I would like before we begin to read a Mr. Preyer. written statement concerning the subject of the investigation.

2

We are operating under House Resolution 222, which mandates the Committee to conduct a full and complete investigation and study of the circumstances surrounding the assassination and death of President John F. Kennedy, including determining whether the existing laws of the United States concerning the protection of the President and the investiga-10 tory jurisdiction and capability of agencies and departments are adequate in their provisions and enforcement; and whether 12 there was full disclosure of evidence and information among 13 agencies and department of the United States Government and 14 whether any evidence or information not in the possession of 15 an agency of department would have been of assistance in 15 investigating the assassination and why such information was 17 not provided or collected by that agency or department, and 18 to make recommendations to the House if the Select Committee 19 deems it appropriate for the amendment of existing legislation 20 or the enactment of new legislation.

That is what we are attempting to accomplish, which is quite a big order.

We appreciate your being here today, Mr. Wilcott. (Whereupon, a recess was taken while the members of the Committee went to the floor of the House for a vote.)

Mr. Preyer. We will come to order. We will resume the session, and I will recognize Counsel 2 to begin his questioning. 3 TESTIMONY OF JAMES B. WILCOTT, A FORMER EMPLOYEE OF THE CENTRAL INTELLIGENCE AGENCY: 554-2345 5 For the record, would you please state Mr. Goldsmith. ó your name and address and occupation? (202) 7 My address My name is James B. Wilcott. Mr. Wilcott. 20024 8 is 2761 Atlantic Street, in Concord, and my occupation is : 9 electronic technician. ġ REPORTERS BUILDING, MASHINGTON, 10 Mr. Goldsmith. Where is Concord located? 11 Mr. Wilcott. It is a little bit east of Oakland, 12 California. 13 Mr. Goldsmith. Have you received a copy of the 14 Committee's rules? 15 Mr. Wilcott. Yes. 16 Mr. Goldsmith. And a copy of the relevant House STREET, S.W. 17 Resolutions? 18 Mr. Wilcott. Yes. H.L.L 19 Mr. Goldsmith. And, Mr. Wilcott, is it true that you 100 20 are a former employee with the CIA and that you are here 21 today testifying voluntarily without a subpoena? 22 Mr. Wilcott. Yes. 23 Mr. Goldsmith. During what years did you work for the 24 CIA? 25

3

NW 54756 DocId:32263407 Page 5

Mr. Wilcott. I worked from the years, May, of 1957 to, 2 April, of 1966. 3 Mr. Goldsmith. And in what general capacity did you 4 work with the CIA? 551-2345 .5 Mr. Wilcott. All in the finance -- in accounting all á of the time. (202) 7 Mr. Goldsmith. How did you become employed with the CIA? 20024 8 Mr. Wilcott. I was recruited from the school in Syracuse, Ċ 9 New York, where I was taking a course in accounting and busi-С. REPORTERS BUILDING, WASHINGTON, 10 ness administration. 11 Mr. Goldsmith. Very generally now, what were your 12 responsibilities as a finance employee with the agency? 13 Mr. Wilcott. Well, from May of 1957 to January of 1960 14 Mr. Goldsmith -- excuse me, just answer the question 15 very generally, without referring to anything right now, and 15 please describe generally what your responsibilities were as 7TH STREET, S.W. 17 a finance officer. 18 Mr. Wilcott. My responsibilities were primarily record 19 keeping and disbursing of funds. 300 20. Mr. Goldsmith. Mr. Wilcott, are you here with Counsel today? 22 Mr. Wilcott. Yes, I am. 23 Mr. Goldsmith. Would your Counsel identify himself 24 for the recorder? 25 Mr. Schaap. My name is William Schaap, S - c - h - a -

