tomorrow...will be busy with CEPAL for next few days...VKG will write his article in the evening and turn it in. M. will phone VKG at "Sicopre" around noontime.

13.0 Out to 248-03-71, 5 times. Busy, complete. VKG with MO, who answers, for Rodrigo Asturias.

MA takes the phone. MA is sorry he did not see VKG yesterday morning...VKG asks for the phone number of Trejo, 28-53-47.

13.7 Out to 28-53-47. VKG asks MO, who answers, for Luis Trejo.

LT takes the phone. Greetings. LT said he had "it" ready for tomorrow. Does he know who is calling? Of course. Can VKG come by here ~~xxxxxxx~~ today? Yes. MO had planned to see VKG tomorrow. MO was with Rodrigo yesterday. VKG expects Luis as soon as possible. It is very urgent. Will try to get there as soon as possible - get there in 45 minutes. VKG hopes it will be even sooner.

14.2 In. MO asks -aid, who answers, for VKG.

VKG takes the phone. Asks where MO is. At Marcue's house. VKG needs to see MO - with some urgency. Anselmo will have to go to find "that." Can MO advise him tomorrow? Yes. Anselmo lives a

long way off so will advise him tomorrow. All right. That is what V&G needed.

Has V&G seen Roberto? No. MO has not been able to locate him "in that place or his other place." Yes, he goes out sometimes.

Did V&G pick up the tickets? No, V&G will pick them up tomorrow. Alberto did not have them (with him) today.

15.0 In. MO with V&G, who answers. (V&G recognizes MO's voices.) MO asks what is new. Nothing. V&G has lost contact there (Dominican Republic). One can't phone there unless in U.S. Can't they talk with Bosch in San Juan? Yes, but "these people" have not been able to talk to him. MO was phoning about the installation of Cascaño since AP lost the info. MO was trying to locate them (to get info).

How is MO's health? Fine. Much better. When will they talk? When V&G likes. Who is covering CEPAL? A lot of people. V&G says they are expecting a declaration from (Mexican) govt. for tonight - there is a rumor that it will break with O.E.A. V&G thinks it is too beautiful to be true. MO thinks it is possible - at least have it as a rumor. Handle it as an inside rumor so as not to have exterior reactions. The President's declaration in CEPAL was good, but it is late.

When will they see one another? V&G says it is hard this week. Could see one another next Monday. MO will phone V&G at noon-time on Monday.

MO says that V&G should advise MO any good contact. Yes. They will publish it.

16.0 In. Marcio (Melja Ricart) with V&G, who answers. Greetings. V&G is busy writing against the Yankees.

Marcio talked to Cascaño yesterday. Marcio has some news, but the most important of them can't be published. Cascaño is also going to call Marcio today at 1700. Asks to borrow V&G's recorder so they can record this conv. Sr. Arceño (ph) could come by for it. Of course. If V&G wants to ask any question, let Marcio know. What is Marcio going to ask? Cascaño is going to phone Marcio because - according to what "we talked about yesterday, he will designate probably E-tillo Cordero here and me (Marcio) as Amb. in the United Nations. Moreover, the things they have pending that they want us to do here." Doesn't Marcio have anything which is not published? They would have to talk to him because Marcio has not read the newspapers. Doesn't know what has been published. Marcio should say what Cascaño said and V&G will see. Marcio will tell V&G everything after he talks to C. the second time. V&G is going out now. Or V&G could go over there (when conv is to take place). V&G has to go out. It should be in a few minutes. Where will it take place. 542 Heriberto Prias 1421, apt. 10. V&G will go by there. Marcio offers to pick him up - since they are going for recorder. Fine. Will be there in 5 minutes.

they are going to talk to Cascaño today. Apparently they be (Cascaño) named Mejia Ricart as Amb. in United Nations and another one of boys (exiles) as Amb. here. Will talk at 1700. It would be good at for Deschamps to go there. VAG can't go there. They are at Heriberto Pries 1421-10. They took VAG's recorder. Deschamps should go there. If he misses the call, they should have it recorded anyway. They just pick up VAG's recorder.

18.5 In. MO with Inge Rico, who answers, for VAG. Not there. MO wants an editorial from VAG about the President's speech before the CEPAL. VAG will be home around 2200. He is out now. He said he was going out to dinner.

19.0 In. Pablo with Inge Rico, who answers. Greetings... Pablo has Rheumatic Fever. Isn't Pablo in bed? No. Pablo can't move his right arm... VAG is not there. VAG is very busy with Dominican affair. 20.2 In. VAG with Inge Rico, who answers. They (exiles) still have not gotten the long distance. VAG is there waiting on this man and will return "there" in a little bit. Does IR know where? Yes, VAG was there. It is the house of Jose Luis. VAG had the address but he did not have the phone. Didn't Jose Luis phone hi-? No. IR thinks it was Jose Luis who just phoned. Did VAG just get "there"? Yes. Ask them there if Jose Luis called. No. Besides VAG has an appt. now. VAG left there (exiles) and will return there. Will he be home late? Not sure - when he they get call. He will come home right away to call Habana.

