* With respect to informants MEX-48^(c) and MEX-61^(c) it will be noted that they were contacted on 4/11/64. It was considered of interest to record that contact because on that occasion the assassination of President KENNEDY and the OSWALD case were discussed with them, and it has not been possible to recontact them in view of their being away from Mexico. *

As has been done in the past, all Agents will continue to alert informants and report immediately any information which may be received with respect to captioned case.