NW 54756 DocId:32263407 Page 6

1 a - p (spelling), and I am an Attorney here in Washington. 2 I will give my card to the Committee. 3 Mr. Goldsmith. Mr. Wilcott, did I ask you to prepare 4 a list indicating the dates that you were employed with the 554-2345 5 CIA and where you were stationed? ó Mr. Wilcott. Yes, you did. (202) 7 Mr. Goldsmith. Did you prepare such a list? 20024 8 Mr. Wilcott. Yes, I did. n. c. 9 Mr. Goldsmith. Do you have that list with you today? 7TH STREET, S.W. REPORTERS BUILDING, WASHINGTON, 10 Mr. Wilcott. Yes, I do. 11 Mr. Goldsmith. Referring to that list, would you tell 12 the Committee where you were stationed during your period with 13 the CIA? 14. Mr. Wilcott. Certainly, from May of 1957 to January of 15 1960, I was in the pre-fab building on the Potomac in finance. 15 During the period, it was unvouchered funds, and my duties 17 were general accounting, and my rate in status was GS-5. 18 From about January of 1960 to about June of 1960, I 17 was transferred to Finance Field Payroll, also, in this same 000 20 building, on the Potomac. This was making payments and keeping pay records. From June of 1960 to June of 1964, I was stationed at 23 Tokyo Station, and my primary duty was finance and cash 24 disbursements. This was all cash payments and record keeping 25 for the station. And during that period, I had been promoted

5

GS-7 and also gained a career status.

From June of 1964 to about December of 1964, I was at Roseland. This was just prior to moving to Langley, in finance, and my duties there were policing accounts, and included auditing of special accounts.

From January of 1965 to about March of 1965, I was at Langley in the same area, in finance, policing accounts and auditing of special accounts, and I was promoted up to GS-9. From April of 1965 to April of 1966, I was at Miami Station in finance, and I was handling the staff payroll. This was preparing and reconciling payrolls.

In April of 1966, I resigned from the CIA.

Mr. Goldsmith. I take it, from your testimony, that in November of 1963, you were stationed in Tokyo, the Tokyo Station, is that correct?

Mr. Wilcott. That is right.

Mr. Goldsmith. Drawing your attention to the period immediately after the assassination of President Kennedy, at that time, did you come across any information concerning Lee Harvey Oswald's relationship with the CIA?

Mr. Goldsmith. What do you mean by the term "agent"? Mr. Wilcott. That he was a regular employee, receiving a full-time salary for agent work for doing CIA operational work.

7

Mr. Goldsmith. How did this information concerning Oswald first come to your attention?

Mr. Wilcott. The first time I heard about Oswald being c onnected in any way with CIA was the day after the Kennedy assassination.

Mr. Goldsmith. And how did that come to your attention? Mr. Wilcott. Well, I was on day duty for the station. It was a guard-type function at the station, which I worked for overtime. There was a lot of excitement going on at the sation after the Kennedy assassination.

Towards the end of my tour of duty, I heard certain Towards the end of my tour of duty, I heard certain things about Oswald somehow being connected with the agency, and I didn't really believe this when I heard it, and I thought it was absurd. Then, as time went on, I began to hear more things in that line.

Mr. Goldsmith. I think we had better go over that one more time.

When, exactly, was the very first time that you heard or came across information that Oswald was an agent? Mr. Wilcott. I heard references to it the day after

the assassination. 1 Mr. Goldsmith. And who made these references to Oswald 2 3 being an agent of the CIA? Mr. Wilcott. I can't remember the exact persons. 4 There 511-2345 5 was talk about it going on at the station, and several months following at the station. ó (202) Mr. Goldsmith. How many people made this reference 7 20024 to Oswald being an agent of the CIA? 8 <u>ن</u> 9 Mr. Wilcott. At least -- there was at least six or ċ WASHINGTON. seven people, specifically, who said that they either knew 10 11 or believed Oswald to be an agent of the CIA. Mr. Goldsmith. Was Jerry Fox one of the people that 12 REFORTERS BUFLDING, made this allegation? 13 14 Mr. Wilcott. To the best of my recollection, yes. 15 Mr. Goldsmith. And who is Jerry Fox? lá Mr. Wilcott. Jerry Fox was a Case Officer for his branch, S. W. 17 the Soviet Russia Branch, in the Tokyo Station, who purchased STREET, 18 information from the Soviets. 7.T.H 19 Mr. Goldsmith. Mr. Wilcott, did I ask you to prepare UUE 20 a list of CIA Case Officers working at the Tokyo Station in 21 1963? 22 Mr. Wilcott. Yes, you did. 23 Mr. Goldsmith. Did you prepare such a list? 24 Mr. Wilcott. Yes, I did. 25 Mr. Goldsmith. Is that list complete and does it have