20.7 In. Sr. Leonov with Inge Rico, who answers, for VAG. Not there. Leonov wanted to postpone an appt. with VAG. He will be home late today. Call him tomorrow between 0900 and 1000. 21:0 In. VAG with IR, who answers. "This stupid man has not come. Hasn't he come by there?" No. It is now 2020. "He" has not phoned either. Leonov phoned VAG. 22.0 In. Miric with Inge Rico, who answers. VRG is not back. VRG is at house of Jose Luis Gonzalez. They are waiting on call from there (Dominican Republic). Miric has had an official communication on this matter and would like to tell VRG. What is the phone where VRG is? Moment.

He is at 24-07-15. Thanks.

22.2 Out to 31-06-06. VRG with Jovan (Miric), who answers. VRG says they were waiting on call from Cascaño, but did not go through. Will be tomorrow. Apparently will name Marcio Mejia Ricart as Amb. in United Nations. VRG did not think it a good. Miric says it is all right for the state they are in. Another man were will be named Amb. in Mexico. Miric comments says that they must make this movement.

Miric has the communique. Deschamps gave it to VRG. The most important part is point out that Harrison is lying. Miric says that "what this man is doing, he is influential, no? ...follows a cause and is doing some foolish things." Does VRG know what happened in China? No. Thousands and thousands against - after Buenos Aires day before yesterday. Miric also has ~~(xxxxxx)~~(declaration) of the Permanent Commission of Congress - approving the censure of govt. VRG saw it.

What is VRG's idea of panorama? VRG thinks they won't leave. Miric agrees - that this is long-time affair (U.S. occupation).

Miric saw the (inauguration) of Cascaño. He has personality. Is only 33 years old. Does Miric know that Cascaño told Marcio (Mejia) yesterday that he had 50,000 more rifles. Yes, Miric sent in this notice yesterday. They are in the North. They are still in revolution. This is just a breather.

Perhaps can get together tomorrow. Miric has to go out early tomorrow. Could have lunch together - near CEPAL meeting. CEPAL is under the same shade of Dominican affair. VRG can get all material on speeches. But nothing is important on their decisions... everything is under shade (of this affair). Miric will follow the speeches. Can meet near "Siempre." Can eat at Orco (?ph). Miric has not been there for years. Can meet there. Best later than 1200. Miric will pick VRG up at "Siempre" at 1300. Fine.

2.0 In. MO asks maid, who answers, for Victor Rico Galan (VRG).
Moment.

VRG takes phone. MO is Jose Luis Gonzalez. Did VRG find out anything "about that collaboration"? Yes, but "he did not tell me anything." VRG will have to ask cashier (if they will pay JLG for his article). VRG will go today and will ask (at "Siempre"). Will VRG be at "Siempre" tomorrow? Yes. Could MO see VRG there about something else? Of course. Will go there around 1300 (to see VRG).

2.2 In. Leonov, Press Attache (of Soviet Embassy) with maid, who answers, for VRG.

Inge Rico takes phone and asks who is calling.

VRG takes the phone. Greetings. Leonov would like to consult something with VRG - but at the office of "Siempre" or at café (but not over phone). VRG will be at "Siempre" at 1230. Can meet at the café there...

Leonov says next Sunday they are having the reception for the end of the war (World War). L. took the invitations by the offices of "Siempre." Lolita has VRG's invitation. Thanks.

4.5 In. MO (Marcio Mejia Ricart - v) with VRG, who answers. VRG talked to Santo Domingo but "there are 2 or 3 things they want to arrange and they will phone" Max back tonight at 1900. The news of today is that "we are willing to resist until the end, more or less the same information" Max had already given VRG. VRG talked to the Minister of Interior, Ejiel 77 Curi (ph). VRG says "he" made some "astupendous declarations," came out in "El Dia." Max has not seen them. But Emilio told Max that they were wonderful. VRG thought they were very good. Max comments that the last time he (Max) saw him, he (Max) hit him because he was Viru's man... like Casañón or even worse. But he is improving. Max talked to him and he was very cordial. He told Max that they are working on the letter of credentials, that he thought that the nomination (of Max as Amb. in U.N.) was certain, but they have not been able to arrange this definitely yet due to Max's political problem. He is working on this, but still lacks the last approval. Things have to be prepared. If VRG wants, he can go to Max's at 1900 (to hear conv) and bring his recorder. Fine.

5.0 In. Marcio Mejia Ricart (v) with VRG, who answers. VRG forgot to tell VRG - Due to "my last call, they cancelled the Amb. (of Max) Mexico. Emilio's (Cordero's) matter (nomination) is being worked on. It would be good to work on this... find out if they have received the telegrams. They have sent a telegram to substitute the (Dominican) Amb. here. It would be interesting to find out about this - perhaps through "Excelsior." VRG will find out if Deschamps can do this and call Max.

