	<u> </u>	Mr. Tarasoff. Yes.
1 Alexandre	22	Mr. Genzman. Mr. Chairman, my questions will involve
	23	three general areas. First, the CIA's surveillance opera-
	24	tions in Mexico City around 1963. Then the CIA's surveillance
	25	with specific reference to Lee Harvey Oswald's contacts with
		ALDERSON REPORTING COMPANY, INC.

1 the Soviet and Cuban Embassies in Mexico City about this time. And finally, identification techniques as applied 2 to the surveillance of Oswald in Mexico City. 3 First of all, Mr. Tarasoff, what is your present 4 20024 (202) 554-2345 5 occupation? Mr. Tarasoff. Pardon me? 6 7 Mr. Genzman. What is your present occupation? 8 Mr. Tarasoff. I have retired from the service, seven REPORTERS BUILDING, WASHINGTON, D. C. 9 years ago. 10 Mr. Genzman, How long have you been retired, seven 11 years? Mr. Tarasoff. Yes. 12 Mr. Genzman. Did you work for the CIA before your .13 14 retirement? Mr. Tarasoff. Oh, yes. 15 16 Mr. Genzman. Were you an agent, an officer or an asset 7TH STREET, S.W. for the CIA? 17 18 Mr. Tarasoff. I was a staff officer. 19 Mr. Genzman. Could you detail for the Committee your 000 20 assignments with the CIA around the time of 1963? 21 Mr. Tarasoff. I started working in Mexico City in 22 June, 1963 and continued up until the end of October, 1970. 23 Mr. Genzman, Were you aware of any surveillance 24 operations conducted by the CIA in Mexico City? 25 Mr. Tarasoff. Well, I was aware, because -- may I

qualify my statement, expand it a little bit? 1 2 Mr. Genzman. Would you repeat that, please? 3 Mr. Garasoff. May I expand? 4 Mr. Genzman. Certainly. 7TH STREET, S.W. REPORTERS BUILDING, WASHINGTON, D.C. 20024 (202) 554-2345 5 Mr. Tarasoff. In 1960, I came to Mexico City to replace a friend of mine who was working in the same capacity and ó 7 I stayed with Mexico City for four months in 1960 and I 8 went back to my regular occupation with DDI. 5 And that is the Documents Section, CIA. And after 10 that, I tried to be assigned to a job in Mexico City which 11 I finally succeeded in doing. So therefore, when this 12 friend of mine went back to Washington, I replaced him in 13 Mexico City in June, '63. 14 Mr. Genzman. What were your duties in Mexico City? Mr. Tarasoff. You mean during my TDY or after? 15 lá Mr. Genzman. I am speaking about your duties regarding 17 surveillance operations in Mexico City. Would you tell us 18 what your duties were? 19 Mr. Tarasoff. My duties were on a less permanent ---000 20 on a more or less permanent basis -- to receive the tapes 21 first, then to translate from Russian into English the 22 conversation that was on the tape and to transcribe the 23 whole thing. 24 Mr. Genzman. Where did these tapes originate? 25 Mr. Tarasoff. The tapes originated right there in

ALDERSON REPORTING COMPANY, INC.

1-7

Mexico City because some of the telephone wires leading 1 to areas, establishments, were tapped. Therefore, as a 2 3 result, we had these conversations on the tape. Mr. Genzman. Were some of these tapes a result of 4 REPORTERS BUILDING, MASHINGTON, D.C. 20024 (202) 554-2345 5 telephone taps on the Soviet Embassy in Mexico City? Mr. Tarasoff. Pardon, I did not hear the question. ó 7 Mr. Genzman. Were some of these tapes which you dealt with the result of telephone taps on the Soviet Embassy in 3 9 Mexico City? 10 Mr. Tarasoff. That is correct. 11 Mr. Genzman. Were you responsible for the translation 12 or transcription of tapes from other operations besides the 13 Soviet Embassy operation? 14 Mr. Tarasoff. Yes, there were several operations going on as a result of which we got tapes also, but they were 15 16 taken of the so-called bugs, were planted in several strategic S.W. 17 spots, dealing with Soviet nationals. Therefore, I had to STREET, 18 transcribe them also. 1TH 19 Did you work inside the American Embassy? Mr. Genzman. 000 The American Embassy? 20 Mr.Tarasoff. 21 Mr. Genzman, Yes. 22 Mr. Tarasoff. Yes, when I was in TDY. 23 Mr. Genzman, I see. But as part of your transcription 24 and translation of these tapes, did you work inside the 25 American Embassy or outside of the Embassy in 1963?