8

every CIA Case Officer who worked in Tokyo in 1963? 1 2 Mr. Wilcott. Oh, no. It doesn't have every one. It has every one that I can remember. 3 Mr. Goldsmith. Did you bring that list with you today? 4 554-2345 5 Mr. Wilcott. Yes, I did. Mr. Goldsmith. Were any of these people on your list ó (202) 7 possible subjects who made references to Oswald being a CIA 20024 8 agent? с; 9 Mr. Wilcott. Yes. ċ BUTLDING, WASHINGTON, 10 Mr. Goldsmith. Would you read the list to the Committee? 11 Mr. Wilcott. Yes. Mr. Goldsmith. Only of Case Officers. 12 Ms. Berning. I think we ought to state that the record 13 14 -shows that Mr. Sawyer is a member of the Kennedy Subcommittee. 7TH STREET, S.W. REPORTERS 15 Mr. Preyer. We will. ló Mr. Goldsmith. Upon your memory and the list that your brought with you today, will you tell the Committee the names 17 18 of the CIA Case Officers who you remember working in Tokyo 19 in 1963? 100 20 There was Glen Nelson, Japan Branch, Mr. Wilcott. Yes. 21 who had embassy cover. Jerry Fox, SR Branch, Soviet Russia Branch --23 Mr. Goldsmith. Excuse me, please proceed very slowly. 24 Mr. Wilcott. Jerry Fox, SR Branch; Reid Dennis, Chief 25 of Soviet Satellite Branch; and Bill Center, China Branch,

Dave -- I can't remember his last name, Deputy Chief of the 10 China Branch, and then a person whose last name was Nakamora, 11 in the Japan Branch. 12 Mr. Goldsmith. Do you remember which of these individuals, 13 if any, made the specific allegation or reference that Oswald 14 15 was an agent? 16 Mr. Wilcott. It has been 15 years, and I can't remember 17 specifically who said what, but certainly I am sure that Jerry 18 Fox, for instance, had at least made some mention of it. 19 Mr. Goldsmith. At the time that this allegation first 20 came to your attention, did you discuss it with anyone? Mr. Wilcott. Oh, yes. I discussed it with my friends 21 22 and the people that I was associating with socially. 23 Mr. Goldsmith. Who were your friends that you discussed 24 this with?

2 Mr. Goldsmith. Who was George Breen? 3 Mr. Wilcott. George Breen was a person in Registry, who was my closest friend while I was in Tokyo. 5 Mr. Goldsmith. Was he a CIA employee? ó Mr. Wilcott. Yes, he was. 7 Mr. Goldsmith. And would he corroborate your obser-8 vation that Oswald was an agent? 9 Mr. Wilcott. I don't know. 10 Mr. Goldsmith. At the time that this allegation first 11 came to your attention, did you learn the name of Oswald's 12 Case Offficer at the CIA? 13 Mr. Wilcott. No. 14 Mr. Goldsmith. Were there any other times during your 15 stay with the CIA at the Tokyo Station that you came across lá information that Oswald had been a CIA agent? 17 Mr. Wilcott. Yes. 13 Mr. Goldsmith. When was that? 19 Mr. Wilcott. The specific incident was soon after the 20 Kennedy assassination, where an agent, a Case Officer -- I 21 am sure it was a Case Officer -- came up to my window to draw 22 money, and he specifically said in the conversation that 23 ensued, he specifically said, "Well, Jim, the money that I 24 drew the last couple of weeks ago or so was money," either 25 for the Oswald project or for Oswald.

Mr. Goldsmith. Did this Case Officer tell you what Oswald's cryptonym was?

Mr. Wilcott. Yes, he mentioned the cryptonym specifically 4 5 under which the money was drawn.

Mr. Goldsmith. And what did he tell you the cryptonym ó 7 was?

Mr. Wilcott. I cannot remember.

Mr. Goldsmith. What was your response to this revelation ç as to what Oswald's cryptonum was? Did you write it down or 10 do anything? 11

Mr. Wilcott. No; I think that I looked through my 12 advance book -- and I had a book where the advances on projects 13 were run, and I leafed through them, and I must have at least 14 leafed through them to see if what he said was true. 15

Mr. Goldsmith. And are you saying then that you attempted lá to investigate this allegation? 17

Mr. Wilcott. No, I am not saying that. It was more of a casual kind of thing, to my way of thinking.