VRG saw this, but was not impressed. Has VRG seen Gonzalo? Sure Of course. Recently? Yes. Where can MO locate him? Phone him at 24-88-64. Yes, but the phone does not answer. Yes, they do, that is his house. When will they see one another? When MO likes. Can have coffee together tomorrow? Call VRG tomorrow around 1000 at home (to arrange this). Fine.

 THERE THAT MEXICO WAS GOING TO BREAK WITH OAS, BUT THIS DID NOT HAPPEN.
 RICO EXPRESSES HOPE THERE WILL BE DECLARATION ALONG THESE LINES TODAY.
 MIRIC SAYS THIS NO LONGER POSSIBLE. HE HAS COPY OF TEXT OF PRESIDENT'S
 SPEECH WHICH WAS WRITTEN 48 HOURS AGO. HE QUOTES "MEXICAN GOVT
 IS UNITED IN THE CONVICTION THAT DOMINICANS AND ONLY DOMINICANS
 ARE ONES TO DECIDE THEIR FORM OF GOVT AND THEIR FUTURE". RICO SAYS
 GOOD, BUT WHY ARE CARRILLO FLORES AND DE LA COLINA (PRESUMABLY
 RAFAEL DE LA COLINA, MEXICAN AMBASSADOR TO OAS) ACTING LIKE S.O.B.'S?
 RICO THINKS THE ONLY THING TO DO IS BREAK WITH OAS. MIRIC ADVISES HE
 WILL BE BUSY WITH CEPAL NEXT FEW DAYS.

B. RICO AND RODRIGO ABTURIAS (PRESUMABLY THE GUATEMALAN STUDENT
 LEADER): LATTER EXPRESSES REGRET HE DID NOT SEE RICO YESTERDAY.
 RICO REQUESTS PHONE NUMBER OF LUIS TREJO BENVENUELA, WHOM HE LATER

C. UNIDENTIFIED CALLER AND RICO: RICO SAYS HAS LOST CONTACT WITH DOMINICAN REPUBLIC; ONE CAN'T PHONE THERE UNLESS IN U.S.

CALLER ASKS CAN'T THEY TALK WITH ROSCH IN SAN JUAN. RICO REPLIES YES BUT "THESE PEOPLE" HAVE NOT BEEN ABLE TO TALK TO HIM.

CALLER INQUIRED ABOUT INSTALLATION OF CAAMANO SINCE AP LOST THE INFO.

RICO STATES IS EXPECTING DECLARATION FROM GOVT TONIGHT; MENTIONS

RUMOR OF BREAK WITH OAS; THINKS IT IS TOO BEAUTIFUL BE TRUE.

CALLER THINKS IT POSSIBLE. AT LEAST TO HANDLE IT AS INSIDE RUMOR

SO AS NOT TO HAVE EXTERIOR REACTIONS. ADDS THAT THE PRESIDENT'S

DECLARATION IN CEPAL WAS GOOD BUT TOO LATE. CALLER WILL PHONE

RICO NOONTIME MONDAY (10TH).

D. MARCIO MEJIA RICART AND RICO: RICO SAYS IS BUSY WRITING AGAINST THE YANKEES. MEJIA SAYS HE TALKED TO CAAMANO YESTERDAY,

THAT HE (MEJIA) HAS SOME NEWS BUT MOST OF IT CANNOT BE PUBLISHED.

CAAMANO TO CALL MEJIA AGAIN ON 6 MAY AND MEJIA OFFERS TO PUT FORWARD

ANY QUESTIONS RICO WANTS TO ASK. MEJIA SAYS PURPOSE OF CAAMANO CALL

IS PROBABLY "TO DESIGNATE EMILIO CORDERO HERE AND ME AS AMBASSADOR

IN THE U.N. MOREOVER THE THINGS WHICH THEY HAVE PENDING THAT THEY

WANT US TO DO HERE". MEJIA PROMISES TO TELL RICO EVERYTHING AFTER

MIRIC SAYS IS ALL RIGHT FOR THE STATE THEY ARE IN. MIRIC HAS THE COMMUNIQUE. DESCHAMPS GAVE IT TO RICO. THE MOST IMPORTANT PART IS TO POINT OUT THAT HARRIMAN IS LYING. MIRIC SAYS "WHAT THIS MAN IS DOING ...FOLLOWS A CAUSE AND IS DOING SOME FOOLISH THINGS."

1. ESLOGIC-1 EFFORTS TO SURFACE RICO GALAN TAPE HAD BEEN FRUSTRATED BY MINGOV WHO TOOK POSITION GUAT-NEXI RELATIONS COULD BE DAMAGED. HOWEVER, ON 25 FEB, DURING MEETING OF SECURITY CHIEFS WITH PERALTA, ESLOGIC-1 AGAIN RAISED QUESTION AND RECEIVED PERMISSION FROM PERALTA TO SURFACE STORY THROUGH RAFAEL ESCOBAR ARGUELLO, SECRETARY OF INFORMATION OF GOG. STORY SHOULD APPEAR IN NEXT FEW DAYS.