1-8

NW 54756 DocId:32263406 Page 10

Mr. Tarasoff. In 1963, I was completely divorced 1 from the Embassy. We worked, so to speak, on our own. 2 Mr. Genzman. Did you have contacts inside the American 3 Embassy with whom you dealt in 1963? 4 20024 (202) 554-2345 Mr. Tarasoff. Well, we had the so-called contact man 5 who delivered the tapes and, the next day, he would pick ó them up and deliver the next batch to be transcribed and 7 so it went, around the clock, with the exception of Sunday. 8 There was no delivery, but Monday I had double work to REPORTERS BUILDING, WASHINGTON, D. C. 9 do that included Sunday's and Saturday's. 10 Mr. Genzman. Are you saying that you would receive 11 tapes the day after they were made? 12 Mr. Tarasoff. Yes. 13 14 Mr. Genzman. And that you would deliver them the following day, after you transcribed them and translated 15 them? lá STREET, S.W. Mr. Tarasoff. Yes. 17 Mr. Genzman. Do you remember the names of any of your 18 7TH contacts who either gave you the tapes or received the tapes 19 000 from you along with the transcriptions, when you were finished 20 with them? Mr. Tarasoff. Well, the first contact was Radford 22 23 Zoronde, After quite awhile, his name was Rudy. I do not 24 know whether it was a pseudonym or a true name. That is all 25 I know about him.

1-9

NW 54756 DocId:32263406 Page 11

Mr. Genzman. Do you know the nationality of the 1 person you believe was called Rudy? -Mr. Tarasoff. I think he was a Pole. 3 Mr. Genzman. Could you give us a description? 4 REPORTERS BUILDING, WASHINCTON, D.C. 20024 (202) 554-2345 Mr. Tarasoff. Tall, receding forehead, light hair, 5 more or less regular featured, nothing outstanding about ó him. 7 Mr. Genzman. Can you give any other identifying 3 information for Rudy, as to his family, possibly? -Mr. Tarasoff. He was married to a French woman and it 10 seemed that they did not get along. Whether she divorced 11 him after -- it was some kind of a mix-up in his family 12 life. 13 And the chief man recognized him by the fact he worked 14 in Indochina as a transcriber. His Russian was nonexistent 13 after I found out, so he was just coasting along. 15 S.W. Mr. Genzman. I would like to give you several pieces 17 TTH STREET. of physical description and ask you if these fit the person 18 you referred to as Rudy. 19 100 Did this person have blond hair? 20 Mr. Tarasoff. As far as I recollect, I think so. Mr. Genzman. Was his height 5 foot six inches? Mr. Tarasoff. Pardon me? 23 Mr. Genzman, Was his height approximately five feet 24 25 six inches, or taller or shorter?

1-10

Mr. Tarasoff. No. He was taller than I. 1 Mr. Genzman. I see. 2 Would you describe his face as being thin or full? 3 Mr. Tarasoff. As far as I remember, he was regular 4 size, but slightly slimmer. S Mr. Genzman. Can you tell me whether he spoke Russian? ó Mr. Tarasoff. No, he did not speak Russian. As I 7 said before, his Russian was rather limited. 8 Mr. Genzman. Are you saying he spoke poor Russian? ; Mr. Tarasoff. He had hardly spoken Russian. 10 Mr. Genzman. I see. 11 What exactly did you receive from your contact and 12 what exactly did you then give to this contact after you 13 were finished with it? 14 Mr. Tarasoff. After the tapes were processed by me, 15 at first, they wanted me to do the Spanish before, but there ìć was such a specific volume, I just could not cope with it. 17 18 So therefore, the Spanish was taken away from me and given back to a place where they were recording it for the Mexican 19 20 personnel to transcribe it in Spanish, because most of the people at the Embassy knew Spanish, 23 24 25

Mr. Tarasoff. That was my idea that I suggested to them after I came for my regular tour of duty, to have the voice sample. The idea was rejected. On what grounds I do not know.

Anyway, after about three or four months they did come out with a suggestion that I start saving those voice samples. I would put them on 8 millimeter reels, movie reels. At first I had a -- I do my own movies. Then we had to run around Mexico City looking for empty reels.