Mr. Goldsmith. Did you check your cash disbursement files?

Mr. Wilcott. Not the files, no.

Mr. Goldsmith. I am not sure I am following, then, what 24 specifically you did check.

Mr. Wilcott. It was a book that I had. At the end of

	11	
	1	the day we would list all of the advances that were made in
÷	2	an advance book. It was just a three-ring binder, and we
	3	would list down the advances by cryptonym and the amounts
	4	and then reconcile that with the daily disbursements.
554-2345	5	Mr. Goldsmith. How long were these records maintained?
	ó	Mr. Wilcott. They were maintained on a thirty-day
(202)	7	basis, and then they were closed off at the end of the month.
20024 (202)	-8	Mr. Goldsmith. So, does that mean you were able to check
p. c.	9	back only thirty days from the time that you were given this
	10	information?
	11	Mr. Wilcott. Yes.
14.5	12	Mr. Goldsmith. I realize this is testimony 15 years
, S.W. REPORTERS BUILDING, MASHINGTON,	13	after the fact. However, if you received this information
	14	two or three months after the assassination, at a time that
	15	Oswald was already dead and had been deat for two or three
	lá	months, what purpose would have been served by checking
	17	records that were only 30 days old?
STREET ,	18	Do you follow the question?
1ТШ	19	Mr. Wilcott. No.
UUC.	20	Mr. Goldsmith. Well, in other words, if you got the
	21	information three months after the assassination, Oswald had
i k	7 7 7	already been dead for three months, is that right?
	23	Mr. Wilcott. Yes.
	24	Mr. Goldsmith. Answer "yes" or "no" for the recorder.
	25	Mr. Wilcott. Yes.

14

Mr. Goldsmith. You testified that your records were 2 only kept for thirty days, is that correct? 3 Mr. Wilcott. Yes. 4 Mr. Goldsmith. Then, by checking your records, which 554-2345 5 only went back thirty days, isn't it true that you wouldn't ó (202) have gotten any information concerning Oswald anyway because 7 Oswald had already been dead for one or two months? 20024 8 Mr. Wilcott. That is true. <u>ن</u> С. Mr. Goldsmith. So, then, really, no purpose would have WASHTINCTON, 10 been served by checking those records? 11 Mr. Wilcott. That is right. 12 REPORTERS BUILDING, Mr. Goldsmith. And did you check any other records? 13 Mr. Wilcott. No. 14 I understand this might be a good place Mr. Prever. 15 for us to break and go and vote, so that we will take another lá S. H. recess for about ten minutes. I am sorry. 17 STREET. (Whereupon, a recess was taken while the members of 18 the Committee went to the floor of the House for a vote.) 1TH 19 Mr. Preyer. The Committee will resume. 000 20 Mr. Goldsmith. Mr. Wilcott, you indicated that after receiving this information concerning Oswald's cryptonym, you went back to check some files, is that correct? 23 Mr. Wilcott. Not really files; it was my book. 24 Mr. Goldsmith. Your book. 25 I flipped through it. Mr. Wilcott.

15

NW 54756 DocId:32263407 Page 17

Mr. Goldsmith. What is the name of the book? Į 2 Mr. Wilcott. It was my Request for Advance Book. 3 Mr. Goldsmith. And for purposes of clarification, now, if Oswald was already dead at the time that you went to this 4 554-2345 5 book, why did you go back to examine the book? Mr. Wilcott. Well, I am sorry -- if Oswald was what? ó (202) Mr. Goldsmith. At the time you went to look at the 7 20024 8 book, Oswald was already dead, is that correct? Mr. Wilcott. That is right. 9 : c. Mr. Goldsmith. Why did you go back to look at the WASHINGTON. 10 book? i ı Mr. Wilcott. Well, the payments that were made especially 12 BUTLDING. 13 to substations like Oswald's was operated -- it was a sub-14 station of the Tokyo Station, and they had one in Hokkaido, REPORTERS 15 and they had one in Osaka -- and it may be six months or 15 even a year after the intial allocation that the final S. W. 17 accounting for those funds were submitted, and they would STREET. 18 operate out of revolving funds or out of their own personal H.L.L :9 funds\_in many cases. UGE . 20 So, is your testimony then that even Mr. Goldsmith. 21 though Oswald was already dead at that time, the book might 22 have contained a reference to either Oswald or the Oswald 23 project and that that reference would have been to a period 24 six months or even a year earlier, is that correct? 25 Mr. Wilcott. That is correct.