2. STATION REASONABLY CERTAIN GUAT GOVT WOULD BE HAPPY ACCEPT AND PROSECUTE RICO GALAN BUT WE DO NOT CONSIDER THIS SATISFACTORY SOLUTION SINCE EXPERIENCE SHOWS THAT IN SUCH CASES PRISONER IS USUALLY DROPPED IN NEIGHBORING COUNTRY AFTER SHORT DETENTION. WE ARE EXPLORING POSSIBILITIES, HOWEVER, AND WILL OFFER DEFINITIVE COMMENTS IN A FEW DAYS.

1. OBVIOUSLY, WE READY AND WILLING ASSIST LIRAMA WHEREVER POSSIBLE AND FEASIBLE IN EFFORTS TO "DENATURALIZE" AND DEPORT INDIVIDUALS SUCH AS RICO GALAN, ARNALDO ORFILA REYNAL (AND PRESUMABLY OTHERS TO COME). HOWEVER, IT IS OUR FEELING THAT WE COULD BE OPENING PANDORA'S BOX BY USING OUR INFLUENCE IN ENDEAVORING RELOCATE SUCH UNDESIRABLES IN COUNTRIES AS PERU. IT DOESN'T SEEM THAT PERU WOULD ACCEDE TO SUCH A REQUEST, AND IT WOULD NOT BE IN OUR BEST INTERESTS TO EXILE RICO GALAN TO AN AREA WHERE HE COULD CONCEIVABLY CONTINUE TO CAUSE TROUBLE. BELIEVE THAT WE SHOULD ENCOURAGE LIRAMA EFFORTS, OFFERING OUR ASSISTANCE IN COMPILING MATERIAL THAT COULD BE USED IN DENATURALIZATION PROCEDURES, BUT POINTING OUT TO LIRAMA THAT DEPORTATION DESTINATION MUST BE WORKED OUT BY MEXICAN GOVT AND COUNTRY OF INDIVIDUALS BIRTH.

1. FOLLOWING ARE ADDITIONAL TOPICS TAKEN UP WITH LIRAMA BY LIELEGANT AND CURTIS ON NIGHT 19 FEBRUARY.

A. LIRAMA VOLUNTEERED THAT HE HAD CANCELLED THE PENEX CONTRACT WHICH PASCUAL GUTIERREZ ROLDAN (FORMER DIRECTOR OF PEMEX) HAD SIGNED WITH THE SOVIETS. THIS CONTRACT WAS FOR EQUIPMENT AND TECHNICAL ASSISTANCE. LIRAMA SAID THE TURBO-DRILLS WHICH HAD ALREADY ARRIVED (HE THOUGHT THREE IN NUMBER) WOULD BE THE ONLY PART OF THE CONTRACT ALLOWED.

B. LIELEGANT GAVE LIRAMA A BRIEF MEMO ON THE FONDO DE CULTURA ECONOMICA AND ITS DIRECTOR ABRAHAM ORFILA REYNAL. THIS DISCUSSED BRIEFLY BY DAVID AND LIELEGANT ON 2 FEB. MEMO PREPARED BY STATION, TRANSLATED BY LIENVOYS. LIRAMA SAID THIS A "REAL COINCIDENCE" SINCE SOME SIX WEEKS AGO HE HAD ASKED ANTONIO ORTIZ MORA, MINISTRY OF TREASURY, TO GET RID OF ORFILA REYNAL AS DIRECTOR OF FCE "SINCE ORFILA IS A COMMUNIST".

SECRET

~~SECRET~~ IN 10056 PAGE 2

HE ASKED LIELEGANT TO INCLUDE ORFILA REYNAL ON HIS STUDY OF "DENATURALIZATION POSSIBILITIES" AND SAID IF DENATURALIZED ORFILA REYNAL WOULD BE "RETURNED TO HIS NATIVE ARGENTINA". HE HAD ASKED THAT SALVADOR ANZUELA (WHO FAVORABLY KNOWN OF BY STATION) BE PUT IN AS DIRECTOR OF FCE. HE ADDED THAT NOW, HOWEVER, PEOPLE WOULD THINK ORFILA REYNAL FIRED BECAUSE FCE PUBLISHED "THE CHILDREN OF SANCHEZ" BY OSCARR LEVIS WHICH HAS CREATED GREAT DEAL ADVERSE MEXICAN COMMENT.

C. CONCERNING THE NEWSPAPER EXCELEIOR (WHICH LIELEGANT RAISED) LIRAMA SAID HE DID NOT BELIEVE THE FIGHT WAS BETWEEN PRO AND ANTI COMMUNISTS. HE SAID THERE WERE SOME "TOO FAR RIGHT" INCLUDING ONE OR TWO MEMBERS OF "LOS TECOS" RIGHT WING CATHOLIC GROUP. HE BELIEVED THE FIGHT FOR CONTROL OF EXCELEIOR WOULD COME OUT ALL RIGHT.