We got quite a collection of voice samples. Some of them have been turned over to the embassy people. At the end of my tour, of course, everything was turned over.

Mr. Genzman. Do you ever make personality assessment? Mr. Tarasoff. Personality assessment?

Mr. Genzman. Personality assessment based on the information which you heard on the tapes or based upon any emotions you detected from the tapes?

Mr. Tarasoff. Will you be more descriptive if it does not interfere with your time? The thing is Mr. Monell one day suggested to me that I do the character study based solely upon the audit part of the tapes. I thought it was an excellent idea because this was a challenge to me, how to describe a person solely upon his intonations, inflection, et cetera, what he is talking about.

It was interesting work and I think it was appreciated

Mr. Tarasoff. First, I used to make just a short 17 synopsis saying, well, "This fellow is saying in an agitated 18 voice", and so forth. I would inject some of my personal 19 000 feeling about a person. The station told me to eliminate 20 it because they did not want to see that. If I had anything 21 to say about a person, I should use a separate sheet of 22 paper for that purpose. 23 Mr. Genzman. Thank you. Mr. Tarasoff. Carbon copies, I think. We made one original and three at first, if I am not mistaken. Then there was too much repetition, so one carbon copy was discarded.

Mr. Genzman. Are you saying, then, that the procedure was changed so that you had one original and two carbon copies?

Mr. Tarasoff. I think that is correct.

Mr. Genzman. Thank you. What did you do with the original and the carbons?

Mr. Tarasoff. When my wife was picked up on the payroll to continue her work with the CIA, her job was to mark down the date and the embassy's telephone number or military attache's number or whatever number it is. She was told to put each conversation on a separate piece of paper and send it to the station.

Later on there was such a mess of stuff being sent back they said, "Can't you figure out which is pertinent and which is superfluous and just superfluous? If somebody calls in and blabs about inconsequential things, tear them up and put them in the wastepaper basket." That is it.

Mr. Genzman. Are you saying your wife cut up at least one of the copies of the transcript?

you identified?

Mr. Tarasoff. Would you clarify that question? Mr. Genzman. Certainly. On your transcripts did you ever use any other identifying information besides proper names for the individuals who were speaking? Did you ever know whether the speaker was inside the embassy or whether . the speaker was outside the embassy?

Mr. Tarasoff. Oh, that was very easy, especially if I did not know who was speaking. If the call comes in, you put down "Man Outside", "MO", or whoever answers from the embassy you put down "MI", man inside.

Usually the calls to the embassy came to the small booth in front of the gate. There were three people usually on duty all the time. So, their voices I knew personally, well, this fellow answers, whatever the caller wants, he transfers the call to the main building.

Mr. Genzman. In your transcription do you ever make comments as to the quality of the language spoken by the person or did you ever make reference to any prior conversation which that individual had made?

Mr. Tarasoff. Yes, I had to do that because sometimes calls came in and the fellow speaks Russian. Well, you would have to let them know exactly how he talks.

For instance, there were several Jewish merchants in Mexico City who spoke Russian, either with a Jewish accent or

rather poorly. So I would make a comment to that effect at 1 first probably, because later on if this fellow called back 2 and forth, his wife wanted to have a fur coat and so forth, 3 you do not have to mention every time that he speaks with a 4 terrible accent when you knew exactly who the fellow was and 300 7TH STREET, S.W. REPORTERS BUILDING, MASHINGTON, D.C. 20024 (202) 554-2345 5 put down his name. ó Mr. Genzman. Do you think at this time that you would 7 be able to recognize a transcript which you had made in . 8 1963? ç Mr. Tarasoff. It is a long time ago. I think I would 10 recognize my mode of typing it out. 11 Mr. Genzman. You mentioned earlier that your wife 12 helped you on occasion in your operations. 13 Mr. Tarasoff. That is right. 14 Mr. Genzman. Can you tell us exactly how she assisted 15 you? ló Mr. Tarasoff. Usually there was some English-speaking 17 person on the line that did not need any translation, just 18 transcribing. Then I would ask my wife to listen. 19 she had a much keener sense of hearing than I. 20 Consequently, she would take over and type out this 21 particular conversation. At first she was not working for 22 a year in Mexico City, but she was helping me out nevertheless. 23 After she was picked up, she gave me all the help necessary 24 to clip those entries and paste them on a paper and stamp the 25

Mr. Genzman. Would it be fair to say that your wife handled the English language conversation on the tapes received and you generally handled the Soviet language conversations on the tapes received?