ALDERSON REPORTING COMPANY, INC.

16

Mr. Goldsmith. Mr. Wilcott, how long were these advance 2 books retained? 3 Mr. Wilcott. They were retained for approximately one 4 year by the finance office, approximately one to two years, 554-2345 5 and were destroyed at the time of audit. ó Mr. Goldsmith. So that they would be routinely destroyed (202) 7 at the time of auditing? 20024 8 Mr. Wilcott. Yes. <del>ن</del> 9 Mr. Goldsmith. Did you check any of the earlier books? c. REPORTERS BUILDING, WASHINGTON, . 10 Mr. Wilcott. No, I didn't, as far as the Oswald crypto-11 nym was concerned; no, I didn't. 12 Mr. Goldsmith. So basically, you checked only one of 13 ht advance books, is that correct? 14 Mr. Wilcott. My current one that I had on my counter. 15 Mr. Goldsmith. And when you testified earlier that you 15 learned Oswald's cryptonym, by that do you mean that you S.H. 17 learned both Oswald's personal cryptonym and his project STREET, 18 cryptonym, or was it one of the two? 7 T.H 19 Mr. Wilcott. Well, it was just a cryptonym, and it 100 20 could refer to a person, or it could refer to something else, 21 and I would have no way of knowing what a cryptonym referred to. 23 Mr. Goldsmith. So, when the officer told you -- strike 24 that. 25 So, when the Case Officer made reference to a cryptonym,

17 .

56 DocId:32263407 Page 19

you didn't know whether the cryptonym referred to Oswald specifically or to a project in which Oswald had been involved, is that correct?

Mr. Wilcott. Yes, sir.

Mr. Goldsmith. Mr. Wilcott, assuming that Oswald had been employed as an agent by the CIA, would there have been 7 a reference to that fact in the CIA's cash disbursement files? Mr. Wilcott. No. 8

Mr. Goldsmith. Why not?

Mr. Wilcott. Anything they had there would have --10 sometimes they used as many as two or three different crypto-11 nyms and they would have -- it all depended on how far they 12 13 wanted to isolate it from the original source, from the original source as to where the project was run. 14

Mr. Wilcott. Yes, I am sure somewhere.

Mr. Goldsmith. As a matter of routine, there would be that reference? Do you believe that there was such a reference to Oswald?

Yes, I do, and I believe there was such a reference. Mr. Goldsmith. Well, if I understand your correctly, then, you answer now was somewhat different from what you testified earlier. And I will ask the question again, okay?

	24	Mr. Wilcott. Yes, I have opinions.
	25	Mr. Goldsmith. What is that opinion?

NW 54756 DocId:32263407 Page 25

Mr. Wilcott. I believe that Oswald was a double agent, was sent over to the Soviet Union to do intelligence work, that the defection was phoney and it was set up and that I believe that Marina Oswald was an agent that had been recruited sometime before and was waiting their in Tokyo for Lee Harvey Oswald.

Mr. Goldsmith. What is the basis for that opinion? Mr. Wilcott. The basis for that is discussions that I had with people at the Tokyo Station. Those are discussions with people who gave the indication that there was every cer-10 tainty that Oswald was an agent of CIA, runout of Osaka Station, and that he was freed from Russia there in the 12 13 final courses in Russia and was trained by CIA people at Atsugi. 14

Mr. Goldsmith. However, your testimony is that you spoke to only six people as an estimate who indicated that Oswald was a CIA agent -- and when I say six people, I mean 17. 18 six CIA people, is that correct?

There were more people than that that believed it, and six people with any degree of certainty that, you know, I felt from what they were saying that they either had some kind of substantial knowledge, or they had talked to somebody who had some knowledge.

Mr. Goldsmith. How many people from the CIA did you speak to who speculated that Oswald was an agent?

it and nobody else should know about it, and that was a "need-to-know" basis.