D. LIRAMA THEN MENTIONED THAT MANUEL ESPINOSA IGLESIAS AND GABRIEL ALARCON, WHO FOUNDING "EL HERALDO" NEW MEXICAN DAILY OF "RIGHT", HAVE CLAIMED THEY HAVE LIRAMA BACKING. HE SAID HE HAD BEEN ADVISED BUT WAS NOT INVOLVED. HE DESCRIBED ALARCON AS "CONTRABANDISTA" AND GANGSTER.

E. SECURITY PROCEDURES IN LIRAMA OFFICE DISCUSSED BRIEFLY.

HE ASKED LIELEGANT TO MAKE IMMEDIATE STUDY OF MEXI NATURALIZATION LAWS TO FIND OUT HOW RICO GALAN COULD BE "DENATURALIZED" AND THEN DEPORTED. LIRAMA ASKED CURTIS IF LATTER COULD ARRANGE FOR COUNTRY SUCH AS PERU TO ACCEPT RICO GALAN AT LEAST TEMPORARILY. LIRAMA SAID HE WAS AWARE THAT RICO GALAN WAS A DRUNKEN PHILANDERER, AND REQUESTED CURTIS INITIATE SURVEILLANCE IN ORDER OBTAIN EVIDENCE WHICH WOULD ASSIST "DE-NATURALIZATION" PROCEDURE. VICTOR RICO GALAN (PDL-336471)

- 1. DPOB: 6 February 1928; El Ferrol, Spain. Subject, Spanish by birth, ~~was~~ became a Mexican citizen by naturalisation on 15 March ~~1949~~ 1949. ✓
- 2. CIVIL STATUS: Subject is married to Ingeborg DIENER de Rico.
- 3. ADDRESS: Providencia 930, Mexico City, D. F. Telephone number as of September 1964: 23 07 92. This phone is registered in the name of his mother-in-law, TILLI PICHISER viuda de Diener, whose address is also Providencia 930.

4) OCCUPATION: Writer for Siempre and Politica magazines in Mexico City; both are effective Communist-leaning magazines and have large circulation.

5) PHOTOGRAPH: Available in Subject's 201 file (date of photograph ^{October 1963} ~~approximately~~).

6) POLITICAL AFFILIATIONS AND INCLINATIONS: As of 1962 Subject was the head of the National Press and Propaganda Committee of the National Liberation Movement (MLN) in Mexico City, a rabidly anti-U.S. and pro-Castro organization. Subject is close to Fidel Castro and company, and is ~~highly~~ considered as a Cuban "agent" (degree of Cuban control unknown). ~~Subject was a founding member of the MLN.~~ Subject was a founding member of the MLN. In an article in Siempre in March 1963 he advocated the foundation of a new political party reflecting the ideology of General Lazaro Cardenas, ^{leftist} former President of Mexico. This would have provided, in his belief, the Mexican left a political organization truly responsive to the radical tendencies of the 1910 revolution. This was necessary because the MLN, whose membership covers the spectrum of Mexican Communist Party to PRTI, could not take ^{open} political stands without antagonizing some of the membership. The new party would have represented a "third position", socialism in internal affairs and independence of any bloc in international affairs. With a party such as this as its political action arm, the MLN would have developed naturally into a broad national movement such the FRAP in Chile. (Some specious reasoning here).

7.) TRAVEL:

A) To Cubas:

- 1) July 1962, *return date unknown*
- 2) 2 October 1962; returned Mexico December 1962
- 3) 25 May 1963; returned Mexico 22 June 1963
- 4) 28 January 1964; returned Mexico 25 February 1964

B) Other:

- 1) Arrived Guatemala City 3 (8?) October 1963
- 2) Arrived Tegucigalpa 11 October 1963; left 13 October 1963
- 3) Arrived Managua 13 October 1963; left 17 October 1963
- 4) Arrived San Jose 17 October 1963; left 20 October 1963
- 5) Arrived Panama City 20 October 1963; left 22 October 1963
- 6) Arrived Caracas 22 October 1963; left 12 November 1963
- 7) Arrived Rio de Janeiro 12 November 1963
- 8) Arrived Buenos Aires 4 December 1963; left 12 December 1963
- 9) Arrived Santiago 12 December 1963; left 16 December 1963
- 10) Arrived Lima 17 December 1963
- 11) Arrived La Paz 17 December 1963; left 20 December 1963
- 12) Arrived Lima 20 December 1963
- 13) Departed Florida 8 January 1964
- 14) Arrived Santo Domingo 8 January 1964 (via Kingston); left 15 January 1964 for Mexico City (via Kingston)

Ingeborg Diener de RICO Galan, Subject's wife, traveled from Mexico to Cuba
in November 1962. Subject was ~~in Cuba~~ ^{at that time} ~~in Cuba~~ ~~at that time~~

8.) PASSPORT: ~~████████████████████~~, Subject ^{formerly carried} ~~██████████~~ Mexican passport number 57115, with Cuban courtesy visas. On 9 September 1963 Subject was issued Mexican passport number 56341 (or 53641).

