Letter to Legat, Mexico City  
RE: ASSASSINATION OF PRESIDENT KENNEDY

NOTE:

San Diego advised on 11-27-64 the State Judicial Police, Mexicali, Baja, California, had heard that during President Kennedy's visit to Mexico City in 1962, the Secret Police of Mexico City arrested an American, who was allegedly planning to assassinate him. This was not confirmed. Legat, Mexico City advised that during President Kennedy's visit to Mexico City 6/29-7/1/62, only one American was arrested, David Joseph St. Jacques, who was a psychopathic case. He approached the President's car as he thought all cancer cases in the United States were caused by Noxious fumes released by chemical factories, and he wanted to discuss this matter with the President. The original information received from Baja, California, was furnished to Secret Service. Legat, Mexico City has been instructed to submit inserts and LHM for report and dissemination to Secret Service, even though alleged assassination information was erroneous.
