On August 5, 1964, T-1, a confidential source abroad, JFIC
furnished information as follows: *(u)*

SPECIAL

MARK LANE entered Denmark April 9, 1964, from Rome
and stayed at the Hotel Royal in Copenhagen on April 9 to
10, 1964. On April 16, 1964 he reentered Denmark from
London, England, and he stayed at the Hotel Viking,
Copenhagen, April 16 and 17, 1964 and at the Hotel Skovrid-
erkroen on April 17 and 18, 1964. *(c)*

On April 10, 1964 LANE delivered a lecture to the
"Students' Union" in Copenhagen concerning the assassination
of President Kennedy. In this regard, T-1 advised that
a known Danish Communist, JORGEN THEILGAARD JACOBSEN, a
lawyer, born April 11, 1919, took the initiative in forming
a Danish committee for the main purpose of obtaining informa-
tion on the continued investigations into the assassination.
Further, this committee intends to have translated and
published a book which LANE is writing on LEE HARVEY OSWALD's
part or innocence in the murder. *(c)*

DENMARK

Hungary

JACOBSEN and LANE became acquainted sometime ago when
attending the Congress of the "International Association
of Democratic Lawyers" in Budapest and they intend to con-
tinue the contact as MARK LANE will supply the Danish Com-
mittee with all new material on the assassination. *(c)*

While in Denmark, MARK LANE was interviewed on April
28, 1964, for eight minutes by the Danish State Television
Service. *(c)*

In the middle of May, T-1 received information that
MARK LANE intended to visit Denmark again and during the
afternoon of May 25, 1964, in Copenhagen he delivered a
lecture at a meeting organized by the "Lawyers' Debating
Club". The evening of May 25, 1964, in Aarhus, Denmark,
LANE delivered a lecture to a meeting organized by the
"Students' Association" and the daily paper "Demokraten". *(c)*

T-1 advises that these lectures were similar to his previous ones in that LANE gave an account of his inquiries since the assassination in November and showed why in his opinion OSWALD cannot have been the assassin. (c)

LANE also stated during the lectures that he had visited Dallas, Texas five times; that he was under surveillance by the F.B.I. , which tapped his telephones, and that he was happy to have the opportunity of pleading the cause in Europe as he had gained the impression that this was being reported by the Press in the United States. (c)

LANE's comprehensive material on the assassination reportedly has been placed at the disposal of the Danish "Mark Lane Committee" for the purpose of early publication. (c) e

On May 26, 1964, LANE departed Copenhagen for Sweden, France and England, where he was also to deliver lectures. (c)

T-1 advised that "Who Killed Kennedy Committees" have been established on LANE's initiative in Copenhagen, Paris and London, all with prominent personalities as members. (c)

According to T-1, LANE returned to the United States on July 1, 1964. (c)