9.) ACTIVITIES: The reason for the October 1962 trip to Cuba was ostensibly to gather material for a political biography of Fidel Castro. The May/June 1963 trip was to interview Fidel Castro after his return from the Soviet Union. ~~██████████~~ Subject claimed that he had spent eight days with Fidel during that visit, five of those aboard ship.

On 24 October 1963 HYSAGE-1 ^{in Panama City} reported that Subject had received an operational assignment from Castro (during the May/June 1963 visit to Habana) on which to travel through Central and South America. His ~~██████████~~ mission was to persuade leftist parties to immediately begin acts of sabotage and violence, and to try to maintain these in order to take pressure off Venezuela. Subject was also instructed to bring about better unity among competing leftist factions to ensure greater impact for their work. Subject did, in fact, contact many Communist Party and leftist leaders during his Central and South America travel during the period ~~██████████~~ October 1963 - January 1964. ~~██████████~~

From the (frequency) reporting on subject from October 1963 through January 1964 it appears that he did focus the question of legitimacy.

10. In October 1964, the Guatemalan authorities captured a number of tape recordings from the guerrillas in operations subsequent to a guerrilla attack on a garrison in Panzos, Alta Verapaz. Included in those ~~maps~~ tapes was one made by RICO Galan for delivery to the guerrillas. It consists mainly of an exhortation for unity (among the PGT and the 13 November group) and counsel ~~against~~ against letting doctrine ^{intellectual} replace action. The tape clearly reveals RICO to be at once a very ~~intellectual~~/leftist who also has his feet planted quite firmly on the ground. His approach is pragmatic, not theoretical. The text of the tape indicates that it was made sometime ~~between~~ ^{after} February ~~and~~ and ~~before~~ before mid-October 1964.

11. There is little at hand to indicate ~~the manner of man is~~ what manner of man is RICO Galan. His 201 file ~~reflects~~ reflects facts but not impressions. He apparently is known personally by LICOOKY-1 and LITAMIL-9 in Mexico City, and these two sources should be queried.

1. WE ARE STILL MOST DESIROUS OF EXPLOITING RICO GALAN TAPE. DESPITE MEXI PERSWING OBJECTIONS TO SURFACING IN MEXICO, WE BELIEVE THAT THIS IS GOLDEN OPPORTUNITY TO START BURNING RICO AND THEREFORE URGE [] TO MAKE STRONG APPROACH TO GUAT GOVT TO SURFACE LOCALLY. PERHAPS ESPILL ONE OR EVEN PERALTA IF NECESSARY WOULD BE BETTER CHANNEL FOR THIS THAN MINCOV SERRANO. SINCE GUATS RAISED SUBJECT OF TAPE DURING RECENT MINISTERS MEETINGS, THEY PRESUMABLY WOULD BE AMENABLE NOW TO LOCAL SURFACING.

2. ONCE SURFACING ACCOMPLISHED GUAT, WE WILL BE IN POSITION TO EFFECTIVELY EXPLOIT NOT ONLY TAPE ITSELF BUT ALSO OTHER KNOWN INFO ON RICO GALAN ACTIVITIES THROUGHOUT HEMISPHERE ON BEHALF CASTRO REGIME.

MEMORANDUM FOR: Deputy Director, for Plans
SUBJECT : Briefing of Reader's Digest Reporter

1. The Mexico City Station has been requested by the Press Office of the Embassy to assist in briefing Mr. Robert Struthers, a roving reporter of the Reader's Digest, who is preparing an article on Cuban/Communist subversion in Latin America and who has expressed displeasure that the Embassy has been unable to provide any briefing on Communist activities in Mexico and Central America.
2. Mexico City Station and WH Division feel that particularly since the Spanish edition of the Reader's Digest has a circulation of over two and one-half million copies, this is an excellent avenue for the otherwise planned surfacing of abundant information (including the existence of a tape recorded speech to Guatemalan guerrillas, recently captured) on Victor RICO Galan, an active Cuban agent and a regular contributor of the weekly leftist magazine, SIEMPRE.
3. A briefing on the activities of Victor RICO Galan and a replay of the tape has already been given officially in Guatemala during the January meeting of the Security Ministers of Central America. No press play has yet been made.
4. CA/Propaganda defers to you for a policy decision. There are no RI traces on Mr. Robert Struthers. Struthers is favorably known to Mr. Paul Chretien's office which has personality and professional data on him.
5. WH Division recommends that you release the attached cable.

SEBASTIAN IRANELL

months here. On completing the training course, most of them will work on laying the transmission line or erecting the reservoir.