Mr. Tarasoff. Yes, but sometimes if the conversation was simple and not too long, I would do it myself.

Mr. Genzman. Which language are you referring to? Mr. Tarasoff. English.

Mr. Genzman. Did anyone else assist you in your operation besides your wife?

Mr. Tarasoff. No. You see, I would like to explain, we were completely removed from the embassy. If we got into any kind of jam, we could not count upon the help from the embassy or from the CIA. We were entirely on our own.

Mr. Genzman. At this time, Mr. Chairman, do you have any questions concerning the general surveillance operation in Mexico City which Mr. Tarasoff was involved with?

Mr. Fithian. Mr. Sawyer?

Mr. Sawyer. Not right now, Mr. Chairman.

Mr. Genzman. When you say that Lee Harvey Oswald called, are you saying he called the Soviet Embassy?

Mr. Tarasoff. Yes. He called the Soviet Embassy as far as I can remember. After that -- let us see what happened ---Mr. Genzman. Let me ask you this, Mr. Tarasoff. Are you saying Lee Harvey Oswald's call to the Soviet Embassy in 1963 was picked up by means of this surveillance operation? Mr. Tarasoff. I would say yes, I think that is what happened. It was picked up on the tape.

Mr. Genzman. Did you translate and transcribe this conversation which was picked up on tape?

Mr. Tarasoff. Yes. As far as I remember there were two conversations. There might have been more. I am not certain.

Mr. Genzman. Mr. Tarasoff, at this time I would like to show you several documents which deal with the Mexico City surveillance operation and ask you to comment on it.

These documents, for information purposes for the Congressmen, are contained on pages one, two, ten and eleven of the packet of exhibits which was given to them prior to the testimony.

Mr. Tarasoff, have you seen these documents before?

ALDERSON REPORTING COMPANY, INC.

Do you have that document in front of you? 8 Tarasoff. Okay, thank you. Mr. 9 Mr. Genzman. Can you tell us what you know about this 10 document, Mr. Tarasoff? 11 Mr. Tarasoff. This was written by me. 12 Mr. Genzman. You are referring to the handwriting on 13 the left-hand side of the page which states "Lienvoy"? 14 Mr. Tarasoff. That is right. That is in my handwriting 15 Now, the next line where it says '28 September, 63 and 156055" lá was stamped by my wife. She was not employed yet and I had 17 to do it myself. She helped me to stamp this date and the 18 number of the Soviet Embassy below it. 19 Mr. Genzman. Mr. Tarasoff, do you remember transcribing 20 this particular conversation, and I would like to refer you 21 to the English speaking portion of the words on this page 22 beginning with "Please see the Spanish transcription"? 23 Mr. Tarasoff. Yes. 24 Do you recall that this piece of paper was Mr. Genzman. 25

part of your transcription operation, that is, do you recall making this transcription?

Mr. Tarasoff. This part is not mine at the top. But below it looks like the one I used, with slashes instead of brackets.

Mr. Genzman. Would you explain what the slash marks are used for?

Mr. Tarasoff. It is used to make reference to extraneous material which is not included in the speech. It is like a comma.

For instance, "MO takes the phone and says in broken Russian", that is my comment.

Mr. Genzman. Does this transcription agree with your recollection of the conversation involving Oswald? Does this page of transcription agree with your recollection of a conversation involving Lee Harvey Oswald and a person in the Soviet Embassy in Mexico City?

Mr. Tarasoff. I can safely say that it does, but of course at that time, we did not pay too much attention to this business because we had several callers who would speak in English or try to practice their Russian. Anyway, since this was of no importance I did not bother to expand.

Mr. Genzman. You stated earlier that the transcription states that person spoke in broken Russian. Does this agree with your recollection of Oswald's voice on the tape?

1-25 mr-14 Mr. Tarasoff. Unfortunately I cannot recall the tone 1 of his voice or what he said. 2 Mr. Genzman. Can you recall what language he used? 3 Mr. Tarasoff. Mr. Genzman. Can you tell us exactly what lead to this request?

Mr. Tarasoff. I have no idea what lead to it. That was my only main point, to find the name, to get the name of this person and deliver it as soon as possible to the station. Mr. Genzman. Can you speculate as to why this request was made?

