REC-6 62-109060-362

The West German Federal Police have furnished a signed statement taken from BUSKE at Stade in which ^{to AUG 14 1964} BUSKE generally reiterates his former statement but specifically states that he has no details regarding the assassination of President KENNEDY either regarding plans for such an assassination or regarding the assassination itself. (S)(u)

The above is being submitted immediately so that the Bureau would be aware of the non-specific nature of BUSKE's information and the fact that it contains no facts pertinent to establishing the circumstances surrounding the assassination.