In an interview to the Cairo All-Abolish the Minister for the Aswan High Dam, Sukh Soliman, has named four dams which the Aswan project has already brought the country.

The fillings of the reservoir has begun, and it now contains over 5,000 million cubic metres of water. By the end of the year this amount will be doubled. This enables new irrigation to be undertaken.

The danger of flood disasters has been permanently removed. Last year showed that the dam can control even the highest Nile waters.

The old Aswan power plant, 4 miles below the High Dam, now operates without seasonal fluctuations.

Volunteer forces have been trained for the project, people have been taught skills and respectably. Many things are now being done a great job elsewhere.

Back in Cairo from Aswan, I went to the Ministry of Irrigation to find out just how the water will be available. By the High Dam will be made. Since the year beginning with 1965, the dam will be expanded by 17,000 bldms and will be finished in 1973. In 1973, the dam will be expanded by 17,000 bldms and will be finished in 1973. In 1973, the dam will be expanded by 17,000 bldms and will be finished in 1973. In 1973, the dam will be expanded by 17,000 bldms and will be finished in 1973.

Being that the total cultivated area of the U.A.R. is only expanding over 6 million feddans, Aswan's immense importance for Egypt's agriculture should not be very obvious. And while the dam construction project will take another five years to complete, the dam will already have at this summer the first crop from new lands.

With Guatemala's Guerilla Fighters

... I EYES a rifle and bullets for you. You'll need them if we encounter the enemy. We probably won't; we're following secret trails known to us alone and, anyway, the soldiers rarely come up into the mountains. Still, you've got to be ready for battle at any moment. You live depends on it now. Our rifle practice must have to be to defend himself. That means he has to have a rifle....

... To me were the first words I heard from a patrol of the Edgar Guzman guerrilla detachment. That was at the cloak of a flow of morning mist from the forest. The patrol my name and I had climbed a ridge and a bounding run to the top of the forest. The words of the forest were the first words I heard from a patrol of the Edgar Guzman guerrilla detachment. That was at the cloak of a flow of morning mist from the forest. The patrol my name and I had climbed a ridge and a bounding run to the top of the forest. The words of the forest were the first words I heard from a patrol of the Edgar Guzman guerrilla detachment. That was at the cloak of a flow of morning mist from the forest. The patrol my name and I had climbed a ridge and a bounding run to the top of the forest.

... We found the place ahead of the army and the police. The only few days left, I learned afterwards that the control had arrived and taken and had been water to make each of it nobody was following.

... The patrol consisted of five men. There were a soldier, two guerrillas and a student under the command of

... a young man who only yesterday had also still been a student. Despite his youth he had already proven himself a staunch revolutionary. All were well outfitted and well armed: tommy guns, rifles, full cartridge belts, pistols, hand grenades - a "unit" of the enemy, as the guerrillas call their trophies. Looking at their weather-beaten, sun-baked faces I could see that their life in the mountains must be pretty tough.

... After a cold breakfast - no fire was made for safety's sake - my guide pointed back to the village and we went on to join the detachment. It was a three-day's march. We climbed up and down dozens of hills and steep passes, blazed a trail through the forest of giant trees. My feet were all wet and two or three inches in mud. I had seen before only in the rain. We even saw a guinea pig, the most beautiful that I had ever seen. It was a symbol of our freedom and which cannot be seen in captivity. We would never see the mountain streams, some of them cascaded down the banks of the rolling trees along their banks.

... We kept a strict fire on the way. Being with the sun, we added up our movements, put our hills in order, but we had to be ready at our feet. At noon we stopped for dinner and then marched on until five or six in the evening, leaving time to get to a camp. Once, had to our camp and made a small fire. The darkness was our time for

... about the detachment situation in the country, memories of "revolution" life, of families and friends. We reached the detachment's camping grounds toward evening of the third day. That day we had a hot meal. It was my first "guerrilla" dinner—soup, roast squirrel (very tasty, I must say) and, of course, coffee. I spent several days with the guerrillas, learning to know these brave patriots, their habits, aspirations, ideals and plans.

• • •

The commander of the detachment—for understandable reasons I or his name—is a 23-year-old officer, who after graduating from the Military Academy, attended a Yankee-run "anti-guerrilla warfare" training centre. His patriotic feelings moved him to go over to the side of the people and devote himself heart and soul to the struggle for their interests. Before joining the guerrillas he was one of the leaders of the *Alfonso de Leon* (November 19th Movement) (so named in honour of an armed uprising in November 1969) or a group of democratically-minded officers against the venal Ymora, Fuentes government, the guerrilla was suppressed and *Alejandro de Leon*, one of the insurgent officers who continued the struggle, was persecuted by secret police agents. The detachment commander, who has very energetic and kindly feelings, is well loved and respected both by his comrades-in-arms and by the people of the nearby village. This front commander's real military police agents hate him intensely.