Mr. Tarasoff. It would be simply a speculation. If he called the Cuban Embassy and our people knew about it, then they really would be pressed to get the name.

Mr. Genzman. Are you saying then that there is a possibility that Oswald spoke to the Cuban Embassy personnel in addition to the Soviet Embassy personnel and that the people you dealt with in your operation made that connection and consequently made an urgent request that this person be identified?

Mr. Tarasoff. There is a possibility, I think, that that is exactly what happened.

Mr. Tarasoff. No.

Mr. Genzman. Can you also tell us what the words "previously transcribed" mean?

Mr. Tarasoff. "Previously transcribed" means, for instance, I went to the embassy first and the embassy number was 605055. Now this number 501264 belonged to the film's office. So consequently if that particular call went out of the main building to the film's office and it had been transcribed before, that is exactly what I would do, put down "previously transcribed". So there was no question of doing it twice.

Mr. Genzman. Mr. Tarasoff, you mentioned earlier that this transcription has the words "Lee Oswald". Were you able to identify the speaker in an earlier conversation based on this conversation? I would like to refer you back to the document labeled "P2".

I believe you said earlier that the conversation contained on "P2" did not contain any identifying information.

Mr. Tarasoff. It was just a repeat job at first.

Mr. Genzman. Were you able to identify the individual speaking on "P2" by means of this conversation on "P1"?

Mr. Tarasoff. "151. The same person who phoned a day or so ago and spoke in broken Russian". That is the one right here.

Mr. Genzman. You are saying from this conversation you

Let me rephrase the question. The October 7 1st conversation contains the name Lee Oswald, does it not? 8 Mr. Tarasoff. It does. 9 The September 28 conversation does not Mr. Genzman. 10 contain a name? 11 Mr. Tarasoff. It does not contain the name. That is 12 probably why they wanted to know the name. 13 Mr. Genzman. So, at the time you received the September 14 28 conversation you could not make any identity of the speaker? 15 Mr. Tarasoff. No. 16 Mr. Genzman. After you saw the October 1st conversation 17 which contained the name Lee Oswald, did you then make the 18 inference that the speaker in the September 28 conversation 19 was Lee Oswald, the same speaker who spoke on October 1st? 000 20 Mr. Tarasoff. Mr. Tarasoff. Here, for instance, "Pl", the first, a Obyed Kov was a guard at the gate. Usually they changed every eight hours. The first call comes through him. Mr. Tarasoff. You mean from our field office? Mr. Genzman. Yes.

Mr. Tarasoff. No. No one approached us.

Did anyone ask you after the assassination Mr. Genzman. to make any identification of the speakers in these transcripts? Mr. Tarasoff. Again I would say no, not that I can recollect.

	4	Mr. Tarasoff. No. Sometimes those tapes would be erased.
3 H E	5	Mr. Genzman. Did Ann Goodpastor ever contact you regard-

	7	Mr. Tarasoff. No.

INCTO	11	as I can judge because she was with the chief of the station

DTNG,	13	Mr. Genzman. Would you say she worked closely with the

RTERS	15	Mr. Tarasoff. I would say so because well, she was

REUT,	18	Mr. Genzman. Are you saying then that Anne Goodpastor
TH ST	19	was involved in the telephone surveillance operation in

	21	Mr. Tarasoff. Not the telephone surveillance. She was
No contraction of the second s	22	busy with something else but, anyway, she kept the records.
- `	23	Mr. Genzman. You are saying that she did receive one
	24	of the carbon copies of your transcription?
	25	Mr. Tarasoff. Yes, when I was working inside the

mr-251-36 embassy on TDY I had to give one copy to her, one to Rose 1 and I think one went someplace else, the original went to 2 the chief. 3 Mr. Genzman. Do you know whether AnneGoodpastor had 4 any knowledge of the photo surveillance operations in Mexico REPORTERS BUILDING, WASHINGTON, D. C. 20024 (202) 554-2345 5 City? 6 Mr. Tarasoff. I believe she did. 7 Mr. Genzman. Did she work with the surveillance opera-8 tion directly, to the best of your knowledge? 9 Mr. Tarasoff. Let me degress a bit. As I remember, 10 there was a sort of flurry between all the employees at the 11 station. What was happening, they were trying to recruit 12 one of the defectors. 13 They tested everything, walkie-talkies and stuff like 14 this. One day the place was practically empty. I thought, 15 "What happened?" I did not know. 16 S.H. When I came back a few hours later, they did return with 17 STREET. such a dejected air that I did not know what the heck happened. 18 Then it was explained by somebody that said that this opera-HTC 19 000 tion fell right through on its face. 20 Naturally I know AnneGoodpastør felt badly about it and 21 the chief and everybody else was concerned. 22 Mr. Genzman. Mr. Tarasoff, referring you back to the 23 document labeled "Pl", you stated earlier you were able to 24

