^{TWC}
^{CVE FOR} One copy of LHM has been furnished Secret Service and the Treasury Department locally, due to their interests in racial matters involving possible violence and the illegal possession of automatic weapons.

[] was taken into custody by the Cincinnati Police Department on 2/4/64, at which time he was to be charged with Grand Larceny. Rather than charge [] with Grand Larceny, the Police Department offered him an opportunity to become an informant. [] accepted this opportunity, and among the information he furnished was information concerning the guns as contained in this LHM.

OTHER 4

[] made it crystal clear that if information concerning these guns got back to CLIFF PRINCE, Lewis Road, Amelia, Ohio, [] might be "taken care of" by friends of PRINCE in Newport, Kentucky.

[] stated PRINCE is engaged as a "fence" and he believes PRINCE is capable of taking care of him fatally in the event information concerning these guns is returned to PRINCE.

[] as an informant for the Police Department, is making efforts to locate these reported weapons. We are maintaining close liaison with the Police Department in connection with this matter to insure protection of Bureau interests and to determine if there is any violation within our jurisdiction.

Cincinnati has no concrete information that any automatic weapons are presently located in the Cincinnati territory to be used by racial organizations.

Bureau will be kept advised of any pertinent information.
