SUBJECT: LEE HARVEY OSWALD, AKA

DATE: 1/24/64

Immediately following the assassination of President KENNEDY on 11/22/63, all sources of this office were instructed to be alert for any information which would tend to indicate a connection between OSWALD and the Cubans or the Communist Party. She stated that if something regarding his activities at that time appeared in the press it could "blow the lid and we could all get fried." MORA indicated to informants that she could not understand why the investigation of OSWALD, as reported up to that time in the press, had not focused on New Orleans instead of on Dallas. (S)(u)

MORA told the sources that OSWALD was well-known in Russia among the Americans who were there at the same time and he was "not that much of a nut" (as to singlehandedly