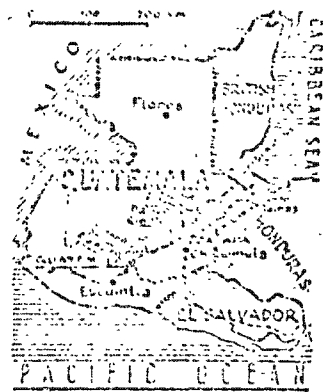

It is more than a year now that the detachment has been in the mountains. Its members come from various parts of the country: from the capital, from Escuintla and other cities, from the Verapaz, Santa Rosa, Zacapa and Totonicapán provinces. They are workers and peasants, students, civil men and small business-men of different intellectual levels. Some

only learned to read and write in the detachment), different ways of life, occupations and political views and different religious faiths. Their ages range from 21 to 50. But whether Catholic or Protestant, Communist or non-Party, all of them are united in a fervent desire to rid the country of its age-old backwardness and of the monopoly domination.

The detachment has taken the name of *Edgar Ibarra*, a popular student leader. Besides being a leader of the United Front of Guatemalan Students, Ibarra was a member of the Communist youth organization and the Union of Patriotic Working Youth. Everywhere, in the universities, in street demonstrations, in clashes with the police, he infused a revolutionary spirit in the student struggle. One of the first challenges to beat the guerrilla forces, he was killed in one of the battles fought by the *Abasco* Communist detachment. Now the detachment carries after him and the *Abasco* detachment have joined with other detachments to form a unit called the *Abasco* Armed Rebel Forces.

Ever since the *Edgar Ibarra* guerrilla organized their military operations with work centers, the people of the nearby village, who began to help them with their hard work and to open schools and working to educate families. This has won them the total support of the peasants. While I was with the guerrillas, one of them found a young peasant girl who had walked out of the trap and she, over the course of the day, had a very good and friendly life in the detachment. They taught her to read and to write and had a good meal. We have a good kitchen prepared in my house. It will come in useful.

The *Abasco* is a vital populated zone in Escuintla department, in the northwest. The village covers the country from west to east and runs up to south. There are *Abasco* guerrillas, the parts in which all that-

man's force in trade is conducted, passes a few kilometers away from it. The Atlantic Route, linking the capital with these parts, also passes it. Just outside it are the dam and the main installation of the Rio Honda hydroelectric station, which supplies electricity to the total, Zacapa and Copulimur, departments. Large army and police headquarters guard this vital zone. A military unit and a police detachment are permanently quartered in Rio Honda. Through surveillance and persecution, arrests and to lure the government seeks to be in a check the discontent of the people in this part of the country. Nevertheless, it is here, in the east, that the guerrilla movement is spreading.

One of the guerrilla commanders told me about an operation the detachment carried out in Rio Honda:

"We based the operation on detailed information gathered by our contacts in the village. Over many days and then eventually analyzed. It concerned the exact location of our targets, the approaches to the power plants at the village. We drew a detailed map of the locality and a

north from coffee plantations, runs a highway over which everything from coffee to minerals is transported. From Panzós cargoes are shipped via Dulce and Dulce rivers and Lake Izabal to Santo Tomás and Puerto Barrios, there to be transferred to American ships. Panzós was the site of another operation carried out by the Edgar Ibarra detachment. The guerrillas occupied it and then retreated without bearing any losses.

The government was compelled to issue an official announcement that "malefactors" had seized a considerable quantity of arms and that troops had been sent out after them with orders to bring them back "dead or alive." This official announcement was significant. Until then the government had denied the existence of a guerrilla movement in Guatemala, now its existence was recognized as a fact.

Much as they wished to do anything could not be said. The fact that a battle had been fought in Panzós between guerrillas and the local garrison, in which the guerrillas had suffered losses. Besides, the guerrillas captured a group of government soldiers in Panzós and, as in Rio Hondo, explained before releasing them: "It is not you we are fighting. You are poor men like ourselves. You have the same hopes we have. We are fighting the oppressor and not set up in our country by a handful of army colonels in the interests of the Yankees."

Whenever the opportunity offers the guerrillas explain the aims of their struggle to the soldiers of the regular army. These aims are set forth in detail in the Manifesto issued by the Armed Rebel Forces in November 1961. Contained in it are these lines: "We want a real revolution, not merely change of govern-

ment. It is not a matter of replacing one set of rulers by another, for then the people would not continue to be satisfied, as has repeatedly been the case in the history of Guatemala. It is a matter of the fundamental renovation of the republic."

The guerrilla pro stance, it must be said, falls on fertile soil.

When I left the guerrillas, I heard in farewell these words from our national anthem: "Win or die." The words are now the battle cry of the Armed Rebel Forces. Back in the city I plunged once again into the activities of the underground resistance movement, but they stayed with me the most of the men of the Fides. Ibarra's regiment, the soldiers of the front of a battle against the oppressors of my people.