Mr. Goldsmith. If the agency, in fact, was run on the 3 "need-to-know" basis, how would you account for so many 4 people supposedly knowing that Oswald was an agent? 5 Mr. Wilcott. The "need-to-know" principle was not all 6 that we followed, and just about every one of the big projects 7 that the agency was involved in, information leaked out, 3 and we especially within the CIA knew about it, and someone 9 would go to a party and have a little bit too much to drink 10 and start saying things that they really shouldn't be saying 11 to keep in mind what the "need-to-know" principle was. 12 Mr. Goldsmith. Why would anyone have shared this par-13 14 ticular information with you?

Mr. Wilcott. Especially after Kennedy's assassination, there was a great deal of very, very serious discontent with CIA, and the morale at the station had dropped considerably, 17 18 and we heard some very, very bitter denunciations of CIA 19 and the projects that they were undertaking.

Mr. Goldsmith. I am not sure that that is responsive. 20 Why would anyone share the information that Oswald was an agent with you, Mr. Wilcott?

I will ask a few questions. Mr. Prever. Why this 1 information would come out to a CIA station in Tokyo rather 2 than some other part of the world is, I assume, because 3 Oswald was trained in Japan, according to your belief. He was 4 554-2345 in the military service over there, and so you feel he was a 5 double agent who was trained while he was in the military by ó (202) the CIA, and you mentioned he was given a Russian course. branch, Korea branch and Japan branch and SR branch and SR satellite.

Mr. Sawyer. I noticed in some of the information we are 3 provided you say that following your leaving the CIA in 1967 4 or thereabouts, for a period of some three years or so, you 5 were harassed by the CIA and the FBI and sabotaged, as I 6 recollect it. 7

Mr. Wilcott. Yes, sir; I believe that happened. Mr. Sawyer. Could you tell us what those things consisted of? 10

Mr. Wilcott. I think the most significant thing that can 11 be actually substantiated is the circumstances surrounding my 12: employment with the community renewal program in Utica, and I 13 was the finance analyst for the community renewal program in 14 Utica. One day Frank O'Connor, the director of the program, 15 called me into his office and he said that he had had a dislá 17 cussion with the public safety commissioner and that the public safety commissioner told him that my phone was bugged, 18 19 that my house was under surveillance and that a Federal 20 indictment was coming down on me at any time, that he had 21 talked to the mayor and the mayor decided not to fire me but 22 asked me to sign a resignation form which he would date the 23 day previous to the date that the Federal indictment came 24 down.

Mr. Wilcott. My boss, Frank O'Connor, said that this was told him by the public safety commissioner and that the FBI had told the public safety commissioner.

Mr. Sawyer. Who is the public safety commissioner? Mr. Wilcott. I don't remember his name now offhand. Mr. Sawyer. Was he in Utica?

Mr. Wilcott. Yes. The mayor, Mr. Sawyer, was Dominic Casaro. He was the mayor at that time.

Mr. Sawyer. Were there any other instances of harassment?

Mr. Wilcott. Yes, there were several other incidents that I believe could possibly be somehow connected with CIA. Mr. Sawyer. What were they?

Mr. Wilcott. Well, they were such incidents as the FBI agent that was working with a group -- and this was an established fact that this person was an FBI agent and that he was working with the group that I was working with, an antiwar group and, to my mind, there is a very great likelihood that this person was there to neutralize me, as the CIA term went.

Mr. Sawyer. What did he do -- anything?

Mr. Wilcott. Well, I would get calls and they would say, "We know all about you," shooting a machine gun into the phone, and hang up, and I would get notes written in snow on my windshield and I had slips of paper left under my

windshield and this sort of thing. 1 Mr. Sawyer. What would they say? 2 Mr. Wilcott. They were extremely vulgar and I don't 3 think that I should give the full context of them. 4 554-2345 Mr. Sawyer. What was the gist of them? 5 Mr. Wilcott. Well, it was "We all know all about you" á (202) and signed "The Minutemen" or some very vulgar remarks and "We 7 20024 know all about you" and signed "Minutemen." 3 What was the name of the FBI agent who you Mr. Sawyer. 9 J ċ think infiltrated this antiwar group? WASHINGTON, 10 Mr. Wilcott. Gordon Finch. 11 He was in Utica also? Mr. Sawyer. 12 -REPORTERS BUILDING. Mr. Wilcott. Yes. 13 Mr. Sawyer. What were some other instances? 14 Mr. Wilcott. Well, my tires were slashed and damage done 15 to my car and I believe sugar poured in the gas tank, and 15 S. W. whether this was actually CIA or not I have no way of knowing, 17 STREET. and it could also have been just for harassment as a result of 18 11.1.6 antiwar activities but I think there is also a possibility 19 000 that it could have been attempts to intimidate me into 20 21 talking about the CIA. Mr. Sawyer. Are there any others that you can specifi-22 23 cally identify as coming from the CIA or FBI? 24 Mr. Wilcott. I don't confirm any of them except with 25 the community renewal program as coming from there and I am

suspicious that many of the other things that happened may have had as its source the CIA.

