UNITED STATES GOVERNMENT

Memorandum

TO : Director, FBI

DATE: 2/27/64

FROM : Legat, London (163-1033) (RUC)

SUBJECT: ANONYMOUS LETTER ADDRESSED TO THE PRIME MINISTER OF GREAT BRITAIN RECEIVED IN ENVELOPE POSTMARKED 1/20/64, LOS ANGELES, CALIFORNIA
FPC

Assassination of President John F. Kennedy

62-109060-2404

ReBulet 2/11/64 instructing London to submit in letterhead memorandum form the information contained in the anonymous letter, plus results of the FBI Laboratory examination of same. Also, to incorporate the information in insert form (25 copies) for transmittal to the Dallas Office.

Enclosed are the letterhead memorandum and inserts as requested. It should be noted that Chief Inspector BILL HILL, Special Branch, New Scotland Yard, furnishes information to London on a strictly confidential basis and it is necessary to conceal his identity to preserve this relationship; consequently, T-1 in the enclosure is Chief Inspector HILL.

London does not possess reproduction equipment other than an Autostat machine; consequently, the inserts are on onionskin paper made by runs of 8, 8 and 9 copies.

Since Foreign Offices do not ordinarily denote the office file number in matters disseminated outside the Bureau, it was believed desirable to leave the London Office file number off of the 25 inserts for the Dallas Office.
