ReBuairtel 5/26/64, with which was furnished a copy of a translation of a Mexican Government document furnished to the Bureau by Mexico City airtel of 5/12/64.

ReBuairtel called attention to the reference in the translation to a list of reservations said to be in lieu of a passengers' list of the Transportes Frontera Bus Line. This reservation list mentioned in the translation is the same as the manifest of Transportes Frontera Line (Exhibit D106) on which the name "OSWALD" was manifested in seat No. 4. As has been pointed out previously to the Bureau, officials of Transportes Frontera indicate that this list is utilized both for reservations and for assistance in the accounting office of the company.

Mexican Immigration Inspector JOSE MARIO DEL VALLE, who assisted in the preparation of the document which was translated, has advised that there is no list of passengers related to the Transportes Frontera bus trip on 10/2-3/63 from Mexico City to Nuevo Laredo in addition to the reservation list mentioned. Previous investigation by this office confirms this statement of Inspector DEL VALLE. The so-called reservation list mentioned in the Mexican Government report is the only list or manifest of passengers prepared by the Transportes Frontera Bus Line.

ReBuairtel mentioned the admonition against disseminating the Mexican Government document, translation of which was furnished with the airtel. Mexico City airtel of 8/2/64 (JFK)

5/26/64 transmitted to the Bureau copies of the final official report of the Mexican Government prepared in the Secretariat of Foreign Relations and furnished to the Embassy here. This airtel pointed out certain discrepancies which existed between this final official report and the letter of 5/6/64 prepared by Acting Secretary of Gobernacion LUIS ECHEVERRIA, the translation of which letter was furnished with reBuairtel of 5/26/64. The latter instructed the Legat to furnish his views as to the course of action to be taken concerning the dissemination of the translation if the final official report of the Mexican Government differed in substance from the information contained in the letter for which the translation was prepared. ~~(S)~~ ~~(M)~~ ~~(S)~~ ~~(U)~~

As was pointed out in Mexico City airtels of 5/12/64 and 5/26/64, neither the final official report of the Mexican Government nor the ECHEVERRIA letter appeared to contain information which had not been previously reported to the Bureau. No apparent purpose would be served in furnishing the President's Commission with a translation of the ECHEVERRIA letter for use in making a comparison of it with the final official report of the Mexican Government which was forwarded to the Commission through the State Department by the Embassy here. At the same time to do so might result in the compromise of MEX-192, who furnished a copy of the ECHEVERRIA letter to this office on a very confidential basis without the knowledge of ECHEVERRIA. Unless the Bureau perceives some very strong reason for furnishing the Commission with a translation of the ECHEVERRIA letter, it is recommended that this not be done. ~~(S)~~ ~~(M)~~ ~~(S)~~ ~~(U)~~