Mr. Sawyer. Well, what were your antiwar activities that you refer to?

Mr. Wilcott. We had -- in Utica there was a group called the Vietnam Educational Council, which was informed people, formed to inform people as to what was going on in Vietnam, and we didn't feel that there was coverage enough in the media as to what was going on, and the purpose of the Vietnam Educational Council was to inform people as to what was going on.

I was on the executive committee along with doctors and lawyers and some of the most respected people in the community.

Mr. Sawyer. How long were you associated with that?

Mr. Wilcott. Approximately two years, sir.

Mr. Sawyer. Thank you. That is all I have.

Mr. Dodd. I have just a couple of questions. First of all I apologize for having to run in and out during your testimony and some of this you may have already covered; and, if you have, then I will not proceed with it. But I was intrigued -- and it may have been in the transcription but you were in Tokyo as financial disbursement officer -- is it your testimony that you were told by a case officer that you had disbursed funds for an Oswald project?

Mr. Wilcott. Yes, sir, I did.

Mr. Dodd. You liked him?

Mr. Wilcott. Very much.

18 Mr. Dodd. I am just a little confused, I guess, over 19 your reaction. Here, by your own testimony, you were sup-20 portive of the President, and certainly the most significant 21 tragedy, I think, probably in the last 15 years or 20 years 22 was the assassination of President Kennedy, and you are told 23 by some who worked for the Agency that Oswald was a CIA agent 24 and you already were dissatisfied with the actions of the 25 Agency and you are told this in 1964 and yet it takes four

years, or two years, after you had left the Agency, recognizing the tremendous import and significance of that, and I am terribly confused as to why you decided to keep that information to yourself and to your wife.

Mr. Wilcott. I was afraid, quite frankly.

Mr. Dodd. You may have covered this as well, Mr. Chairman, and, if you have, I will drop the question. But you apparently indicated that you feel there was a direct connection between the Bay of Pigs operation and the assassination of the President. Did you cover this ground? Did you want to do this or intend to proceed with that line of questioning? Mr. Goldsmith. I did not intend to get into that area. Mr. Dodd. Just one second, then.

Mr. Wilcott, maybe we can expedite this somewhat by asking you this: Do you have any first-hand knowledge or information as to a link between the failed Bay of Pigs operation and the assassination of John Fitzgerald Kennedy?

Mr. Wilcott. No, sir.

Mr. Dodd. I have no further questions.

Mr. Cornwell. In the conversations which you have described occurring within a period of one, two or three months after the assassination with other CIA employees and officers, did they suggest in those conversations to you that their employment, the CIA's employment, of Oswald had any relation to the assassination or only that it related to the

events you have already described -- namely, the training of him in Atsugi in the Russian language and the sending of him to Russia and using of him as a double agent and that sort of thing?

5 Mr. Wilcott. I am sorry, sir; I lost the thread of your 6 question.

Mr. Cornwell. In the conversations you had with other
CIA employees, the six or seven persons who purported to have
good information about the use of Oswald as an agent, did any
of those people say anything to you which suggested that the
CIA had some role in the assassination of President Kennedy?
Mr. Wilcott. Yes, sir.

Mr. Cornwell. What did they say along those lines? Mr. Wilcott. Along those lines they said things like, well, that Oswald couldn't have pulled the trigger, that only CIA could have set up such an elaborate project and there was nobody with the kind of knowledge or information that could have done this, and this was more in the speculative realm.

As far as what they actually said, they said they were having trouble with Oswald and that there was dissatisfaction with Oswald after he came back from the Soviet Union, and they would say things like "Well, you know this was the way to get rid of him -- to get him involved in this assassination thing and put the blame on Cuba as a pretext for another invasion or another attack against Cuba."