determine that Lee Oswald spoke in this conversation and that

he, in fact, identified himself during this conversation? Mr. Tarasoff. That is right.

Mr. Genzman. Did you at any time or in any manner indicate to any of your contacts in Mexico City, which other conversations were those of Oswald besides "Pl"?

Mr. Tarasoff. No. I passed the whole shebang to the contact, in fact, we had to call a special meeting. In other words, we got the name and immediately had to work on this one. I sent the whole thing back.

I thought okay, if they got the tape, everybody should be able to listen to it because it is in English. Whatever broken Russian he spoke was terrible.

Mr. Genzman. In characterizing your contact with the Lee Harvey Oswald case would you say that any of your contact with the case was out of the ordinary, aside from the request to your subsequently transcribing the conversation on "Pl"?

Mr. Tarasoff. Would you repeat that, please?

Mr. Genzman. Certainly. We have been discussing documents allegedly dealing with conversations which Lee Harvey Oswald had with the Soviet Embassy. Would you characterize your handling of these conversations as in any way out of the ordinary other than your previous statement that you received an urgent request to do one of the transcriptions?

Mr. Tarasoff. Well, the two previous ones were just in the ordinary course. We had a suspicion that Lee Oswald

could have been a defector, according to this. To me it was a routine thing to do, to type up all this transcription and send it back to the station. Then came the request to see if I could get the name the next day.

So, when I got this particular name, which I underlined to bring their particular attention to it, I sent it back to the station with the reel. They would like to listen too. They had all the facilities at the station for doing so.

Mr. Genzman. Other than your contact with members of this committee were you ever at any time contacted by any government agency, the CIA, the FBI, the Warren Commission, or any other agency to explain your connection with the surveillance operation against Lee Harvey Oswald in Mexico City? Mr. Tarasoff. Not a word from anyone.

Mr. Idrasoff. Not a word from any

Mr. Genzman. Thank you.

Mr. Chairman, I have no further questions at this time. Mr. Fithian. Mr. Sawyer?

Mr. Sawyer. No questions, Mr. Chairman.

Mr. Fithian. Do I understand that this completes the entire questioning of the witness by counsel?

Mr. Genzman. Mr. Chairman, we will have several more questions after either you or any of the other Congressmen have concluded with their questions, if you have any.

Mr. Fithian. I have no questions on this segment of the witness' testimony.

Mr. Genzman. Mr. Tarasoff, do you have any independent 1 recollection of any other conversations involving Lee Harvey 2 Oswald which you dealt with other than the three documents 3 we have been discussing today? 4 Mr. Tarasoff. If there were any conversations outside 7TH STREET, S.W. REPORTERS BUILDING, WASHINGTON, D.C. 20024 (202) 554-2345 5 of this, I do not recollect. ó Mr. Genzman. Do you have any recollection of any other 7 subject matter which Oswald discussed in any conversation 8 other than the ---7 Mr. Tarasoff. Personally, no. 10 Mr. Genzman. Mr. Chairman, I have no further questions. 11 Mr. Sawyer. You answered as to whether you had any 12 recollection of any other subjects that were discussed. You 13. said, "Personally, no". Is there any significance to the 14 word "personally"? Do you have information on it some other 15 way? 15 Mr. Tarasoff. Well, my wife thinks that there was another 17 conversation, but I do not recollect it. 18 Mr. Sawyer. Did she say what she thought it was about? 19 Mr. Tarasoff. Pardon me? UUE 20 Mr. Sawyer. Did she say what she thought the other con-21 versation was about? Mr. Tarasoff. She said there must have been another one, 23 a much longer one than this. 24 Mr. Sawyer. That is all I have. Thank you. 25 ALDERSON REPORTING COMPANY, INC.
